(c) All annual leave to which an employee is entitled or will become entitled before the expiration of his Long Service Leave shall be taken by the employee in conjunction with his Long Service Leave.

13. Expecting in respect of *pro rata* payments made under the provisions of these by-laws; Long Service Leave shall be considered as a special period of recuperation after a lengthy term of service with a view of fitting such employee for a further term. During such leave, no employee shall undertake any form of employment for hire or reward, unless by written permission of the Council. Any contravention of this by-law shall entitle the Council to dismiss the employee from its service and cease paying or to recover any amounts paid in advance on account of Long Service Leave.

14. It is the express design of these by-laws that Long Service Leave shall be a special period of recuperation. Therefore, should any employee, whilst on Long Service Leave be confined to bed through accident or illness for a continuous period in excess of two weeks a like period of Leave or such lesser period as nominated by the employee shall be added to the Long Service Leave taken and the period of confinement or in cases where the employee has nominated the additional period than that period shall be for the purpose of these by-laws recorded as sick leave. Payment for that period nominated as sick leave shall be paid from accumulated sick leave of the employee if so claimed.

If the employee has no accumulated sick leave or if no sick pay claim is made the period as described above that is recorded as sick leave shall be taken without pay.
