2. All present and future employees of the Council shall after an initial period of ten years' continuous service be entitled to thirteen (13) weeks' Long Service Leave.

3a. All employees who have qualified for Long Service Leave after initial service of ten years under By-law 2 will be entitled to thirteen (13) weeks' Long Service Leave after a further period of ten years' continuous service.

3b. All employees who have qualified for two (2) terms of Long Service Leave under by-laws 2 and 3a on the original basis of ten years' service will be entitled to the third and successive terms of thirteen (13) weeks Long Service Leave after each further seven year period of continuous service.

4. Present employees shall retain the entitlement to leave which has accrued to them by virtue of the provisions of the by-law published in the *Government Gazettes* dated the 29/4/49 and 15/2/52, which entitlement shall be added to entitlement accrued hereunder.

5. If the employment of an employee ends before he has completed a full qualifying period in accordance with by-laws 2, 3a and 3b of these by-laws payment in lieu of Long Service proportionate to his length of service shall be made provided of—

- (a) he has completed at least three years' continuous service and his employment has been ended by the Council for reasons other than misconduct or unsatisfactory service; or

12. (a) Public holidays which may occur during the taking of Long Service Leave and to which an employee would normally be entitled shall not be paid for over and above Long Service Leave but are to form part of such Long Service Leave.

(b) Subject to by-law 12a nothing in these by-laws contained or implied shall have the effect of depriving any employee of any privileges and rights normally conferred by his employment nor the whole or any part of annual leave to which he would ordinarily be entitled in the year during which Long Service Leave is taken.

(c) All annual leave to which an employee is entitled or will become entitled before the expiration of his Long Service Leave shall be taken by the employee in conjunction with his Long Service Leave.

13. Excepting in respect of pro rata payments made under the provisions of these by-laws, Long Service Leave shall be considered as a special period of recuperation after a lengthy term of service with a view to fitting such employee for a further term. During such leave, no employee shall undertake any form of employment for hire or reward, unless by written permission of the Council. Any contravention of this by-law shall entitle the Council to dismiss the employee from its service and cease paying or to recover amounts paid in advance on account of Long Service Leave.

14. It is the express design of these by-laws that Long Service Leave shall be a special period of recuperation. Therefore, should any employee, whilst on Long Service Leave be confined to bed through accident or illness for a continuous period in excess of two weeks a like period of leave or such lesser period as nominated by the employee shall be added to the Long Service Leave taken and the period of confinement or the period nominated by the employee shall be for the purpose of these by-laws recorded as sick leave. Payment for that period nominated as sick leave shall be paid from accumulated sick leave of the employee if so claimed.
