#### PART V—MISCELLANEOUS.

Director-General may issue instructions to principals.

19. (2) A principal, and every person to whom he has delegated any function, power, or duty under regulation 21, shall comply with any instruction given to him under subregulation (1) but a failure to do so shall not of itself invalidate anything done or omitted by the principal or his delegate which is contrary to or inconsistent with the direction.

General provisions as to permissions.

20. (1) Where in regulations 3 (2) (b), 3 (4), 3 (5), 4 (1), 5 (1), 7, 8, 9, 10 (2), 11, 13 (3) and 22 (2) provision is made whereby any act may be done or any activity or gathering may be held only with the permission of the principal or the Director-General, or whereby if any act is done without the permission of the principal or the Director-General an offence is committed, the principal or the Director-General may refuse permission or, in the exercise of the power to grant permission may—

- (a) grant permission generally or for a specific instance;
- (b) grant permission on and subject to reasonable terms and conditions including provision as to—
  - (i) the part of the school premises which may be entered or used;
  - (ii) the class or description of persons to whom the permission extends or, where regulation 3 (2) (b) applies, who may attend the activity or gathering; or
  - (iii) the payment in advance of any agreed charge for the use of school premises for an activity or gathering referred to in regulation 3 (2) (b),

and the principal or Director-General may amend or revoke a permission which has been granted.

(2) A permission referred to in subregulation (1) shall be in writing and shall be obtained before the act is done or the activity or gathering is held.

(3) Where a permission has been given to a person subject to any condition the permission shall be deemed, in any prosecution against that person, to have lapsed during any period when the condition was not observed or performed according to its tenor by that person, unless he exculpates himself as provided in regulation 17 (d) (ii).

(4) This regulation applies to the exercise of its powers by a committee referred to in regulation 22 where, by operation of that regulation, a reference to the permission of a principal is to be read as a reference to the permission of both the principal and such a committee.

21. (1) A principal may, either generally or as otherwise provided by the instrument of delegation, by writing under his hand—

- (a) delegate to any person approved by the Director-General his powers to grant permission under regulations 3 (2) (b), 3 (4), 3 (5), 4 (1), 5 (1), 7, 8, 9, 11, and 13 (3) or any of those powers; and
- (b) with the prior approval of the Director-General, delegate to any person approved by the Director-General the powers of enforcement conferred on him by regulations 14 (1) and 15 (1) or either of those powers;

and may do so subject to any condition or exception, and may vary or revoke the delegation.

(2) A power so delegated, when exercised by the delegate shall, for the purposes of these regulations, be deemed to have been exercised by the principal.

(3) A delegation under this regulation does not prevent the exercise of a power by the principal.

(4) A principal who delegates any power shall ensure that all relevant instructions given by the Director-General under regulation 19 are brought to the attention of the delegate.

Particular provisions as to school premises for which local authority has appointed management committee.

- (b) the making, variation or revocation of a prohibition order under regulation 4 in respect of that part of the school premises (which order shall not be reviewable under regulation 4 (6)), or the giving of permission under regulation 4 (1) where such an order is in force;
- (c) the making, variation, or revocation of an order under regulation 5 in respect of that part of the school premises (which order shall not be reviewable under regulation 5 (5)) or the giving of permission under regulation 5 (1) where such an order is in force; and
- (d) the application of regulations 7, 8, 9, or 11 to any act or omission on, or in respect of, that part of the school premises.

(2) Regulation 10 (1) does not apply to a person who—

- (a) consumes or has in his possession any alcoholic liquor on that part of school premises on which facilities have been provided as mentioned in subregulation (1); and

(3) Subject to subregulation (4), the signature of the chairman or a member of a committee referred to in subregulation (1) to an order or permission which the committee is empowered to make or give shall be sufficient to authenticate the fact that the committee has duly made the order or given the permission, without the need for the same to be signed by every member of the committee.

(4) A committee referred to in subregulation (1) may, either generally or as otherwise provided by the instrument of delegation, in writing under the hand of the chairman delegate to the principal for the time being of the school in which the facilities managed by the committee are situated all or any of the powers and functions vested in it by this regulation, other than this power of delegation; and the committee may do so subject to any condition or exception, and may vary or revoke the delegation.

(5) A power so delegated, when exercised by the principal shall, for the purposes of these regulations, be deemed to have been exercised by the committee.

Repeals.

23. The Education Act Regulations 1960\* are amended—

- (a) by repealing—
  - (i) regulation 49; and
