WHEREAS under the provisions of the Health Act, 1911-1975, as amended, a Local Authority may make or adopt by-laws and may alter, amend or repeal by-laws so made or adopted: Now, therefore, the Shire of Dundas, being a Local Authority within the meaning of the Act, and having adopted the Model By-Laws, described as Series "A", as reprinted, pursuant to the reprinting of Regulations Act, 1954, in the *Government Gazette* on the 17th day of July, 1963 doth hereby resolve and determine that the said adopted by-laws shall be amended as follows:—

## PART I.—GENERAL SANITARY PROVISIONS.

## Stables.

1. Delete all of by-law 26.
2. Insert a new by-law 26 as follows:—

The Occupier of any premises whereon a horse is kept shall provide a stable which shall comply with the following conditions:—

- (a) All stables within the townsites of Norseman or Salmon Gums shall be licensed annually with the Dundas Shire Council and such license will expire on the 31st January each year. The cost of such licenses and renewals of same shall be \$10 per loose box or stall.
- (b) This license may be withdrawn at any time if—
  - (i) the structural condition of the stables is allowed to deteriorate below the standard required by the local authority;
  - (ii) there is allowed to exist in either the stables, or adjoining yards a continuing condition which is considered by the Health Surveyor to be detrimental or dangerous to health.
- (c) All stables built in residential areas will be constructed of approved materials and in accordance with the Uniform Building By-laws.
- (d) Each loose box or stall will have an area of not less than 11.14 square metres with walls measured horizontally of not less than 3.048 metres.
- (e) The floor of such stable will be graded to a drain which will discharge into a sump of sufficient size which will in turn discharge into a soak well.
- (f) There shall be provided outside of each stable a receptacle for manure. This receptacle is to be constructed of brick; the inside of which will be faced with smooth rendered cement and is to have a 96 mm thick concrete floor. Such receptacle will have a tight fitting fly and weatherproof lid and will be emptied at least once per week.
- (g) No stables will be built within 15.240 m (50 ft) of any dwelling or roadway and no closer than 30.480 m (100 ft) from any Caravan Park, Eating House or other premises where food is manufactured, prepared, or exposed for sale, unless specifically approved by Council in writing.
- (h) In residential areas there shall be allowed no more than one horse per stall nor shall more than two stalls be built on any lot or location without the written permission of the Council.
- (i) There shall be on all sides of the building between the wall and the roof a continuous clear space of at least 150 mm in height.
- (j) All existing stables in the residential area of the townsites of Norseman and Salmon Gums must conform to these By-laws within a period of two (2) years.

#### BUSH FIRES ACT, 1954.

Shire of Cranbrook.

Notice to all Owners and/or Occupiers or land within the Shire of Cranbrook.

PURSUANT to the powers contained in Section 33 of the above Act, you are hereby required on or before the 15th day of November, 1976, to plough, scarify, cultivate or otherwise clear, and thereafter maintain free of all inflammable material until the 15th day of April 1977, in the following positions and of the following dimensions on the land owned or occupied by you:—

1. Rural land (i.e. all land within the Shire of Cranbrook other than within a townsite):

Firebreaks not less than two and one half (2.5) metres (eight feet) wide—

- (i) immediately inside all external boundaries of the land; and
- (ii) in such other positions as is necessary to divide land in excess of 200 hectares into areas not exceeding 200 hectares each completely surrounded by a firebreak; and
- (iii) immediately surrounding any part of the land used for pasture crop intended for cultivation; and
- (iv) immediately surrounding all buildings, haystacks and fuel ramps situated on the land; and
- (v) immediately surrounding any drum or drums situated on the land which are normally used for the storage of fuel, whether they contain fuel or not.

2. Townsites (all land within the Shire of Cranbrook which is within a townsite):

- (i) Where the area of land is one half of one acre or less, remove all inflammable material from the whole of the land.
- (ii) Where the area of land exceeds one half of one acre, clear of all inflammable material firebreaks at least two and one half (2.5) metres wide immediately inside all internal boundaries of the land and also immediately surrounding all buildings and/or haystacks, fuel ramps and any drum or drums normally used for storage of fuel (whether they contain fuel or not) situated on the land.

If it is considered to be impracticable for any person to clear firebreaks as required by this notice, you may apply to the Council, or its duly authorised officer not later than the 31st October, 1976, for permission to provide firebreaks in alternative positions on the land. If permission is not granted by the Council or duly authorised officer, you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of not less than \$10 nor more than \$200 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice, if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

Dated this 17th day of September, 1976.

P. V. HAMMOND,  
Shire Clerk.

**BUSH FIRES ACT, 1954.**

Shire of Wagin.

Notice to all Owners and/or Occupiers of  
Land in the Shire of Wagin.

