Part 12

All that portion of land comprising the whole of Tom Price Townsite as promulgated in *Government Gazette* dated 6th of September, 1985 pages 3450-1.

(Land Administration Public Plans: Mt. Bruce 1:250 000 and Tom Price 1:2 000's 10.10, 10.12, 11.10, 11.11, 11.12, 12.10, 12.11 and 12.12.)

Given under my hand and the Public Seal of the said State, at Perth, on 2 August 1988.

By His Excellency's Command,

JEFF CARR,

Minister for Local Government.

GOD SAVE THE QUEEN !

AT a meeting of the Executive Council held in the Executive Council Chamber at Perth on 28 July 1988, the following Order in Council was authorised to be issued.

Workers' Compensation and Assistance Act 1981

ORDER IN COUNCIL

WHEREAS it is enacted, *inter alia*, by section 160 of the Workers' Compensation and Assistance Act 1981, that it shall be obligatory for every employer to obtain from an incorporated insurance office, approved by the Minister, a policy of insurance for the full amount of the liability to pay compensation under the said Act to all workers employed by him, but that if an employer or group of employers proves to the satisfaction of the Minister that such employer or group of employers has established a fund for insurance against such liability, the Governor may, by Order in Council, exempt such employer or group of employers from the operation of that section; and whereas Mt. Newman Mining Co Pty Ltd of 200 St. George's Terrace, Perth, being an employer within the meaning of the section has duly, in accordance with the Act, made application from operation of the section and has satisfied the Minister that it has established a fund and deposited at the Treasury a security, to wit, a bond of \$3 600 000 charged with all payments to become due under the said liability: Now, therefore, His Excellency the Governor, acting with the advice and consent of the Executive Council and in exercise of the powers conferred by the Act, hereby exempts Mt. Newman Mining Co Pty Ltd of 200 St. George's Terrace, Perth, from the operation of section 160 of the Workers' Compensation and Assistance Act 1981.

M. WAUCHOPE,

Clerk of the Council.

AT a meeting of the Executive Council held in the Executive Council Chambers, at Perth, on 2 August 1988, the following Orders in Council were authorised to be issued.

Local Government Act 1960

ORDERS IN COUNCIL

WHEREAS by section 288 of the Local Government Act 1960, it shall be lawful for the Governor on request by a Council of a Municipal District, by Order published in the *Government Gazette* to declare any lands reserved or acquired for use by the public or used by the public as a street, way, public place, bridge or thoroughfare under the care, control, and management of the Council, or lands comprised in a private street, constructed and maintained to the satisfaction of the Council, or lands comprised in a private street of which the public has had uninterrupted use for a period of not less than ten years, as a public street and if the Council thinks fit, that the Governor shall declare the width of carriageway and footpaths of the public street; and whereas the Councils mentioned in the schedule hereto have requested that certain lands named and described in the said schedule, which have been reserved for streets within the said Councils, be declared public streets: Now therefore, His

Excellency the Governor, by and with the advice and consent of the Executive Council, doth hereby declare the said lands to be public streets and such land shall, from the date of this Order, be absolutely dedicated to the public as streets within the meaning of any law now or hereafter in force.

HEALTH ACT 1911

City of Armadale

Model By-laws—Series "A"

PURSUANT to the provisions of the Health Act 1911 the City of Armadale, being a Local Authority within the meaning of the Health Act 1911, having adopted the Model By-Laws described as Series "A" made under the Health Act 1911 and as reprinted pursuant to the Reprinting of Regulations Act 1954 in the *Government Gazette* on 17 July 1963 and as amended from time to time, has resolved and determined that the adopted by-laws shall be amended as follows.

