R. W. MICKLE,
Acting Under Secretary for Lands.

Dated 14 November 1984.

APPLICATION FOR LEASING.

Department of Lands and Surveys,
Perth, 16 November 1984.

Corres. 828/73 V3.

APPLICATIONS are invited under section 117 of the Land Act 1933 for the leasing of the Karratha Lots shown in the Schedule for the purpose of "Service Trades" for a term of 21 years at the annual rentals shown in the said Schedule.

Intending applicants shall submit with their application details of intended utilisation and proposed development, indicating size and type of intended structures, cost estimates, source of funds and programme for construction whether staged or not.

The Minister for Lands and Surveys reserved the right to refuse any application on the grounds that the proposed utilisation, development and/or development programme is inadequate or unsuitable or that the applicant has failed to show adequate capacity to fund the development.

The development of "Factoryettes" for the purpose of sub-leasing will be permitted on these lots subject to satisfactory proposals being submitted in accordance with the requirements of paragraphs 2 and 3 above.

The services provided to these lots are Roads, Water, Sewerage and Power and the Service Premium, as shown in the Schedule, is payable in four (4) equal quarterly instalments, payable in January, April, July and October. The first instalment is due and payable on the first day of the quarter next following the date of approval of the lease.

Although lots are fully serviced, power services have been provided on a specific K.V. rate per hectare. Any excess power would need to be negotiated between the developer and the State Energy Commission. It is also

advised that substations are planned for inclusion in certain areas. Applicants should contact the Commission regarding the siting of substations, and advise where power requirements are likely to be over and above normal capacity provision.

The survey fee shown in the Schedule is payable in cash within 30 days of acceptance of application.

Where the in-going lessee indicates that he anticipates a requirement for freehold during the currency of the lease, the Hon. Minister shall signify the extent of development (which may be additional to that required as the basis for leasing the site) that will be necessary to enable the issue of a Crown Grant.

Subject to agreement between the lessee and the Minister, the foregoing development obligations and other conditions set out herein may be varied or added to from time to time.

At any time during the currency of the lease, subject to the agreed development obligations and other conditions have been met to the satisfaction of the Hon. Minister, the lessee may surrender his lease to the intent that he may apply for purchase of the said land. In this event a purchase price in accordance with the Schedule shall apply for a period of 3 years from the date of approval of the lease (following which period the price shall be subject to review) and fees associated with the issue of a Crown Grant shall be payable.

The land is made available for leasing subject to the following conditions:

- (1) The land shall not be used for other than the approved Service Trades purpose.
- (2) The rent shall be subject to reappraisal at the end of the third year of the term of the lease and each successive three yearly period thereafter.
- (3) The lessee shall not without the previous consent in writing of the Minister for Lands and Surveys assign, transfer, mortgage, sublet or part with the possession of the demised land.
- (4) The land shall be occupied and used by the lessee for the purpose specified within nine (9) months of the commencement of the lease and thereafter will be continuously so used to the satisfaction of the Minister.
- (5) The lessee shall commence construction within nine (9) months and thereafter continue construction and complete and operate the works within two (2) years from the date of the commencement of the lease.
- (6) All buildings, erections, paving, drainage and other works shall be to the approval of the Local Authority and the lessee shall perform, discharge and execute all requisitions and works unto the demised land as are or may be required by any local or public authority operating under any statute, by-law or regulation.
- (7) The lessee shall within twelve months from commencement of the lease fence the external boundaries to the satisfaction of the Minister.
- (8) The lessee shall maintain existing and future improvements to the satisfaction of the Minister.
- (9) All frontages shall be treated and maintained to give an appearance aesthetically pleasing consistent with the purpose of the lease according to a plan submitted to the Minister.
- (10) The lessee shall indemnify the Minister against all claims for damage to property or persons arising from the use of the land.
- (11) The Minister or his representative may enter the land for inspection at any reasonable time.
- (12) The land shall be filled to levels specified by, and acceptable to, the Minister or his nominee and the Shire Council.
- (13) The lessee shall not apply for a licence to sell liquor without the prior written consent of the Minister. In the event of the granting of such a licence, the rent shall be subject to immediate reappraisal.