PURSUANT to the powers contained in Section 33 of the above Act, you are hereby required on or before the First day of November, 1976 and thereafter up to and including the Thirty-first day of March, 1977, to have a firebreak clear of all inflammable material in accordance with the following:

1. Rural Land.
  - (a) Firebreaks at least 2.5 metres wide shall be cleared of all inflammable material inside and adjacent to all external boundaries of the land and inside and adjacent to boundaries which adjoin cleared roads, and
  - (b) Firebreaks at least 2.5 metres wide shall be cleared of all inflammable material parallel to and one chain distant from boundaries which adjoin railway reserves, and
  - (c) Firebreaks at least 2.5 metres wide shall be cleared of all inflammable material completely surrounding all crops on land adjoining railway reserves, and
  - (d) Firebreaks at least 2.5 metres wide shall be cleared of all inflammable material at a distance of one chain from the perimeter of all buildings and haystacks, or groups of buildings and haystack, and shall completely encircle such buildings and haystacks, and
  - (e) The area between the buildings and haystacks and the firebreak mentioned in (d) above shall be cleared of all inflammable material by the 15th December, 1976.
  - (f) Fuel Storage Sites: The land within a perimeter of 6 metres outside the external boundary of the land normally occupied by any drums or tanks used for the storage of fuel, or the foundations or supports of any structure supporting such drums or tanks, whether containing fuel or not, shall be cleared of all inflammable material.
2. Town Land.
  - (g) Where the area of land is 0.202 hectares (half an acre) or less all inflammable material on the land shall be removed from the whole of the land, and
  - (h) Where the land exceeds 0.202 hectares (half an acre) in area firebreaks at least 2 metres wide shall be cleared of all inflammable material immediately inside all external boundaries of the land and also immediately surrounding all buildings situated on the land.

If it is considered to be impracticable for any reason to clear firebreaks or to remove inflammable material from land as required by this notice you may apply to the Council or its duly authorised Officer not later than the 15th October, 1976 for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice.

"Inflammable Material" is defined for the purpose of this Order to include bush (as defined in the Bush Fires Act), timber, boxes, cartons, paper and like inflammable materials, rubbish and also any combustible matter but does not include green standing trees, or growing bushes and plants in gardens, or lawns.

The penalty for failing to comply with this notice is a fine of not less than \$10 nor more than \$200 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

By Order of the Council,

V. S. SPALDING,  
Shire Clerk.

**BUSH FIRES ACT, 1954.**

Shire of Trayning.

Notice to Owners and Occupiers of Land  
Within the Shire of Trayning.

1. Firebreaks: Pursuant to the powers contained in Section 33 of the above Act, you are hereby required, on or before 1st day of November, 1976 to plough, scarify, cultivate or otherwise clear, and thereafter maintain free of all inflammable material until the 31st day of January, 1977, (inclusive) in the following positions and of the following dimensions on the land owned or occupied by you:

2. Rural Lands: Firebreaks not less than three metres (10') in width inside and along the whole of the external boundaries of the properties owned or occupied by you; but where this is not practicable the firebreaks must be provided as near as possible to, and within such boundaries.

3. Farm Buildings and Haystacks: Firebreaks at least three metres (10') in width completely surrounding and not more than twenty metres (one chain) from the perimeter of any building, group of buildings or haystack. All inflammable material must be removed from an area two metres (6') in width immediately surrounding the building.

4. Townsites: On or before the 1st day of November, 1976, all Town Lots within the Townsites of Trayning and Kununoppin are required as follows:

- (a) Where the area of land is 0.2 hectares ( $\frac{1}{2}$  acre) or less, remove all inflammable material from the whole of the land;
- (b) Where the area of land exceeds 0.2 hectares ( $\frac{1}{2}$  acre) clear of all inflammable material, firebreaks at least three metres (10') wide immediately inside all internal boundaries of the land, and also immediately surrounding all buildings and/or haystacks situated on the land, and maintain free of such material until the 31st day of January, 1977.

5. Fuel Dumps (Fuel Depots): On or before the 1st day of November, 1976 all grass and similar material is to be cleared from areas where drum ramps are located and where drums, full or empty, are stored, and such areas are to be maintained cleared of grass and similar inflammable material until the 31st day of January, 1977.

6. General Provisions: If for any reason it is considered impracticable to provide firebreaks in the position required or by the date required in this notice, an owner or occupier may make application in writing to the Council by 1st October, 1976, for permission to vary this order. If permission is not granted by the Council or its duly authorised officer, you shall comply with requirements of this order. The penalty for failing to comply with this notice is a fine not less than \$10 nor more than \$200 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed by this Notice, if it is not carried out by the owner or occupier by the date required by this Notice.

Dated this 20th day of September, 1976.

By Order of the Council,

ALLAN SELKIRK,  
Shire Clerk.

whether prosecuted or not, to pay the cost of performing the work directed in this order if it is not carried out by the owner or occupier by the date required by this notice.

By Order of the Council,

N. J. ALCOCK,  
Shire Clerk.

## BUSH FIRES ACT, 1954.

(Section 33.)

Shire of Serpentine-Jarrahdale.

