(2) Any debenture or interest coupon cancelled by the Commission shall be destroyed in the presence of the Auditor General, or of an officer of the Auditor General authorised in that behalf in writing by the Auditor General, and of an officer of the Commission authorised in that behalf in writing by the Commission.

(3) The Auditor General, or such officer of the Auditor General, before the debenture or coupon is destroyed shall note the facts for the purpose of the audit and accounts and furnish the Commission with a certificate particularising the debenture or coupon so destroyed, and the Commission shall retain that certificate in the appropriate Registry and cause the Debenture Register to be so noted.

Inspection of the Debenture Register.

9. A certified copy or extract from the Debenture Register relating to the holding may be obtained by the holder of a debenture, or by his agent if the Registrar is satisfied as to his authorisation, upon payment on request of a fee not exceeding one dollar for each page or part of a page.

Exchange of debentures for stock or of stock for debentures.

10. (1) Where pursuant to the same prospectus debentures are issued on the same terms as inscribed stock and a person desires to exchange such debentures held by him for such stock, or *vice versa*, he shall transmit to the Registrar an application in a form acceptable to the Registrar and shall lodge with that application the debentures or (if required by the Registrar) any Certificate of Inscription of the stock held by him.

(2) The debentures lodged with such an application shall be cancelled.

(3) For the purpose of exchange, the value of the stock and debentures shall be taken as par, and the exchange effected on that basis, and on every such exchange the appropriate entries shall be made in the Stock Ledger and Debenture Register.

(4) Before delivering any debentures which are issued in exchange for stock, the Registrar shall cause the overdue interest coupons to be cut off and cancelled.

(5) A person who applies to exchange stock for debentures shall, if so required by the Registrar, pay the cost of printing the debentures issued to him as a result of the application.

(6) Where stock is exchanged for debentures, any stamp duty that may be entailed must be borne by the applicant.

(7) The Registrar shall thereupon allot stock, or (as the case may be) allot and issue debentures, in accordance with the application.

Prospectus.

11. Where members of the public generally are to be invited to purchase debentures or to purchase stock, the Commission shall issue a prospectus inviting applications for such purchase setting out the price and the terms and conditions, including the rates of interest, to be applicable.

Applications for stock.

12. (1) An application to purchase stock shall be made in a form which is approved by the Commission or which accompanied the prospectus inviting applications, completed and signed by the person desiring to purchase the stock, and lodged in the manner specified in the prospectus or, if no other manner is specified, with the Registrar; the application may include a request for the transfer of the stock upon issue to a Registry of the Commission established otherwise than in the State.

(2) In the case of a joint account, the application shall set out the names in the order in which they are to appear in the Stock Ledger.

(3) A person who desires to purchase stock shall pay—

- (a) the full amount of the purchase price;
- (b) an amount by way of deposit approved by the Commission; or
- (c) such amount and in such manner as may be required by the prospectus, at the time of making his application.

(4) On the application being received the Registrar—

- (a) may cause to be sent to the applicant an interim receipt for any payment made; and
- (b) the Commission shall, as soon as may be convenient thereafter, proceed to allot stock.

(5) The balance of any money for the purchase of stock which is payable by instalments shall be paid in accordance with the terms of the application and the prospectus.

(6) Unless otherwise approved by the Commission, stock shall be inscribed or remain inscribed only in amounts of \$100 or some multiple of \$100.

Manner of registration of stock.

13. (1) All stock issued shall be inscribed in a Stock Ledger kept in a system approved by the Commission at a Registry by entering therein the full name and address of the holder of the stock and the amount owned by him, and such other particulars as the Registrar may think necessary.

(2) Stock shall not be inscribed in the name of a person under the age of eighteen (18) years.

(3) No stock shall be inscribed in the names of more than four persons.

(4) Firms shall not be registered as such or by reference to a trading or business name, but in the names of not more than four of the individual partners.

(5) A person whose name is inscribed, or is proposed to be inscribed, in relation to stock shall lodge at the Registry at which the stock is inscribed a specimen of his signature, and shall verify that signature in a manner approved by the Registrar.

