EASTERN GOLDFIELDS TRANSPORT BOARD ACT 1984.

EASTERN GOLDFIELDS TRANSPORT BOARD REGULATIONS 1984.

MADE by His Excellency the Governor in Executive Council.

1. These regulations may be cited as the Eastern Goldfields Transport Board Regulations 1984.
2. In these regulations unless the contrary intention appears—
 "returning officer" means the Chairman of the Board or, in his absence, a member of the Board appointed by the Board to act as returning officer.
 Election of a Member to the Board pursuant to section 6 (1) (f).
3. An election of the member of the Board required to be elected under section 6 (1) (f) shall be held by the returning officer, as and whenever necessary.
4. For the purpose of the election referred to in section 8 (5), the returning officer shall—
 - (a) fix a day upon which the election shall be held;
 - (b) fix a day for the close of nominations, which shall be not less than 14 days and not more than 21 days prior to the day fixed for the election, and shall at least 5 weeks before the day fixed for the election, notify each full time employee of the Board by letter, delivered personally or posted to the employee's home address, of the days so fixed, and call for nominations.
5. In respect of the election held pursuant to regulations 3 and 4—
 - (a) a nomination shall be in the form of Form No. 1, but has no effect unless it—
 - (i) nominates only one person as a candidate and contains the full name of that person;
 - (ii) is signed by the full time employee making the nomination;
 - (iii) is signed by the candidate and indicates his consent to act if elected; and
 - (iv) is addressed to the returning officer and is delivered or posted so as to reach the returning officer prior to 1600 hours on the day fixed for the close of nominations;
 - (b) if nominations are received for only one candidate, that candidate shall be deemed to be duly elected, but if the number of candidates nominated exceeds one, the returning officer shall, not less than 10 days prior to the day fixed for the election, notify each full time employee of the Board by letter, delivered personally or posted to the employee's home address, of the names of the candidates and enclose in such letter a ballot paper in the form of Form No. 2;
 - (c) every ballot paper shall—
 - (i) contain the full names of the candidates arranged in alphabetical order of surnames;
 - (ii) specify the day of the election and the time after which the returning officer shall not accept ballot papers; and
 - (iii) bear the initials of the returning officer;
 - (d) a person to whom the ballot paper is forwarded shall, if desirous of voting, record his vote on the ballot paper by marking a cross in the square opposite the name of the one candidate for whom he votes;
 - (e) a voter having marked the ballot paper pursuant to paragraph (d) shall—
 - (i) post the ballot paper to the returning officer; or
 - (ii) lodge the ballot paper in the ballot box located in the offices of the Board,
 so as to be received by the returning officer no later than the day and time specified on the ballot paper;
 - (f) if, prior to the close of the election, a full time employee notifies the returning officer in writing and satisfies him that a ballot paper has not been received or has been misplaced, the returning officer shall provide that employee with a ballot paper in the form of Form No. 2;
 - (g) the returning officer shall reject any ballot paper not marked in the manner required by paragraph (d) or not received in the manner required by paragraph (e), but a ballot paper shall not be rejected merely because of an informality or an alleged informality in the manner in which it has been dealt with by the voter if the ballot paper is regular in other respects and in the opinion of the returning officer clearly indicates the intention of the voter in voting;
 - (h) the result of an election shall be determined by scrutiny of the ballot papers and a count of the votes;
 - (i) each candidate may, by notice in writing delivered to the returning officer not less than 5 days prior to the day fixed for the election, appoint one scrutineer to be present when the returning officer shall open the envelopes containing the ballot papers and count the votes;
 - (j) the candidate who obtains the greatest number of votes shall be declared by the returning officer to be elected;
 - (k) in the event of 2 or more candidates receiving an equal number of votes the returning officer, in the presence of the scrutineers (if any), shall draw lots to decide which candidate shall be deemed to have been duly elected and shall thereupon declare that candidate to be elected;

