LAND ACT 1933.

Land Release.

Department of Lands and Surveys,
Perth, 22 May 1981.

Corres. 6145/51.

APPLICATIONS are invited under section 45A of the Land Act 1933 for the purchase in fee simple of Karlgarin Lots 74 and 75 comprising areas of 2 024 and 1 885 square metres respectively for the purpose of "Residence and Workshop" at the purchase price of five hundred (\$500.00) per lot and subject to the following conditions:

- (a) The purchaser shall erect on the lot purchased a residence and workshop to comply with Local Authority by-laws within four (4) years from the due date of the first instalment. If this condition has not been complied with in the time prescribed, the land may be absolutely forfeited together with all purchase money and fees that may have been paid. However, freehold title to the land may be applied for when a residence has been erected to "top plate height" stage, and is not less than 50% completed to the satisfaction of the Minister for Lands.

On payment of the first instalment of purchase money a licence will be available, upon which a mortgage can be registered. A Crown Grant (freehold) will not issue until the purchaser has complied with the building condition. A holder of a Licence may apply to the Minister for Lands for permission to transfer a Licence.

- (b) A deposit of 10% of the purchase price is payable on application and the balance of purchase money shall be paid within twenty four months of the date of approval of application by eight (8) equal quarterly instalments on the first days of January, April, July and October in each year. The first instalment of purchase money shall become due and payable on the first day of the quarter next following the date of approval of application, the Crown Grant fee being payable with the last instalment of purchase money: Provided that amounts paid during the twelve months commencing on the first day of the quarter next following the date of approval of application shall be interest free but all monies outstanding after that period shall be subject to interest at a rate of 10% per annum calculated at quarterly rests on the balance outstanding at the end of the previous quarter. Such interest shall be due and payable with the prescribed instalment. Nothing shall prevent the balance of purchase money and fees being paid at an earlier date should the purchaser so desire but a Crown Grant shall not issue until the conditions under which the lots were made available for sale have been fulfilled.

A person in the employ of the State must apply through the Under Secretary for Lands for the Governor's permission to hold this land. Written approval of the Permanent Head concerned should accompany such application.

Applications, accompanied by a deposit of \$50.00 per lot must be lodged at the Department of Lands and Surveys, Perth on or before Wednesday, 24 June, 1981.

All applications lodged on or before the closing date will be treated as having been received on that date and if there are more applications than one for either lot, the application to be granted will be decided by the Land Board.

Town Planning and Development Act 1928
(As Amended.)

Town of Cottesloe Town Planning Scheme.

THE Cottesloe Town Council under and by virtue of the powers conferred upon it in that behalf by the Town Planning and Development Act 1928 (as amended) and the Metropolitan Region Town Planning Scheme Act 1959 (as amended), hereby amends the above Town Planning Scheme by:

Amendment No. 13.

Deleting Clause 5.9—Amenity Control, and replacing it with a new Clause 5.9—Amenity Control.

“5.9 Amenity Control:

5.9.1 No building other than a residential building of not more than two storeys or a building ancillary thereto, shall be erected or built in any zone defined within this Scheme unless and until the Council has approved the design subject to the principles herein contained and the following conditions have been complied with:

- (a) The Council is satisfied that such building will not clash in harmony with the exterior designs of neighbouring buildings.
- (b) In considering the design of any such building within the Residential Zones the Council shall take into consideration the relationship which such building or buildings proposed within the area bear to the development of public utilities, amenities and other uses planned for the district considered as a whole.
- (c) In considering the design of any building within zones wherein business development may be permitted the Council shall take into consideration the provision in the zone for car parking space, vehicular access, pedestrian ways and general layout relative to the development uses proposed for the whole zone and within this zone the development of single lots shall be considered as part of the general design for the whole zone.

(d) The Council has obtained the advice of its Building Advisory Committee on the design and appearance of the proposed development and the effect it would have on the neighbouring environment.

5.9.2 For new residential development or extensions to existing residential developments where the proposal involves more than one (ground) storey, Council shall consider the location of doors, windows and balconies having regard to the preservation of privacy on adjoining properties.”

