COMMITTEE OF INQUIRY.

Premier's Department,
Perth, 19th August, 1974.

IT is hereby notified for public information that His Excellency the Governor in Executive Council has appointed—

- (a) Gerald Keall, of Law Chambers, Cathedral Square, Perth, to be a member and the chairman;
- (b) George Strickland, of 85 Esplanade, South Perth, to be a member;
- (c) Ronald Francis Carroll, of 74 Burke Drive, Attadale to be a member;
- (d) Ernest Cosmo Manea, of 205 Spencer Street, Bunbury, to be a member; and
- (e) John Ronald Ewing, of State Taxation Department, Central Government Building St. George's Terrace, Perth, to be a member,

of a Committee of Inquiry to enquire into all forms of rates and taxes attached to land valuation and in particular to examine—

- (1) What are the anomalies of the present system of valuations used for—
 - (a) land taxes;
 - (b) metropolitan region improvement tax;
 - (c) local authority rating;
 - (d) water supply, sewerage and drainage rating?

- (2) Can the anomalies be rectified? If so, in what manner?
- (3) Examine and report on the advantages and disadvantages of—
 - (a) annual value base;
 - (b) unimproved value base,
 for existing rates and taxes imposed.
- (4) What are the advantages and disadvantages of—
 - (a) a flat annual charge for each zoning of land;
 - (b) a rate or tax using as a base personal gross income of all occupiers of a residential unit and the gross income of occupiers of commercial and industrial properties?
- (5) Report on other alternative rating and taxes bases which could be used.
- (6) Recommend the use of the most appropriate base or bases to give the most equitable treatment of tax and ratepayers on the basis that those with the greatest resources should make the greatest contribution.
- (7) What system of applying a rate or tax to the base should be used for—
 - (a) land tax;
 - (b) metropolitan region improvement tax;
 - (c) local authority rating;
 - (d) water, sewerage and drainage rating?
- (8) Should a uniform scale of charges for water, sewerage and drainage be applied to the whole State? If so, is it a feasible proposition?
- (9) Examine and report on the heavy relative burden placed on initial developers and occupants of land and recommend any corrective action required.
- (10) Report on any other improved method by which the Government may raise revenue to meet the cost of administration, debt servicing, operating and maintenance expenses for essential services provided by State and local authorities.

- (c) Variations: Where the land of an owner or occupier, on the boundary abuts an area where it is impracticable to construct a firebreak due to natural causes i.e. Salt Lakes, Breakaways and the like an alternative firebreak may be installed provided that a Fire Control Officer appointed by the Council has inspected and given approval for the alternative firebreak location.
- (d) Developmental Areas and Sand Plain Blocks situated to the west of the Geraldton Highway. A firebreak of not less than thirty feet in width must be installed on the boundaries of all undeveloped scrub country on or before the 1st day of October, 1974, and thereafter maintained free of all inflammable material until the 15th day of April, 1975.

Townsite Land Three Springs and Arrino: On or before the 15th day of November, 1974:—

- (a) Vacant Blocks: On blocks that are less than one half of one acre in size all inflammable material to be cleared off the block, and the block to be maintained in a totally cleared state until the 15th day of April, 1975.
- (b) On blocks exceeding one half of one acre size, provide and maintain until the 15th day of April, 1975 a firebreak of not less than six feet in width on every boundary of the block.
- (c) Blocks containing Buildings or dwellings: Provide and maintain until the 15th day of April, 1975 an effective firebreak of not less than three feet in width around the perimeter of all buildings or groups of buildings and inside along the boundary of the land.
- (d) Variation: Where due to the location of the land it is impracticable to install firebreaks as required an alternative position may be used provided that a Fire Control Officer appointed by the Council has inspected and approved of the alternative location.

The penalty for failing to comply with this notice is a fine of not less than \$10 nor more than \$200 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

By Order of the Council,

H. J. WALSTER,
Shire Clerk.

BUSH FIRES ACT, 1954.

Notice to all Owners and/or Occupiers of Land in the Shire of Victoria Plains.

Pursuant to the powers contained in section 33 of the above Act, you are hereby required, on or before the 15th day of October, 1974, to clear of all inflammable material firebreaks not less than eight feet wide in the positions indicated in paragraphs numbered 1, 2, 3, 4 and 5 to this notice and not less than one chain wide in the position as indicated in the paragraph numbered 6 to this notice on all rural and townsite land owned or occupied by

you, and thereafter to maintain the firebreaks clear of all inflammable material up to and including the 1st day of April, 1975.