(6) The Registrar may, before effecting any dealing in stock, require to be satisfied as to the authenticity of any document or purported authorisation to sign a document and may require it to be under seal.

(7) Where the Registrar is satisfied as to any documents produced for the purposes of this regulation, and copies of those documents are retained by the Registrar, he shall not thereafter require such documents to be produced in respect of subsequent dealings.

(8) If from any cause any authority given for the purposes of this regulation to an authorised person is substituted in favour of another person, or if the authority given to any specified person is cancelled or withdrawn, notification of the change shall be given to the Registrar in like manner to the giving of an authorisation.

Transfer of stock from or to a body corporate.

14. Stock may be inscribed in the name of a company or other body corporate but the Registrar may first require the body corporate to lodge at the Registry at which the stock is inscribed, or is proposed to be inscribed, as the case may be, evidence that each instrument required to be executed in respect of the stock by or on behalf of the body corporate has been executed in a manner that is effectual in law and binds the body corporate, and to furnish the full names and specimen signatures of all persons authorised to sign documents in connection therewith.

Friendly Societies, Industrial Unions, Industrial Organisations or Incorporated Associations.

15. (1) Stock may be inscribed in the name of any friendly society, or industrial union of employers, or industrial union of workers, or other industrial organisation which the Registrar is satisfied is registered under the law of any State or of the Commonwealth, or any branch of a friendly society, industrial union or industrial organisation so registered, or in the name of any organisation or body incorporated under the provisions of any such law relating to the incorporation of associations.

(2) The Registrar shall be furnished by any union, organisation, society or body in whose name stock is inscribed under this regulation with a certificate in a form approved by the Commission containing the names and signatures of two or more persons who are appointed to sign any document relating to stock inscribed in the name of that union, organisation, society or body.

(3) Certificates, receipts and other documents relating to stock inscribed under this regulation shall be issued only to such person or persons as are appointed in that behalf.

(4) No transactions in relation to stock inscribed in accordance with this regulation shall be effected unless those transactions are authorised by the persons so appointed, and the Commission shall be under no liability in respect of any such transaction which is, or purports to be, so authorised.

(5) Whenever any person is appointed to replace a person authorised in accordance with a certificate furnished under this regulation, a fresh certificate shall be furnished by the union, organisation, society or body to the Registrar in accordance with this regulation.

Trusts not recognised.

16 (1) No notice of any trust express, implied or constructive shall be received by the Commission, and no entry of any trust shall be made in the Stock Ledger or any other record kept by the Commission.

(2) Stock shall not be inscribed in the names of executors, administrators or trustees as such but in their individual names without reference to trusteeship.

(3) The Commission or Registrar shall not be bound to recognise any equitable or other claim to or interest in stock on the part of any person other than the person or persons whose name or names is or are inscribed in the Stock Ledger in respect of that stock.

Only persons whose names are inscribed recognised as owners.

17. (1) The Commission and Registrar shall, for all purposes, be entitled to regard the person or persons whose name or names are inscribed in the Stock Ledger as the true and absolute owners and holders of the stock in relation to which such name or names is or are so inscribed.

(2) All receipts, discharges, releases and other documents whatsoever executed by such a person or persons in relation to such stock, or the interest thereon, shall be deemed for all purposes and against all persons to be documents duly executed by the person or persons entitled to such stock or interest, as the case may be.

Change of registered particulars.

18. (1) Any change of the name, address or other registered particulars of a stockholder shall be forthwith notified in writing by him to the Registrar at the Registry at which the stock is inscribed and on the application being approved by the Registrar the change shall be recorded in the Stock Ledger.

(2) Where an application to change the particulars registered in relation to a person in the Stock Ledger is received by a Registry less than 14 days before a payment of interest is due, the Registrar may decline to record the change specified in the application until after payment of that interest.

Receipt of registered stockholders.

19. (1) The receipt of the person in whose name stock stands in the Stock Ledger, or if it stands in the names of more persons than one the receipt of one of the persons named in the Stock Ledger, or the receipt of the attorney of such a person or an agent duly authorised, shall be a sufficient discharge of the Commission for any interest payable in respect of the stock or any document relating to that stock, notwithstanding any trusts to which the stock may then be subject and whether or not the Commission has had notice of the trusts, and the Commission shall not be bound to see to the application of the money paid upon such receipt.