Amendment No. 14.

- (a) Deleting the column headed Minimum Effective Frontage from the Bulk and Location Controls table of Clause 3.4—Residential A Zone of the Text; and,
- (b) deleting the minimum effective frontage requirements of 10 metres for detached dwellings and 15 metres for duplex dwellings from the Bulk and Location Controls table of sub-clause 3.5.1 of Clause 3.5—Residential B Zone of the Text.

Amendment No. 18.

Deleting Clause 3.5.7—Parks and Recreation and 3.5.8—Notice of Development of the Scheme Text and adding a new Clause 3.5.7—Notice of Development.

“3.5.7—Notice of Development:

- (a) An applicant who applies for approval for the development of a duplex, triplex, quadruplex or multi-unit building, other than a single storey development, shall advise in writing any adjoining owner of the details of such development within seven days of lodging the sketch or preliminary drawing with the Council. The details referred to shall be sufficient to indicate clearly the bulk and extent of such development and a copy of the advice shall be submitted to Council before a final decision is made on the application.
- (b) There shall be a notice board affixed to the site when a development application is made in respect of a duplex, triplex, quadruplex or multi-unit building, other than a single storey development, indicating the proposed development and advising that plans of the proposed development are available for public inspection at the offices of the Council for the duration of the objection period. Such notice will invite objections to be submitted to Council for a period of 21 days after the erection of the sign. The sign board is to be of dimensions at least 1.8 m x 1.2 m and it shall be erected in a prominent position, no further than 2 metres from the street boundary.”

Metropolitan Sewerage.

Notice of Intention.

M.W.B. 701444/80; (S01.008).

NOTICE is hereby given, pursuant to section 20 of the Metropolitan Water Supply, Sewerage, and Drainage Act 1909-1980 of the intention of the Board to undertake the construction of the following works, namely:—

City of Nedlands.

Subiaco Wastewater Treatment Plant—Plant
Redevelopment—Stage 1.

Description and Locality of Proposed Works:

The construction of improvements to the existing wastewater treatment works together with all things necessary for the undertaking. The improvements will upgrade the plant to provide better treatment facilities for the wastewater from an equivalent population of 305 000 persons and will comprise the following works:—

- (a) A new screening installation with screenings disposal by incineration.
- (b) A new grit removal installation with grit washing equipment.
- (c) The construction of additional aeration tanks and the installation of new aeration equipment.
- (d) The construction of additional final sedimentation tanks and the installation of new equipment.
- (e) The upgrading of the chlorination facilities in the treatment plant.
- (f) The upgrading of the sludge treatment and dewatering system.
- (g) The upgrading of the instrumentation and control system throughout the plant.
- (h) Other ancillary improvement works throughout the plant.

The extensions will be wholly located within the site of the Subiaco Wastewater Treatment Plant on Reserve No. 18747 bounded by Lemnos Street, Brockway Road and Randell Street.

The locality of the proposed work is shown on plan M.W.B. 17354.

The Purpose for which the Proposed Works are to be Constructed:

To provide improved treatment facilities for the wastewater from the catchment area.

The Times and Place at which the Plan may be Inspected:

At the office of the Board, Metropolitan Water Centre, 629 Newcastle Street, Leederville for one month on and after the 22nd day of May, 1981, between the hours of 9:30 a.m. and 3.30 p.m.

H. J. GLOVER,
Commissioner.

NOTE.

Sections 19, 21 and 22 of the Metropolitan Water Supply, Sewerage, and Drainage Act 1909-1980 provide that any local authority or person interested may lodge a written objection with the Board against the construction or provision of the proposed works, within one month after the date of publication of the above notice.

After the period for receipt of objections has expired, and the objections, if any, have been met by amendment of the proposal or are, in the general public interest, not sufficient to cause the proposals to be amended, the Governor may make an order, a notice of which is published in the *Government Gazette*, authorising the Board to carry out the construction or provision of the proposed works.
