APPLICATIONS FOR LEASING.

Department of Lands and Surveys,
Perth, 16th December, 1977.

Corres. 1717/75.

APPLICATIONS are invited under section 117 of the Land Act, 1933-1977, for the leasing of Norseman Town Lot 1775 containing an area of 4.074 3 hectares for the purpose of "Motel-Caravan Park" for a term of 21 years at a rental of \$400 per annum.

Intending applicants shall submit with their application an outline plan drawn to scale, showing development proposed.

The Minister for Lands reserves the right to refuse any application on the grounds that the proposed development is inadequate or unsuitable.

At any time during the currency of the lease subject to lease conditions having been complied with and substantial improvements having been effected to the satisfaction of the Minister for Lands, the lessee may surrender his lease with the view to purchasing the land freehold at a price to be determined at the time of such application.

The land is made available for leasing subject to the following conditions:—

- (1) The land shall not be used for any purpose other than "Motel—Caravan Park" without the prior approval in writing of the Minister for Lands.
- (2) The land shall be filled to levels specified by and acceptable to the Minister for Lands or his nominee and the Shire Council.
- (3) The successful applicant shall commence construction within 6 months from commencement of the lease and complete development in conformity with plans approved by the Minister for Lands, within 2 years.
- (4) Development must be in accordance with the requirements of the Model By-laws for Caravan Parks, under the Local Government Act.
- (5) All buildings, erections, paving, drainage and other works shall be to the approval of the Local Authority and the lessee shall perform, discharge and execute all requisitions and works unto the demised land as are or may be required by any local or public authority operating under any statute by-law or regulation.
- (6) The lessee shall, within twelve months from commencement of the lease, fence the external boundaries with a fence to the satisfaction of the Local Authority.
- (7) The lessee shall not apply for a licence to sell liquor without the prior written consent of the Minister for Lands. In the event of the granting of such a licence the rent shall be subject to immediate reappraisal.
- (8) All frontages shall be treated and maintained to give an appearance aesthetically pleasing consistent with the purpose of the lease according to a plan submitted to the Minister for Lands.
- (9) Access to, and egress from the caravan park shall be in accordance with requirements of the Main Roads Department and the Local Authority.

- (10) The lessee shall pay cost of survey when called upon.
- (11) The rent shall be subject to reappraisal at the end of the seventh and fourteenth year of the term.
- (12) The lessee shall not without the previous consent in writing of the Minister for Lands assign, transfer, mortgage sublet or part with the possession of the demised land.
- (13) The Minister for Lands or his representative may enter the land for inspection at any reasonable time.
- (14) The lessee shall indemnify the Minister for Lands against all claims for damage to property or persons arising from the use of the land.
- (15) The lessee shall maintain existing and future improvements to the satisfaction of the Minister for Lands.
- (16) Compensation will not be payable for damage by flooding of the demised land.
- (17) It shall be lawful for the lessee at any time within the three calendar months immediately following the expiration of the term or earlier determination of the lease, to take down, remove, and carry away any buildings, structures, improvements and plant the property of the lessee.
- (18) Compensation shall not be payable to the lessee in respect of any improvements effected by him on the demised land and remaining thereon at the expiration or earlier determination of the lease.
- (19) On determination of the lease, the lessee shall fill in, consolidate and level off any unevenness, excavation or hole caused by him during the term of the lease or by removal of his improvements and shall leave the demised land in a clean, neat and tidy condition to the satisfaction of the Minister for Lands and shall remove any or all waste matter as required by the Minister for Lands.

A person in the employ of the State must apply through the Under Secretary for Lands for the Governor's permission to hold this land. Written approval of the Permanent Head concerned should accompany such application.

Applications, accompanied by a deposit of \$203.50 must be lodged at the Department of Lands and Surveys, Cathedral Avenue, Perth, on or before Wednesday, January 18, 1978.

All applications lodged on or before that date will be treated as having been received on the closing date and if there are more applications than one for the area, the application to be granted will be decided by the Land Board.

(Public Plan Norseman Town (Prinsep Street).)

F. W. BYFIELD,
Under Secretary for Lands.

AVAILABLE FOR SALE.

Dumbleyung Lots 272 and 273.
Department of Lands and Surveys,

Perth, 16th December, 1977.

File No. 3635/77.

