Special Notice to Landowners and Occupiers.

The council forwards a copy of this Firebreak Order with rate assessments each year. The notice is also published in the *Busselton-Margaret Times*.

The aim of the council is to eliminate destructive bush fires and to this aim, some areas of the Shire are subject to a District Fire Protection Plan where large-scale hazard removal and roadside burning is carried out by the Shire's Bush Fire Brigades and council workforce.

The requirements of this order are considered to be the minimum standard of fire prevention work required to protect not only individual properties but the district generally. In addition to the requirements of this Order, council may issue separate special orders on owners or occupiers if hazard removal is considered necessary in some specific areas.