- (l) after the declaration of the result of the election, the returning officer shall forthwith—
 - (i) notify the Minister in writing of the name of the successful candidate; and
 - (ii) display the name of the successful candidate on the notice board in the offices of the Board;
- (m) the returning officer shall retain for a period of 3 months after an election all ballot papers used at the election, and after the expiration of that period shall at a convenient time and in the presence of a member of the Board destroy by burning all such ballot papers;
- (n) at any time before the publication of the result of an election, held in accordance with regulations 3 and 4, the returning officer may, on the written request of a candidate setting out the reasons for the request, or of his own motion, make a recount of the ballot papers;
- (o) where the returning officer refuses the request of a candidate to make a recount of ballot papers, the candidate may, prior to the publication of the result of the election, appeal in writing to the Minister to direct a recount and the Minister may allow or dismiss the appeal;
- (p) where the Minister allows an appeal under this regulation, he shall direct the returning officer to make a recount and the returning officer shall comply with that direction;
- (q) any expenses incurred by the returning officer by or in connection with the election shall be met by the Board from its general fund.

Shire of Trayning.

1. Firebreaks: Pursuant to the powers contained in section 33 of the above Act, you are hereby required, on or before 1 November 1984 to plough, scarify, cultivate or otherwise clear, and thereafter maintain free of all inflammable material until 31 January 1985 (inclusive) in the following positions and of the following dimensions on the land owned or occupied by you.

2. Rural Lands: Firebreaks not less than three metres (10') in width inside and along the whole of the external boundaries of the properties owned or occupied by you; but where this is not practicable the firebreaks must be provided as near as possible to, and within such boundaries.

3. Farm Buildings and Haystacks: Firebreaks at least three metres (10') in width completely surrounding and not more than twenty metres (one chain) from the perimeter of any building, group of buildings or haystack. All inflammable material must be removed from an area two metres (6') in width immediately surrounding the building.

4. Townsites: On or before the 1st day of November, 1984 all town lots within the townsites of Trayning, Kununoppin and Yelbeni are required as follows:

- (a) Where the area of land is 0.2 hectares ($\frac{1}{2}$ acre) or less, remove all inflammable material from the whole of the land.
- (b) Where the area of land exceeds 0.2 hectares ($\frac{1}{2}$ acre) clear of all inflammable material, firebreaks at least three metres (10') wide immediately surrounding all buildings and/or haystacks situated on the land, and maintain free of such material until 31 January 1985.

5. Fuel Dumps (Fuel Depots): On or before 1 November 1984 all grass and similar material is to be cleared from areas where drum ramps are located and where drums, full or empty, are stored, and such areas are to be maintained and cleared of grass and similar inflammable material until 31 January 1985.

6. General Provisions: If for any reason it is considered impracticable to provide firebreaks in the position required or by the date required in this notice, an owner or occupier may make application in writing to the Council by 1 October 1984 for permission to vary this order. If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this order.

The penalty for failing to comply with this notice is a fine of up to \$400 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed by this Notice, if it is not carried out by the owner or occupier by the date required by this Notice.

Dated this 6th day of August, 1984.

By Order of the Council,

W. T. ATKINSON,
Shire Clerk.

BUSH FIRES ACT 1954-1981.

(Section 33.)

Shire of West Pilbara.

Notice to all Owners and/or Occupiers of Townsite
Land in the Shire of West Pilbara.

PURSUANT to the powers contained in section 33 of the above Act you are hereby required on or before 30 November 1984, to remove from the land owned or occupied by you all inflammable material or to clear firebreaks in accordance with the following, and thereafter to maintain the land or the firebreaks clear of inflammable material up to and including 31 March 1985.

(1) On Townsite Land or Land subdivided for Residential Purposes—clear of all inflammable material firebreaks at least three metres wide immediately inside all external boundaries of the land and also immediately surrounding all buildings situated on the land. Keep gardens free of unnecessary leaves and rubbish, and lop any trees that can endanger your house in the event of a fire.

(2) Fuel Dumps and Depots—remove all inflammable material from all land where fuel drum ramps or dumps are located and where fuel drums, whether containing fuel or not, are stored, to a distance of at least five metres outside the perimeter of any drum, ramp or stack of drums.

The Firebreaks Inspection Officer will commence inspection of firebreaks and fire hazards early in the season.

