#### APPLICATIONS FOR LEASING.

Department of Lands and Surveys,  
Perth, 15th September, 1978.

Corres. No. 1490/75.

APPLICATIONS are invited under section 117 of the Land Act, 1933-1977 for the leasing of the Boulder lots shown in the schedule for the purpose of "Light Industry" for a term of 21 years at the rentals listed in the schedule.

Intending applicants shall submit with their application an outline plan drawn to scale, showing development proposed during the first two years of the term of the lease.

The Minister for Lands reserves the right to refuse any application on the grounds that the proposed development is inadequate or unsuitable.

On completion of substantial development to the satisfaction of the Minister for Lands the lessee may surrender his lease in order that the land may be made available in freehold. In this regard it is advised that the lessee should not anticipate freehold title before providing full details of contemplated development for departmental examination and approval. The price for the land shall be determined at the time of such application.

The land is made available for leasing subject to the following conditions:—

- (1) The land shall not be used for any purpose other than "Light Industry" without the prior approval in writing of the Minister for Lands.
- (2) The lessee shall commence construction within nine (9) months and thereafter continue construction and complete and operate the works within two (2) years from the date of the commencement of the lease.
- (3) The lessee shall, within twelve months from commencement of the lease, fence the external boundaries with a security fence to the satisfaction of the Minister.
- (4) The rent shall be subject to reappraisal at the end of the seventh and fourteenth year of the term.
- (5) The lessee shall not without the previous consent in writing of the Minister for Lands assign, transfer, mortgage sublet or part with the possession of the demised land.
- (6) All buildings, erections, paving, drainage and other works shall be to the approval of the Local Authority and the lessee shall perform, discharge and execute all requisitions and works unto the demised land as are or may be required by any local or public authority operating under any statute by-law or regulation.
- (7) All frontages shall be treated and maintained to give an appearance aesthetically pleasing consistent with the purpose of the lease according to a plan submitted to the Minister for Lands.
- (8) The lessee shall indemnify the Minister against all claims for damage to property or persons arising from the use of the land.

- (9) Compensation shall not be payable to the lessee in respect of any improvements effected by him on the demised land and remaining thereon at the expiration or earlier determination of the lease.
- (10) It shall be lawful for the lessee at any time within the three calendar months immediately following the expiration of the term or earlier determination of the lease, to take down, remove, and carry away any buildings, structures, improvements and plant the property of the lessee
- (11) On determination of the lease, the lessee shall fill in, consolidate and level off any unevenness, excavation or hole caused by him during the term of the lease or by removal of his improvements and shall leave the demised land in a clean, neat and tidy condition to the satisfaction of the Minister for Lands and shall remove any or all waste matter as required by the Minister.

#### The Schedule.

- (3) Development shall be in accordance with the requirements of the Department of Local Government Model By-laws for Camping Areas, Caravan Parks and Holiday Accommodation.
- (4) The rent shall be subject to reappraisal at three year intervals.
- (5) All buildings, erections, paving, drainage and other works shall be to the approval of the Local Authority and the lessee shall perform, discharge and execute all requisitions and works unto the demised land as are or may be required by any local or public authority operating under any statute by-law or regulation.
- (6) The lessee shall not without the previous consent in writing of the Minister for Lands assign, transfer, mortgage, sublet or part with the possession of the demised land.
- (7) The lessee shall maintain existing and future improvements to the satisfaction of the Minister for Lands.
- (8) The land shall be filled to levels specified by, and acceptable to the Minister or his nominee and the Shire Council.
- (9) Compensation will not be payable for damage by flooding of the demised land.
- (10) The Minister or his representative may enter the land for inspection at any reasonable time.
- (11) All frontages shall be treated and maintained to give an appearance aesthetically pleasing consistent with the purpose of the lease according to a plan submitted to the Minister for Lands.
- (12) The lessee shall indemnify the Minister against all claims for damage to property or persons arising from the use of the land.
- (13) Compensation shall not be payable to the lessee in respect of any improvements effected by him on the demised land and remaining thereon at the expiration or earlier determination of the lease.
- (14) It shall be lawful for the lessee at any time within the three calendar months immediately following the expiration of the term or earlier determination of the lease, to take down, remove, and carry away any buildings, structures, improvements and plant the property of the lessee.
- (15) On determination of the lease, the lessee shall fill in, consolidate and level off any unevenness, excavation or hole caused by him during the term of the lease or by removal of his improvements and shall leave the demised land in a clean, neat and tidy condition to the satisfaction of the Minister for Lands and shall remove any or all waste matter as required by the Minister.