HIS Excellency the Governor in Executive Council has been pleased to approve under section 45A of the Land Act, 1933-1972, of Dumbleyung lots 272 and 273 being made available for sale in fee simple for "Residential Purposes" at the purchase price of three hundred and fifty dollars (\$350.00) per lot and subject to the following conditions:—

(a) The purchaser shall erect on the lot purchased a residence to comply with Local Authority by-laws within two years from the due date of the first instalment of the purchase money. If this condition has not been complied with in the time prescribed, the land shall be absolutely forfeited together with all purchase money and fees that may have been paid.

A transfer of the License will not be approved nor a Crown Grant issued for the Lot until the purchaser has complied with the building condition.

(b) Applications, accompanied by a deposit of \$35.00 must be lodged at the Department of Lands and Surveys, Perth on or before Wednesday, 18th January, 1978.

(c) Balance of purchase money shall be paid within twelve months from the date of approval of the application by four quarterly instalments on the first days of January, April, July and October.

(d) In addition to the purchase money, a Service Premium of \$180.00 per lot is payable to the Under Secretary for Lands.

A person in the employ of the State must apply through the Under Secretary for Lands for the Governor's permission to hold this land. Written approval of the Permanent Head concerned should accompany such application.

All applications lodged on or before the closing date will be treated as having been received on that date, and if there are more applications than one for either lot, the application to be granted will be decided by the Land Board.

This exemption remains in force until the 31st May, 1978.

Specified Conditions.

1. This exemption applies only to fires lit and maintained by employees of C.S.B.P. & Farmers Ltd. Fires may only be lit for the purpose of disposing of refuse and waste arising from the processes carried on by the company, on a site set aside for the purpose on Pt. Wellington Location 53.
2. The location of the fire pit to be in the same position as inspected on 24th October, 1977.
3. The fire pit site to be maintained clear of all surface inflammable material and dead standing trees for a radius of 40 metres throughout the period of the suspension.
4. Fires only to be lit under the direction of the works superintendent or works foreman.

5. Fires only to be lit Mondays to Fridays inclusive and must be fully extinguished by 4.00 p.m. on the day of the burn.
6. The burnt out oxide and sulphur waste to be covered with sand at least once per month.
7. All waste to be dumped only at the fire site prior to burning.
8. The fire pit cannot be re-sited without the prior permission of the Bush Fires Board.
9. Access must be allowed to the fire pit periodically to allow inspection of the site by Bush Fires Board staff.
10. No fires to be lit at the site on a day of which the fire hazard forecast for the locality is "Dangerous".

DEVELOPMENT SCHEME—

Amendment No. 1.

RESOLVED that the Council, in pursuance of section 7 of the Town Planning and Development Act, 1928 (as amended), amend the above Town Planning Scheme by altering the Scheme Text to provide for variations in the matters of responsibility for "Roads and Footways" and "Scheme Costs" which are considered to be necessary in the light of experience, as follows:—

Roads and Footways:

Clause 12—after the words "Clause 49 hereof" in line 7, insert "and except as hereinafter provided in Clause 12A".

Insert new Clause 12A:

12A. Where an owner subdivides land abutting portions of either Riley Road or the new alignment of Vahland (Lincoln) Avenue located between the southern boundary of the Council's Town Planning Scheme No. 30 and the southern boundary of this Scheme and all new lots in such subdivision have frontage to a road other than the said portions of Riley Road or Vahland (Lincoln) Avenue, the owner shall not be required to construct any part of a carriageway of the said portions of Riley Road or Vahland (Lincoln) Avenue.

Scheme Costs: Delete existing Clause 48(d) and substitute:

- (d) (i) The cost of construction of one carriageway including all necessary drainage and earthworks on the roads coloured red on the Scheme Map.
- (ii) Subject to the provisions of Clause 12A hereof, the cost of construction and drainage of the second carriageway of Vahland (Lincoln) Avenue within Lot 1252 on Plan 4391 and within Lots 1293, 1292 and 1291 on Plan 4395.
- (iii) Subject to the provisions of Clause 12A hereof, the cost of construction and drainage of the second carriageway of that portion of Vahland (Lincoln) Avenue located between the north boundary of Canning Location 293 and the south boundary of this Scheme.

- (iv) Subject to the provisions of Clause 12A hereof, the cost of construction and drainage of the second carriage-way of that portion of Riley Road located between the south boundary of the Council's Town Planning Scheme No. 30 and the south boundary of this Scheme.

METROPOLITAN WATER SUPPLY, SEWERAGE AND DRAINAGE BOARD.

