SEEDS ACT 1981

Department of Agriculture,
South Perth, 18 November 1986

Agric 968/76 V2.

I, THE undersigned Minister for Agriculture, being the Minister charged with the administration of the Seeds Act 1981, acting in exercise of the power in this behalf conferred on me by section 14 (1) of the said Act, do hereby appoint the following persons as Seed Analysts under the said Act:

Andrew Derek Gill.
Erica Madelene Smith.

JULIAN GRILL,
Minister for Agriculture.

DAIRY INDUSTRY ACT 1973

Direction by the Minister to the Dairy Industry Authority
under section 27.

I, JULIAN FLETCHER GRILL, Minister for Agriculture, being the Minister for the time being administering the Dairy Industry Act 1973, pursuant to the powers conferred by section 27 of that Act, hereby direct the Dairy Industry Authority to determine applications for market milk and special products milk quotas made to it under section 26 of the Act in respect of the quota year commencing on 1 January 1987, on the following bases or principles—

1. (1) Subject to this paragraph, a dairyman holding a market milk quota or a special products milk quota at the end of the 1986 quota year shall, upon application duly made, be granted a market milk quota or a special products milk quota, as the case requires, for the 1987 quota year of an amount that is not less on a daily basis than the amount held by him at the end of the 1986 quota year (disregarding the whole or any part of a market milk quota surrendered by the dairyman on or immediately before 31 December 1986).

Provided that—

- (a) the dairy premises to which the application relates and upon which milk is to be produced are the same as the dairy premises referred to in the quota certificate held by the applicant or the registered premises authorized by the Authority under section 28 (2a) immediately before the end of the 1986 quota year; and
 - (b) the land which in the opinion of the Authority is associated with the dairy premises is sufficient in the opinion of the Authority to ensure the continuity and certainty of production.
- (2) Notwithstanding that the requirements of subparagraph (1) of this paragraph may apply to a dairyman, unless such requirements are satisfied by a dairyman in his application, he shall not be granted a market milk quota or a special products milk quota, as the case may be.
 - (3) Where a dairyman short supplied the market milk quota applicable to him at any time during the year ending on 30 June 1986, the market milk quota to be granted to the dairyman for the 1987 quota year shall be of an amount calculated according to the following formula:

365 (a-b)

where:

"a" is the number of litres obtained after ascertaining the average daily supply to be delivered under the market milk quota applicable to the month determined under and for the purposes of "b"; and

"b" is the number of litres that is equal to the average daily amount short supplied by the dairyman in respect of the quota held in the month of greatest average daily short supply during the year ending on 30 June 1986.

- (4) Where a dairyman short supplied the special products milk quota applicable to him at any time during the year ending on 30 June 1986, subparagraph (3) shall apply to him as if "market milk quota" in that subparagraph were amended, in each place where it occurs, to read "special products milk quota".
- (5) Where subparagraph (3) or (4) of this paragraph applies to the grant of a market milk quota or a special products milk quota for the 1987 quota year, a dairyman shall be informed by written notice that the grant to him of a market milk quota or special products milk quota for the 1987 quota year is subject to the conditions provided for in subparagraph (3) or (4) of this paragraph; and, if within 14 days of receiving such notice the dairyman by written notice served on the Authority satisfies the Authority that the conditions of subparagraph (3) or (4) of this paragraph should not apply to him due to exceptional circumstances beyond his control then a market milk quota or special products milk quota shall be granted to him in accordance with subparagraph (1) of this paragraph; and in any event a market milk quota shall not under

- subparagraph (3) be granted for less than 89 425 litres for the 1987 quota year unless the Authority is satisfied that a lower amount is warranted by reason of the consistent short supply of market milk quota by the dairyman.
2. (1) The Authority may refuse an application if approval of the application would result in the applicant or the applicant together with any person associated with the applicant (as determined by the Authority in accordance with subparagraph (2) of this paragraph) holding a market milk quota of more than 500 050 litres or a special products milk quota of more than 164 250 litres for the 1987 quota year.
 - (2) The authority may determine that a person is associated with an applicant if that person holds a market milk quota or a special products milk quota and is in the opinion of the Authority—
 - (a) a partner of the applicant;
 - (b) a corporation of which the applicant is an officer or director;
 - (c) where the applicant is a corporation, an officer or director of the corporation;
 - (d) an officer or director of any corporation of which the applicant is an officer or director;
 - (e) an employee or employer of the applicant;
 - (f) an employee of a natural person of whom the applicant is an employee;
 - (g) a corporation whose directors are accustomed or under an obligation whether formal or informal, to act in accordance with the directions instructions or wishes of the applicant or, where the applicant is a corporation, of the directors or management of that corporation;

- (h) a corporation in accordance with the directions, instructions or wishes of which, or of the directors or management of which, the applicant is accustomed or under an obligation, whether formal or informal, to act;
- (i) a corporation in which the applicant holds a substantial interest; or
- (j) where the applicant is a corporation, a person who holds a substantial interest in that corporation,

but a person shall not be regarded as being associated with the applicant if the Authority is satisfied on representations made by the person or the applicant and after its own enquiries (if any) that they are commercially independent in their respective enterprises.

JULIAN GRILL,
Minister for Agriculture.