A person in the employ of the State must apply through the Under Secretary for Lands for the Governor's permission to hold this land. Written approval of the Permanent Head concerned should accompany such application.

## BUSH FIRES ACT, 1954-1977.

Town of Cockburn.

Bushfire Breaks.

Notice to all owners and/or occupiers of land.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required on or before the 30th day of November, 1978, or within 14 days of the date of your becoming owner or occupier should this be after the 30th day of November, 1978, and thereafter up to and including the 14th day of March, 1979, to have a firebreak, clear of all flammable material, at least 3 metres wide immediately inside all external boundaries of the land and also immediately surrounding all buildings situated on the land.

If it is considered to be impracticable for any reason to clear firebreaks as required by this notice, you may apply to the Council or its duly authorised officer not later than the 15th day of November, 1978, for permission to provide firebreaks in alternative positions on the land. If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of not less than \$10 nor more than \$200 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act, 1954-1977.

By Order of the Cockburn Town Council,

A. J. ARMAREGO,  
Town Clerk.

## BUSH FIRES ACT, 1954-1977.

Shire of Brookton.

Notice to all owners and/or occupiers of land within the Shire of Brookton.

PURSUANT to the powers contained in section 33 of the above Act you are hereby required on or before the dates referred to below to remove from the land owned or occupied by you, all inflammable material or to clear firebreaks in accordance with the following and thereafter maintain the land or firebreaks clear of inflammable material up to and including the 30th day of April, 1979.

A. Rural Land: (i.e. all land within the Shire of Brookton other than within the townsite):—

- (1) You shall on or before the 22nd day of October, 1978, clear of all inflammable material, firebreaks at least 2 metres wide immediately inside all external boundaries, of the land; and
- (2) You shall on or before the 22nd day of October, 1978, clear of all inflammable material, firebreaks at least 2 metres wide in such positions as to divide properties of more than 202 hectares into separate sections of no more than 202 hectares completely surrounded by a firebreak at least 2 metres wide; and
- (3) You shall on or before the 22nd day of October, 1978, clear of all inflammable material, firebreaks at least 2 metres wide within 20 metres of the perimeter of all buildings and/or haystacks or groups of buildings and/or haystacks and also remove all inflammable material from within 2 metres of all such buildings and/or haystacks; and
- (4) You shall on or before the 14th day of November, 1978, clear of all inflammable material, firebreaks at least 2 metres wide immediately surrounding all land on which crop is standing.

B. Townsite Land: (i.e. all land within the Shire of Brookton which is within a townsite):—

- (1) You shall on or before the 1st day of December, 1978, clear all inflammable material from the whole of the land owned or occupied by you.

If the land referred to in Part B of this notice is used permanently for agricultural purposes you may apply in writing to the Council or its duly authorised officer, on or before the 1st day of December, 1978, for permission to clear of all inflammable material boundaries of the land, in lieu of removing all inflammable material from the whole of the land. If permission is not granted by the Council or its duly authorised officer you shall comply with the requirements of this notice.

If it is considered to be impracticable for any reason to clear firebreaks or to remove inflammable material from land, as required by this notice, you may apply to the Council or its duly authorised officer not later than the 1st day of October, 1978, for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. If permission is not granted by the Council or its duly authorised officer you shall comply with the requirements of this notice.

The penalty for failure to comply with this notice is a fine of not less than \$10 nor more than \$200 and a person in default is also liable, whether prosecuted or not, to pay cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the dates required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

Dated this 4th day of September, 1978.

By Order of the Council,

J. W. HUGHES,  
Shire Clerk.

BUSH FIRES ACT, 1954-1977.

Katanning Shire Council.

NOTICE is hereby given that all owners and/or occupiers of land within the Shire of Katanning must prepare firebreaks on or before the 1st November, 1978.