Metropolitan Water Supply.
Notice of Intention.

M.W.B. 361988/77.

NOTICE is hereby given, pursuant to section 20 of the Metropolitan Water Supply, Sewerage and Drainage Act, 1909-1977, of the intention of the Board to undertake the construction and provision of the following works, namely:—

Jandakot Groundwater Scheme—Located within: Town of Canning, Town of Cockburn and Shire of Armadale-Kelmscott.

Description of Proposed Works:

The construction of a groundwater scheme at Jandakot with a designed daily output of 45 000 cubic metres. The pumping of water from the wells and output of water from the Treatment Plant will not be continuous, but will be regulated having regard to requirements for sound management of the aquifer. Works to be constructed will consist of:—

1. Raw water rising mains to connect a well-field to the Treatment Works. The mains will be underground and constructed of steel or asbestos cement pipes. Where the pipelines traverse private property a 10 metre easement will be taken out over the route. An access road and overhead power lines will be constructed within the easement. The nominal diameter and lengths of the rising mains are:—
 - 1.1 A rising main, 600 mm and 800 mm in diameter about 4 600 metres in length.
 - 1.2 A rising main, 200 mm, 225 mm, 375 mm, 450 mm and 525 mm in diameter about 6 630 metres in length.
 - 1.3 A rising main 200 mm, 225 mm, 250 mm, 300 mm and 375 mm in diameter about 3 850 metres in length.
 - 1.4 A rising main 200 mm, 225 mm, 300 mm, 375 mm, 450 mm and 525 mm in diameter about 7 080 metres in length.
 - 1.5 A rising main 200 mm, 225 mm, 250 mm, 375 mm and 450 mm in diameter about 3 860 metres in length.

2. Thirty shallow groundwater wells and four shallow artesian wells will be sunk in the area.

The shallow groundwater wells will be cased with 280 mm nominal outside diameter steel casing, equipped with stainless steel screens, and will range in depth between 35 and 75 metres. The maximum daily output from each well is anticipated to range between 400 and 2 000 cubic metres per day.

The shallow artesian wells will be cased with 340 mm and 240 mm nominal outside diameter steel casing, equipped with stainless steel screens, and will range in depth between 250 and 500 metres.

The maximum daily output from each well is anticipated to range between 2 000 and 10 000 cubic metres per day.

The thirty shallow groundwater wells will be numbered 10, 20, 30, 40, 50, 60, 70, 80, 90, 100, 110, 120, 130, 140, 150, 210, 220, 230, 240, 250, 260, 270, 280, 290, 300, 310, 330, 340 and 350 and the four shallow artesian wells will be numbered 45, 105, 335 and 405.

Apart from Well 405 to be located at the Treatment Works site, the sites for the wells will vary in area from 1 600 to 4 500 square metres. All sites will be purchased by the Board, and provided with a stock proof perimeter fence and an inner security fence around the wellhead installation. The well-head installation will comprise of pump, motor, switchboard, a section of above and below ground steel pipeline and ancillary valves and fittings. A brick building of approximately 20 square metres will be constructed on each of the shallow artesian well sites to house electrical equipment.

3. The Groundwater Treatment Works will comprise of aerators, clarifiers, filters, clearwater tank, pumping station operation building and associated works. These structures will be constructed principally in concrete, brick or steel, and will contain the necessary mechanical and electrical plant.

4. A clearwater Rising Main to deliver water from the Treatment Works to the Water Supply System. The main will be laid below ground in steel pipe of nominal diameter 800 mm, and will be about 900 metres in length.

5. The mains are to be complete with air valves and section valves in underground pits and all other necessary apparatus connected therewith.

6. The above works shall be constructed as described herewith and in accordance with Plan M.W.B. 15026.

The Localities in which the Proposed Works will be Constructed or Provided:

1.1 Commencing in Bartram Road at a point adjacent to the western boundary of Lot 39 and proceeding thence in a westerly direction along Bartram Road to and across Liddelow Road, to and across Beenyup Road to Lot 213, the site of the proposed groundwater treatment works, and terminating therein.

1.2 Commencing at Well 350 at the junction of Hope Road and Prinsep Road and proceeding thence in a general southerly direction along Prinsep Road to and across Mason Road, Verna Road and Forrest Road, to and through Pt. Lot

228, to and through Lot 231 to the southern boundary of Lot 231, thence in an easterly direction adjacent to the said boundary to the eastern boundary of Lot 231; thence in a general southerly direction to and through Pt. Lot 232 to Beenyp Road; thence in a general southeasterly direction along Beenyp Road to a point adjacent to Well 270; thence in a southerly direction to and through Lot 10, to and through Lot 9 to Bartram Road and the rising main described in (1.1) above and terminating thereat.