The penalty for failing to comply with this notice is a fine of \$400, or a prescribed penalty of \$40 on service of an infringement notice, and a person in default is also liable whether prosecuted or not, to pay the cost of performing the work directed by this notice if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act, which include the necessity for permits to burn during the restricted burning season.

By Order of the Council,

E. F. GODWIN,
President.

D. G. McCUTCHEON,
Shire Clerk.

BUSH FIRES ACT 1954-1981.

Notice to all Owners and/or Occupiers of Land
in the Shire of Boulder.

PURSUANT to the powers contained in section 33 of the Bush Fires Act 1954, you are hereby required on or before 31 October 1984 or within fourteen days of your becoming owner or occupier of land should this be after 31 October 1984, to clear firebreaks and remove flammable material from the land owned or occupied by you as specified hereunder and to have the specified land and firebreaks clear of all flammable material from 31 October 1984 up to and including 14 April 1985.

(1) Land Outside Townsites:

1:1 All buildings on land which are outside townsites shall be surrounded by two firebreaks not less than two metres wide cleared of all flammable material, the inner firebreak to be not more than twenty metres from the perimeter of the building or group of buildings and the outer firebreak not less than 200 metres from the inner firebreak.

1:2 To remove flammable material from the whole of the land between the firebreaks required in paragraph 1:1 above.

(2) Land in Townsites:

2:1 Where the area of land is 2 000 square metres (approximately $\frac{1}{2}$ acre) or less, all flammable material shall be removed from the whole of the land.

2:2 Where the area of land exceeds 2 000 square metres, firebreaks at least three metres in width shall be cleared of all flammable material immediately inside and along the boundaries of the land. Where there are buildings on the land, additional firebreaks three metres in width shall be cleared immediately surrounding each building.

If it is considered for any reason to be impractical to clear firebreaks or remove flammable material as required by this notice, you may apply to the Council or its duly authorised Officer not later than 15 October 1984, for permission to provide firebreaks in alternative positions or take alternative action to remove or abate fire hazards. If permission is not granted by the Council or its duly authorised Officer, you shall comply with the requirements of this notice.

"Flammable material" does not include green growing trees or green growing plants in gardens.

If the requirements of this notice are carried out by burning, such burning shall comply with the relevant provisions of the Bush Fires Act.

The penalty for failing to comply with this notice is a fine of \$400 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice, if it is not carried out by the owner or occupier by the date required by this notice.

The prohibited burning period will be from 15 December 1984 to 14 April 1985 inclusive.

Dated this 31st day of August, 1984.

By Order of the Council,

R. G. HADLOW,
Shire Clerk.

BUSH FIRES ACT 1954-1981.

Notice to all Owners and/or Occupiers of Land
in the Shire of Corrigin.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required on or before 15 October 1984, so far as rural land is concerned and 30 October 1984, as far as Townsite land is concerned, to remove from the land owned or occupied by you, all inflammable material, or to clear firebreaks in accordance with the following and thereafter to maintain the land or the firebreaks clear of all inflammable materials up to and including 31 March 1985.

1. Rural Land, i.e. land other than that in a townsite: You shall clear of all inflammable material, firebreaks, not less than 8 feet or 2.438 metres wide, in the following positions:—

- 1.1 Immediately inside all external boundaries of land and/or with the permission of the Council, or its duly authorised Officer, these breaks need not follow the perimeter of any paddock, but will be acceptable following land contours, in an endeavour to overcome water erosion.
- 1.2 In such positions as is necessary to divide land in excess of 500 acres or 202.3 hectares into areas not exceeding 202.3 hectares, each completely surrounded by a firebreak; and
- 1.3 Immediately surrounding all buildings, haystacks and fuel ramps situated on the land; and
- 1.4 Immediately surrounding any part of the land used for pasture or crops; and
- 1.5 Immediately surrounding any drum or drums situated on the land which are normally used for the storage of fuel, whether they contain fuel or not.
- 2.1 Townsite land, i.e. land in any townsite: Where the area of the land is one half of one acre or 0.203 hectares, or less, you shall clear all inflammable material on the land, from the whole of the land.
- 2.2 Where the area of the land exceeds 0.203 of a hectare, you shall clear of all inflammable material, firebreaks not less than 8 feet or 2.438 metres wide, immediately inside all external boundaries of the land, and also immediately surrounding all buildings, haystacks

and fuel ramps situated on the land and also immediately surrounding any drum or drums situated on the land, which are normally used for the storage of fuel, whether they contain fuel or not.