Breaks of not less than 2.5 metres in width must be provided around all property boundaries, but as near as possible to such boundaries.

Buildings and Haystacks.

A firebreak at least 2.5 metres wide shall be cleared within 20 metres of the perimeter of any building or haystack.

Firebreaks must be cleared of all scrub, stubble and any inflammable material and thereafter to maintain such firebreaks clear of all inflammable material until the 14th day of February, 1979.

By order of the Council,

T. S. RULAND,  
Shire Clerk.

Shire of Mukinbudin.

Notice to Owners and Occupiers of Land Within the Mukinbudin District.

IN accordance with the provisions of the above Act, you are hereby required, on or before 15th October, 1978, to clear firebreaks not less than three metres wide in the following positions and thereafter keep maintained such firebreaks of all inflammable material until 15th March, 1979.

(1) Around the boundaries of all cleared and part cleared land.

(2) Along the boundaries of all cleared and part cleared land adjacent to roads, and including breaks around crops.

(3) Inside and along boundaries, and also adjacent to all railway lines through or adjacent to, or alongside your property which includes additional breaks to split up properties.

(4) Within twenty metres of all homesteads, buildings and haystacks. Landowners are also required to keep the area between the firebreaks and the homesteads, buildings or haystacks cleared of all inflammable materials. Provide twenty metre breaks around intended clearing burns.

(5) All townsite lots and fuel depots must be free of all extraneous inflammable materials from 15th October, 1978, to 30th April, 1979, inclusive. If for any reason it is considered impractical to provide firebreaks in the position, or by the date, an owner or occupier may make application to the Shire Council for approval of a variation of the order. No such application shall be considered unless it is made in handwriting on or before 9th October, 1978, adequately describes the land and is accompanied by the written approval of the bush fire control officer for the area in which the land is situated.

Failure or neglect to comply with this notice will render the owner or occupier liable to a penalty of up to \$200.

By Order of the Council,

A. K. EARL,  
Shire Clerk.

BUSH FIRES ACT, 1954-1977.

(Section 33.)

Shire of Mullewa.

Notice to Owners and Occupiers of Land in the Shire of Mullewa.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required on or before the 1st day of October, 1978, to plough, scarify, cultivate, or otherwise clear, and thereafter maintain free from all inflammable material until the 31st March, 1978, firebreaks of not less than two metres in width in the following positions of the land owned or occupied by you:—

- (1) Inside and along the whole of the external boundaries of the property or properties owned or occupied by you.
- (2) Around all paddocks under crop.
- (3) Where buildings or haystacks are situated on property additional firebreaks not less than two metres in width must be provided within 1.5 metres of the perimeter of such buildings or haystacks, in such a manner as to completely encircle the buildings or haystacks. If for any reason it is considered impracticable to provide firebreaks in the position required by this notice, the approval of the Shire Council must be obtained to construct such firebreaks in an alternative position. Approval to any such variation will only be granted where the Bush Fire Control Officer for the area has first signified his approval to the variation.

Where the land of an owner or occupier abuts a constructed road, the owner or occupier has after obtaining the approval of the Authority which has the control and management of such road, burned or cleared the bush between the road formation and the boundary of his land, such firebreak will be accepted as complying with the requirements of this notice as far as it applies to the abutting boundaries of the property.

Dated this 1st day of September, 1978.

By Order of the Council,

T. J. HARKEN,  
Shire Clerk.

BUSH FIRES ACT, 1954-1977.

(Section 33.)

Shire of Mandurah.

Notice to all Owners and/or Occupiers of Land in the Shire of Mandurah.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required on or before the 30th day of November, 1978, to remove from the land owned or occupied by you, all inflammable material, or to clear firebreaks in accordance with the following and thereafter to maintain the land or the firebreaks clear of inflammable material up to and including the 15th day of April, 1979.

1. Where the area of land is 2 023 m<sup>2</sup> ( $\frac{1}{2}$  acre) or less, you shall remove all inflammable material from the whole of the land.
2. Where the area of the land exceeds 2 023 m<sup>2</sup> ( $\frac{1}{2}$  acre) you shall clear of all bush and other inflammable material, firebreaks,
  - (a) at least three metres wide immediately inside all external boundaries of the land; and
  - (b) at least fifteen metres wide immediately surrounding any drum or drums situated on the land which are normally used for storage of fuel, whether they contain fuel or not, and also immediately surrounding all buildings, hay stacks and fuel ramps situated on the land.