(2) If stock is held in joint names and one or more of the registered owners of the stock dies, becomes bankrupt, insolvent or otherwise legally incapable, the receipt of any one of the other joint owners or survivors, or of his attorney or an agent duly authorised shall be a sufficient discharge of the Commission for any interest payable in respect of the stock or any document relating to that stock, notwithstanding that a transmission has not been registered.

(3) With regard to the payment of principal, the Registrar may require that a discharge shall be given by all stockholders in a joint account.

Verification of entries.

20. (1) Every entry in the Stock Ledger shall be verified or approved by the Registrar or such officer or agent of the Commission as the Commission shall from time to time appoint, and the Stock Ledger shall be audited from time to time by an officer appointed for that purpose by the Auditor General of the State.

(2) A certified copy or extract of the entry in the Stock Ledger relating to his holding may be obtained by a stockholder, or his attorney or agent duly authorised on production of authority in writing, from the Commission upon payment on request of a fee not exceeding one dollar.

Powers of Attorney.

21. (1) A person may by power of attorney in a form approved by the Registrar appoint some person to be his attorney for any purpose in relation to his interest in any stock (including an application for conversion or to receive interest or redemption money) but if the power purports to confer authority to deal on behalf of persons holding stock jointly it must be executed by all the owners of that stock.

(2) If the Registrar is satisfied that a power of attorney has been properly executed and attested and that the signatures thereto are genuine, and is of the opinion that it contains full power, the Registrar may act upon the authority contained therein for any purpose in relation to stock.

(3) The Registrar may require a power of attorney to be left at the Registry at least two clear days before it is acted upon.

(4) Particulars of every power of attorney left at the Registry for notation shall be entered by the Registrar in a register.

(5) A power of attorney shall be valid and effectual for all purposes therein mentioned until notice of its revocation or of the death, bankruptcy, insolvency, or unsoundness of mind of the donor of the power has been received by the Registrar.

Certificate of Inscription of Stock.

22. (1) At the written request of the stockholder the Registrar shall issue to that stockholder or to such other person as the stockholder may thereby request a Certificate of Inscription of Stock setting out the amount of stock inscribed in the name of that stockholder on the date specified in the request.

(2) A Certificate of Inscription of Stock shall be delivered only to the person whose name is inscribed in the Stock Ledger as the holder of the stock for which the certificate is issued, or to his attorney, or to a member of a recognised Stock Exchange who represents such stockholder, or to a person authorised in writing by the stockholder to take delivery of the certificate.

(3) The want of a Certificate of Inscription of Stock shall not prevent the owner of the stock from disposing of the stock.

(4) The Registrar shall keep a record of each Certificate issued under this regulation.

Sales and Transfers Registers, and entries in the Stock Ledger.

23. (1) The Registrar shall maintain sales and Transfer registers in accordance with a system approved by the Commission, in which shall be entered particulars of sales of stock to original purchasers, transmissions of stock, transfers of stock from one Registry to another, stock redeemed, stock converted, and any other transaction in respect of stock.

(2) The registers maintained pursuant to subregulation (1) of this regulation form part of the Stock Ledger.

(3) The Registrar shall cause the Stock Ledger to be compared with the Transfers and applications to ascertain that all the business transacted has been duly and properly entered and recorded.

(4) Upon receipt of a request, in writing, from a stockholder so to do, the Registrar may amend the Stock Ledger if he is satisfied that any stock has been inscribed incorrectly in the Stock Ledger owing to a mistake in any document but if the Registrar so requires the stockholder shall furnish a statutory declaration of the circumstances to support the request to amend the mistake.

(5) The Registrar shall take all necessary steps to secure specimen signatures of all stockholders, and the signatures to all forms lodged at the Registry after the application for stock has been received shall be tested by comparison with the specimen signatures, but where any person is unable to sign his name instruments required for the purposes of these regulations shall be executed by him and attested in such manner as the Registrar requires.

