4. AMENDMENTS TO STATUTE No. 18—CONDITIONS OF AWARDING HACKETT BURSARIES AND SCHOLARSHIPS:

- (a) Clause 3 is amended by the deletion of the existing Clause 3 and the substitution of the following Clause in its place:

3. (1) Postgraduate studentships hereinafter described as Studentships are tenable at the University of Western Australia or at another Australian University or at a University outside Australia and are open to—

- (a) enrolled students of the University of Western Australia who are graduates of that University and hold at least a Second Class Honours degree or its equivalent; and
(b) graduates of that University of not more than three years standing who hold at least a Second Class Honours degree or its equivalent.

(2) The value of studentships tenable at Australian Universities, the value of studentships tenable at Universities outside Australia, and the value and method of payment of any additional travelling allowances shall be prescribed by regulations.

(3) Where the Vice-Chancellor is satisfied that a person awarded a Hackett Studentship would be unable to take up or continue his course without undue financial hardship, a special additional allowance of up to such amount per annum as is prescribed by regulations, payable at such times and by instalments of such amounts as the Vice-Chancellor shall determine, may be granted to the student.

(4) The University of Western Australia will pay direct to the institution concerned all compulsory fees for admission and tuition payable by the student during his tenure of the Studentship including registration, matriculation, lecture, research, supervision and laboratory fees, but not fees for examination of thesis or graduation.

(5) A Hackett Student is eligible to apply for a free passage or other available travelling award but if granted such a passage or award will not be granted any travelling allowance under subsection (3).

(6) (a) A Studentship shall be awarded for a maximum period of one, two or three years depending upon the nature of the work or course of study for which the award is made.

(b) Notwithstanding paragraph (a) each Studentship awarded for more than one year shall be reconsidered by the Professorial Board annually and extended for one year at a time up to the maximum period of the award only if the Board is satisfied that the student is making good progress in his work or course of study.

(7) (a) A student shall not without written permission engage in any work or course of study in addition to that for which the studentship was granted.

(b) Written permission to undertake additional work or an additional course of study must first be obtained from the tutor or supervisor if the work or course of study will continue for less than four weeks and from the Vice-Chancellor if the work or course of study will continue for more than four weeks.

(c) A student who undertakes additional work or an additional course of study without permission is liable to forfeit his studentship.

(8) Applications for the Studentships must reach the Vice-Chancellor on or before the date fixed by him each year and advertised.

(9) Every applicant must send to the Vice-Chancellor satisfactory evidence that his means are such as to make it difficult for him to work as a full-time student without the assistance of a studentship.

(10) Every applicant must submit a scheme of work or course of study and must attach to his application a written estimate of the amount required by him for books, apparatus and other materials, travelling expenses and other authorised expenditure.

(11) (a) Awards of Studentships will be made by the Professorial Board but the Board has a discretionary power to make no awards or to make less awards than the available number of Studentships if it is of opinion that some or all of the applicants are not of sufficient merit to justify awards being made.

(b) The Board may from time to time delegate the power conferred upon it by the immediately preceding subsection to a committee appointed by it and to consist of such members of the Board and of such heads of departments not being members of the Board as the Board shall select.

(12) (a) A tutor or supervisor of such part of each student's work or course of study as is intended to be done at the University of Western Australia shall be appointed by the Dean of the Faculty and the head of the department concerned as soon as possible after each award is made.

(b) A student who intends to do all or part of his work or course of study at an institution other than the University of Western Australia shall within three months of his enrolment at such institution submit to the Vice-Chancellor of the University of Western Australia the name of the tutor or other person under whose supervision he proposes to do his work or course of study.

Schedule—*continued.*

(13) Payment of the allowances defined in subsection (2) other than travelling allowances shall be made by instalments of such amounts as the Vice-Chancellor shall determine, the first of such instalments being payable at the commencement of the Studentship and the remaining instalments at such times as may be directed by the Vice-Chancellor, but only after he has received sufficient evidence that the student is satisfactorily doing the work or course of study for which the Studentship was awarded.

(14) At the end of the Studentship the student shall be required to supply to the University a full report on the work or course of study undertaken by him and such number of copies as the Vice-Chancellor shall require of any thesis or publications connected with his work or course of study.

(15) Whenever any written work is carried out under a Studentship acknowledgement thereof shall be made in the publication of such work.

(16) If the Professorial Board considers a thesis submitted by a student to be of sufficient merit it may recommend the Senate to grant out of the funds available for Hackett Studentships a part or the whole of the cost of publishing the thesis on condition that the student shall supply to the University free of all charges as many copies of the published thesis as the Vice-Chancellor shall require and that the University shall have the right to use and dispose of such copies in whatever manner the Vice-Chancellor shall decide, and the Senate may make a grant accordingly.

(b) Clause 4 is amended by the deletion of the existing Clause 4 and the substitution of the following Clause in its place:

4. Hackett Scholarships shall be awarded under the following conditions:—

- (1) Postgraduate Scholarships hereinafter described as the Scholarships shall be open to persons who have satisfied the requirements of a bachelor's or higher degree of the University of Western Australia. The Scholarships shall be tenable at the University of Western Australia but may in exceptional circumstances and with the approval of the Professorial Board be held at any other University or recognised institution in Australia.
- (2) (a) Scholarships awarded to candidates who have satisfied the requirements for a bachelor's degree with honours or a higher degree will normally be awarded for one year but may be renewed by the Professorial Board for a second year. The annual value of such scholarships if tenable in Western Australia and their annual value if tenable elsewhere in Australia shall not exceed an amount which shall be prescribed by regulations.
(b) Scholarships awarded to other candidates shall be for one year only and shall not exceed an amount which shall be prescribed by regulations.
- (3) Subsections (8) (9) (10) (11) (12) (13) (15) (16) and (17) of section 3 shall apply to the award and tenure of Scholarships with the words Scholarship and Scholar substituted for Studentship and Student respectively.
- (4) Payment of the allowance granted under subsection (2) of this section shall be made by instalments of such amounts as the Vice-Chancellor shall determine, the first of such instalments being payable at the commencement of the Scholarship and the remaining instalments at such times as may be decided by the Vice-Chancellor, but only after he has received sufficient evidence that the scholar is satisfactorily doing the work or course of study for which his Scholarship was awarded.

5. AMENDMENTS TO STATUTE No. 25—METHOD OF ELECTION OF MEMBERS OF THE SENATE UNDER SECTIONS 10(c) AND 10A(c):

Schedule—*continued.*

section 19 of Statute No. 12, but so that the words "Convocation Officer" in the said section shall be replaced by the word "Registrar" and the word "Warden" by the word "Vice-Chancellor".

- (7) Within forty-eight hours of the conclusion of the scrutiny the Registrar shall report to the Vice-Chancellor the result of the election.
- (8) The Vice-Chancellor shall report the result of the election to the Chancellor, who shall thereupon and in writing declare the candidates who have been preferred by the electors to have been duly elected as members of the Senate.
