8.—Removal Allowance

(a) When a married officer is transferred in the public interest or in the ordinary course of promotion and transfer or on account of illness due to causes over which the officer has no control, he shall be reimbursed—

- (i) the actual reasonable cost of conveyance of himself and his wife and children under 16 years of age or other children wholly dependent on him; and
- (ii) subject to the limitations defined in sub-clause (d) the actual reasonable cost of conveyance of his furniture, including insurance of such furniture whilst in transit; and
- (iii) an allowance of \$100 for accelerated depreciation and extra wear and tear on furniture and effects: Provided that the Permanent Head is satisfied that the value of household furniture moved by the officer is at least \$600.

In the case of a single officer, an application for any reimbursement under this clause shall be considered by the Board, on the recommendation of the Permanent Head.

(b) An officer who is transferred from one locality to another solely at his own request, or by exchange (except as provided for in subclause (a)), must bear the whole cost of his removal unless otherwise approved by the Board.

(c) When an officer is transferred on account of misconduct, the cost must be borne by the officer at fault, unless otherwise determined by the Board, prior to removal.

(d) The maximum reimbursement for cost of conveyance of furniture, including insurance whilst in transit, shall be \$500 unless a higher sum is approved by the Board in any special case: Provided that only necessary household furniture and effects shall be taken into consideration.

(e) An officer shall be reimbursed the full freight charges necessarily incurred in respect of the removal of his motor vehicle. If authorised by the Permanent Head to travel to the new locality in his own motor vehicle reimbursement shall be as follows:—

- (i) Where the officer will be required to maintain a motor vehicle for use on official business at his new headquarters, reimbursement for the distance necessarily travelled shall be on the basis of the appropriate rate of hire as prescribed by Clause 5 of the Public Service Allowances (Motor Car Hire) Agreement, No. 4 of 1968 and any amendments thereto, or by any new agreement or award made in substitution thereof.
- (ii) Where the officer will not be required to maintain a motor vehicle for use on official business at his new headquarters, reimbursement for the distance necessarily travelled shall be on the basis of one half of the appropriate rate of hire as prescribed by Clause 5 of the Public Service Allowances (Motor Car Hire) Agreement, No. 4 of 1968 and any amendments thereto, or by any new agreement or award made in substitution thereof.

(f) Furniture, and effects, where practicable shall be removed by State-owned transport.

(g) Before removal is undertaken, the officer shall, where practicable, obtain quotes from at least two carriers which shall be submitted to the Permanent Head, who may authorise the acceptance of the more suitable: Provided that the maximum amount prescribed by subclause (d) is not exceeded without the written approval of the Board having first been obtained.

(h) Vouchers must be produced for all sums paid.

(i) The Permanent Head may, in lieu of cost of conveyance, authorise payment of an amount not exceeding the maximum prescribed by subclause (d) to compensate for loss in any case where an officer with prior approval of the Permanent Head, disposes of his furniture and effects instead of removing them to his new headquarters: Provided that such payment shall not exceed the sum which would have been paid if such furniture and effects had been removed by the cheapest method of transport available.

(j) Where an officer is transferred to departmental accommodation where furniture is provided and as a consequence is obliged to store his own furniture, he shall be reimbursed the actual cost of such storage up to a maximum allowance of \$150 per annum. An allowance under this subclause shall not be paid for a period in excess of one year without the approval of the Board.

9.—Relieving Allowance.

(a) A married or single officer who is required to ake up duty away from his usual headquarters to relieve another officer or to perform special duty, and necessarily resides temporarily away from his usual place of residence shall, except where otherwise provided, be reimbursed reasonable accommodation, meal and incidental expenses on the following basis:—

- (i) Where the officer resides temporarily at a place where hotel or motel accommodation is utilised, he shall be reimbursed at the rates prescribed by Item 1 or 4, as the case may require, up to a maximum period of twenty-eight days after arrival at the new locality.
- (ii) If the period of relief or special duty exceeds twenty-eight days, a married officer shall be reimbursed at the rates prescribed by Item 2 or 5 and a single officer shall be reimbursed at the rates prescribed by Item 3 or 6 as the case may require for the period of relief or special duty in excess of twenty-eight days. Provided that the period of reimbursement under this paragraph shall not exceed sixty-three days without the approval of the Board.

