The first instalment shall become due and payable on the first day of the quarter next following the date of approval of application.

The amount outstanding during the 30 days, immediately following the date of allocation shall be interest free, but all moneys outstanding after that period shall be subject to interest at the rate of 13.6 per cent per annum, calculated at quarterly rests on the balance outstanding at the end of the previous quarter.

Subject to agreement between the purchaser and the Minister, the development obligations and other conditions set out herein may be varied or added to from time to time.

Prior to the commencement of construction, the Minister shall advise the purchaser of the extent of development that will be necessary to enable the issue of a Crown Grant (freehold).

The purchaser shall be responsible for and make arrangements with the relevant authorities for the provision of services to the site, including road access, water and power.