1.3 Commencing at Well 210 at the junction of Rowley Road and Lyon Road and proceeding thence in a northerly direction along Lyon Road to and across Gaebler Road and Gibbs Road to Bartram Road and the rising main described in (1.1) above and terminating thereat.

1.4 Commencing at Well 150 adjacent to Johnston Road approximately 200 metres north of Acourt Road and proceeding thence in a general southerly direction along Johnston Road to Acourt Road, thence in a general southeasterly direction along Acourt Road to Fraser Road; thence in a general southerly direction to and through Lot 124, to and through Lot 125, to and through Lot 147, to and through Lot 146, to and through Lot 2, to and through Lot 1, to the intersection of Warton Road and Mason Road; thence in a general south-westerly direction along Warton Road to Forrest Road; thence in a general southeasterly direction along Forrest Road to the eastern boundary of Pt. Lot 41; thence in a southerly direction to and through Pt. Lot 41 to and through Lot 42 to Bartram Road and the rising main described in (1.1) above and terminating thereat.

1.5 Commencing at Well 10 at the junction of Rowley Road and Wolfe Road and proceeding thence in a general northerly and northwesterly direction along Wolfe Road to the eastern boundary of Lot 23; thence in a northerly direction within, and adjacent to the eastern boundary of Lot 23, to and across Oxley Road, to and through Lot 414, to and through Lot 426, to and across Gibbs Road, to and through Lot 44, to and through Lot 43, to Bartram Road and the rising main described in (1.1) above and terminating thereat.

2. The thirty shallow ground water wells will be situated as follows:—

Well 350—within Part Lot 3 Prinsep Road.
Well 340—within Lot 10 Prinsep Road.
Well 330—within Lot 10 Prinsep Road.
Well 320—within Lot 156 Prinsep Road.
Well 310—within Lot 30 Prinsep Road.
Well 300—within Lot 7 Prinsep Road.
Well 290—within Pt. Lot 228 Forrest Road.
Well 280—within Pt. Lot 223 Beenyp Road.
Well 270—within Pt. Lot 223 Beenyp Road.
Well 260—within Loc. 210 Lyon Road.
Well 250—within Lot 211 Lyon Road.
Well 240—within Lot 204 Lyon Road.
Well 230—within Lot 199 Lyon Road.
Well 220—within Pt. Lot 196 Lyon Road.
Well 210—within Lot 23 Lyon Road.
Well 150—within Lot 166 Johnston Road.
Well 140—within Lot 287 Acourt Road.
Well 130—within Lot 186 Acourt Road.
Well 120—within Lot 124 Acourt Road.

Well 30—within Lot 414 Oxley Road.
Well 20—within Lot 23 Oxley Road.
Well 10—within Lot 22 Rowley Road.

The four shallow artesian wells will be situated as follows:—

Well 45—within Lot 426 Gibbs Road.
Well 105—within Lot 2 Warton Road.
Well 335—within Lot 10 Prinsep Road.
Well 405—within Lot 213 Bartram Road.

3. The site for the Ground Water Treatment works will be situated within Lot 213 Bartram Road.

4. Commencing within the Ground Water Treatment works site and proceeding thence in a northerly direction to Bartram Road; thence in a westerly direction along Bartram Road to Hammond Road; thence in a general northerly direction along Hammond Road to the Metropolitan Water Board pipe reserve and terminating therein. The above works and localities are shown on Plan M.W.B. 15026.

The Purpose for which the Proposed Works are to be Constructed or Provided:

The development of groundwater resources for public water supply purposes.

The Times when and Place at which Plans, Sections and Specifications may be Inspected:

At the office of the Board, corner of Kings Park Road and Havelock Street, West Perth, for one month on and after the 16th day of December, 1977, between the hours of 9.30 a.m. and 3.30 p.m.

F. ARMSTRONG,
General Manager.

NOTE.

Sections 19, 21 and 22 of the Metropolitan Water Supply Sewerage and Drainage Act 1909-1977 provide that any local authority or person interested may lodge a written objection with the Board against the construction or provision of the proposed works, within one month after the date of publication of the above notice.

