HEALTH ACT, 1911-1962.

Department of Public Health,
Perth, 5th August, 1964.

HIS Excellency the Governor in Executive Council, acting under the provisions of the Health Act, 1911-1962, has been pleased to make the regulations set forth in the schedule hereunder.

W. S. DAVIDSON,
Commissioner of Public Health.

Schedule.
Regulations.

- Principal regulations. 1. In these regulations the Health Act (Sewerage, Drainage and Underground Water Supply) Regulations, 1959, published in the *Government Gazette* on the 15th September, 1959, cited in that *Government Gazette* as the Sewerage and Drainage Fixtures and Fittings Regulations, 1959, and amended from time to time thereafter by notices published in the *Government Gazette*, are referred to as the principal regulations.
- Reg. 3 amended. 2. Regulation 3 of the principal regulations is amended by adding after the word, "sewage", being the last word in subregulation (1), the passage, " or an asbestos cement educt vent pipe that complies with the provisions of regulation 10B of these regulations".
- Reg. 6 amended. 3. Regulation 6 of the principal regulations is amended by substituting for the passage commencing with the word, "For" in line five of subregulation (3) down to and including the numerals, "10 0" in the last line of that subregulation, the following passage:—
- | | | | | | | |
|---|------|------|------|------|----|---|
| For each closet pan tested | | | | | 2 | 0 |
| For each asbestos cement educt vent pipe tested | | | | | 1 | 0 |
| For each flushing cistern tested | | | | | 2 | 0 |
| And for each application | | | | | 10 | 0 |
- Regs. 10B and 10C added. 4. The principal regulations are amended by adding after regulation 10A the following regulations:—
- 10B. (1) A person shall not install or use in connection with any water supply, sewerage or drainage works any asbestos cement educt vent pipe unless of a type in respect of which a certificate of registration has been issued by the Commissioner under this regulation.
- (2) An application for a certificate of registration referred to in subregulation (1) of this regulation shall be made to the Commissioner, in writing, and be accompanied by specifications as to materials of which the asbestos cement educt vent pipe is composed, the manner of its manufacture, and the method proposed to be adopted in the installation and fixing thereof.
- (3) An application being made under this regulation and upon payment of the fees prescribed by these regulations, the Commissioner shall cause the asbestos cement educt vent pipe to be tested by an inspector appointed by him for that purpose and such inspector, if satisfied that the pipe is suitable for use in connection with any water supply, sewerage or drainage works and is in accordance with the specifications lodged with the application, may brand or mark the pipe with the letters D.P.H., and thereupon the Commissioner shall register the pipe subject to such conditions (if any) regarding the use thereof as he may consider advisable to impose and cause a certificate of registration to be issued to the applicant endorsed with such conditions.
- 10C. A person, other than an inspector referred to in regulation 10B of these regulations, who brands or marks an asbestos cement educt vent pipe in the manner referred to in that regulation or with any brand or mark resembling the same commits an offence against these regulations.