If it is considered impracticable for any reason to clear firebreaks or remove inflammable material as required by notice, you may apply to the Council or its duly Authorised Officer, not later than 1 October 1984, so far as rural land is concerned, and 15 October 1984, so far as townsite land is concerned for permission to provide firebreaks in an alternative position of the land.

If permission is not granted by the Council or its duly Authorised Officer, you shall comply with the requirements of this notice.

The Penalty for failing to comply with this Notice, is a fine of not less than \$40 nor more than \$400 and a person in default is liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice, if it is not carried out by the Owner or Occupier by the date required by this notice.

If the requirements of this notice are carried out by burning such burning must be in accordance with the relevant provisions of the Bush Fires Act.

By Order of the Council,

J. L. HALE,
Shire Clerk.

BUSH FIRES ACT 1954-1981.

Shire of Woodanilling.

Notice to all Owners and/or Occupiers of Land
in the Shire of Woodanilling.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required on or before 15 November 1984, and thereafter up to and including 31 March 1985, to have a firebreak clear of all inflammable material, not less than the width specified, in the following positions on all land owned or occupied by you:

1. Rural Land:
 - 1.1 Immediately inside all external boundaries of all cleared land—firebreak of not less than 2.5 metres (8 feet) wide; and
 - 1.2 Parallel to and 20 metres (one chain) from the boundary of any railway reserve—firebreak of not less than 2.5 metres (8 feet) wide; and
 - 1.3 In any such position as is necessary to divide land in excess of 162 hectares (400 acres) into areas each not exceeding 162 hectares—each to be completely surrounded by a firebreak not less than 2.5 metres (8 feet) wide; and

- 1.4 Immediately surrounding any part of land under crop not exceeding 162 hectares (400 acres)—firebreak of not less than 2.5 metres (8 feet) wide; and
 - 1.5 Immediately surrounding all buildings, haystacks, fuel ramps, storage tanks and drums situated on the land—firebreak of not less than 4.8 metres (16 feet) wide.
2. Townsite Land:
- 2.1 All blocks less than 0.2 hectares ($\frac{1}{2}$ acre) shall have the whole of the land cleared of inflammable materials.
 - 2.2 Where the area of land exceeds 0.2 hectares ($\frac{1}{2}$ acre) a firebreak of not less than 2.5 metres (8 feet) in width immediately inside and around all external boundaries of the land is required.

If it is considered impracticable for any reason to clear firebreaks as required by this notice you may apply to any two members of the Harvest Ban Committee not later than 1 November 1984, for permission to provide firebreaks in alternative positions on the land. Upon obtaining approval in writing from the Harvest Ban Committee members, the application shall be submitted to Council for final approval. If permission is not granted by this Council, you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of not less than \$20 nor more than \$400 and a person in default is also liable whether prosecuted or not, to pay the cost of performing the work directed in this notice.

If requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

Dated this 21st day of August, 1984.

By Order of the Council,

M. R. REID,
Shire Clerk.

BUSH FIRES ACT 1954-1981.

Shire of Bridgetown-Greenbushes.

Fire Break Order.

Notice to Owners and Occupiers of Land.

WITH reference to section 33 of the Bush Fires Act 1954-1981, you are required to carry out fire prevention work on land owned or occupied by you in accordance with the provisions of this order.

This work MUST be carried out by 30 November 1984 and kept maintained throughout the summer months until 13 March 1985.

An inspection of firebreaks and hazard removal will be carried out in all areas of the Shire by an authorised officer.

Persons who fail to comply with the requirements of this order may be issued with an infringement notice (Penalty \$40) or prosecuted with an increased penalty, and additionally, Council may carry out the required work at cost to the owner or occupier.

