(2) Parking permits shall not be transferable.

40. Except as provided in by-law 42, no person shall park a vehicle unless he holds a parking permit or parks a vehicle on behalf of a person who holds a permit. The holder of a parking permit or a person who parks a vehicle on behalf of a person who holds a parking permit shall not park a vehicle except in accordance with the terms of the permit.

41. The holder of a parking permit shall affix the permit to the vehicle for which it was issued in such manner as shall be required by the permit.

42. A visitor to the College (which expression shall include the persons specified in by-law 6 (1), paragraphs (c), (d), (e) and (f)) may park a vehicle only in an unreserved parking bay in an area marked by a traffic sign as a visitor's car park.

43. (1) This by-law applies whenever—

- (a) a vehicle is parked in a manner that is in breach of these by-laws;
- (b) a vehicle is driven by a person in a manner that is in breach of these by-laws; or

(c) there is otherwise a breach of these by-laws with respect to a vehicle.

(2) If a permit has been issued with respect to the vehicle which is current, the permit holder shall be deemed to have committed the breach of these by-laws described in paragraph (1) of this by-law. If no permit has been issued which is current, or the permit holder is not residing at the address on the permit at the time of the breach of these by-laws, the owner of the vehicle (for the purposes of the Road Traffic Act, 1974) shall be deemed to have committed the breach of these by-laws.

(3) It shall be a defence to a charge under this by-law that the permit holder or owner of the vehicle (as the case may require) has satisfied an authorised officer that the vehicle was stolen or was being unlawfully used at the time of the alleged breach.

(4) If the permit holder or owner of the vehicle did not himself park or drive the vehicle in a manner that is in breach of these by-laws, the person who did so park or drive the vehicle in breach of these by-laws shall also have committed the breach of these by-laws (whether or not paragraph (3) of this by-law applies).

(5) The driver or person in charge of a vehicle shall, upon being required by a Police officer or an authorised officer who reasonably believes he has committed a breach of these by-laws, furnish that officer with his full name and address.

44. No person shall without authority—

- (a) park a vehicle in a no parking area, or in a loading bay or other place reserved by an authorised sign for a particular purpose, except in accordance with that purpose;
- (b) park a vehicle other than wholly within the marked boundary of any parking bay marked on a parking area;
- (c) park a vehicle in such a position as to interfere with traffic or obstruct other vehicles;
- (d) park a motor cycle, motor scooter or bicycle on any roadway or other area on which there are marked parking bays of an area appropriate for the parking of four-wheel vehicles.

45. (1) A vehicle parked in breach of these by-laws or in such a position as to interfere with traffic or obstruct other vehicles, or apparently abandoned, may be removed under the authority of the Principal or an authorised officer to such place whether on or off the College lands as the Principal or the authorised officer may determine.

(2) A person removing a vehicle under the authority of this by-law is entitled to take such action whether by way of unlocking, entering by any means, driving or towing the vehicle or otherwise as may be reasonably necessary for the purpose of effecting the removal.

(3) The owner of a vehicle so removed shall pay all costs and expenses incurred by the College in moving it and neither the College nor any officer employee or agent of the College shall be liable to the owner of any vehicle so removed for any loss or damage suffered by him arising out of or in consequence of the vehicle being so removed.

(4) The College may retain possession of a vehicle so removed until any amount payable under paragraph (3) of this by-law is paid.

46. (1) If an authorised officer finds a vehicle parked in breach of these by-laws or otherwise the circumstances involve the commission by the driver or person in charge of that vehicle of a breach of these by-laws, the officer may affix to the vehicle or give to the driver a notice of breach of these by-laws, in a form prescribed by the Principal which notice shall—

- (a) be identified by a serial number;
- (b) if the name of the owner, person driving, or permit holder in charge of the vehicle is known to the officer, be addressed to that owner or other person by name or otherwise be addressed to the owner or permit holder of the vehicle by the registration number;
- (c) notify that it is alleged that a breach of a by-law in respect of the parking or other use of that vehicle has been committed;
- (d) state in general terms the breach which it is alleged has been committed;
- (e) state that the breach will be reported, and that further action may be taken unless within the time and manner stated in the notice—
 - (i) the modified penalty indicated on the notice is paid; or
 - (ii) within seven days an explanation in writing addressed to the Principal or an authorised officer is given for the breach in which case further notice will be given either that the explanation is accepted, or that the explanation is not accepted and further action may be taken failing payment of the modified penalty within fourteen days from the date of the further notice;
- (f) state the modified penalty which may be accepted.

(2) The Board may prescribe from time to time the amounts of modified penalties that may be accepted under this by-law for breaches of these by-laws or any particular by-law.

47. On such days or nights and during such time or times as the Principal may direct, Police officers and authorised officers shall have complete control over all traffic within the College lands, whereupon every person in charge of any vehicle or animal within the College lands shall obey every order and direction of any Police officer or authorised officer relating to the movement or control of such traffic, and shall stop or proceed or park in such manner and direction as the Police officer or authorised officer may from time to time order. This by-law shall apply notwithstanding the terms of any issued permit.

48. The Board may from time to time prescribe parking fees to be paid by applicants for parking permits or by persons parking vehicles, whether holders of a permit or not, in specified parking bays or areas set aside for parking.

PART IV.—OFFENCES AND PENALTIES.

49. A person who commits a breach of these by-laws shall be guilty of an offence and liable to a penalty not exceeding the amount from time to time prescribed by the Act as the maximum penalty that may be imposed for any breach of a by-law and to pay compensation for any damage done by him to College property.

50. Proceedings may be taken in any court of summary jurisdiction in accordance with the Justices Act, 1902 in respect of any offence committed under these by-laws, and any penalty imposed or compensation made payable may be recovered in a summary manner in accordance with that Act.

51. Proceedings may be taken by any person authorised in writing by the Board or by any Police officer who shall be reimbursed out of the funds of the College for all costs, charges, expenses or damages which he may incur or become liable by reason of taking proceedings.

52. The Board may, in its absolute discretion, accept from a person who has committed a breach of these by-laws a sum less than the maximum prescribed by the Act and the acceptance of the Board of such lesser sum shall be a complete defence to any subsequent action by the Board with respect to the Act occasioning the particular breach.