After the period for receipt of objections has expired, and the objections, if any, have been met by amendment of the proposal or are, in the general public interest, not sufficient to cause the proposals to be amended, the Governor may make an order, a notice of which is published in the *Government Gazette*, authorising the Board to carry out the construction or provision of the proposed works.

LOCAL GOVERNMENT ACT, 1960-1977.

Local Government Department,
Perth, 6th December, 1977.

L.G. 93/77.

HIS Excellency the Governor in Executive Council acting pursuant to section 161 of the Local Government Act, 1960-1977 has been pleased to make the regulations set out in the Schedule hereunder.

R. C. PAUST,
Secretary for Local Government.

Schedule.

LOCAL GOVERNMENT (LONG SERVICE LEAVE) REGULATIONS.

Citation.

1. These regulations may be cited as the Local Government (Long Service Leave) Regulations.

Definitions.

2. In these regulations—

"Commission in Court Session" and "Registrar" have the respective meanings given to those expressions in the Industrial Arbitration Act, 1912;

"effective date" has the meaning given to that expression in section 161 of the Act, that is to say, the date on which these regulations take effect;

"employer" means the municipality by which a worker is employed or, in the case of the joint employment of a worker by two or more municipalities, those municipalities;

"long service benefit" means long service leave with pay or a lump sum payment in lieu of long service leave or in lieu or on account of *pro rata* long service leave;

"Minister" means the Minister for Local Government;

"municipality" means a municipality constituted under the Act or a county council or regional council constituted under section 329 of the Act;

"national service" means service under the National Service Act, 1951 of the Parliament of the Commonwealth as amended or under any Act passed in substitution for that Act;

"regulation" means one of these regulations;

"subregulation" means a subregulation of the regulation in which the term is used;

"superseded long service benefits scheme" means—

- (a) the Long Service Leave Act, 1958;
- (b) by-laws made pursuant to section 230 of the Act as enacted before the effective date; or
- (c) the provisions relating to long service benefits in an industrial award or agreement in force under the Industrial Arbitration Act, 1912;

"the Act" means the Local Government Act, 1960;

"the Board" means the Board of Reference constituted under regulation 12;

"worker" means an officer or employee employed by a municipality.

Transitional
and saving
provisions.

3. (1) Subject to subregulation (4) where a worker has become entitled to a long service benefit under a superseded long service benefits scheme and has not been granted that benefit before the effective date he shall retain his entitlement to that benefit on and after the effective date.

- (2) Notwithstanding anything contained in these regulations—

- (a) where a worker was in the service of an employer on the 1st July, 1977 and by-laws in force immediately before the effective date, being by-laws made by the employer pursuant to section 230 of the Act as enacted before the effective date, provided for entitlements to long service leave after periods of continuous service of less than ten years, the worker shall continue to become entitled to such long service leave after such periods of continuous service as were, respectively, prescribed in those by-laws until his service with that employer terminates;

SCHEDULE—continued.

(b) where a worker who was in the service of an employer on the 1st July, 1977 leaves that service and that worker—

- (i) does not enter service that is regarded, for the purposes of these regulations, as continuous with his service with that employer;
- (ii) would, under the provisions of by-laws in force immediately before the effective date, being by-laws made by that employer pursuant to section 230 of the Act as enacted before the effective date, have been entitled to a payment on account of *pro rata* long service leave; and
- (iii) is not entitled to a payment in lieu of *pro rata* long service leave under regulation 6 or is entitled to such a benefit on terms less favourable than those that would have applied to him under the by-laws mentioned in subparagraph (ii) of this paragraph,

that worker shall, on the termination of that service, be entitled to a payment on account of *pro rata* long service leave in accordance with the by-laws mentioned in subparagraph (ii) of this paragraph.

(3) Where a worker commences a period of long service leave to which he is entitled by reason of subregulation (1) or paragraph (a) of subregulation (2) he shall be entitled to be paid for that leave in accordance with the relevant superseded long service benefits scheme.

(4) Where a worker is entitled to long service leave by reason of subregulation (1) or paragraph (a) of subregulation (2) and his service with an employer is terminated before he has taken or fully taken that leave his entitlement to that leave shall cease but he shall be entitled, on account thereof, to a payment in accordance with the relevant superseded long service benefits scheme.

Service.

