E. W. SCHMIDT,  
President.  
R. W. HERBERT,  
Shire Clerk.

I have audited the municipality's accounts set out on pages 1 to 9 in accordance with the Local Government Act 1960 and Australian Auditing Standards.

I make the following reservations in expressing my opinion—

1. The application of the accounting policy set out in note 1 (a) results in an overstatement of assets and liabilities of \$10 437 (1984—\$138 335).
2. As set out in note 1 (b) the cash basis of accounting has been adopted. This is not in accordance with generally accepted accounting standards.

Except for the above matters, in my opinion the accounts represent fairly the financial position of the Shire of Chittering at 30 June 1985 and the statement of accounts for the year then ended, and have been prepared in accordance with the Local Government Act 1960, Accounting Directions and Australian Accounting Standards.

R. D. STUBBS,  
Auditor.  
Ledger & Stubbs.

1. Significant Accounting Policies

The accounts are prepared in accordance with the historical cost convention. The accounting policies adopted are consistent with those of the previous years.

(a) Reserve Accounting

To comply with the Local Government Act 1960 and Accounting Directions, the Council raises reserve fund accounts and a reserve fund contra account when Council funds are set aside into separate bank accounts for specific purposes.

At 30 June 1985 these funds amounted to \$10 437 (1984—\$138 335).

(b) Basis of Cost and Income Recognition

Income and expenditure are brought to account on a cash basis. Therefor no liability has been established for annual leave, long service leave and accruals.

Part of the long service leave liability is provided for by creating cash reserve under Accounting policy note (a) however the resulting cost is not charged to the Municipal Accumulation Account.

(c) Depreciation

Depreciation is calculated on a straight line basis so as to write off the cost of each fixed asset during its expected useful life.

#### Part III—Traffic By-laws.

27. A person who brings a vehicle upon the College lands does so at his own risk and the College is not and shall not be liable or responsible in any way for the safe custody of a vehicle or its contents.

28. No person shall without authority drive, or bring a vehicle on the College lands except on the roadways or parking areas.

29. No person shall drive a vehicle on the College lands in a dangerous or careless manner or without all reasonable consideration for other persons and vehicles in the vicinity.

30. No person shall drive a vehicle at a speed exceeding 25 kilometres an hour or such lower maximum speed as may be specified by a traffic sign with respect to a particular area or stretch of roadway.

31. A person who is about to drive or is driving a vehicle into or out of a parking area shall give way to all other vehicles passing along a roadway.

32. A person driving or in charge of a vehicle shall obey every signal, order or direction addressed to him by a member of the Police Force or an authorised officer in relation to the movement or control of traffic.

33. A person driving a vehicle shall comply with all directions relating to traffic shown on traffic signs.

34. No person driving or in charge of a vehicle on a roadway shall commit or do any act which would be a breach of any Act or Regulation of the State of Western Australia if such roadway were a "road" for purposes of the Road Traffic Act 1974.

35. (1) The Director or an authorised officer may set apart a place or places as a parking area for vehicles, and may by a traffic sign displayed on or near a parking area specify the hours during which it may be used for parking, the kinds of vehicles that may be parked there, the persons who are entitled to use, the length of time a vehicle is permitted to be parked there, or otherwise regulate its use.

(2) A person shall not park a vehicle except in a parking area so set apart for parking by him and during permitted hours.

36. An authorised officer may by an authorised sign placed on or near a parking bay in a parking area, reserve that parking bay for a specific purpose or a specified person or class of persons.

37. A parking permit shall be issued with respect to a particular vehicle in such form as may be approved by the Director from time to time, signed by the Director or an authorised officer and unless the permit is varied, suspended or revoked it shall be current until the date of expiry specified in the permit.

38. A parking permit affixed to a vehicle in accordance with these By-laws entitles the holder to park the vehicle during the currency of the permit in an unreserved parking bay in that section of any parking area set aside for such persons or categories or classes of persons unless such permit is varied, suspended or revoked.

39. (1) If the holder of a parking permit changes the vehicle or the registration number of the vehicle in respect of which the permit has been issued, he shall forthwith give notice in writing to the Director or as he shall from time to time direct.

(2) Parking permits shall not be transferable.

40. Except as provided in By-law 42, no person shall park a vehicle unless he holds a parking permit or parks a vehicle on behalf of a person who holds a permit. The holder of a parking permit or a person who parks a vehicle on behalf of a person who holds a parking permit shall not park a vehicle except in accordance with the terms of the permit.

41. The holder of a parking permit shall affix the permit to the vehicle for which it was issued in such manner as shall be required by the permit.

42. A visitor to the College, which expression shall include the persons specified in paragraphs (b), (c), (d), (e) and (f) of By-law 6(1), may park a vehicle in an unreserved parking bay in an area marked by a traffic sign as a visitor's car park.

43. (1) This By-law applies whenever—

- (a) a vehicle is parked in a manner that is in breach of these by-laws;
- (b) a vehicle is driven by a person in a manner that is in breach of these by-laws; or
- (c) there is otherwise a breach of these by-laws with respect to a vehicle.

(2) If a current permit has been issued with respect to the vehicle, the permit holder shall be deemed to have committed a breach of these by-laws as described in by-law 43(1). If no permit has been issued which is current, or the permit holder is not residing at the address on the permit at the time of the breach of these by-laws, the owner of the vehicle (for the purposes of the Road Traffic Act 1974) shall be deemed to have committed a breach of these by-laws.

(3) It shall be a defence to a charge under By-law 43 that the permit holder or owner of the vehicle (as the case may require) has satisfied an authorised officer that the vehicle was stolen or was being unlawfully used at the time of the alleged breach.

