- (d) controlling the placing of advertising signs and billboards;
- (e) reducing the effects of mining on the environment; and
- (f) other matters authorised by the enabling Act.

PART I.—PRELIMINARY.

1.1. This Planning Scheme may be cited as the Shire of Shark Bay Town Planning Scheme No. 1 hereinafter called "the Scheme" and shall come into operation on the publication of notice of the Minister's approval thereof in the *Government Gazette*.

1.2. The Scheme shall apply to the whole of the Shire of Shark Bay.

1.3. The responsible authority for carrying out the Scheme is the Council of the Shire of Shark Bay, hereinafter called "the Council".

1.4. Arrangement of the Scheme:

The Scheme is divided into the following parts—

- Part I.—Preliminary.
- Part II.—Reserves.
- Part III.—Zones.
- Part IV.—Non-Conforming Uses.
- Part V.—General Provisions.
- Part VI.—Administration.

The Scheme documents comprise this text, Scheme Maps 1, and 2 and the Land Use Maps dated 10th February, 1973.

1.5. Interpretation:

- (a) Subject to the provisions of sub-clause (b) of this clause, in this Scheme the terms used will have the respective interpretations set out in Appendix D of the Town Planning Regulations 1967 unless specifically stated herein.
- (b) In this Scheme, unless the context requires otherwise,

"major road" means a road designed as such on the Scheme Map; "sign" means any device erected for the purpose of advertising or soliciting a service or a commodity or publicising an event or place or object;

"roadhouse" means a service station with public eating facilities;

"chalet" shall be interpreted as contained in the Local Government Model By-laws (holiday cabins and chalets) No. 18;

"camping ground" shall mean an area set aside for the purpose of erecting a portable shed, or hut, tent, fly, blind or other structure which is erected and designed or filled or capable of temporary use as a habitation or dwelling.

PART II.—RESERVED LAND.

2.1. The Council shall not invoke this scheme in order to control the development or use of unalienated Crown land or Crown Reserves without first consulting with the Under Secretary for Lands. Provided that when such land is leased or sold as freehold it shall come under the normal provisions of the scheme.

PART III.—ZONES.

3.1. The Scheme Area is divided into the following zones:—

- Residential.
- Commercial.
- Industrial.
- Special Sites.
- Rural.
- Tourist.

All that land which is not in any other zone but is within the Scheme area is deemed to be in the Rural Zone.

3.2. (a) Table No. 1 appended to clause 3.3 of this Part indicates the uses permitted by this Scheme in the zones, such uses being determined by cross reference between the list of "Use Classes" on the left hand side of the Table and the list of Zones at the top of that Table.

(b) Where a use is not specifically stated in the list of Use Classes it shall be included in the most appropriate Use Class or deemed not to be permitted in any zone at the discretion of Council.

3.3. The symbols used in Table No. 1 appended to this Scheme have the following meaning.

"P"—a use that is permitted.

"AA"—a use that is permitted only if permission is granted by Council.

"IP"—a use that is not permitted unless such use is incidental to the predominant use as decided and approved by Council.

"X"—a use that is not permitted.

PART IV.—NON-CONFORMING USES.

4.1. No provision of the Scheme shall prevent:

- (a) the continued use of any land or building for the purpose for which it was being lawfully used at the time of coming into force of the Scheme; or
- (b) the carrying out of any development thereon for which, immediately prior to that time, a permit or permits required under the Town Planning and Development Act, 1928 (as amended), and any other law authorising the development to be carried out have been duly obtained and was current.

4.2. Where in respect of land zoned under Part III a non-conforming use exists or was authorised as mentioned in clause 4.1 of this Part on that land buildings may not be extended without the written consent of Council.

4.3. Change of Non-Conforming Use: The Council may permit the use of any land to be changed from one non-conforming use to another non-conforming use, provided the proposed use is, in the opinion of Council less detrimental to the amenity of the area than the existing use, or is in the opinion of Council closer to the intended uses of the zone.

4.4. Discontinuance of Non-Conforming Uses:

- (a) Notwithstanding the preceding provisions of this Part, when a non-conforming use

of any land or building has been discontinued such land or building shall not thereafter be used other than in conformity with the provisions of the Scheme.

- (b) The Council may effect the discontinuance of a non-conforming use by the purchase of the affected property or by payment of compensation to the owner or the occupier or both owner and occupier of the property and may enter into an agreement with the owner for that purpose.

PART V.—GENERAL PROVISIONS.