Notice to all Owners and Occupiers of the land  
within the Shire of Serpentine Jarrahdale  
including owners of Town Lots.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required on or before the 15th day of November, 1976, to clear firebreaks in accordance with the following and thereafter to maintain the firebreaks clear of inflammable material up to and including the 15th day of March, 1977.

1. Buildings, Sheds and Haystacks—a firebreak at least 2 m (6 ft) wide shall be cleared of all inflammable material so as to surround all buildings, sheds and haystacks. The inner perimeter of such firebreaks to be within 20 m (1 chain) of the buildings, sheds and haystacks.

2. Where the land adjoins the west side of the South West Railway line and no made road exists between the land and the Railway Reserve, two firebreaks, each a minimum width of 2 m (6 ft) shall be cleared of all inflammable materials as follows:—

- (a) One firebreak at least 2 m (6 ft) wide, immediately inside the eastern boundary of the land.
- (b) One firebreak of at least 2 m (6 ft) wide parallel to the first firebreak, as referred to in (a) above, and not less than 20 m (1 chain) no more than 60 m (3 chains) from the first firebreak referred to in (a) above.

3. Where the land adjoins:—

- (a) The Armadale-Pemberton road (South West Highway) or
- (b) The Jarrahdale Road between the South West Highway and the Jarrahdale town-site, or
- (c) The South West railway line, or
- (d) The Jarrahdale-Mundijong-Kwinana railway reserve between the South West Highway and the Western Boundary of the Shire, or
- (e) Any made road west of the Armadale-Pemberton Road (South West Highway).

A firebreak at least 2 m (6 ft) wide shall be cleared of all inflammable material immediately inside the common boundary between the land and the public road on which there is a made road as referred to in (a), (b), (c), (d), and (e) of this section.

If the firebreaks required by this notice are cleared by ploughing, the soil must be completely turned over and all bush, grass and other inflammable material completely cleared from the whole of the firebreak.

Any other method of clearing the firebreak must result in complete removal from the firebreak of all bush or other inflammable material. The firebreaks required by this notice shall be constructed under or through all intervening fences so as to establish a continuous firebreak.

For the purpose of this notice:—

- (1) An existing drain shall not form portion of a firebreak required by the notice.
- (2) Land separated from a Railway Reserve and/or land used for railway purposes and/or made roads, only by a drain or drainage reserve or easement for such drain or drainage reserve shall be considered to adjoin such Railway Reserve and/or land used for railway purposes and/or made roads.

If it is considered to be impractical for any reason to clear firebreaks as required by this notice, you may apply to the Bush Fire Control Officer for your area, and appointed by the Council not later than the 1st day of November, 1976 for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land, or to provide the firebreaks required by this notice by a date other than that fixed in the notice. If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

Failure or neglect to comply with this notice renders you liable to prosecution, Penalty—fine of \$200, and the person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directly in this order if it is not carried out by the owner or occupier by the date required by this notice.

Dated this 20th day of September, 1976.

By Order of the Council,

R. R. FLETCHER,  
Shire Clerk.

Note:

- (1) Owners and occupiers of land are hereby requested by the Council for the further improvement in Fire Control in the District, to provide firebreaks at least 2 m (6 ft) wide around all farm boundaries even where a break is not required by this Order.
- (2) Owners and occupiers referred to in section 2 are requested to burn between the two firebreaks for added protection.

Town of Canning Town Planning Scheme No. 16—  
Amendment No. 59.

T.P.B. 853/2/16/18, Pt. 44.

IT is hereby notified for public information, in accordance with section 7 of the Town Planning and Development Act, 1928 (as amended), that the Minister for Urban Development and Town Planning approved the Town of Canning Town Planning Scheme Amendment on the 24th September, 1976 for the purpose of rezoning a portion of Canning Location 21 adjacent to Metcalfe Road, Lynwood, from Single Residential Class 3 to General Residential Class 4 (Restricted) as depicted on the amending document adopted by Council on the 27th January, 1976 and approved by the Minister for Urban Development and Town Planning; with modified criteria to apply to development, as set out in the Schedule annexed hereto.

E. CLARK,  
Mayor.  
N. I. DAWKINS,  
Town Clerk.

**Schedule.**

**TOWN OF CANNING TOWN PLANNING  
SCHEME No. 16—AMENDMENT No. 59.**

THE following mandatory requirements shall apply to all GR4 (Restricted) sites rezoned under Amendment 59 to the Town Zoning Scheme:

1. Compliance with all requirements of the Town Zoning Scheme, unless such requirements conflict with those set out below, in which case the following requirements shall apply.

2. Subdivision—

- (a) subdivision shall take the form of single lots having a minimum area of 500 sq. metres and a minimum effective frontage of 15 metres,
- (b) subdivision shall be subject to the approval of the Town Planning Board, on such terms and conditions as that Board shall impose.
- (c) Application for subdivision shall include plans and elevations of all proposed development on lots the subject of the subdivision application.