(4) If the permit holder or owner of the vehicle did not himself park or drive the vehicle in the manner that is in breach of these by-laws, the person who did so park or drive the vehicle in breach of these by-laws shall also have committed the breach of these by-laws (whether or not By-law 43(3) applies).

(5) The driver or person in charge of a vehicle shall, upon being required by a member of the Police Force or an authorised officer who reasonably believes he has committed a breach of these By-laws, furnish that officer with his full name and address.

44. No person shall without authority—

- (a) park a vehicle in a no parking area, or in a loading bay or other place reserved by an authorised sign for a particular purpose, except in accordance with that purpose;
- (b) park a vehicle other than wholly within the marked boundary of any parking bay marked on a parking area;
- (c) park a vehicle in such a position as to interfere with traffic or obstruct other vehicles;
- (d) park a motor cycle, motor scooter, or bicycle on any roadway or other area on which there are marked parking bays of an area appropriate for the parking of four-wheel vehicles.

45. (1) A vehicle parked in breach of these by-laws or in such a position as to interfere with traffic or obstruct other vehicles, or apparently abandoned, may be removed under the authority of the Director, a member of the Police Force or an authorised officer to such a place whether on or off the College lands as the Director, a member of the Police Force or authorised officer may determine.

(2) A person removing a vehicle under the authority of this by-law is entitled to take such action whether by way of unlocking, entering by any means, driving or towing the vehicle or otherwise as may be reasonably necessary for the purpose of effecting the removal.

(3) The owner of a vehicle so removed shall pay all costs and expenses incurred by the College in moving it and neither the College nor any officer, employee or agent of the College shall be liable to the owner of any vehicle so removed for any loss or damage suffered by him arising out of or in consequence of the vehicle being so removed.

(4) The College may retain possession of a vehicle so removed until any amount payable under By-law 45(3) is paid.

46. (1) If a person drives a vehicle in a manner that is in breach of these by-laws or there is otherwise a breach of these by-laws with respect to a vehicle, an authorised officer may affix on the vehicle or give to the driver or person in charge of the vehicle a notice, in a form approved by the Director, which notice shall—

- (a) be identified by a serial number;
- (b) if the name of the person driving the vehicle, or the holder of a permit issued with respect to the vehicle or the owner of the vehicle is known to the authorised officer, be addressed by name to the driver, holder of the permit or owner or otherwise be addressed to the driver, holder of the permit or owner by the registration number of the vehicle;

- (c) describe the vehicle by make and registration number;
- (d) state that it is alleged that a breach of a by-law with regard to the driving or parking, or otherwise with respect to the vehicle has been committed and in general terms the breach which it is alleged has been committed;
- (e) state that further action may be taken unless within the time and manner stated in the notice—
  - (i) the modified penalty specified in By-law 52 (3) and indicated on the notice is paid; or
  - (ii) within 7 days an explanation in writing addressed to the Director is given for the breach, in which case further notice will be given either that the explanation is accepted or that the explanation is not accepted and further action will be taken failing payment of the modified penalty indicated on the notice within 14 days after the date of the further notice;
- (f) state the modified penalty payable.

(2) If the authorised officer is unable to affix the notice to the vehicle or to give it to the driver or person in charge of the vehicle by handing it to him, it may be given by posting it to the holder of the permit issued with respect to the vehicle or to the owner of the vehicle at his last known place of abode.

(3) If the person to whom a notice under By-law 46 (1) is given, gives a written explanation to the Director in accordance with the terms of the notice, the Director may either accept the explanation or not accept it and he may give the person a further notice stating that further action may be taken if the modified penalty indicated on the notice is not paid within 14 days after the date of the further notice.

47. On such days or nights and during such time or times as the Director may direct, members of the Police Force and authorised officers shall have complete control over all traffic within the College lands, whereupon every person in charge of any vehicle or animal within the College lands shall obey every order and direction of any member of the Police Force or authorised officer relating to the movement or control of such traffic, and shall stop or proceed or park in such manner and direction as the member of the Police Force or authorised officer may from time to time order. This by-law shall apply notwithstanding the terms of any issued permit.

48. The Council may from time to time prescribe parking fees to be paid by applicants for parking permits or by persons parking vehicles, whether holders of a permit or not, in specified parking bays or areas set aside for parking.

#### Part IV—Offences and Penalties.

49. A person who commits a breach of these by-laws shall be guilty of an offence and liable to a penalty not exceeding the amount from time to time prescribed by the Act as the maximum penalty that may be imposed for any breach of a by-law and to pay compensation for any damage done by him to College property.

50. Proceedings may be taken in any court of summary jurisdiction in accordance with the Justices Act 1902, in respect of any offence committed under these by-laws and any penalty imposed or compensation made payable may be recovered in a summary manner in accordance with the Act.

51. Proceedings may be taken by any authorised person or by any member of the Police Force who shall be reimbursed out of the funds of the College for all costs, charges, expenses and damages which he may incur or become liable by reason of taking proceedings.

52. (1) A person who does not contest an allegation that he has committed a breach of these by-laws may pay to the Director or an authorised officer within the time prescribed by a notice given under By-law 26 (3) or By-law 46, the modified penalty prescribed for that breach by By-law 52 (3). The production of an acknowledgement from the Director or the authorised officer of the payment of the modified penalty shall be a defence to a charge of the breach in respect of which the modified penalty is paid.

(2) If it appears to the Director or the authorised officer that an alleged breach of these by-laws cannot be adequately punished by the payment of a modified penalty, the Director may refuse to accept payment of the modified penalty and may take proceedings against the alleged offender. A breach of a by-law by an enrolled student is a disciplinary offence for which a complaint may be brought, heard and determined under disciplinary rules of the College instead of before a court of summary jurisdiction.

(3) For any breach of these by-laws the modified penalty shall be \$10.00.