4. In determining the entitlement of a worker to long service benefits under these regulations the service that shall be taken into account is—

- (a) in every case—continuous service with one or more employers after the 30th June, 1977; and
- (b) in the case of the worker who was in the service of an employer on the 1st July, 1977—continuous service with that employer between the 1st July, 1967 and the 30th June, 1977 (both dates inclusive),

and that service shall be deemed to include—

- (c) any period of absence from duty on any annual leave or long service leave;
- (d) any period of absence from duty necessitated by sickness of or injury to the worker but only to the extent of three months in each calendar year; and
- (e) any period during which the service of the worker was or is interrupted by national service but only if the worker as soon as reasonably practicable after the completion of that national service resumed or resumes his service with his former employer or entered or enters the service of another employer,

but shall not include—

- (f) any absence from duty on leave without pay unless the employer determines otherwise; or
- (g) service in respect of which the worker has become entitled to a long service benefit before the effective date under the provisions of a superseded long service benefits scheme.

Continuity of service.

5. For the purpose of determining the entitlement of a worker to long service benefits under these regulations the service of a worker shall be regarded as continuous notwithstanding—

- (a) any absence of the worker from duty if leave of absence has been granted by his employer;
- (b) the absence of the worker on account of national service if by operation of regulation 4 the period of absence is deemed to be included in the service of the worker for the purposes of these regulations;
- (c) there being a period of time between the worker leaving the service of one employer and entering the service of another employer if the period is used for recreation leave or as travelling time and does not exceed—
 - (i) the period in respect of which payment has been made by the first-mentioned employer in lieu of the worker's accrued and *pro rata* leave entitlements; or
 - (ii) two weeks,
 whichever is the longer.

SCHEDULE—*continued.*

- Entitlement to leave. 6. (1) The long service benefits to which a worker shall be entitled by reason of continuous service with one or more employers shall be as provided in this regulation.
- (2) Subject to subregulation (5) a worker is entitled to thirteen weeks long service leave in respect of each ten years' continuous service that he completes.
- (3) Where the service of a worker who has previously become entitled to long service leave under subregulation (2) is terminated in any circumstances otherwise than by his employer for serious misconduct, and the worker does not within the time specified in subparagraph (i) or (ii) of paragraph (c) of regulation 5, whichever is the longer, enter the service of another employer the worker shall be entitled to a payment calculated under subregulation (1) of regulation 8 in lieu of an amount of *pro rata* long service leave on the basis of one and three-tenths weeks leave for each year of continuous service that he has completed since he last became entitled under subregulation (2) to an amount of long service leave, and, for the purpose of calculating that payment, the worker shall be deemed to have commenced that leave immediately prior to the termination of his service.
- (4) Where the service of a worker who has completed at least seven years continuous service but has not previously become entitled to long service leave under subregulation (2) is terminated—
- (a) by his death;
 - (b) on account of sickness or injury of such a nature as to prevent him from continuing his present employment; or
 - (c) by his retirement on account of his having reached the age of sixty-five years or on such later date as his employer may approve,
- the worker shall be entitled to a payment calculated under subregulation (1) of regulation 8 in lieu of an amount of *pro-rata* long service leave on the basis of one and three-tenths weeks leave for each year of continuous service that he has completed and, for the purpose of calculating that payment, the worker shall be deemed to have commenced that leave immediately prior to the termination of his service.
- (5) Where a worker is entitled to long service leave by reason of subregulation (2) and his service with an employer is terminated before he has taken or fully taken that leave his entitlement to that leave shall cease but he shall be entitled, in lieu thereof, to a payment calculated in accordance with subregulation (1) or (2) of regulation 8, whichever is applicable.
- Taking leave. 7. (1) Where a worker is entitled to long service leave—
- (a) at least two months' notice of the date from which the leave is to be taken shall be given by one party to the other unless otherwise agreed in writing between the parties;
 - (b) the employer shall not require the worker to commence the leave within six months of the date on which the worker became entitled to it;
 - (c) the leave taken shall be inclusive of any public holidays allowable under the worker's conditions of employment but shall not be inclusive of any annual leave;
 - (d) the leave may be granted and taken in one consecutive period or, if the worker and the employer so agree, in not more than three separate periods.
- (2) Subject to subregulation (1) long service leave shall be taken at the earliest practicable date.
- Payment for or in lieu of leave. 8. (1) Subject to subregulation (2) a worker who commences or is deemed to commence a period of long service leave or *pro rata* long service leave under regulation 6 shall be entitled to be paid for each week of that period at the ordinary time rate applicable to his usual classification (excluding all allowances) in the week immediately preceding the commencement or deemed commencement of the leave.
- (2) Where the commencement of long service leave under regulation 6 has been postponed to meet the convenience of the worker beyond the period of six months mentioned in paragraph (b) of subregulation (1) of regulation 7 the rate of payment for or in lieu of that leave shall be the rate applicable to him for ordinary time (excluding all allowances) when he became entitled to the leave unless otherwise agreed in writing between the employer and the worker.
- (3) A payment for long service leave shall be made by the employer in full before the worker commences the leave or, where the employer and the worker jointly agree, by periodical payment.
- (4) In any case to which paragraph (b) of subregulation (2) or subregulation (4) of regulation 3 or subregulation (3), (4) or (5)

