Salary: To be negotiated, but within the range of \$22 000—\$24 000 plus a district allowance of \$1 256 for a married appointee or \$628 for a single appointee.

Qualifications and Experience: Tertiary academic qualifications. Wide commercial marketing and management experience in related fields.

Duties and Responsibilities: Responsible to the appropriate Minister for the development of the project to a fully productive, economically viable, satisfying and socially sound project.

The appointee will be required to:

- initiate investigations into crops that may be grown and processed in the area;
- examine the area's requirements in the way of transport, communications, housing, water power and other necessary facilities;
- initiate research into the establishment of secondary industries including the availability of reliable markets;
- examine the pastoral industry and its integration with the irrigation area, for the production of improved quality beef for overseas and Australian markets.

This will entail him working closely with Government Departments, Authorities, Shires, Companies and Local Community Groups.

It is envisaged that he will establish a number of Committees to assist and advise him.

Conditions of Service: Five weeks' annual leave, three months' long service leave after ten years continuous service, generous cumulative sick leave entitlements.

Accommodation: The Project Manager will reside at Kununurra where a house will be provided at \$21.50 rental per week.

Applications: In writing detailing full personal particulars should be addressed to—

The Chairman,
Public Service Board,
111 St. George's Terrace,
PERTH 6000.

CLOSING DECEMBER 19, 1975.

DEPARTMENT OF LABOUR AND INDUSTRY—
IMMIGRATION BRANCH.**ASSISTANT MIGRATION LIAISON OFFICER
UNITED KINGDOM.**

APPLICATIONS are invited from permanent officers classified within the range C-II-3 to C-II-6 for a position of Assistant Migration Liaison Officer in the United Kingdom for a period of at least twelve months and up to three years. The salary will be equivalent to the minimum of class C-II-6 for the first twelve months and, subject to satisfactory service, it will increase to the maximum of C-II-6 after twelve months' service.

The successful applicant will be based in London but will be required to travel extensively on official duties throughout the United Kingdom. The London office is located at Western Australia House, 115 Strand, London, W.C.2, ROAJ, where the officer will be attached to the staff of the Agent General. The officer will assist the Migration Liaison officer with Western Australian migration matters in the

United Kingdom and will be mainly involved in interviewing, throughout the United Kingdom, persons from various trade categories and professional and specialised occupations with a view to recruitment for Western Australian industry, Government departments and other organisations.

Duties will commence in London in February, 1976. Before this, the selected applicant will spend some time with the Department of Labour and Industry and local organisations obtaining background knowledge to migration and employment.

Further details may be obtained from the Under Secretary for Labour and Industry or the Public Service Board.

Applications on form PS 15, including information on marital status and number and ages of children, should be addressed to the Public Service Board by December 19, 1975.

FORESTS ACT, 1918-1974.

Forests Department,
Perth, 5th December, 1975.

HIS Excellency the Governor in Executive Council acting pursuant to section 40H of the Forests Act, 1918-1974 has been pleased to make the regulations set out in the schedule hereto.

W. H. EASTMAN,
Acting Conservator of Forests.

Schedule.

Regulations.

1. These regulations may be cited as the Forest Diseases Regulations, 1975.
2. In these regulations "written authority" means a written authority issued pursuant to subregulation (1) of regulation 6 of these regulations.
3. Any person who takes a potential carrier into a risk area or disease area, or uses or moves a potential carrier in a risk area or disease area, contrary to any instruction or direction—
 - (a) given by a forest officer in relation to that potential carrier; or
 - (b) given by the Conservator in relation to potential carriers of that class by notice published in a newspaper circulating in that risk area or disease area,
 or who causes a potential carrier to be so taken, used or moved contrary to any such direction or instruction, commits an offence.
 Penalty: For a first offence: not less than twenty dollars nor more than two hundred dollars; for any subsequent offence: not less than one hundred dollars nor more than one thousand dollars.
4. Any person who takes a potential carrier into a risk area, or has, uses or moves a potential carrier in a risk area,—
 - (a) without the written authority of a forest officer; or
 - (b) contrary to any condition specified in a written authority,
 or who causes a potential carrier to be so taken, had, used or moved without such authority or contrary to such a condition, commits an offence.
 Penalty: For a first offence: not less than twenty dollars nor more than two hundred dollars; for any subsequent offence: not less than one hundred dollars nor more than one thousand dollars.
5. For the purposes of prohibiting, restricting or regulating the admission of potential carriers to a risk area or disease area a forest officer may erect signposts or barricades, or both, on roads leading into that area.
6. (1) A forest officer may, by written authority issued under this subregulation, authorize the taking of a potential carrier into a risk area, or the possession, use or movement of a potential carrier in a risk area.
 (2) A written authority may be issued subject to such conditions as are specified therein.