3. Development type: one dwelling unit per lot which shall be a single storey, self contained, single family unit, comprising a minimum of four habitable rooms. Units may be sited singly, or in pairs joined by a party wall on a common boundary.

4. Maximum plot ratio—0.33; Maximum site cover 0.35.

5. Parking requirements:

- (a) Minimum 2 car spaces per dwelling, of which at least one shall comprise a paved carport or garage with paved access thereto.
- (b) An additional vehicle storage area 3 metres x 6 metres (minimum) to be provided on each lot behind the 6.0 metre front setback line, with vehicular access thereto; access may be gained through a garage, carport, or car stand.

6. Setbacks—

- A. from walls of dwelling\* to
  - (i) front boundary—6.0 metres
  - (ii) rear boundary—6.0 metres.

(iii) side boundary (other than street boundary).

- (a) where there are no openings in the wall—nil.
- (b) where there are no major openings\*\* (to habitable rooms) in the wall—1.0 metres.
- (c) where there are major openings (to habitable rooms) in the wall—3 metres.
- (d) in all cases a combined setback of 3 metres (minimum).

(iv) side street boundary—3.5 metres.

B. from garages, carports and car stands, to—

(i) street boundary:

- (a) 2 metres when screened from view of the road, to the satisfaction of the Council.
- (b) 6 metres when not screened (e.g. perpendicular to the road or when open end of carport, etc., can be seen from the road).

(ii) Rear and side boundaries—

- (a) in the case of a brick parapet wall, or where the garage or carport abuts the wall of a building on the boundary of the adjoining lot \*\*\*—nil.
- (b) other than (a) above—1 metre.

C. from pergolas and patios which have no side infilling, to—

(i) street boundary—6 metres.

(ii) rear and side boundaries—

- (a) where the pergola or patio abuts the wall of a building on the boundary of the adjoining lot \*\*\*—nil.
- (b) other than (a) above—1 metre.

7. Roof drainage, overhang and easements—

- (i) All roof drainage shall be channelled into a drainage system on a lot, whether or not the roof overhangs an adjacent lot.
- (ii) Where a roof hangs over an adjacent lot, access to and maintenance of the overhanging roof shall be allowed for in the form of an easement on the title of such adjacent lot, such easement to be minimum 1.5 metres.
- (iii) Garages, carports, car stands, patios, and pergolas may be sited within the easement, provided that such do not preclude access to the overhanging roof.

8. All plumbing to be retained within a lot boundary—

9. (a) Each lot shall contain a yard area, sited behind the 6.0 metre front setback line, such yard having a minimum area of 80 sq. metres, with a minimum dimension of 6.0 metres.

(b) A pedestrian accessway having a minimum width of 0.8 metres shall be provided to the "usable yard area"; such may comprise either an external accessway, or may be provided through a garage, carport or car stand.

(c) A patio or pergola may be located over part of the minimum usable yard area subject to the following conditions:—

- (i) The patio or pergola shall comprise a roof cover plus the minimum amount of support only, in order that the "usability" of the area is not unduly reduced,
- (ii) No infilling of the sides of the patio shall be permitted in any form (solid, or semi-open such as mesh or flywire), in order that the "usability" of the area is not reduced, and
- (iii) The patio or pergola be so designed and located, and of such size so as to not reduce the "usability" of the area for outdoor activities.

10. A minimum of 1.5 metres shall be maintained between eaves of buildings on adjoining lots, except where roofs join at a party wall on a common boundary.

11. Additions or alterations to the original design as submitted with the rezoning and subdivision, may be permitted if, in the opinion of the Council, such additions or alterations are of a standard equal to and are aesthetically compatible with the existing development.

12. The external finishing materials should be of a unified and harmonious character to preserve the aim of a unified streetscape. Furthermore, as landscaping is an integral part of this type of development, a landscaping plan is to be submitted by the developers to the Council, and approved and implemented before occupation of the dwellings. Landscaping should be of a harmonious character to again preserve the aim of a unified streetscape.

13. A report will be submitted by the Council to the Town Planning Board of W.A. on completion of the development, and after a period of assessment.

(Note: Clauses 12 and 13 added at the direction of the Hon. Minister).

\* "dwelling" for the purposes of this modification shall not include a garage, carport, pergola, outbuilding, or a patio which has no side infilling.

\*\* "major openings"—any door or window capable of being opened shall be considered a major opening; permanently fixed glazing, highlights or airbricks will generally not be considered major openings.

\*\*\* Where the wall of a building is sited on a lot boundary, attachments to such wall shall not be permitted for fixing structures on the adjoining lot.

IN pursuance of the powers conferred upon it by the abovementioned Act and of all other powers enabling it, the Council of the abovementioned Municipality hereby records having resolved on the 30th day of March, 1976, to make and submit for confirmation by the Governor the following by-law:—

1. Where the standing of a vehicle on any part of a road within the Municipality of the City of Subiaco, whether such part be marked as a parking stall or not, is prohibited for more than a specified time, the holder of a residential parking permit is exempted from such prohibition provided that such exemption shall apply only:—

- (i) to the road specified in the permit;
- (ii) if such permit is affixed to the lower corner of the rear window, driver's side;
- (iii) if the period in respect of which the permit was issued has not expired;
- (iv) if the holder of the permit at the time of standing such vehicle still lives in the premises in respect of which the permit was granted.