- (1) Immediately inside all external boundaries of the land and;
- (2) In such other positions as is necessary to divide land in excess of 1500 acres into areas each not exceeding 1000 acres, each completely surrounded by a firebreak and;
- (3) Immediately surrounding any part of the land used for pasture or crop and;
- (4) Immediately surrounding all buildings, haystacks and fuel ramps situated on the land and;
- (5) Immediately surrounding any drum or drums situated on the land which are normally used for the storage of fuel, whether they contain fuel or not; and
- (6) Immediately surrounding all bush which has been bulldozed, chained or prepared in any similar manner for clearing by burning (whether you intend to burn the bush or not).

If it is considered to be impracticable for any reason to clear firebreaks as required by this notice, you may apply to the Council or its duly authorised officer not later than the 5th day of October, 1974, for permission to provide firebreaks in alternative positions on the land. If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of not less than \$10 nor more than \$200 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

By Order of the Council,

F. B. COOPER,
Shire Clerk.

BUSH FIRES ACT, 1954.

(Section 33.)

Shire of Nannup.

Notice to all Owners and/or Occupiers of Land in the Shire of Nannup.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required on or before the 15th day of December, 1974 and thereafter up to and including the 1st day of April, 1975 (a) to have firebreaks clear of all inflammable material not less than two metres wide in the following positions on all land owned or occupied by you and additionally (b) to have the whole of any land as described in paragraph B1 hereunder as is owned or occupied by you clear of all inflammable material:—

- A. Rural Land (all land within the Shire other than land within townsites or within areas subdivided for residential purposes).
 - (1) Immediately inside all external boundaries of the land; and
 - (2) Immediately surrounding all buildings and/or haystacks situated on the land.
- B. Urban Land (all land within townsites or within areas subdivided for residential purposes):
 - (1) Where the area of the land is two thousand square metres or less you shall remove all inflammable material from the whole of the land; and
 - (2) Where the area of the land exceeds two thousand square metres you shall clear of all inflammable material firebreaks at least two metres wide immediately inside all external

boundaries of the land and also immediately surrounding all buildings and/or haystacks or groups of buildings and/or haystacks situated on the land.

- (3) Where a fuel depot is situated on any land for commercial purposes you shall remove all inflammable material from all land occupied by drums used for the storage of inflammable liquid, whether the drums contain inflammable liquid or not, including the land on which ramps for holding the drums are constructed and to a distance of three metres outside the perimeter of any drum, stack of drums, or drum ramp.

C. Private Pine Plantings: Any pines planted for commercial purposes constitutes a pine plantation and you are hereby required to clear of all inflammable materials firebreaks not less than twenty metres wide around all private plantations.

If it is considered to be impracticable for any reason to clear firebreaks or to remove inflammable material from the land as required by this notice, you may apply to the Council or its duly authorised officer not later than the 8th day of December, 1974 for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land.

If permission is not granted by the Council or its duly authorised officer you shall comply with the requirements of this notice.

The penalty for failure to comply with this notice is a fine of not less than \$10 or more than \$200 and a person in default is also liable whether prosecuted or not to pay the cost of performing the work directed in this notice, if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning such burning must be in accordance with the relevant provisions of the Bush Fires Act.

By Order of the Council,

D. F. BOULTER,
Shire Clerk.

**WORKERS' COMPENSATION ACT
1912-1973.**

Hospital Charges.

WHEREAS under the provisions of paragraph (d) of the proviso to paragraph (c) of Clause 1 of the First Schedule to the Workers' Compensation Act, 1912-1973, it is enacted that the compensation payable to an injured worker to cover hospital charges shall not exceed that from time to time determined by the Workers' Compensation Board: Now, therefore, the Board in exercise of the power conferred by the Act, doth hereby determine that as from the 1st day of September, 1974, the hospital charges referred to in proviso (d) to paragraph (c) of Clause 1 of the First Schedule to the Workers' Compensation Act, 1912-1973, shall not exceed—

- (1) Thirty Dollars (\$30.00) per day for hospitals wherever situated while the injured worker necessarily and properly remains in hospital, provided that this rate shall be regarded as a maximum rate and the rate in each case shall not exceed the general rate chargeable for treatment in cases other than workers' compensation cases in a public ward bed in a public hospital, or a ward bed in a private hospital;
- (2) for outpatient attendance fee the sum of Three Dollars Fifty Cents (\$3.50) per treatment;
- (3) for operating theatre fees, such amount as would normally be payable to the hospital concerned in cases other than workers' compensation cases, or in a public hospital the sum of Nine Dollars (\$9.00).

Passed by a resolution of the Workers' Compensation Board at a meeting of the said Board held on the 13th day of August, 1974.