(6) The Registrar may, if he deems fit, forward to the stockholder a notice of dealing in a form approved by the Commission upon any application being received by the Registrar relating to stock inscribed in the name of that owner, and the Registrar shall not register the transaction until sufficient time has elapsed for a reply to be received.

(7) All possible precautions shall be taken by the Registrar for the security of the stock to its owner and to guard against fraud or improper transactions.

(8) No person other than the officer or officers appointed by the Auditor General to audit transactions and the Registrar and officers or agents of the Commission immediately engaged on inscribed stock business and approved by the Registrar shall have access to any books, forms or other records.

(9) All officers or agents so appointed or approved shall not divulge any information coming to their knowledge or in the course of their duties, except as necessary in the transaction of business or as required by law.

Transmission of stock (other than by Transfer).

24. (1) Where stock is to be transmitted, in consequence of the death or bankruptcy or insolvency of the registered owner of the stock or for any other lawful reason, otherwise than by a Transfer, the person to whom it is to be transmitted, or his attorney or duly authorised agent, may apply in Form No. 3 in the Schedule to the Registrar at the Registry at which the stock is inscribed to be inscribed as the owner of the stock.

(2) An application for transmission shall, if the Registrar so requires, be supported by a statutory declaration verifying the contents of the application.

(3) The Registrar shall require the signature of a person who claims transmission of stock by virtue of his appointment as executor, administrator or trustee, to be verified to the satisfaction of the Registrar.

(4) The probate of the will, letters of administration of the estate or an office copy of the adjudication or order of sequestration or vesting order, as the case may be, or any other document that authorises the transmission under this regulation shall be produced to the Registrar, if he so requires.

(5) The Registrar may require any document produced pursuant to this regulation to be left at the Registry at least two clear days before the stock to which it relates is dealt with under these regulations, and shall enter or cause to be entered particulars of such documents in a register.

(6) Where the Registrar is satisfied that stock is inscribed in the name of a person whose property is required by law to be placed in the hands of the Public Trustee, or of an officer holding a corresponding position in any other State of the Commonwealth or of any other officer charged with the duty of administering estates of deceased persons or missing persons or persons under disability (other than bankruptcy or insolvency), the Registrar may authorise the transmission of the stock to the name of the Public Trustee, the officer holding a corresponding position or other officer, but before doing so the Registrar may require a sufficient indemnity from the Public Trustee, the officer holding a corresponding position or other officer.

(7) The Registrar shall, if he is satisfied that the provisions of these regulations have been complied with, effect any such transmission by entering a record of it in the Stock Ledger and inscribing in the Stock Ledger as the registered owner of the stock the name of the person to whom the stock has been transmitted.

(8) The transmission of any stock effected pursuant to a statutory declaration produced and accepted in accordance with the provisions of these regulations is a valid discharge of the Commission against the claims of any other person whomsoever in relation thereto.

Transmission on death.

25. (1) The executor, administrator or trustee of the estate of a deceased stockholder (not being one of several joint stockholders) shall be the only person recognised by the Commission as having any title to the stock inscribed in the name of the deceased stockholder.

(2) When one of the stockholders in a joint account relating to stock dies the survivor or survivors in the joint account shall be the only person or persons recognised by the Commission as having any title to or interest in that stock.

(3) On completion of the proof of death of a joint stockholder in a joint account and on receipt by the Registrar at the Registry at which the stock is inscribed of an application in Form No. 4 in the Schedule for transmission from the survivor or survivors in the joint account the stock shall be registered in the name of the survivor or survivors.

(4) A person is not required to reseal in the State any probate of a will or letter of administration of an estate in order that a transmission of stock may be registered under these regulations if, in respect of the stock, probate of a will or letters of administration of an estate is or are produced to the Registrar together with such further information as he may require.

(5) Unless the Registrar otherwise requires, in the case of a transmission consequent on death where neither the probate of the will nor the letters of administration are produced to the Registrar, then—

- (a) in the case of transmission to a survivor or the survivors of a joint owner; or
- (b) in a case where the aggregate sum to be transmitted does not exceed three thousand dollars,

a certificate of the death of the owner who has died, accompanied by a statutory declaration identifying the person named in the death certificate with the person who is shown as the registered owner of the stock, setting out the reasons why probate or letters of administration are not produced and declaring that the sum transmitted will be dealt with according to law, may be produced to the Registrar instead of the probate of the will or the letters of administration.