If it is considered for any reason to be impractical to clear fire breaks or remove inflammable materials as required by this notice you may apply to the Council or its duly authorised officer not later than 1 November 1984 for permission to provide fire breaks in alternative positions or to take alternative action to abate fire hazards on the land (guidelines and conditions for alternative breaks are listed overleaf). If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice. If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

Managed Farm Land.

1. Rural Land: A fire break not less than two metres in width—

- (a) inside and along those portions of the boundaries of all cleared or part cleared land which enjoy a common boundary with a formed public road, and within fifty metres of that boundary;

- (b) immediately surrounding all buildings and haystacks, with a further fire break not less than two metres in width as close as practicable to twenty metres of the perimeter of haystacks or haysheds;
- (c) around the perimeter of land on which a crop is planted; and
- (d) on all cleared land within twenty metres of and parallel to any boundary of a railway reserve.

Unmanaged Rural Land.

2. A fire break not less than four metres in width inside and along the boundary of cleared or part cleared land on each lot or location.

Not less than two metres in width immediately surrounding all buildings and haystacks, with a further fire break not less than two metres in width as close as practicable to twenty metres of the perimeter of haystacks or haysheds.

Residential, Commercial and Industrial Land.

3. A fire break not less than one metre in width—
 - (a) inside and along the boundary of each lot; and
 - (b) around the perimeter of all buildings.

In addition such lots shall be cleared of all inflammable material and rubbish likely to create a fire hazard and shall be kept clear of such material and rubbish until 13 March 1985.

Pine Plantations.

4. A fire break not less than ten metres in width—
 - (a) inside and around the perimeter of land in separate ownership on which pines are planted, but this fire break is not required around unplanted areas; and
 - (b) inside and along the boundary of those portions of pine plantations adjoining a formed public road.
 - (c) additionally and in such position that no area of pine plantation shall exceed 200 hectares without being enclosed by a ten metre break.

A fire break not less than six metres in width in such positions that no part or compartment of a pine plantation shall exceed 28 hectares in area.

All fire breaks referred to in this order shall be constructed and maintained in a condition trafficable by tractors and four wheel drive vehicles, and overhanging trees abutting all breaks shall be pruned to minimise accumulation of litter and allow vehicle access.

In addition to the breaks specified pine plantations traversed by S.E.C. power transmission lines have additional obligations under the Electricity Act.

Eucalypt Plantations.

5. A fire break not less than five metres in width—
 - (a) inside and around the perimeter of land in separate ownership on which trees are planted, but this fire break is not required around unplanted areas; and
 - (b) inside and along the boundary of those portions of plantations adjoining a formed public road.
 - (c) a fire break not less than five metres in width in such positions that no part or compartment of a plantation shall exceed 28 hectares in area.

All fire breaks referred to in this order shall be constructed and maintained in a condition trafficable by tractors and four wheel drive vehicles, and overhanging trees abutting all breaks shall be pruned to minimise accumulation of litter and allow vehicle access.

Definitions.

For the purpose of this ORDER the following definitions apply:—

“Managed Farm Land” means any lot, location or holding consisting of adjoining lots or locations wholly or mainly maintained or used for grazing, dairying, pig-farming, poultry-farming, viticulture, horticulture, fruit-growing or the growing of crops of any kind, or other similar businesses, where the activity substantially reduces the accumulation of inflammable matter.

"Unmanaged Farm Land" means land over 2 000 square metres on which inflammable matter has been permitted to accumulate, other than managed farm land, residential, commercial and industrial land, and pine or eucalypt plantations.

"Residential, Commercial and Industrial Land" means all land used for those purposes, and includes any ungrazed lot under 2 000 square metres.

"Pine Plantation" means land on which pine trees are planted covering an area greater than 400 square metres per lot or location, and intended for commercial purposes.

"Firebreak" means ground from which all inflammable material has been removed and on which no inflammable material is permitted to accumulate during the period earlier referred to.

"Haystack" means any collection of hay including fodder rolls placed or stacked together.

"Eucalypt Plantation" means land not being native forests, on which eucalypts have been planted covering an area greater than 400 square metres per lot or location, and intended for commercial purposes.

Guidelines for Alternative Breaks.