- (14) The lessee shall comply with all conditions imposed by the Department of Transport.
- (15) The lessee shall at his own expense install and maintain fire-fighting and control equipment to the approval of the Minister.
- (16) Compensation will not be payable for damage by flooding of the demised land.
- (17) Compensation shall not be payable to the lessee in respect of any improvements effected by him on the demised land and remaining thereon at the expiration or earlier determination of the lease.
- (18) It shall be lawful for the lessee at any time within the three calendar months immediately following the expiration of the term or earlier determination of the lease, to take down, remove and carry away any buildings, structures, improvements and plant the property of the lessee.
- (19) On determination of the lease, the lessee shall fill in, consolidate and level off any unevenness, excavation or hole caused by him during the term of the lease or by removal of his improvements and shall leave the demised land in a clean, neat and tidy condition to the satisfaction of the Minister and shall remove any or all waste matter as required by the Minister.

A person in the employ of the State must apply through the Under Secretary for Lands for the Governor's permission to hold this land. Written approval of the Permanent Head concerned should accompany such application.

Applications must be lodged at the Department of Lands and Surveys, Perth, on or before Wednesday, 9 January 1985 accompanied by the deposit shown in the Schedule together with the required development details and completed Land Board Questionnaire.

BUSH FIRES ACT 1954-1981.

Donnybrook-Balingup Shire Council.

Fire Break Order.

Important Information Relating to Your Responsibility as a Landholder in the Donnybrook-Balingup Shire.

WITH reference to section 33 of the Bush Fires Act 1954-1981, you are required to carry out fire prevention work on land owned or occupied by you in accordance with the provisions of this order.

This work must be carried out by 1 December 1984, and kept maintained throughout the summer months until 31 March 1985.

An inspection of firebreaks and hazard removal will be carried out in all areas of the Shire by an authorised Officer.

Persons who fail to comply with the requirements of this order may be issued with an infringement notice (Penalty \$40) or prosecuted with an increased penalty, and additionally, council may carry out the required work at cost to the owner or occupier.

If it is considered for any reason to be impractical to clear firebreaks or remove flammable materials as required by this notice or if natural features render firebreaks unnecessary, you may apply to the Council or its duly authorised officer not later than 15 November 1984, for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice. If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

1. Rural Land:

- (a) On land which is divided by or abuts a formed or partly formed road or railway reserve, a firebreak not less than 2 metres wide shall be provided within 60 metres of the boundary of the road or railway reserve.
- (b) A firebreak 2 metres wide shall be provided immediately surrounding and within 20 metres of the perimeter of all buildings, haystacks and fuel storage areas situated on the land.
- (c) A cleared area of at least a 6 metre radius shall be provided around all combustion pumping engines.

2. Pine Plantations:

- (a) Firebreaks not less than 10 metres in width around the perimeter of land on which pines are planted.
- (b) Not less than 10 metres in width along those portions of pine plantations which enjoy a common boundary with a road reserve.
- (c) Not less than 6 metres in width in such positions that no part or compartment of a pine plantation shall exceed 28 ha in area.

3. Townsites Land: (Includes Residential, Commercial and Industrial Land). All flammable material to be removed from townsite lots unless exemption is applied for specific reason such as grazing. Where an exemption is granted, firebreaks to be constructed 2 metres wide immediately inside all external boundaries and 3 metres wide immediately surrounding or within 20 metres of the perimeter of all buildings and haystacks on the land.

4. Fuel and/or Gas Depots: In respect of land owned by you on which is situated any container normally used to contain liquids or gas fuel, including the land on which any ramp or support is constructed, you shall have the land clear of all flammable materials.

D. A. JONES,
Shire Clerk.

BUSH FIRES ACT 1954-1981.

Notice to all Owners and/or Occupiers of Land
in the District of the Shire of Wanneroo
regarding Firebreaks.

SHIRE of Wanneroo hereby gives notice pursuant to section 33 of the Bush Fires Act 1954-1981 to all owners or occupiers of land in its district that they are required on or before 30 November 1984 to plough, cultivate, scarify, burn or otherwise clear firebreaks as specified in this Notice and thereafter up to and including 26 April 1985 to maintain the firebreaks clear of inflammable matter.

(1) Land having an area of 2 000m² or more: A firebreak not less than 3 metres wide immediately inside and around all external boundaries of the land must be cleared by ploughing, cultivating, scarifying or burning.