SCHEDULE—continued.

of regulation 6 applies the payment to which the worker is entitled in lieu or on account of long service leave or *pro rata* long service leave, as the case may be, shall be paid by the employer—

- (a) upon termination of the service of the worker otherwise than by death—to the worker; or
- (b) upon termination of the service of the worker by death—to the personal representative of the worker upon request by the personal representative.

Contribution
towards
cost of
benefit.

9. (1) In this regulation "cost", in relation to a long service benefit, means—

- (a) in the case of leave granted to and taken by a worker—the total amount paid by the employer pursuant to subregulation (3) of regulation 8;
- (b) in a case in which a payment is made by the employer under subregulation (4) of regulation 8 in lieu or on account of long service leave or *pro rata* long service leave—the amount of that payment.

(2) Where a long service benefit is granted and taken by or in respect of a worker and the service in respect of which the benefit accrued includes, in addition to service with the municipality with which he is serving at the time of, or immediately before, the benefit is taken, a period of service with one or more other municipalities, the council of the first-mentioned municipality shall bear the cost of the benefit but may, in respect of that period of service, recover from the council of each such other municipality a contribution towards the cost determined in accordance with subregulation (3).

(3) The contribution towards any cost of a long service benefit that may be recovered from the council of a municipality pursuant to subregulation (2), in respect of a period of service with that municipality shall be determined in accordance with the formula—

$$C = \frac{(L \times S \times P)}{TS}$$

where—

- C is the amount of the contribution that may be recovered from that council;
- L is the amount of long service leave or *pro rata* long service leave for or in lieu of which the cost is paid (expressed in weeks);
- S is that period of service (expressed in completed weeks);
- P is the weekly rate of pay for ordinary time applicable to the usual classification of the worker (excluding all allowances) in the week immediately preceding the end of that period of service; and
- TS is the total period of service in respect of which the long service benefit accrued (expressed in completed weeks).

(4) Where a worker is or was employed jointly and concurrently by two or more municipalities the cost of a long service leave benefit shall be divided equally between the councils of those municipalities unless they have agreed to meet the cost on some different basis, and, in relation to a contribution towards the cost of a long service leave benefit, the formula mentioned in subregulation (3) shall, to such extent as is necessary be modified so that the council of each municipality contributes in equal proportions unless they have agreed to contribute on some different basis.

Worker
not to be
employed
during
leave.

10. (1) A worker shall not, during any period when he is on long service leave, engage in any employment for reward in substitution for the service from which he is on leave.

(2) If, during a period of long service leave, a worker fails to comply with subregulation (1) he shall forfeit his right to the unexpired portion of the period, and the employer shall be entitled to withhold any further payment in respect of the period and to reclaim any payments already made in respect of the period.

(3) Where pursuant to subregulation (2) an employer reclaims any payments made in respect of a period of long service leave it shall make an appropriate refund to the council of any municipality that has contributed towards those payments under regulation 9.

Records to
be kept by
employers.

11. (1) Each employer shall, during the service of a worker in his service and for a period of ten years thereafter keep a record from which can readily be ascertained—

- (a) the name of the worker and his classification;
- (b) the dates on which the service of the worker commenced and terminated;
- (c) details of any absence of the worker from duty;
- (d) the entitlement of the worker to long service leave;
- (e) details of any long service benefit granted to the worker during or on termination of his service.

SCHEDULE—continued.

(2) An employer shall make copies of the records kept pursuant to subregulation (1) available to the worker or to another employer upon written request being made to it in that regard.

Constitution
of Board of
Reference.

12. (1) A Board of Reference is hereby constituted for the purposes of these regulations.

