2.1.2. Within the Special Rural Zone, the Town Planning Board may approve applications for subdivision into sub-lots with a minimum area of 3 hectares subject to any conditions.

2.1.3. In giving consideration to applications for subdivision the Board may take into account—

3.1.5. The Council shall pay regard to, but shall not be bound by, the recommendation of the Owner's Committee.

#### WHEAT DELIVERY QUOTAS ACT, 1969-1974.

##### Wheat Delivery 1975/76 Season.

WHEAT growers are advised the 1975/76 season has been declared a non-quota season and there is no restriction on the quantity of wheat which may be delivered.

To enable accurate property delivery records to be maintained, wheat growers who intend delivering wheat to the Australian Wheat Board during

the 1975/76 season are notified that an application for registration to do so must be made on the appropriate form, which will be available in May at all Shire offices and Department of Agriculture offices in wheat growing areas; also at the Wheat Quota office, 1st Floor, 220 St. George's Terrace, Perth. Applications are to be completed and forwarded to the Wheat Quota office by 31st July, 1975.

Wheat Delivery Registration Certificates will be issued by 1st October, 1975 and must be registered at Co-operative Bulk Handling Ltd. receipt points prior to delivery being effected. Failure to do so will cause inconvenience to growers at time of delivery, as under Clause 31 of the Wheat Delivery Quotas Act 1969-74, Co-operative Bulk Handling Ltd. are not permitted to accept wheat from a grower who has not registered at point of delivery.