The firebreaks shall be properly ploughed with the soil turned completely over, and all bush, grass, debris, etc., cleared off the said break, or all bush, grass, and all other inflammable materials shall be completely removed from the breaks by other means. The break shall be constructed under or through all intervening fences, in order that a continuous break is established.

If it is considered to be impracticable for any reason to clear firebreaks as required by this notice, you may apply to the Council or its duly authorised officer not later than the 1st November, 1978 for permission to provide firebreaks in alternative positions on the land. If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice.

Failure to comply with this order could result in prosecution. No further notice shall be given and the penalty for non-compliance is a fine of not less than \$10 and not more than \$200 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice. If the requirements of this notice are carried out by burning, such burning must be carried out in accordance with section 18(2) of the Bush Fire Act.

By Order of the Council,  
K. W. DONOHOE,  
Shire Clerk.

#### BUSH FIRES ACT, 1954-1977.

Shire of Plantagenet.

Notice to Owner and Occupiers of Land.

PURSUANT to the powers contained in section 33 of the Bush Fires Act, owners and occupiers of land within the Shire of Plantagenet are required to remove from the land owned or occupied by them all inflammable material or to clear firebreaks in accordance with the following, and thereafter maintain the land or the firebreaks clear of all inflammable material up to and including the 31st day of May, 1979.

(1) Rural Land: Owners and Occupiers of Land other than within a townsite shall:—

- (a) clear firebreaks not less than 2 metres wide inside and along and within twenty metres of the boundaries of all the land being used for pasture;
- (b) clear firebreaks not less than three metres wide inside and along the boundary of the land where natural bush abuts the boundary;
- (c) clear firebreaks not less than three metres wide immediately adjacent to the perimeter of all grain producing crops, irrespective of whether such grain producing crops are to be harvested or not;
- (d) clear firebreaks not less than two metres wide around and within 100 metres of all Buildings, Haystacks and Fuel Ramps.

As an alternative to (a), (b) and (c) above:—

Clear firebreaks not less than three metres wide inside and along the boundaries of all the land.

All firebreaks as designated above must be prepared on or before the 15th day of November, 1978 within that portion of the Shire lying generally east of the dividing line as described in Schedule No. 9 in *Government Gazette* No. 44 of the 22nd July, 1977 (page 2369) and on or before the 1st day of December, 1978, within that portion of the Shire lying generally west of the dividing line as described in Schedule No. 9 in *Government Gazette* No. 44 of the 22nd July, 1977 (page 2369).

(2) Townsite land: Owners or Occupiers of land within the townsites of Mount Barker, Kendenup, Narrikup and Rocky Gully shall on or before the 22nd day of December, 1978, remove from the land owned or occupied by them all debris of an inflammable nature or clear a firebreak not

less than two metres in width around and within the boundaries of each individual Lot or a combination of Lots where such combined lots are immediately adjacent to each other and are used as one parcel of land for grazing or agricultural purposes, and thereafter maintain the land or firebreak clear of inflammable material up to and including the 31st day of May, 1979.

(3) Wansborough Walk area subdivision (Town Planning Scheme No. 1): Owners or Occupiers of land within the Wansborough Walk area subdivision (Town Planning Scheme No. 1) shall on or before the 30th day of November, 1978, remove from the land owned or occupied by them all debris of an inflammable nature or clear a firebreak not less than three metres in width around and within the boundaries of each individual Lot, and thereafter maintain the land or firebreaks clear of inflammable material up to and including the 31st day of May, 1979.

"Inflammable Material" is defined for the purpose of the order relating to Townsite Lands to include bush (as defined in the Bush Fires Act), timber, boxes, cartons, paper and like inflammable materials, rubbish and also any combustible matter, but does not include green standing trees, or growing bushes and plants in gardens, or lawns.

If for any reason it is considered impractical to clear firebreaks in the position required by this notice the approval of the Council must be obtained to provide them in an alternative situation.

By Order of the Council,  
T. McDONALD,  
Shire Clerk.