(6) A person shall not have any claim against the Commission in respect to any transmission in pursuance of this regulation, but nothing in this regulation shall relieve the person to whom the stock is transmitted from any liability to account for or deal with the stock according to law.

Owner may transfer stock.

26. (1) The person whose name is inscribed in the Stock Ledger as the owner of stock may dispose of and transfer the stock in the manner provided by these regulations, and may give effectual receipts for money paid to him by way of consideration for stock.

(2) Stock or any share therein shall be transferable in the manner prescribed by these regulations and not otherwise.

(3) Where a Certificate of Inscription was issued, on a Transfer of stock thereby affected being lodged for registration the Registrar may, if he thinks fit, require the production of the original Certificate of Inscription and may cancel and retain it.

(4) To have effect, a Transfer effecting a change of ownership shall be executed by each of the parties to the transaction whether making or accepting the transfer, in person or by his attorney and the signatures to the instrument shall be verified in a manner approved by the Registrar.

(5) Except as regards the first payment of interest where under the conditions of the issue of any stock the Commission has provided that payment shall be made to the person to whom the stock was originally allotted, every Transfer shall pass the right to all interest becoming due and payable after the date of registration thereof, so that the Commission shall not be under any necessity to apportion any such interest as between the transferor and the transferee.

(6) The owner of stock shall not transfer stock having a face value that is less than \$100 or is not an integer multiple of \$100, except with the consent of the Registrar.

(7) Every Transfer shall be lodged on a transfer day.

(8) The transfer days will be Monday to Friday inclusive in each week from 10 a.m. to 3 p.m., save that a Transfer shall not be registered on any Saturday or a Sunday or where the relevant Registry is closed on a public holiday under the law of a State or of the Commonwealth.

Transfer of stock within a Registry from one person to another.

27. (1) Stock may be transferred within a Registry from one person to another by a Transfer executed by both parties and lodged at the Registry.

(2) A transfer of stock under this regulation shall be effected—

- (a) by cancelling the inscription of the stock in the name of the transferor in the Stock Ledger; and
- (b) by inscribing the stock in the name of the transferee in the Stock Ledger.

Transfer of stock from one Registry to another with change of ownership.

28. (1) The owner of stock may, by a Transfer executed by both parties and lodged at the Registry at which the stock is inscribed, transfer stock to the name of another person in the Stock Ledger at another Registry.

(2) A transfer of stock under this regulation shall be effected—

- (a) by cancelling the inscription of the stock in the name of the transferor in the Stock Ledger at the Registry first-mentioned in subregulation (1); and
- (b) by inscribing the stock in the name of the transferee in the Stock Ledger at the other Registry referred to in subregulation (1).

Transfer of stock from one Registry to another without change of ownership.

29. (1) Stock inscribed in a Stock Ledger at a Registry in the name of a person may be inscribed in a Stock Ledger at another Registry in the name of that person on application by the person in accordance with a form approved by the Registrar and lodged at the first-mentioned Registry.

(2) Where stock is inscribed in the Stock Ledger at another Registry under sub-regulation (1), the inscription of the stock in the Stock Ledger at the Registry first-mentioned in subregulation (1) shall be cancelled.

Marking of Transfer.

30. (1) Subject to the provisions of sub-regulation (2) of this regulation, the owner of any stock or share therein, or his attorney or agent duly authorised, may, on an application in a manner approved by the Registrar being made at the Registry at which the stock is inscribed, request the Registrar to mark a Transfer which has been properly executed by the owner as transferor with the words "Stock Held Against this Transfer for \$ (insert face value) for a period of three calendar months from and including (insert date)", (or words substantially similar thereto) and where a Transfer is so marked the Registrar shall not give effect to any dealing in stock to which the Transfer relates within the period of three calendar months from and including the date of marking in respect of the amount of the inscription so marked, except in completion of the marked Transfer.

