Auditors Report for the Eastern Metropolitan Regional Council for the Period 1 November 1983 to 30 June 1984.

As the Auditors appointed by the Eastern Metropolitan Regional Council we advise that we have carried out an Audit of the Council's Financial Statements for the period 1 November 1983 to 30 June 1984 in accordance with the Local Government Act.

We would advise that in our opinion the Receipts Summary and Payments Summary for the period are properly drawn up in accordance with generally accepted accounting principles and that the Balance Sheet as at 30 June 1984 represents fairly and truly the financial position of the Council at that date except for the following matters;

Amounts totalling \$13 080.51 were incurred as costs of operating by the Council prior to 30 June 1984. These amounts were not taken into account in the Financial Statements and they were unpaid at that date.

The Reserve Fund of \$13 276.65 represents a "book entry" only and requires Council to review the need for such a fund in the Accounts. In our view such an amount is not a "Reserve" and should not be shown as such.

We would suggest that a valuation be made by a suitably qualified person of the Fixed Assets to support the accounts as at 30 June 1985.

Registered Local Government Auditor.