2. The Council may, on written application being made to it and upon payment of a fee of Ten Dollars (\$10.00) issue a Residential Parking Permit for a period not exceeding one (1) year in respect of a particular vehicle to a person who is—

- (i) the owner or occupier of a single tenement dwelling house fronting a road within the Municipality of the City of Subiaco and who lives in that house;

(ii) unable to obtain vehicular access to such house from a street or right-of-way.

3. A Residential Parking Permit shall not be issued to any person if a permit has already been issued in respect of another vehicle to a person living in the same house as the applicant if the period in respect of which that permit was issued has not expired.

4. No permit shall be issued for a period in excess of one (1) year and every permit issued shall expire on the 31st day of December.

5. Every permit shall specify—

- (i) the name of the person to whom it was issued;
- (ii) the address of the house in which such person was living at the time of issue;
- (iii) the registration number of the vehicle in respect of which the permit was issued;
- (iv) the name of the road to which the exemption granted by Clause I applies;
- (v) the date on which the permit expires.

6. The Council may, on written application being made to it and upon payment of a fee of Five Dollars (\$5.00) issue a replacement Residential Parking Permit to replace a Residential Parking Permit previously issued which has been lost or mutilated.

7. Every holder of a permit who changes his place of residence shall forthwith remove such Permit from the vehicle to which it is affixed.

## LOCAL GOVERNMENT ACT, 1960-1976.

## The Municipality of the Town of Gosnells.

## By-Laws Relating to Fencing and Obstructions at Intersections.

## L.G. GS-7-18.

IN pursuance of the powers conferred upon it by the abovementioned Act and all other powers enabling it, the Council of the Town of Gosnells hereby records having resolved on the twenty-third day of March, 1976 to make and submit for confirmation by the Governor the following by-laws:—

## 1. In these by-laws unless the context otherwise requires—

“Council” means the Council of the Town of Gosnells.

“District” means the municipal district of the Town of Gosnells.

“Dangerous fence” means a fence declared by a building surveyor to be in a dangerous condition by reason of any one or more of the following namely, faulty design, location, construction, deterioration of materials, damage by termites, decay, damage by collision, changes in ground levels, or any other cause or causes.

“Fence” means a fence abutting a road or a fence on or near the boundary line of an allotment of land and includes any free standing wall and any retaining wall.

“Industrial and commercial zone” means any portion of the district that is pursuant to the Town Planning Scheme zoned light industrial, general industrial, shops and businesses, service stations, service station car sales and service centre, drive-in theatres, hotels, motels, caravan parks, motor transport depots, motor repair stations and places of assembly.

“Residential zone” means any portion of the district that is pursuant to the Town Planning Scheme zoned as either residential class “A” or residential class “B”.

“Rural zone” means any portion of the district that is pursuant to the Town Planning Scheme zoned rural.

“Building Surveyor” means a building surveyor appointed by the Town of Gosnells.

“Dividing Fence” means a fence that separates the land of different owners whether the fence is on the common boundary of the adjoining land or on a line other than the common boundary.

“Town Planning Scheme” means the Town Planning Scheme of the Town of Gosnells for the time being in force under the provisions of the Town Planning and Development Act, 1928.

## 2. Subject to by-law 3:—

(a) A fence within a residential zone constructed in accordance with the specifications set out in the first schedule hereto is hereby prescribed as a “sufficient fence” for the purposes of the Dividing Fences Act, 1961.

(b) A fence within an industrial and commercial zone constructed in accordance with the specifications set out in the second schedule hereto is hereby prescribed as a “sufficient fence” for the purposes of the Dividing Fences Act, 1961.

(c) A fence within a rural zone constructed in accordance with the specifications set out in the third schedule hereto is hereby prescribed as a “sufficient fence” for the purposes of the Dividing Fences Act, 1961.

3. (a) Where a fence is erected on the boundary between land in a residential zone and land in some other zone then a “sufficient fence” for the purposes of the Dividing Fences Act, 1961 shall be that prescribed as a sufficient fence for a residential zone.

(b) Where a fence is erected on a boundary line between land in differing zones neither of which is a residential zone the Council shall determine which schedule shall apply for the purpose of prescribing a sufficient fence for the purpose of the Dividing Fences Act, 1961.

4. (a) No person shall construct a fence with sheet metal or second-hand material without the written consent of the Council first had and obtained which consent the Council in its absolute discretion may refuse to grant or may grant upon such terms and conditions as it deems fit.

(b) No application to erect a fence with sheet metal will be considered unless the plans and specifications accompanying the application show clearly that the fence to be erected is to be adequately capped.