(2) Nothing in subregulation (1) of this regulation shall prevent the owner from surrendering to the Registrar a Transfer so marked for cancellation within the period of three calendar months where that form of Transfer has not been executed by the transferee.

(3) Notwithstanding that a Transfer marked in accordance with this regulation has been executed by a transferee the Transfer and that marking may be cancelled by the Registrar with the consent of both the transferor and the transferee and the Registrar may thereupon give effect to any other dealing in the stock to which the marked Transfer related.

Time for registration of Transfers.

31. (1) A Transfer may be registered at any time within three calendar months after the time the Registrar has marked it notwithstanding that the transferor after executing the Transfer has died, become bankrupt or insolvent.

(2) After the expiry of the period of three calendar months the Registrar shall refuse to register the Transfer if he has had notice of the death, bankruptcy or insolvency of the transferor.

Transfer after notice of intention to redeem.

32. (1) Where debentures or stock have been issued for a period which may be determined, whether at any time or at one of several dates, by the Commission by notice, such a notice may (in default of other provisions in the relevant prospectus) be given by advertisement appearing at least six months before the intended date of determination in a daily newspaper published in each of the capital cities of the Commonwealth.

(2) No transfer of the debentures or stock after the publication of such an advertisement shall affect the right of the Commission to redeem the debentures or stock at the date so notified.

Books to be closed, and ledgers balanced.

33. (1) A transaction relating to stock shall not, without the consent of the Registrar, be registered or dealt with within 14 days prior to the date upon which interest is due or within one month prior to the date of maturity of the stock, and the Stock Ledger shall be deemed to be closed during that period.

(2) During the period for which the Stock Ledger is deemed to be closed the Commission shall cause the amount of the stock respectively standing to the credit of the several registered owners thereof to be ascertained and the balances to be struck and carried forward in the appropriate registers, and the persons who on the day the registers are so closed are inscribed as holders of stock shall be entitled to receive the interest next payable thereon.

Commission may sell or purchase stock.

34. The Commission may purchase stock that has been issued and may re-sell that stock.

Brokerage.

35. The Commission may pay moneys by way of brokerage for the making, procuring, negotiating, or obtaining the loan of any money borrowed by the Commission pursuant to these regulations, or in respect of any dealings relating thereto.

Interest.

36. (1) Except as is otherwise provided in this regulation, interest shall be paid in the manner set out in the prospectus inviting applications to purchase stock or by a cheque payable to the order of the stockholder and crossed "Not negotiable" sent by ordinary prepaid letter through the post, addressed to the stockholder, or the owner whose name in a joint account is first inscribed in the Stock Ledger, at his address last notified to the Registrar before the closing of the Stock Ledger.

(2) At the risk of the stockholder payment of interest may be made into an account at a bank within the Commonwealth, whether that account is in the name of the stockholder or of some other person or body, under the following conditions—

(a) a stockholder who desires interest on stock owned by him to be paid to the credit of a bank account shall make application in a manner approved by the Registrar; and

(b) applications for payment into a bank account shall be lodged at the Registry at least 14 days before the interest is due and the instructions therein shall remain in force although the stock may have been added to or partly transferred.

(3) Interest may be paid in a manner approved by the Registrar not otherwise provided for in these regulations, or to some person therein nominated by the stockholder on an application being made by the stockholder in a manner approved by the Registrar.

(4) Interest on stock inscribed in the name of a person of unsound mind, jointly with others not under legal disability, may be paid as directed by the stockholders other than those under a disability, and without the concurrence of the person of unsound mind, upon sufficient proof of legal disability being lodged with the Registrar.

(5) Any one of the persons in whose name stock is inscribed may give a valid receipt for interest.

(6) Where, under the conditions of the issue of any loan the Commission has provided that the first payment of interest on any stock shall be made to the person to whom the stock was originally allotted, then the original allottee shall for the purpose of the first payment of interest be deemed to be the stockholder or owner under this regulation.

Cessation of interest.

37. Interest on stock shall cease on the date of maturity of the stock.

Repayment of Principal.
