DAIRY INDUSTRY ACT, 1973.

Direction by the Minister for Agriculture.

I, RICHARD CHARLES OLD, Minister for Agriculture, being the Minister for the time being administering the Dairy Industry Act, 1973, hereby direct the Dairy Industry Authority, pursuant to powers conferred by section 30 of that Act, to determine

applications relating to market milk delivery quotas in accordance with the following bases or principles:—

1. The Authority shall not refuse an application made under paragraph (a) of subsection (4) of section 30 of the Act where—

- (a) the applicant is also transferring to the proposed transferee the entire interest of the applicant in the dairy produce premises on which milk is produced pursuant to the market milk quota concerned; and
- (b) the approval of the application would not result in the proposed transferee holding a market milk quota or quotas exceeding in the aggregate 1 100 litres on a daily basis,

but shall refuse any application where the entire interest in the premises is not to be so transferred or where the aggregate quota would thereafter exceed 1 100 litres.

2. In dealing with an application made under paragraph (b) of subsection (4) of section 30 of the Act for the surrender to the Authority of the whole or any part of a market milk quota—

(a) any application for the surrender of a quota or part of a quota which—

- (i) is less than 45 litres on a daily basis, not being a surrender made for the purpose of ensuring that the aggregate quota does not exceed 1 100 litres; or
- (ii) would result in the applicant retaining a quota of less than 245 litres on a daily basis,

shall not be approved; and

(b) the compensation to be offered by the Authority shall be an amount not exceeding sixty-three dollars a litre of the quota, on a daily basis and not including milk for cream.

3. The Authority shall maintain a register of transfers and surrenders approved by it under section 30 of the Act.

Dated this 3rd day of June, 1977.