(2) Subject to subregulation (3) the Board shall consist of—

- (a) one member who shall be appointed in writing by the Confederation of Western Australian Industry (Inc.);
- (b) one member who shall be appointed jointly and in writing by the Municipal Officers Association of Australia and the Association of Professional Engineers, Australia;
- (c) one member who shall be appointed in writing by the Trades and Labor Council of Western Australia; and
- (d) one member who shall be Chairman and who shall be appointed in writing by the Minister from amongst persons who are Industrial Magistrates referred to in section 103 of the Industrial Arbitration Act, 1912.

(3) The person appointed pursuant to paragraph (b) of subregulation (2) shall only be a member of the Board for the purposes of the determination of matters relating to persons who are or, at the relevant time, were officers within the meaning of the Act and the person appointed pursuant to paragraph (c) of subregulation (2) shall only be a member of the Board for the purposes of the determination of matters relating to persons who are not or, at the relevant time, were not officers within the meaning of the Act.

(4) An appointment required under paragraph (a), (b) or (c) of subregulation (2) shall be conveyed to the Minister as soon as practicable after the effective date and, thereafter, whenever a vacancy occurs in the office of a member of the Board referred to in that paragraph.

(5) Each of the organisations referred to in paragraphs (a), (b) and (c) of subregulation (2) may appoint, in the same manner as members are appointed, deputy members one of whom may deputise for the member for whom he is deputy at any sitting of the Board.

(6) A member or deputy member of the Board shall hold office at the pleasure of the organisation or person by which or by whom he was appointed.

(7) A person who is or has been a member or deputy member of the Board is not personally liable for anything done or omitted in good faith in, or in connection with, the exercise or purported exercise of any authority, power or jurisdiction conferred by these regulations.

Functions of
Board.

13. The functions of the Board include the determination of all questions and disputes referred by a party thereto from time to time arising for determination concerning, or in relation to, or in connection with, the provision of long service benefits under these regulations and rights and liabilities in respect of such benefits including, without derogation from the generality of the foregoing, questions and disputes—

- (a) as to whether a person is or is not, or was or was not, a worker;
- (b) as to whether and when and to what extent a worker is or has become entitled to a long service benefit;
- (c) as to whether and to what extent a deceased person's personal representatives are or have become entitled to a long service benefit;
- (d) as to the rate of pay to be applied for the purposes of calculating the payment to be made for or in lieu or on account of long service leave or *pro rata* long service leave or for the purposes of subregulation (3) of regulation 9;
- (e) as to whether the termination by a worker of his service was or was not justified because of injury or sickness,

but do not include power, authority or jurisdiction to make an order or give a direction to enforce compliance by an employer with any obligation imposed on it by this Act.

Power to
hold
inquiries.

14. (1) The Board may, for any purpose connected with, or related to, the carrying out of its functions—

- (a) hold any inquiry;
- (b) summon witnesses;
- (c) receive evidence on oath or affirmation;
- (d) administer an oath or affirmation; and
- (e) require the production of documents or records.

(2) A person who having been lawfully summoned to appear at an inquiry before the Board does not appear in obedience to the summons, or who appears, whether summoned or not, and—

- (a) refuses to be sworn or affirmed as a witness;
- (b) refuses to answer any question he is lawfully required to answer; or
- (c) refuses to produce any document or record he is lawfully required to produce,

commits an offence against these regulations.

Penalty: Two hundred dollars.

SCHEDULE—*continued.*

Determina-
tion,
notification
and appeal.

15. (1) Where the Board makes a determination of any question or dispute, the Chairman shall, at the request of any party to the question or dispute, issue to the party a certificate in writing signed by him certifying as to the determination.

(2) Any party to a question or dispute on which the Board has made a determination under these regulations may appeal against the determination to the Commission in Court Session.

(3) Notice of an appeal under subregulation (2) shall be lodged with the Registrar and served upon the other party or parties to the question or dispute within twenty-one days of the determination of the Board.

(4) An appeal under subregulation (2) shall be heard and determined in the manner prescribed under the Industrial Arbitration Act, 1912, for appeals referred to in section 89 of that Act, with such modifications as are necessary.

Enforce-
ment.

16. (1) An obligation imposed by these regulations may be enforced against a person or municipality by civil proceedings in a court of competent jurisdiction.

(2) In any proceedings under subregulation (1) a determination of the Board, or of the Commission in Court Session on appeal to it under subregulation (2) of regulation 15, shall, according to its tenor, be conclusive evidence of the existence, nature and extent of an obligation imposed by these regulations.