(c) No person shall erect an electric fence upon or near the boundary of any land abutting upon a road within the district or electrify any such existing fence without the written consent of the Council first had and obtained which consent shall in any event only be given where a separate boundary fence exists or is to be erected and the electric fence or the fence proposed to be electrified is not less than 3 000 mm inside the boundary fence.

5. (a) Within a residential zone front boundary fences which extend the full width of the frontage must not exceed 1 220 mm in height.

(b) Where a fence along a front boundary:—

(i) does not exceed 10 000 mm in total length along the front boundary;

(ii) is on both sides of every driveway angled into the allotment of land for a distance of not less than 2 000 mm along the frontage to a distance of not less than 3 000 mm from the frontage to provide splayed lines of sight and

(iii) by-law 7 is complied with;

then for each 1 000 mm the remainder of such fence is set back behind the front boundary the fence may exceed 1 220 mm in height by 500 mm.

6. No person shall erect any structure in front of the building line in a residential zone other than a fence permitted by these by-laws without having first made written application to and obtained the written approval of the Council.

7. No person shall erect or have or permit or suffer to be erected or permit to exist on any land belonging to him any fence wall hedge tree shrub or other obstruction greater than 750 mm in height (not being a building authorised under the Uniform Building By-laws) within 10 000 mm of the corner of any street or road.

8. No person shall erect a dividing fence greater than 2 000 mm in height behind a building line in a residential zone without having first made application to and obtained the written approval of the Council.

9. No person shall commence to erect or proceed with the erection of a retaining wall which abutts a road or is on a boundary line unless and until he has lodged with the Council two copies of a plan and specification thereof and in the case of a retaining wall exceeding 1 000 mm in height when required by the Council engineering calculations in respect thereof and the Council has approved a copy of the plan and specification and (where applicable) the calculations.

10. No person shall erect a fence wholly or partly of barbed wire except in accordance with these by-laws. A fence may be erected wholly or partly of barbed wire:—

(i) in a rural zone;

(ii) in an industrial and commercial zone if no barbed wire is used below a height of 1 800 mm from the ground;

(iii) in any other part of the Town of Gosnells with the written approval of the Council which shall in any event only be given if no barbed wire is to be used below a height of 1 800 mm from the ground.

11. No person shall erect a fence which is dangerous.

12. The use of iron spikes broken glass or any other potentially dangerous material in or on any fence in the district is expressly prohibited.

13. The owner and occupier of land on which a fence is erected shall maintain the fence in good condition and in such a manner as to prevent it from becoming a dangerous fence falling into a bad state of repair or becoming dilapidated unsightly or prejudicial to property in or to the inhabitants of the neighbourhood.

14. The Council may give notice in writing to the owner or occupier of any land upon which there is a dangerous fence or a fence which is in bad condition or repair dilapidated unsightly or prejudicial to the amenity or value of property in or to the inhabitants of the neighbourhood or is contrary to the provisions of these by-laws requiring such owner or occupier to pull down remove repair paint or maintain such fence within the time stipulated in the notice.

15. Where the owner or occupier of land has been given notice under by-law 13 of these by-laws fails to comply therewith the Council may enter upon such land and carry out the works specified in the notice and the cost and expenses incurred by Council in so doing may be recovered from such owner or occupier in a Court of competent jurisdiction.

16. Any person who shall commit a breach of these by-laws or shall be guilty of an offence hereunder shall be liable to—

(i) a maximum penalty of \$100; and

(ii) in addition a maximum daily penalty of \$10 for each day during which the offence continues.

#### First Schedule—Residential Zone.

Agric. 1360/63.

HIS Excellency the Governor in Executive Council has been pleased to approve the appointment of Alan Colenso Kessel and Anthony William Edward Tapper as Inspectors under the Beekeepers Act, 1963.

E. N. FITZPATRICK,  
Director of Agriculture.

DAIRY INDUSTRY ACT, 1973.

IT is hereby notified for general information that, in accordance with the provisions of the Dairy Industry Act, 1973, the Dairy Industry Authority of Western Australia has fixed the undermentioned prices for market milk and rates for transport and treatment of market milk, other than market milk for the production of cream, to be effective in the undermentioned dairy areas and districts as from October 1, 1976;—

(a) METROPOLITAN DAIRY AREA.,

(b) SOUTH-WEST COASTAL DAIRY AREA—  
Shire of Harvey (Brunswick Junction portion),

Shire of Harvey (with the exception of Brunswick Junction portion),

Shires of Murray and Waroona,

(c) SOUTH COASTAL DAIRY AREA—

Town of Albany,

Shires of Albany, Denmark, Plantagenet, Augusta-Margaret River, Balingup, Boyup Brook, Busselton, Bridgetown, Capel, Donnybrook, Greenbushes, Manjimup and Nannup,

(d) EASTERN GOLDFIELDS DAIRY AREA—

Towns of Boulder and Kalgoorlie,  
Shires of Coolgardie and Kalgoorlie.

