First Assignment.—Know ye, that We have assigned you and each and every of you, to be Our Justices to keep Our Peace in Our State of Western Australia and its Dependencies, either alone or with any one or more of Our Justices that hereafter shall be appointed in our said State and its Dependencies, and to keep and cause to be kept all laws, for the preservation of the Peace, and for the quiet rule and good government of Our People, in Our said State and its Dependencies according to the form and effect of the same, and to punish all persons offending against them, or any of them, in the said State and its Dependencies, as by the said laws is provided, and to cause to come before you all persons within Our said State and its Dependencies, as by the said laws is provided, and to cause to come before you all persons within Our said State and its Dependencies who use threats to any of Our People, to find security for keeping the peace or for their good behaviour towards Us and Our People; And if they refuse to find such security, then to cause them to be safely kept until they find such security.

Second Assignment.—We have also assigned you, and each and every of you, either alone or with any one or more of such Justices to be appointed as aforesaid, to inquire the truth concerning all manner of crimes, misdemeanours, and offences concerning which Our Justices of the Peace may lawfully or ought to inquire by whomsoever and in what manner soever done, perpetrated, or attempted in Our said State and its Dependencies; And upon all complaints before you to issue such process against the persons charged until they are taken or surrender themselves; as may by law be issued.

Third Assignment.—We have also assigned you, and each and every of you, either alone or with any one or more of such Justices to be appointed as aforesaid, to have, exercise and discharge all other powers, authorities, and duties which under or by virture of any law of Our Realm or of Our said State belong or appertain to the office of Justice of the Peace in or for Our said State.

And therefore We command you and each and every of you that you diligently apply yourselves to keep and cause to be kept the peace and all laws of our Realm and of Our said State, and that at certain days and places duly appointed for these purposes, you make inquiries into the premises and hear and determine all and singular the matters aforesaid, and perform and fulfil the duties aforesaid, doing therein what is just according to the laws of Our Realm and of Our said State; And we command Our Sheriff and other officers of Our State to aid you by all lawful means in the performance and due execution of the premises.

In testimony whereof, We have caused these Our Letters to be made Patent, and the Great Seal of Our said State to be hereunto affixed.

Witness our trusty and Well-beloved Rear-Admiral Sir Richard John Trowbridge, Knight Commander of the Royal Victorian Order, Knight of Grace of the Most Venerable Order of the Hospital of St. John of Jerusalem, Governor in and over the State of Western Australia and its Dependencies in the Commonwealth of Australia at Perth, this 16th day of August in the year of Our Lord, One thousand nine hundred and eighty-three.