#### BUSH FIRES ACT, 1954-1977.

Shire of Victoria Plains.

Notice to all Owners and/or Occupiers of Land in the Shire of Victoria Plains.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required, on or before the 15th day of October, 1978, to clear of all inflammable material firebreaks not less than 2.5 metres wide in the positions indicated in paragraphs numbered 1, 2, 3, 4 and 5 to this notice and not less than 20 metres wide in the position as indicated in the paragraph numbered 6 to this Notice on all rural and townsite land owned or occupied by you, and thereafter to maintain the firebreaks clear of all inflammable material up to and including the 1st day of April, 1979.

1. Immediately inside all external boundaries of the land and;
2. In such other positions as is necessary to divide land in excess of 600 hectares into areas each not exceeding 400 hectares, each completely surrounded by a firebreak and;
3. Immediately surrounding any part of the land used for pasture or crop and;
4. Immediately surrounding all buildings, haystacks and fuel ramps situated on the land and;
5. Immediately surrounding any drum or drums situated on the land which are normally used for the storage of fuel, whether they contain fuel or not, and;
6. Immediately surrounding all bush which has been bulldozed, chained or prepared in any similar manner for clearing by burning (whether you intend to burn the bush or not).

If it is considered to be impracticable for any reason to clear firebreaks as required by this Notice, you may apply to the Council or its duly authorised Officer not later than the 5th day of October, 1978, for permission to provide firebreaks in alternative positions on the land.

If permission is not granted by the Council or its duly authorised Officer you shall comply with the requirements of this Notice.

The penalty for failing to comply with this Notice is a fine of not less than \$10 nor more than \$200 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this Notice if it is not carried out by the owner or occupier by the date required by this Notice.

If the requirements of this Notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

F. B. COOPER,  
Shire Clerk.

Notation (not part of formal firebreak order):

Attention of landholders is drawn to the fact that this Order allows for provision of firebreaks in situations other than around property boundaries subject to approval of Council. All Bush Fire Control Officers have been authorised to act for Council in this regard.

#### BUSH FIRES ACT, 1954-1977.

Shire of West Arthur.

Notice to Owners and Occupiers of Land.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required, on or before the 19th day of November, 1978 for rural land and on or before the 30th day of November, 1978 for townsite land to clear of all inflammable material or to clear firebreaks in accordance with the following, and therefore to maintain the land or the firebreaks clear of inflammable material up to and including the 1st day of April, 1979.

##### 1. Rural Land:

Owners or Occupiers of land, other than within a townsite, shall clear of all inflammable material, firebreaks at least two (2) metres wide in the following positions:

- (a) Immediately inside all external pasture boundaries of the land and;
- (b) In such other positions as is necessary to divide crop or pasture land in excess of 200 hectares into areas not exceeding 200 hectares, each completely surrounded by a firebreak and;
- (c) Surrounding and within one hundred (100) metres of any part of the land used for crop and;
- (d) Immediately surrounding all buildings, haystacks and fuel ramps or groups of buildings and haystacks. The firebreak is to be not more than one hundred (100) metres and not less than twenty (20) metres from the perimeter of all buildings and haystacks and;
- (e) Immediately surrounding any drum or drums situated on the land which are normally used for the storage of fuel, whether they contain fuel or not.

##### 2. Townsite Land:

Owners and Occupiers of land within a townsite shall:

- (a) Clear of all inflammable material the whole of the area where:
  - (i) The area of the land is 2 023 square metres or less or;
  - (ii) The land is used for the storage of inflammable liquids, or;
  - (iii) There is a hotel situated thereon.
- (b) If the area of land exceeds 2 023 square metres (half an acre), clear of all inflammable material firebreaks at least two (2) metres wide immediately inside all external boundaries of the land and also immediately surrounding all buildings and/or haystacks or groups of buildings and/or haystacks situated on the land.

##### 3. Sawmills, Rural and Townsite Areas:

Occupiers of sawmills shall clear of all inflammable material the whole of the land on which the sawmill is situated.