(3) A forest officer may, at any time, by notice in writing—

- (a) revoke a written authority;
- (b) vary any condition specified in a written authority or add a further condition thereto and the condition as so varied or added shall be deemed, for the purposes of these regulations, to be a condition specified in the authority;
- (c) remove any condition specified in a written authority and the condition so removed shall be deemed, for the purposes of these regulations, not to be a condition specified in the authority.

7. A person in charge of a potential carrier in a risk area shall carry a written authority issued in respect of that potential carrier at all times when the potential carrier is being used, operated or moved in that area and shall produce that authority whenever requested to do so by an authorized person.

Penalty: Fifty dollars.

8. Without affecting the liability of any person for an offence under paragraph (b) of regulation 4 of these regulations a written authority shall determine forthwith on the breach of any condition specified in that authority.

9. A person shall when so requested by a forest officer give all information within his power in respect of any occurrence or suspected occurrence of the forest disease known as jarrah dieback.

Penalty: Not less than twenty dollars nor more than two hundred dollars.

10. An authorized person may stop and examine any potential carrier to determine whether it is infected and may, for that purpose, erect signposts or barricades, or both, on roads—

- (a) in or leading to a risk area; or
- (b) in or leading out of a disease area.

11. An authorized person may direct a person in charge of an infected carrier or potential carrier entering a risk area to deliver that carrier to a quarantine station.

12. An authorized person may direct a person in charge of an infected carrier or potential carrier entering or in a risk area or in or leaving a disease area to cleanse and disinfect that carrier.

13. The Conservator may establish and maintain quarantine stations or areas for the treatment of infected earth, soil or trees or areas for the cleansing and disinfecting of infected carriers or potential carriers entering or in a risk area, or in or leaving a disease area.

14. The period for which an infected carrier or potential carrier or earth shall be treated or kept in quarantine for the purposes of these regulations shall be such period as a forest officer determines.

15. Where pursuant to these regulations a person is directed to cleanse and disinfect an infected carrier or potential carrier that person shall carry out that cleansing and disinfecting—

- (a) in such manner as is directed by a forest officer; and
- (b) to the satisfaction of a forest officer.

Penalty: For a first offence: not less than twenty dollars nor more than two hundred dollars; for any subsequent offence: not less than one hundred dollars nor more than one thousand dollars.

16. (1) The owner of a potential carrier shall, if required by an authorized person, inform the authorized person as to the identity and address of the person in charge of the potential carrier at the time when an offence relating to that potential carrier is alleged to have been committed against these regulations.

(2) Where an offence against these regulations is alleged to have been committed by the person in charge of a potential carrier and the owner of that potential carrier fails, within fourteen days of being required by an authorized person to identify the person who was in charge of the potential carrier at the time the offence was alleged to have been committed, to—

- (a) comply with that requirement; or
- (b) furnish information to an authorized person from which an authorized person is satisfied that the potential carrier was stolen or being unlawfully used at the time of the alleged offence or that the owner could not reasonably have been aware of the identity of the person in charge of the potential carrier at that time,

the owner shall be deemed to be the person who committed that offence and shall then be liable to the penalty prescribed in respect of that offence.