(iii) Where the officer:—

- (a) is supplied with accommodation and meals free of charge, or
- (b) is accommodated and supplied with meals at a Government institution, hostel or similar establishment,

he shall be paid at the rate prescribed by Item 7 to cover incidental expenses.

(b) Where the officer has accommodation and meals other than as set out in subclause (a) of this clause, he shall be reimbursed in accordance with Item 8.

(c) If an officer, whose normal duties do not involve camp accommodation, is required to relieve or perform special duty resulting in a stay at a camp, he shall be paid camp allowance for the duration of the period spent in camp, and in addition, shall be paid a lump sum of \$30 to cover incidental personal expenses: Provided that an officer shall receive no more than one lump sum grant of \$30 in any one period of three years.

(d) When an officer, who is required to relieve or perform special duties in accordance with subclause (a), is authorised by the Permanent Head to travel to the new locality in his own motor vehicle he shall be reimbursed for the return journey as follows:—

- (i) Where the officer will be required to maintain a motor vehicle for the performance of the relieving or special duties, reimbursement shall be in accordance with the appropriate rate of hire as prescribed by clause 5 of the Public Service Allowances (Motor Car Hire) Agreement, No. 4 of 1968, and any amendments thereto, or by any new agreement or award made in substitution thereof.

- (ii) Where the officer will not be required to maintain a motor vehicle for the performance of the relieving or special duties, reimbursement shall be on the basis of one half of the appropriate rate of hire as prescribed by Clause 5 of the Public Service Allowances (Motor Car Hire) Agreement, No. 4 of 1968 and any amendments thereto, or by any new agreement or award made in substitution thereof.

Provided that the maximum amount of reimbursement under paragraph (ii) of this subclause shall not exceed the cost of the first class fare by public conveyance which otherwise would be utilised for such return journey.

Inter-State

(e) A married or single officer who is required to relieve another officer or perform special duty outside the limits of the State but within the Commonwealth, shall, except where otherwise provided, be reimbursed reasonable accommodation, meal and incidental expenses on the following basis:—

- (ii) If the period of relief or special duty exceeds twenty-eight days, a married officer shall be reimbursed at the rates prescribed by Item 10 and a single officer shall be reimbursed at the rates prescribed by Item 11, for the period of relief or special duty in excess of twenty-eight days. Provided that the period of reimbursement under this paragraph shall not exceed sixty-three days without the approval of the Board.

(iii) Where the officer:—

- (b) is accommodated and supplied with meals at a Government institution, hostel or similar establishment,

he shall be paid at the rate prescribed by Item 12 to cover incidental expenses.

(f) Where the officer has accommodation and meals other than as set out in subclause (a) of this clause he shall be reimbursed in accordance with Item 13.

General

(g) The rate applicable to a married officer under subclause (a) (ii) and (e) (ii) shall be paid to a single officer if the Board is satisfied that the officer has to maintain a home and support dependent relatives therein, in a locality other than that to which he has been sent. A certificate to this effect must be furnished by a single officer claiming the higher rate.

(h) Where it can be shown by the production of receipts or other evidence that an allowance payable under this clause would be insufficient to meet reasonable additional costs incurred, an appropriate rate of reimbursement shall be determined by the Board.

(i) The provisions of clause 6 shall not operate concurrently with the provisions of this clause so as to permit an officer to be paid allowances in respect of both travelling and relieving expenses for the one and the same period.

(j) An officer who is directed to relieve another officer or to perform special duty away from his usual headquarters and is not required to reside temporarily away from his usual place of residence shall, if he is not in receipt of a higher duties or special allowance for such work, be reimbursed the amount of additional fares paid by him in travelling by public transport to and from his place of temporary duty.