If for any reason it is considered impracticable to comply with any provision of this notice, a written application for a variation may be made to the Shire Council and must reach the Shire Clerk by the 15th day of November, 1978. Any such application must bear the signature of the fire control officer of the area signifying his agreement to the variation. If permission for variation is not granted the terms of this notice must be complied with, or as the Council directs.

Inflammable Material is defined for the purpose of this order to include bush (as defined in the Bush Fires Act), boxes, cartons, paper and like inflammable materials, rubbish and also any combustible matter, but does not include green standing trees, or growing bushes and plants in gardens or lawns.

The penalty for failing to comply with this notice is a fine not exceeding \$400 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

By Order of the Council,

C. J. PERRY,  
Shire Clerk.

## FERTILIZERS ACT, 1977.

Department of Agriculture,  
South Perth, 13th September, 1978.

HIS Excellency the Governor in Executive Council acting under the provisions of the Fertilizers Act, 1977 and the Interpretation Act, 1918-1975, has been pleased to—

- (a) revoke the regulations made under the Fertilizers Act, 1928-1973, published in the *Government Gazette* on the 25th October, 1929 and all amendments thereto; and
- (b) make the regulations set forth in the schedule below, so that the revocation and the regulations referred to in paragraph (b) take effect on and from the day that the Fertilizers Act, 1977, comes into operation.

E. N. FITZPATRICK,  
Director of Agriculture.

## Schedule.

## REGULATIONS.

1. These regulations may be cited as the Fertilizers Regulations, 1978.
2. In these regulations unless the context otherwise requires—  
“Form” means a form in the Second Schedule to these regulations;  
“regulation” means one of these regulations;  
“section” means a section of the Act;  
“the Act” means the Fertilizers Act, 1977.
3. A certificate of appointment of an inspector prescribed for the purposes of subsection (2) of section 12 shall be in the form of Form 1.
4. (1) An application by a primary dealer for the registration of a fertilizer pursuant to subsection (1) of section 13 or the renewal thereof shall be in writing and shall be in the form of Form 2.  
(2) An application referred to in subregulation (1) of this regulation shall be accompanied by—  
(a) the fee prescribed in the First Schedule in relation thereto; and  
(b) a copy of the label or the information to be contained in the label to be affixed or attached to every container in which the fertilizer will be sold or offered for sale.
5. The Register shall contain particulars of the information required in Form 3 and shall consist of folios that are facsimiles of the applications for the registration of fertilizers that have been registered under the Act.
6. Notification pursuant to section 14 of the registration of a fertilizer or the renewal thereof shall be in the form of Form 4.
7. (1) Subject to this regulation, any fertilizer used principally for the purpose of reducing soil acidity and having calcium carbonate or magnesium carbonate or both as its main ingredients shall be registered as “Agricultural Lime (First Grade)” or “Agricultural Lime (Second Grade)”.  
(2) A fertilizer shall not be registered as “Agricultural Lime (First Grade)” unless the fertilizer—  
(a) consists of not less than 80 per cent fine material capable of passing through a test sieve conforming to Australian Standard 1152 Grade B with an aperture size not exceeding 0.6 mm; and  
(b) has a neutralizing value of not less than 75 per cent.  
(3) A fertilizer shall not be registered as “Agricultural Lime (Second Grade)” unless the fertilizer—  
(a) consists of not less than 60 per cent of fine material capable of passing through a test sieve conforming to Australian Standard 1152 Grade B with an aperture size not exceeding 0.6 mm; and  
(b) has a neutralizing value of not less than 50 per cent.
8. A fertilizer shall not be registered as “Pelleting Lime” unless the fertilizer—  
(a) consists of not less than 99 per cent of material that is capable of passing through a test sieve conforming to Australian Standard 1152 Grade B with an aperture size not exceeding 0.053 mm;  
(b) has an acid neutralizing value that is not less than 90 per cent of the acid neutralizing value of pure calcium carbonate; and  
(c) has a pH value of not more than 9.8 using a limestone to water ratio of not less than 1:5.

9. (1) A fertilizer shall not be registered as "Bone Dust" or "Bone Meal" unless it has a nitrogen (N) content of not less than 2.0 per cent and a phosphorus (P) content of not less than 5.5 per cent.

(2) A fertilizer shall not be registered as "Blood and Bone" unless it has a nitrogen (N) content of not less than 4.0 per cent and a phosphorus (P) content of not less than 3.0 per cent.