- (a) An alternative break shall be cleared as near as practicable to the position required by this notice, and such position shall be approved by either the Bush Fire Control Officer or Captain of the Bush Fire Brigade in the area concerned and forwarded in writing by 1 November 1984 by the owner or occupier to the Shire Council for confirmation, enclosing a map of the alternative positions endorsed by the said Fire Control Officer or Captain.
- (b) In relation to strategic or district breaks any alternative submitted must be by mutual agreement between the land holders and the Brigade, and in addition to the requirements of the preceding paragraph shall be accompanied by a letter from the Bush Fire Brigade showing that the alternative has been approved at a properly constituted meeting of the Brigade.
- (c) Any alternative submitted has no effect until approved by the Council after which notification in writing will be given.
- (d) All alternative breaks approved may be reviewed by the Council at any time after the expiry of 1 year.
- (e) Cultivation of roadsides will be allowed on road reserves only with the written permission of the Council, and for the purpose of protection of fencing only, and not as an alternative to a firebreak.
- (f) Pine Plantations: Alternative firebreaks may be provided by special permission of the Council after application by 1 November 1984, supported by a plan showing full detail, and where two or more owners are concerned an agreement in writing that they will be jointly and severally liable for compliance. Upon application and with special approval of the Council a totally cleared road survey on which a road has not been formed may be utilised as a firebreak.

Special Notice to Land Owners and Occupiers:

The council forwards a copy of this firebreak order with rate assessments each year. The notice is also published in the *Warren Blackwood Times* and additional copies are obtainable at the Shire Office counter.

The aim of the Council is to eliminate destructive bush fires and to this aim, some areas of the Shire are subject to hazard removal and roadside burning which is carried out by the Shire's bush fire brigades and council workforce.

The requirements of this order are considered to be the minimum standard of fire prevention work required to protect not only individual properties but the district generally. In addition to the requirements of this order,

council may issue separate special orders on owners or occupiers if hazard removal is considered necessary in some specific area.

Dated this 20th day of July, 1984.

By Order of the Council,

S. A. GIESE,
Shire Clerk.

BUSH FIRES ACT 1954-1981.

Shire of Murray.

Notice pursuant to section 33.

Notice to Owners and/or Occupiers of Land.

Firebreak Order—1984-1985.

Important information relating to your responsibility as a landholder in the Murray Shire.

WITH reference to section 33 of the Bush Fires Act 1954-1981, you are required to carry out fire prevention work on land owned or occupied by you in accordance with the provisions of this order.

This work must be carried out by 30 November 1984 and kept maintained throughout the summer months until the expiration of the restricted burning period, i.e., Zone 6 (12/4/1985) Zone 8 (26/4/1985).

An inspection of firebreaks will be carried out in all areas of the Shire by an authorised Officer.

Persons who fail to comply with the requirements of this order may be issued with an infringement notice (penalty \$40) or prosecuted, and additionally, council may carry out the required work at cost to the owner or occupier.

If for any reason it is considered impracticable to comply with the provisions of this order, you may make a written application for a variation to the Shire Clerk which must reach him not less than two weeks prior to the date by which the firebreak is required to be established.

No such application will be considered unless it bears the signature of the Fire Control Officer of the area, signifying his agreement to the variation. If the application is not approved by the Shire Clerk, you shall comply with the requirements of this notice.

1. Rural Land (All land other than that listed as Urban): Except where an exemption is granted, a fire break not less than 2 metres wide must be constructed inside all boundaries where practicable; or

1.1 Within 50 metres of the boundaries of all land including that which is uncleared so as to form a continuous break around the holding.

1.2 Inside and along the common boundaries of land which abuts a used public road or railway reserve. (NOTE: Fire breaks constructed on road reserves do not constitute a legal fire break.)

1.3 Not less than 20 metres and not more than 100 metres from the perimeter of all homesteads, buildings, haystacks and fuel storage areas. The area between the fire breaks and the building or haystack must be cleared of all flammable material by 1st December, 1984.

Notation:

2. Road and Railway Reserves—in addition to clause 1.1 and 1.2 where land owned or occupied by you is bisected by a road or railway reserve, firebreaks shall be constructed internally and parallel to said road or railway reserve.

