APPLICATIONS are invited under section 117 of the Land Act 1933 for the leasing of Menzies Lot 1080 (formerly Lot 24) containing an area of 1 012 square metres for the purpose of "Motel" for a term of 21 years at a rental of \$100.00 per annum.

Intending applicants shall submit with their applications details of intended utilisation and proposed development indicating size and type of intended structures, cost estimates, source of funds and programme for construction whether staged or not.

The Minister for Lands and Surveys reserves the right to refuse any application on the grounds that the proposed utilisation, development and/or development programme is inadequate or unsuitable or that the applicant has failed to show adequate capacity to fund the development.

Where the in-going lessee indicates that he anticipates a requirement for freehold during the currency of the lease, the Hon. Minister shall signify the extent of development (which may be additional to that required as the basis for leasing the site) that will be necessary to enable the issue of a Crown Grant.

Subject to agreement between the lessee and the Minister, the foregoing development obligations and other conditions set out herein may be varied or added to from time to time.

At any time during the currency of the lease, subject to the development obligations and other conditions having been met to the satisfaction of the Hon. Minister, the lessee may surrender his lease to the intent that he may apply for purchase of the said land. In this event a purchase price of \$100.00 shall apply for a period of 3 years from the date of approval of the lease (following which period the price shall be subject to review) and fees associated with the issue of a Crown Grant shall be payable.

The land is made available for leasing subject to the following conditions:—

(1) The land shall not be used for any purpose other than "Motel" without the prior approval in writing of the Minister for Lands and Surveys.

(2) The rent shall be subject to reappraisal at the end of the third year and each successive three yearly period thereafter.

The accounts of the Shire of Denmark have been audited for the financial year ended 30 June 1983. The accounts have been found to be in order and properly kept in accordance with the provisions of the Local Government Act 1960 and have been allowed, subject to the comment contained in this report.

The Council's Minute Book does not contain a formal resolution for the raising of Loan No. 80 for \$83 500 for the purchase of plant. All other requirements of the Local Government Act were met. The loan was raised on 30 November 1982 and the proceeds applied for the purchase of plant.

In my opinion, the Balance Sheet and the related financial statements for the year ended 30 June 1983 have been prepared on a basis consistent with the Local Government Act Accounting Directions and present a true and fair view of the affairs of the Shire.