(3) Notwithstanding anything in this regulation but subject to subregulation (4) of this regulation, a fertilizer shall not be registered as "Bone Dust", "Bone Meal" or "Blood and Bone" unless—

(a) the whole bulk of a sample taken of the fertilizer is capable of passing through a test sieve conforming to Australian Standard 1152 Grade B with an aperture size not exceeding 4.75 mm; and

(b) not less than 55 per cent of the sample taken is capable of passing through a test sieve conforming to Australian Standard AS 1152 Grade B with an aperture size not exceeding 0.6 mm.

(4) A fertilizer shall not be registered as "Bone Dust", "Bone Meal" or "Blood and Bone" unless the materials of which it is composed are only of animal origin.

10. A fertilizer shall not be registered as "Superphosphate" unless—

(a) it is made from rock phosphate and treated with sulphuric acid ( $H_2SO_4$ ); and

(b) a sample taken of the fertilizer contains not less than—  
(i) 7 per cent water soluble phosphorus (P); and  
(ii) 10.5 per cent sulphur (S).

11. (1) An appeal pursuant to section 18 of the Act—

(a) shall be in writing addressed to the Minister; and

(b) shall set out the grounds of the appeal.

(2) For the purposes of determining an appeal made under section 18 of the Act the Minister may require the appellant to submit such further information in writing as the Minister considers is necessary for determining the appeal and may allow the appellant to appear in person or by an agent.

12. (1) The particulars to be affixed or attached to or printed on a container containing a fertilizer that are prescribed for the purposes of subsection (1) of section 24 in relation to the sale of a fertilizer in a container are as follows—

(a) the registered name of the fertilizer;

(b) the registered brand of the fertilizer;

(c) the name and place of business of the primary dealer; and

(d) where the label states that the fertilizer contains any specified ingredients, the minimum percentages of those ingredients contained in the fertilizer.

(2) The provisions of subsection (1) of section 24 do not apply to a sale of a fertilizer in an amount of 20 kilograms or less sold in the circumstances set out in paragraph (a) of subsection (2) of section 24.

Form 5. 13. A warrant for the purposes of subsection (4) of section 27 of the Act shall be in the form of Form 5.

14. (1) Where a sample of a solid fertilizer that is contained in a bag is to be taken the inspector shall use a device consisting of a slotted single or double tube, or, a slotted tube and rod, having a solid comb tip at one end and shall thrust the device diagonally across the length of the bag of which the sample is being taken.

(2) Where a sample of a solid fertilizer that is contained in a bulk container mounted on a conveyance is to be taken the inspector shall use a device consisting of a slotted single tube and rod and shall thrust the device into the fertilizer so as to obtain a vertical core.

(3) An inspector may obtain a sample of a solid fertilizer during the time of the loading or unloading of a bulk container by passing a sampling dipper through the stream of the fertilizer as it drops from a belt or chute.

(4) Where an inspector takes a sample in the manner prescribed by subregulation (2) or subregulation (3) of this regulation he shall reduce the quantity of each sample so taken to approximately 1.5 kg by riffing or quartering and shall place each sample in a dry container that can be sealed.

(5) Where a sample of a liquid fertilizer that is in the form of a clear solution is to be taken the sample shall be taken direct from the container.

(6) Where a sample of a fertilizer in a fluid solution containing suspended material is to be taken the fertilizer shall be agitated until mixed and the sample shall be drawn from the outlet or from the top of the container by a dipper.

(7) A sample of a liquid fertilizer taken in the manner prescribed in subregulation (5) or (6) of this regulation shall be poured into a glass container, or where the circumstances so permit, into an appropriate plastic container, which shall then be sealed.

(8) Where a container contains—

- (a) an amount of liquid fertilizer that does not exceed one litre; or
- (b) an amount of solid fertilizer that does not exceed four kilograms,

the container and its contents may be taken for the purposes of sampling.

15. (1) A sample of fertilizer or substance taken for the purposes of subsection (1) of section 28 shall if possible be taken in the presence of the seller or other person apparently in charge of the fertilizer or substance from which the sample was taken.