MINIMUM PRICES TO DAIRYMEN.

Minimum price to be paid to dairymen by the Authority for market milk (excluding market milk for the production of cream) containing not less than 11.7 per cent total milk solids as determined by Australian Standard Method 1084-1974, Section 3, in relation to a representative composite sample taken over a testing period; and containing not less than 3.2 per cent milk fat as determined by the Babcock or Milko-Tester methods in relation to the same representative composite sample—

At dairy produce factories outside the metropolitan area, excluding Albany and Kalgoorlie, at the rate of 17.14 per litre.

Supplied direct to the metropolitan area and Albany at the rate of 18.25 per litre.

At dairy produce factory at Kalgoorlie at the rate of 22.21 per litre.

MAXIMUM PRICES TO AUTHORITY.

Maximum price to be paid to the Authority by dairy produce factories for market milk (excluding market milk for the production of cream)—

Outside the metropolitan area, excluding market milk for pasteurisation at Brunswick Junction, Albany and Kalgoorlie, at the rate of 19.00 cents per litre.

For pasteurisation at Brunswick Junction at the rate of 18.96 cents per litre.

For pasteurisation at Albany at the rate of 20.07 cents per litre.

For pasteurisation at Kalgoorlie at the rate of 24.02 cents per litre.

In the metropolitan area at the rate of 20.11 cents per litre.

MAXIMUM TRANSPORT CHARGES.

Maximum charge for transport of market milk purchased by the Authority (excluding market milk for the production of cream)—

From dairies to dairy produce factories, excluding Kalgoorlie, at the rate of 1.01 cents per litre.

From dairy produce factories outside the metropolitan area to dairy produce factories in the metropolitan area at the rate of 0.95 cents per litre.

#### OTHER CHARGES.

Maximum charge for treatment, excluding pasteurisation and packing, of market milk (excluding market milk for the production of cream) at dairy produce factories outside the metropolitan area at the rate of 1.14 cents per litre.

Maximum price to be charged at dairy produce factories in the metropolitan area for market milk (excluding market milk for the production of cream) received for treatment from dairy produce factories outside the metropolitan area at the rate of 21.09 cents per litre.

#### ACCEPTANCE AND DISPOSAL OF MILK BY THE AUTHORITY.

It is further determined that, where milk delivered by a dairyman—

Is found to contain less than 11.7 per cent total milk solids, as determined by the aforementioned Standard Method during any testing period, milk supplied by that dairyman for the duration of that testing period will not be accepted by the Authority as market milk.

Is found to contain less than 3.2 per cent milk fat, as determined by one of the aforementioned methods during any testing period other than the first testing period after January 1, 1976 or the first testing period in any subsequent quota year, milk supplied by that dairyman for the duration of that testing period will not be accepted by the Authority as market milk.

Is found by the Department of Agriculture of Western Australia on a certain day to contain anti-biotic on a second occasion after January 1, 1976 or on a second occasion in any subsequent quota year, milk supplied by that dairyman for that one day will not be accepted by the Authority as market milk.

Is found by the Department of Agriculture of Western Australia on a certain day to contain anti-biotic on a third or succeeding occasion after January 1, 1976

or on a third or succeeding occasion in any subsequent quota year, milk supplied by that dairyman for the duration of the testing period in which that day occurs will not be accepted by the Authority as market milk.

Is found by the Department of Agriculture of Western Australia on a certain day to contain added water on a second or succeeding occasion after January 1, 1976 or on a second or succeeding occasion in any subsequent quota year, milk supplied by that dairyman for the duration of the testing period in which that day occurs will not be accepted by the Authority as market milk.

Where milk delivery by a dairyman is acceptable as market milk and the abovementioned prices for market milk and rates for transport of market milk apply—

Market milk delivered by a dairyman to the Authority **IN CANS** is accepted by the Authority at the dairy produce factory of the Authority's authorised agent.

Market milk delivered by a dairyman to the Authority **INTO A BULK TANKER** is accepted by the Authority at the dairyman's registered dairy produce premises.

**MARKET MILK** delivered by a dairyman and accepted by the Authority is disposed of by the Authority to the dairy produce factory at the point of acceptance by the Authority.

**PROVIDED THAT** nothing in the Dairy Industry Act, 1973, requires the Authority to accept all or any market milk delivered to it by any person; and market milk delivered to and accepted by the Authority may be disposed of by the Authority to milk vendors or other persons.

IT is hereby notified that the undermentioned sections of the notice fixing prices and rates under the Dairy Industry Act, 1973, and published in *Government Gazette* (No. 46) dated July 30, 1976 are ineffective after September 30, 1976—

## STOCK DISEASES (REGULATIONS) ACT, 1968-1976.

Department of Agriculture,  
South Perth, 22nd September, 1976.

HIS Excellency the Governor in Executive Council acting pursuant to the powers conferred by the Stock Diseases (Regulations) Act, 1968-1976, has been pleased to make the regulations set out in the Schedule hereunder to take effect on and from the 1st October, 1976.