3. Urban Land (Residential, Commercial and Industrial land within a townsite or within any area subdivided for residential purposes.)

In respect of land owned or occupied by you within any townsite or any area subdivided for other purposes, you shall:

3.1 Where the area of land is 2 024 sq m (approximately $\frac{1}{2}$ acre) or less, remove all flammable material on the land except living standing trees, from the whole of the land, and

3.2 Where the area of land exceeds 2 024 sq m (½ acre), provide firebreaks of at least 2 metres wide, immediately inside all external boundaries of the land and also immediately surrounding all buildings situated on the land. Where several adjoining lots are held or used by the owner/occupier, the firebreaks may be provided inside and along the external boundaries of the group or lot and the requirements of Items 3.1 and 3.2 shall be maintained throughout the summer months until the expiration of the restricted burning period, i.e., Zone 6 (12/4/1985) Zone 8 (26/4/1985).

Note: The following are Townsites within the Shire: Pinjarra, Dwellingup, Coolup, North Dandalup, Yunderup, Furnissdale, Ravenswood (which includes Murray Bend.)

N.B.—Islands in River Systems:

3.3 Owners and/or occupiers of Island Locations are required on or before 30 November 1984, and thereafter up to and including 12th April, 1985, to have a firebreak clear of all flammable material at least 1.8 m (6 ft) wide immediately inside all boundaries of land.

Canals System Locations:

3.4 The requirements of section 3.1 (Townsites) apply where the area of land is 2 024 sq m or less and is subject to owners and/or occupiers complying with the undermentioned conditions—

- (i) Undeveloped (vacant) lots shall not be ploughed, rotary hoed or cultivated in order that land remains stabilised and not become subject to erosion by wind and water.

4. Fuel and/or Gas Depots: In respect of land owned or occupied by you on which is situated any container normally used to contain liquid, or gas fuel, including the land on which any ramp or supports are constructed, you shall maintain the land clear of all flammable materials.

5. Pine Plantations: Any pines planted for commercial purposes constitute a pine plantation and you are required to provide firebreaks:

- 5.1 Not less than 20 metres wide around the perimeter of each plantation;
- 5.2 Not less than 20 metres wide along those portions of the plantations which abut a used public road;
- 5.3 Not less than 20 metres in width in such position that no part or compartment of the plantation exceeds twenty-eight (28) hectares in area.

6. Notation: Existing Pine Plantations: Pine Plantations established prior to the 30th November, 1984 shall provide firebreaks not less than 6 metres wide around the perimeter of each plantation in such a position that no part or compartment of the plantation exceeds twenty-eight (28) hectares in area.

- 6.1 Not less than 6 metres wide along those portions of the plantations which abut a used public road.

Special Notice to Land Owners and Occupiers: The Council forwards a copy of this Firebreak Order with rate assessments each year. The notice is also published in the Coastal Districts Times. The aim of the Council is to eliminate destructive bush fires and to this aim, some areas of the Shire are subject to a District Fire Protection Plan where large-scale hazard removal and roadside burning is carried out by the Shire's Bush Fire Brigades and Council workforce.

Special Orders—Section 33: The requirements of this order are considered to be the minimum standard of fire prevention work required to protect not only individual properties but the district generally. In addition to the requirements of this order, Council may issue separate special orders on owners or occupiers if hazard removal is considered necessary.

By Order of the Council,

B. M. BAKER,
Shire Clerk.

**METROPOLITAN WATER AUTHORITY
ACT 1982.**

Metropolitan Water Supply.

Notice of Intention to Construct Major Works.

M.W.A. File F3600; Project Number W05.017.

NOTICE is hereby given in accordance with section 82 of the Metropolitan Water Authority Act 1982, of the intention of the Metropolitan Water Authority to undertake the construction of the following works.

Greenmount Reservoir, Pond No. 2 and Roof Boya.
Shire of Mundaring.

The proposed works consist of the provision and construction of—

- (a) a concrete lined, earth embanked pond. The concrete lining will be approximately 205 metres in length by 130 metres in width and

will have a water depth of 7.16 metres. The top of the earth embankments will be 67.8 metres above AHD and approximately 8 metres wide,

- (b) a low profile aluminium framed and sheeted roof over the proposed Pond No. 2. The maximum height of the roof will be approximately 5 metres above the level of the earth embankments.