(2) Land having an area of less than 2 000m²: A firebreak not less than 2 metres wide immediately inside and around all external boundaries of the land must be cleared by cultivating, mowing, slashing, chemical application or burning.

(3) Buildings: A firebreak not less than 3 metres wide immediately around all external walls of every building must be cleared of inflammable material by ploughing, cultivating, mowing, slashing or chemical application.

Whenever a firebreak is cleared by burning the provisions of the Act and regulations made thereunder must be observed.

If pursuant to Item (2) of this Notice, mowing or slashing is carried out the height of vegetation thereafter must not exceed, as far as is reasonably practicable, 20 mm over the entire area of the land. The use of chemicals is subject to all restrictions imposed by the Department of Agriculture.

Attention is drawn to the Flammable Liquids Regulations made under the Explosives and Dangerous Goods Act 1961, which requires a site on which inflammable liquid is stored to be totally cleared of all inflammable material for a minimum distance of 10 metres surrounding the site.

If it is considered to be impracticable for any reason to comply with the provisions of this Notice application may be made not later than 15 November 1984, to the Shire or its authorised officer for permission to provide alternative fire protection measures. If permission is not granted the requirements of this Notice must be complied with.

Penalty: An owner or occupier of land who fails or neglects in any respect duly to comply with the requirements of this Notice is liable to a fine of \$400.

By Order,

R. F. COFFEY,
Shire Clerk.

Town Clerk.

I have audited the Municipality's accounts set out on pages 1 to 45 in accordance with the Local Government Act 1960-1984 and Australian Auditing Standards.

I make the following reservations in expressing my opinion:—

(1) As this is the first year of my appointment, I am unable to express an opinion on the opening balance of the Municipal Accumulation and Trust Account.

(2) The application of the accounting policy set out in Note 1 (a) results in an overstatement of assets and liabilities of \$1 064 153.

(3) As indicated in the accounting policy set out in Note 1 (b) the accrual basis of accounting has only been partially adopted. This is not in accordance with generally accepted Accounting Standards.

Except for the above matters, in my opinion the Accounts present fairly the financial position of the City of Melville at 30 June 1984 and the statement of accounts for the year then ended, and have been prepared in accordance with the Local Government Act 1960-1984, Accounting Directions and Australian Accounting Standards.

D. L. HAYNES,
Shire Clerk.

The accounts of the Shire of Broome are prepared on the basis of historical cost. In preparing its balance sheet, it is not the policy of the Shire to recognise all liabilities which exist at balance date.

This policy complies with the requirements of the Local Government Act and Accounting Directions, although it is not in accord with generally accepted accounting standards.

I have, with the assistance of my staff, audited the books of the Shire of Broome for the year ended 30 June 1984. In my opinion, the balance sheet, statement of receipts and payments, adjustment account and the municipal accumulation account are prepared on a basis consistent with the Local Government Act Accounting Directions, and are in agreement with the books and records of the Shire.

I have audited the books and records of the Shire of Donnybrook/Balingup in accordance with the Australian Auditing Standards and the Local Government Audit Directions issued by the Minister for Local Government.

In my opinion, the annual accounts have been prepared on a basis consistent with the Local Government Act 1960 and the Local Government Accounting Directions and so as to give a true and fair view of:—

- The State of Affairs of the Shire of Donnybrook/Balingup as at 30 June 1984.
 - Cash transactions for the Shire of Donnybrook/Balingup for the year ended 30 June 1984.
- and are in accordance with the books and records of the Shire.

Report of the Auditor.

The accounts of the Shire of Wyndham-East Kimberley are prepared on the basis of historical cost. In preparing its balance sheet it is not the policy of the Shire to:

- recognise all liabilities which exist at balance date;
- calculate depreciation to write off the cost of each fixed asset over its estimated useful life; and

(iii) recognise loans receivable where repayments are due to be made on dates after balance date.

This policy complies with the requirements of the Local Government Act and the Accounting Directions, although it is not in accordance with generally accepted accounting standards.

I have, with the assistance of my staff, audited the books of the Shire of Wyndham-East Kimberley for the year ended 30 June 1984.

In my opinion, the balance sheet, statement of receipts and payments, adjustment account and municipal accumulation account are prepared on a basis consistent with the Local Government Act Accounting Directions, and are in agreement with the books and records of the Shire.