(2) The inspector removing the sample shall give to the person in charge of the fertilizer or substance, or of the place or vehicle, vessel, aircraft or train on which it was located (if that person is known to him) notification of such removal and the inspector shall then—

- (a) thoroughly mix the sample and divide it into approximately three equal parts;
- (b) place each of those parts in a separate package and seal or fasten each package;
- (c) place on each package a label stating the brand of the fertilizer or substance and the name, so far as is known to him, of the occupier or person having control of the premises, land, tent, caravan or other erection, from which the sample was taken, or if the sample was taken in the exercise of the power to search a vehicle, vessel, aircraft or train, of the person in charge or apparently in charge of the vehicle, vessel, aircraft or train, and the time and place at which, the sample was taken;
- (d) cause one of the parts of the sample to be delivered to the occupier or person apparently in charge of the land, premises, tent, caravan or other erection, or, where the sample is taken from a vehicle, vessel, aircraft or train, to the primary dealer registered with respect to that fertilizer or if the substance is not registered as a fertilizer, to the vendor of the substance or the agent of the vendor in this State; and
- (e) retain two of the parts, one for the purposes of analysis and the other for future comparison.

16. (1) Subject to subsection (2) of section 31 and this regulation, where the trade description of a fertilizer registered under the Act specifies that the fertilizer contains a specified ingredient, a neutralizing value or a percentage of fine material the deficiency prescribed pursuant to subsection (1) of section 31 as the percentage deficiency not to be exceeded on an analysis of one sample taken of the fertilizer is the percentage deficiency specified opposite and corresponding to that specified or other ingredient, neutralizing value or percentage of fine material in column two of the table below and the lower percentage prescribed pursuant to subsection (1) of section 31 that is not to be exceeded on an analysis of not less than five samples is the percentage deficiency specified opposite and corresponding to that specified or other ingredient, neutralizing value or percentage of fine material in column three of that table.

Specified or other ingredient, neutralizing value or percentage of fine material	Percentage deficiency not to be exceeded on one sample %	Percentage deficiency not to be exceeded on a multiple sample of not less than five samples %

Phosphorus (P) (citrate soluble) ....	0.2	0.1
Phosphorus (P) (citrate insoluble) ....	0.2	0.1
Any other specified ingredient ....	6% of the registered value	3% of the registered value

(2) In the case of a fertilizer registered under the trade description of "Blood and Bone" or "Bone Dust" the percentage deficiencies prescribed for Phosphorus (P) and Nitrogen (N) shall be 10 per cent of the registered value for a single sample and 5 per cent of the registered value for a multiple sample of not less than five samples.

(3) Where Phosphorus (P) is a specified ingredient of a fertilizer—

(a) any excess of water soluble and citrate soluble Phosphorus (P) may be set off against a deficiency of citrate insoluble Phosphorus (P); and

(b) any excess of water soluble Phosphorus (P) may be set off against a deficiency of citrate soluble Phosphorus (P),

and where the percentage of citrate soluble Phosphorus (P), does not exceed 25 per cent of the sum of the percentages of citrate soluble Phosphorus (P) and water soluble Phosphorus (P), an excess of citrate soluble Phosphorus (P) may be set off against a deficiency of water soluble Phosphorus (P).

Form 6. 17. (1) A certificate of analysis of a fertiliser shall be in the form of Form 6 and shall contain the information required by that form.

(2) An analysis carried out under and for the purposes of the Act shall be carried out in accordance with any of the methods for carrying out an analysis of the kind in question set out in the publication entitled "Official Methods of Analysis" (Twelfth Edition 1975) published by the Association of Analytical Chemists, Washington, D.C. United States of America but, where that publication does not provide for a method of analysis in a particular case, or, where the method or methods set out in that publication in relation to an analysis of the kind in question is not, in the opinion of the person holding or acting in the office of Director, Government Chemical Laboratories in the Public Service of the State, practicable or expedient, the analysis shall be in accordance with the written instructions of that person.

18. Where a fertilizer is in liquid form the proportion of the fertilizer in the liquid shall in any analysis under this Act be expressed as grams per litre or milligrams per litre as the case requires.

19. The fees prescribed in the First Schedule are payable in respect of the several matters specified therein.
