ELECTORAL ACT 1907 (AS AMENDED). IN THE COURT OF DISPUTED RETURNS.

No. 1 of 1983.

In the matter of the Election of a Member of the Legislative Assembly for the Mundaring District held on the 19th day of February, 1983.

THE petition of Thomas Alexander Herzfeld of 9 Gladys Road, Darlington in the State of Western Australia whose name is subscribed.

- A. Your petitioner (hereinafter referred to as "Herzfeld") was a candidate at the election of a member of the Legislative Assembly for the Mundaring District which was held on the 19th day of February, 1983.
- B. At the said election Gavan Troy (hereinafter referred to as "Troy") and Brian Scott-Courtland (hereinafter referred to as "Scott-Courtland") were also candidates.
- C. On the 3rd day of March, 1983 the Returning Officer for the Mundaring District declared that, of the valid first preference votes cast, 3 886 were recorded in favour of Herzfeld, 3 862 were recorded in favour of Troy, and 292 were recorded in favour of Scott-Courtland.
- D. On the same day the Returning Officer declared Scott-Courtland to be a defeated candidate and proceeded to distribute in favour of Herzfeld and Troy the votes recorded in favour of Scott-Courtland in the order of electoral preference.
- E. After the distribution of those preferences the votes recorded in favour of Herzfeld numbered 4 012 and the votes in favour of Troy numbered 4 028; informal votes numbered 202.
- F. Thereupon the Returning Officer declared Troy to be the duly elected candidate. The return date of the writ for the election was the 16th March, 1983.
- G. But for the matters set forth below, the majority of votes cast, after the distribution of preferences, would have been in favour of Herzfeld and he would have been declared to be the duly elected candidate.
- H. Alternatively, the matters set forth below demonstrate that the election should be declared absolutely void by virtue of the irregularities that have occurred.

MATTERS REFERRED TO IN PARAGRAPHS G AND H ABOVE.

1. The Returning Officer admitted, as 4 valid votes for Troy, 4 ballot papers which were not in the ballot box, but were forwarded to him by post on the 21st February, 1983 by the Headmaster of the Herne Hill Primary School, such ballot papers having been discovered (as it is alleged) on that day in a school desk, by a pupil of that school.

2. At the Mt. Helena polling place at the close of the count on 19th February, 1983 the Assistant Returning Officer declared the following figures:—

Herzfeld 393, Troy 382, Scott-Courtland 28, informal 8, total 811. At the resumption of the count held on 22nd February, 1983 (when all votes were re-counted) the Returning Officer declared the following figures:—

Herzfeld 383, Troy 382, Scott-Courtland 28, informal 8, total 801. The Returning Officer's formal declaration shows that 811 ballot papers were issued at Mt. Helena.

From the foregoing it is clear that Herzfeld has been deprived of 10 valid votes, as a result of 10 ballot papers, containing valid votes in his favour, being either lost or stolen between the initial count and the resumption of the count.

3. At the Herne Hill polling station 2 ballot papers, each containing an apparently valid vote in favour of Troy, were challenged by the scrutineer for Herzfeld on the ground that they were stapled together. No decision as to the admissibility of the said ballot papers was made in the presence of Herzfeld's scrutineer to reject either of such votes. The presumption is that one elector was able to cast 2 valid votes in favour of Troy, due to an error in giving him 2 ballot papers.
4. At the polling station at Bullsbrook the Presiding Officer refused to grant a section 122A vote to 2 voters who were eligible (or who claimed to be eligible) to vote in the Mundaring electorate, and who would have cast votes in favour of Herzfeld.
5. The Returning Officer improperly exercised his discretion in rejecting a valid vote cast at the Herne Hill polling place for Herzfeld and declaring it an informal vote.
6. The Returning Officer improperly exercised his discretion in allowing as 7 valid votes for Troy 7 votes that were and should have been declared informal, in that they contravened sections 128 and 139 of the Act.
7. The Chief Electoral Officer and/or the Returning Officer, their servants and agents failed to carry out their duties in accordance with the Act in permitting irregularities to occur, which could have permitted unlawful or improper practices to occur, and which may in turn have affected the result of the election. In particular:—
 - (a) Electoral Officers transferred some ballot boxes from outlying polling places to the main polling place without the boxes being sealed, contrary to section 136 of the Act.
 - (b) At the Mahogany Creek polling place the Assistant Returning Officer left the polling place open to the public while the count was in progress, contrary to section 134 (2) of the Act.
 - (c) At the polling place of Upper Swan the Electoral Officers issued one extra ballot paper compared to the number of electors recorded as having voted at the place, from which the inference is open that an elector received 2 ballot papers and voted twice.
 - (d) At the polling place of West Swan the Electoral Officers issued one extra ballot paper compared to the number of electors recorded as having voted at that place, from which the inference is open that an elector received 2 ballot papers and voted twice.

- (e) Electoral Officers issued 4 more postal vote ballot papers compared with the number of electors who (according to the relevant roll) had sought postal votes, from which the inference is open that one or more electors between them cast 4 more votes than should have been the case.
 - (f) 12 electors are recorded as having voted more than once.
 - (g) One elector is recorded as having voted at Mundaring when that elector had died prior to the poll.
 - (h) At the Upper Swan polling place, 4 persons sought and were wrongly re-fused section 122A votes.
8. One voter who wished to vote and would have voted in favour of Herzfeld was disenfranchised due to an error by the Electoral Office. She was entitled to be on the roll for the Mundaring Electorate. She cast a section 122A vote for that electorate, but that vote was later wrongly disallowed as a valid vote by the Chief Electoral Officer.
9. The Chief Electoral Officer incorrectly entered 2 electors on the electoral roll for the Kalamunda District and not the Mundaring District which was the electorate in which they resided and in which they sought to register. Those two electors were therefore disenfranchised in that they were denied their right to vote in the Mundaring Electorate. Their votes would have been cast in favour of Herzfeld.

WHEREUPON YOUR PETITIONER PRAYS that it may be determined ordered and declared that:—

- (a) The said Gavan Troy was not duly elected;
- (b) (i) Thomas Alexander Herzfeld was validly elected, or alternatively;
- (ii) the election of a member of the Legislative Assembly for the Mundaring District on the 19th day of February, 1983 was absolutely void;

- (c) The 3 voters referred to in paragraphs 8 and 9 above be entered on the roll for the electorate of Mundaring for 7th January, 1983.

- (d) The Petitioner's costs be provided for.