The above works are to be complete with all equipment and materials necessary for the undertaking.

All of the proposed works will be wholly located within the Greenmount Reservoir site, Location 9119 (↑10481), bounded by Coulston Road and Scott Street.

The above works and localities are shown on plan M.W.A. 18791 a copy of which is enclosed.

The purpose of the proposed works is to augment the water storage for the Greenmount Supply System.

Plans of the proposed works may be inspected at the Customer Services Branch, Metropolitan Water Centre, 629 Newcastle Street, Leederville, for a period of one month on and after 7 September 1984, between the hours of 9.00 a.m. and 3.30 p.m.

H. J. GLOVER,
Managing Director.

NOTE.

Section 84 of the Metropolitan Water Authority Act 1982 provides that any Council or person interested may lodge a written objection with the Authority against the construction or provision of the proposed works, within one month after the date of publication of the above notice.

After the period for receipt of objections has expired and the objections, if any, have been met by amendment of the proposal or are not sufficient to cause the proposals to be amended when considering the general public interest, the Minister may make a notice of Authorisation which is published in the *Government Gazette* authorising the Authority to carry out the construction or provision of the proposed works.

METROPOLITAN WATER AUTHORITY
PERTH, WESTERN AUSTRALIA.

Artesian Monitoring Network Stage 16.

TENDERS are invited for the drilling, sampling, construction, development and disinfection of one artesian monitoring well at each of six sites to a maximum depth of 300 metres using a rotary type drill and mud circulation techniques.

K. J. LEECE,
Shire Clerk.

I have examined the accounts of the Shire of Wagin for the financial year ended 30 June 1984. The accounts are in order and properly kept in accordance with provisions of the Local Government Act and the accounting directions and have been allowed by me as required by section 632 of the Act.

The Balance Sheet and related financial reports for the year ended 30 June 1984 are, in my opinion, prepared in a manner which is in substantial compliance with the Local Government Act Accounting Directions and reflect a true and fair view of the affairs of the Shire.

CONSUMER AFFAIRS ACT 1971-1983.

Order.

I, KEVIN MICHAEL LEHANE, Acting Commissioner for Consumer Affairs in and for the State of Western Australia being satisfied that a Consumer Affairs Authority, namely the Honourable Barry Cohen, Minister for Home Affairs and Environment in and for the Commonwealth of Australia has by notice dated 29 May 1984, published in the *Commonwealth Gazette* on 15 June 1984, permitted the supply of particular goods to wit protective helmets for motor cyclists for use on public roads subject to certain conditions contained in the notice. Now, I, pursuant to the powers vested in me by section 23R (4) of the Consumer Affairs Act permit the supply of a particular class of goods specified in the first schedule subject to the conditions set out in Schedule Two and Schedule Three.

Schedule One.

Protective helmets for motor cyclists for use on public roads.

Schedule Two.

Subject to the variations described in Schedule Three the particular goods shall conform to:

- (a) Australian Standard 1698-1974 "Protective Helmets for Vehicle Users" approved by the Standards Association of Australia on 27 September 1974, and as amended by Amendment No. 1 of September 1977 and Amendment No. 2 of May 1978;

OR

- (b) Australian Standard 1698-1980 "Protective Helmets for Vehicle Users" approved by the Standards Association of Australia on 27 August 1980.

Schedule Three.

The standard specified in Schedule Two (a) is varied by deleting paragraph (g) of Clause 14 and substituting in its place the following paragraph:

- (g) The registered certification mark of the Standards Association of Australia encircled by the words "Approved to Australian Standard 1698"

The Standard specified in Schedule Two (b) is varied by deleting paragraph (g) of Clause 14 and substituting in its place the following paragraph:

- (g) The registered certification mark of the Standards Association of Australia encircled by the words "Manufactured to Australian Standard 1698".

Dated this 3rd day of September, 1984.

K. M. LEHANE,
Acting Commissioner for
Consumer Affairs.
