EXPLANATORY

General

This Determination covers all Officers employed under the Public Service Act as at 1 November 1985.

Personal Classification

The Public Service Salaries Agreement 1985 provides that no officer will be reduced in salary as a result of its introduction. As such the personal classification of officers has been included in the Determination, together with the level determined for the position where the officer's previous expectation is greater than the level determined for the position occupied by the officer.

Clause 5—Specific Salary Points

Employees who occupy a position with a specific salary point attached to it, shall not proceed past that point.

Positions Outside Broadbanding

All positions outside broadbanding will have a straight salary conversion.
