The Municipality of the Shire of Laverton.

By-laws Relating to Long Service Leave.

L.G. 237/74.

IN pursuance of the powers conferred upon it by the abovementioned Act and of all other powers enabling it, the Council of the abovementioned Municipality hereby records having resolved on the 15th day of February, 1974, to make and submit for confirmation by the Governor the following by-laws:—

1. In the interpretation of these by-laws the following words shall have the meaning assigned to them hereunder:—

(a) "Council" means the Laverton Shire Council;

(b) "Continuous Service" means service in the employment of the Council during which an employee has not been absent from the service of the Council for a continuous period of more than two days or an aggregate period of more than ten days without leave of absence being granted by the Council.

2. All employees of the Council shall after a period of 7 years continuous service as permanent full-time employees thereof commencing from 15th day of February, 1974, be entitled to three months' long service leave. Long service leave is to be taken at the convenience of the Council, which will, as far as possible, meet the wishes of the employee, but the Council may require the employee to take his leave by giving him not less than three months' notice.

3. Absence on account of sickness shall not be deemed to be a break in the continuous service, providing the period of absence shall not be longer than three months in any year, unless otherwise decided by the Council.

4. (a) Employees due to take long service leave shall be paid their salary or wage for the period thereof at the rate equivalent to the salary or wage paid in the week immediately preceding the taking of long service leave.

(b) The Council may at its discretion either—

(i) pay to the employee his salary or wages periodically during long service leave; or

(ii) pay to the employee in advance a sum representing the amount of his salary or wages for the period of his long service leave.

5. Employees shall not be entitled to long service leave until the completion of the first 3 years of service. After the completion of the first 3 years employees will be entitled to a pro rata payment if they leave the service of the Council before the period is completed.

6. In the event of the resignation, retirement or death of an employee, the Council may pay to such employee (or, in the case of death, to his personal representative or if there be none, to his dependants), a sum of money equal to his salary or wages for the period of long service leave which the Council was empowered under these by-laws to grant such employee at the date of his retirement, resignation or death, or if the Council, after consideration of all circumstances, direct that the death of the employee be presumed, the Council may authorise the payment to the dependants of the employee a sum equivalent to the amount of salary or wages which would under this by-law have been granted to the employee immediately prior to the date of his death, such date to be determined by the Council.

7. An employee dismissed by the Council, except in the matter of retrenchment, shall not be paid any sum in pursuance of the preceding by-law.

8. Long service leave shall be considered as a special period of recuperation after a lengthy term of service, with a view to fitting the employee for a further term, and during such leave no employee shall undertake any form of employment for hire or reward, unless by special permission of the Council. Any contravention of this by-law shall entitle the Council to dismiss the employee from its service and to cease paying or recover any amounts paid in advance on account of long service leave.