17. An authorized person may detain, control the further movement of, or remove, a potential carrier that is in a risk area or disease area if—

- (a) that potential carrier has been taken into, used, operated or moved in that area in contravention of a provision of these regulations or in contravention of a condition specified in a written authority;
- (b) the person in charge of that potential carrier has refused or failed to comply with a direction given by an authorized person pursuant to these regulations in relation to that potential carrier; or
- (c) that authorized person considers that in the circumstances there will be a greater risk of the spread of infection if that potential carrier is not so detained, controlled or removed.

18. An authorized person may remove from a risk area any person whom he has reasonable cause to believe to have contravened a provision of these regulations or a condition specified in a written authority.

19. Any person in a risk area or a disease area shall give his name and address whenever requested to do so by an authorized person.

Penalty: Fifty dollars.

20. A person driving or moving a potential carrier shall not—

- (a) fail to stop that potential carrier when requested to do so by an authorized person;
- (b) ignore or fail to comply with a signpost erected pursuant to these regulations; or
- (c) avoid or break through any barricade erected pursuant to these regulations.

Penalty: For a first offence: not less than twenty dollars nor more than two hundred dollars; for any subsequent offence: not less than one hundred dollars nor more than one thousand dollars.

21. A person shall not—

- (a) obstruct, hinder or interfere with an authorized person who is exercising any power or performing any duty conferred or imposed by these regulations; or
- (b) fail to comply with a direction given by an authorized person pursuant to these regulations.

Penalty: Two hundred dollars.

B. M. ROGERS,
Under Secretary for Mines.

MINING ACT, 1904-1973.

Department of Mines,
Perth, 3rd December, 1975.

HIS Excellency the Governor in Executive Council, acting pursuant to the provisions of the Mining Act, 1904-1973, has been pleased to make the regulations set out in the Schedule hereunder to have effect on and after the 1st day of January, 1976.

B. M. ROGERS,
Under Secretary for Mines.

Schedule.
Regulations.

Principal regulations. 1. In these regulations the regulations made under the provisions of the Mining Act, 1904, as reprinted in the *Government Gazette* on the 29th January, 1969, as amended by notices published from time to time in the *Government Gazette*, are referred to as the principal regulations.

Reg. 205B amended. 2. Regulation 205B of the principal regulations is amended—
(a) by deleting—
(i) the references to Ilmenite concentrates, Leucoxene concentrates, Rutile concentrates, and Zircon concentrates under column 1 of paragraph (1); and
(ii) the references under column 2 of paragraph (1) to the rates of royalties payable in respect of those concentrates;
(b) by deleting the reference to Monazite in paragraph (2); and
(c) by adding paragraphs as follows—
(4) For each of the minerals set out under column 1 hereof, as set out opposite each such mineral under column 2—

Column 1.	Column 2.
Ilmenite concentrates.	2% of the realised value F.O.R., or if exported, of the realised value F.O.B. with a minimum of 25 cents/tonne, but on ilmenite concentrates used as feed stock into the producers ilmenite beneficiation plant in Western Australia, the royalty shall be at the stated minimum rate of 25 cents/tonne on the ilmenite fed into the plant.
Zircon concentrates.	2% of the realised value F.O.R., or if exported, of the realised value F.O.B. with a minimum of \$1.45/tonne.
Leucoxene concentrates.	2% of the realised value F.O.R., or if exported, of the realised value F.O.B. with a minimum of \$2.30/tonne.
Rutile concentrates.	2% of the realised value F.O.R., or if exported, of the realised value F.O.B. with a minimum of \$3.20/tonne.
Monazite concentrates.	2% of the realised value F.O.R., or if exported, of the realised value F.O.B. with a minimum of \$3.40/tonne.

In this paragraph "ilmenite beneficiation plant" means a processing plant using any method whatsoever capable of producing or designed to produce upgraded ilmenite containing an average titanium dioxide (TiO₂) content of not less than 90 per cent.

(5) For vanadium, 1% of the realised value F.O.R., or if exported, of the realised value F.O.B.