E. N. FITZPATRICK,  
Director of Agriculture.

Schedule.  
Regulations.

- Principal regulations. 1. In these regulations the Exotic Diseases (General) Regulations published in the *Government Gazette* on the 24th June, 1970 as amended from time to time by notices so published, are referred to as the principal regulations.
- Regs. 13 to 13G and 14 substituted. 2. Regulations 13 and 14 of the principal regulations are revoked and the following regulations substituted:—
13. For the purposes of regulations 13A to 13G (both inclusive) of these regulations—
- “swill” means meat, meat scraps, meat trimmings, animal offal, blood, bones or any material which contains meat or any other waste or refuse not known to be free of meat or from contact with meat;
- “treatment licence” means a licence issued pursuant to regulation 13F of these regulations;

SCHEDULE—*continued*

“treatment premises” means premises that are or are to be used for the treatment of swill pursuant to a treatment licence.

13A. Notwithstanding anything in these regulations, a person shall not dispose of any swill from a vehicle that is in the course of or has recently completed a journey from another State or Territory of the Commonwealth except for the purposes of disposal by incineration.

13B. (1) A person shall not—

(a) collect swill except for the purposes of—

- (i) sterilization by an approved dry rendering or autoclave process at approved premises; or
- (ii) incineration; or

(b) dispose of swill except—

- (i) for the purpose of sterilization by an approved dry rendering or autoclave process at approved premises; or
- (ii) by incineration.

(2) A person shall not feed swill to pigs unless the swill has been sterilized by an approved dry rendering or autoclave process at approved premises.

(3) Subregulations (1) and (2) of this regulation do not apply to the collection or disposal of animal offal, meat or meat trimmings by a person who is the holder of a treatment licence.

(4) Nothing in this regulation prevents a person from collecting or disposing of swill in accordance with the provisions of the Local Government Act, 1960.

13C. (1) The provisions of regulation 13B of these regulations do not apply to the feeding of a carcass of an animal or part of a carcass of an animal, declared by the Minister pursuant to subregulation (2) of this regulation to be suitable for feeding to pigs.

(2) The Minister may by notice declare that the carcass of an animal of the kind or species or class specified in the notice is suitable for feeding to pigs.

(3) A declaration made under subregulation (2) of this regulation may be made in relation to the whole of the State or any part of the State specified in the notice.

(4) A declaration made under subregulation (2) of this regulation may be varied or cancelled by the Minister by a subsequent notice.

13D. A person who desires to obtain a treatment licence shall apply to the Chief Inspector by application in the form of Form 1 in Schedule D.

13E. (1) Subject to subregulation (2) of this regulation, where the Chief Inspector is satisfied that—

(a) the applicant for a treatment licence is the owner—

- (i) of an abattoir or a slaughter house registered under the provisions of the Health Act, 1911, from which animal offal, meat and meat trimmings are to be collected for treatment;
- (ii) of the treatment premises; and

- (iii) of the pigs to which the animal offal, meat and meat trimmings treated under the licence are to be fed; and

(b) the treatment premises in respect of which the application is made—

- (i) has plant of a sufficient capacity and is of a type that is capable of treating animal offal, meat and meat trimmings in the manner prescribed by these regulations;
- (ii) has facilities for storing, collecting, handling, conveying and feeding the treated animal offal, meat and meat trimmings to the pigs owned by the applicant,

he may issue a treatment licence to the applicant.

(2) The Chief Inspector shall not issue a treatment licence unless the treatment premises is part of the same premises as the premises on which the animal offal, meat and meat trimmings are collected for treatment pursuant to the licence.

(3) A treatment licence shall be in the form of Form 2 in Schedule D.

(4) An application for the issue of a treatment licence shall be accompanied by a fee of \$25.

(5) A treatment licence is subject to the conditions specified therein by the Chief Inspector.

(6) A treatment licence is valid for a period of twelve months unless it is sooner revoked.

(7) A treatment licence may be renewed from the date of its expiry for a period of twelve months by application in the form of Form 1 in Schedule D and on payment of a fee of \$25.

13F. The holder of a treatment licence—

- (a) shall maintain the treatment premises in a clean and hygienic condition;
- (b) shall not keep any offal, meat or meat trimmings in a place that is accessible to dogs or scavenging animals;
- (c) shall dispose of any pigs derived from premises in respect of which a treatment licence has been issued only by consigning them to an approved abattoir for immediate slaughter.

13G. A person who holds a treatment licence shall not use any animal offal, meat or meat trimmings for the purpose of feeding pigs unless the swill has been sterilized by boiling at a temperature of 100°C for a period of not less than two hours.

14. If the Chief Inspector is satisfied that the holder of a treatment licence has failed to comply with the provisions of these regulations or with the conditions specified in his licence the Chief Inspector may revoke the licence.

Schedule D  
subs.

3. The principal regulations are amended by deleting Schedule D and substituting the following Schedule:—