1. The principal by-laws are amended by deleting By-laws 12, 13, 14, 15, 15A and 16 of Part 1 and substituting the following—

12.—Interpretation

In this by-law and in By-laws 13 to 15 inclusive of this part unless the context requires otherwise—

- "building line" has the meaning given to it in and for the purposes of the Local Government Act 1960;
- "Chief Health Surveyor" means the Chief Health Surveyor of the City of Armadale;
- "collection time" means the collection time from time to time notified to the occupier of the premises by the local authority or its contractor;
- "kerb line" means the point where the road carriageway adjoins the road verge;
- "receptacle" means a polyethylene cart fitted with wheels and a handle and with a lid and of a capacity of 240 or 120 litres supplied by the local authority or its contractor or other type of receptacle specified or approved by the local authority;

13.—Refuse Receptacles and Collection

- (1) The occupier of every premises in the district shall—
 - (a) subject to paragraph (c) hereof, cause all refuse to be deposited in a receptacle;
 - (b) at all times keep the lid of the receptacle closed except when depositing refuse in or cleaning the receptacle;
 - (c) not deposit or permit to be deposited in a receptacle—
 - (i) more than 70 kg of refuse at any one time;
 - (ii) any material being or consisting of—
 - (A) hot or burning ashes;
 - (B) oil;
 - (C) liquid;
 - (D) paint;
 - (E) solvent;
 - (F) bricks, concrete, earth or other like substances;
 - (iii) heavy material;
 - (iv) an object which is greater in length, width or breadth than the corresponding dimensions of the receptacle or which will not allow the lid of the receptacle to be tightly closed;
 - (v) refuse which is or is likely to become offensive or a nuisance or to give off an offensive or noxious odour or to attract flies or cause fly breeding unless it is first wrapped in absorbent or impervious material or placed in a sealed impervious container;
 - (d) except for collection keep the receptacle on the premises located behind the building line, or other location approved by the Chief Health Surveyor.

(e) Collection of Receptacle—

- (i) prior to the collection time, place the receptacle between the kerb line and the premises 1 to 4 metres from the kerb line and such that it does not obstruct any footpath, cycleway or other carriageway. The receptacle may otherwise be placed at a position specifically approved by the Chief Health Surveyor, and
- (ii) after the contents of the receptacle have been removed, return the receptacle to its place of storage;
- (f) at all times keep the receptacle clean and whenever directed by the Chief Health Surveyor to do so place and keep in the receptacle a deodorant material approved by the Chief Health Surveyor;
- (g) notify the local authority within two days after the event if the receptacle is lost, stolen, damaged or become defective.

(2) Any employee of Council or its contractor collecting refuse shall return receptacles to a location as close as possible to that where they were located immediately before being emptied but not so as to obstruct any footpath, cycleway, driveway, service road or other carriageway.

(3) In the case of residential premises consisting of more than three dwellings, units or flats or premises used for commercial or industrial purposes the local authority may require the use of a receptacle or receptacles other than a polyethylene cart fitted with wheels and a handle and the occupier of those premises shall comply with and observe the direction given by the local authority.

(4) The occupier of every premises in the district who is required under sub-by-law (3) of this by-law to use a receptacle other than a polyethylene cart fitted with wheels and a handle shall—

- (a) cause all refuse to be deposited in a receptacle in a manner which is compatible with the type of receptacle used;
- (b) take all reasonable steps to prevent fly breeding in and the emission of offensive or noxious odour from the receptacle;
- (c) cause the receptacle to be located on the premises in a position where—
 - (i) it is screened so as not to be visible from a street but be readily accessible for the purpose of collection of the contents thereof;
 - (ii) it does not obstruct any footpath, cycleway, driveway, service road, or other carriageway on those premises;
 - (iii) it does not cause a nuisance to the occupiers of adjoining premises;
- (d) at all times keep the receptacle clean and whenever directed by the Chief Health Surveyor to do so, place and keep in a receptacle a deodorant material approved by the Chief Health Surveyor;
- (e) where the premises are used for the manufacture, preparation or sale of foods or any putrescible refuse emanates from the premises cause the receptacle to be cleaned with a suitable detergent and treated with a disinfectant at least once per week.

(5) The Chief Health Surveyor may direct that refuse of the type referred to in paragraph (e) of sub-by-law (4) hereof or which emanates from premises referred to in that paragraph be collected and removed more often than once per week.

(6) Where refuse emanating from premises is of a nature that the Chief Health Surveyor considers requires to be treated before being placed in a receptacle he may give directions as to the manner in which it is to be so treated and the occupier of those premises shall comply with those directions.

14.—Receptacle Ownership

A receptacle supplied by the local authority or its contractor remains the property of the local authority or its contractor, as the case may be.

15.—Removal and Disposal of Refuse

(1) A person shall not unless he is authorised by the local authority to do so remove any house or trade refuse or other rubbish from any premises in the district.

(2) Where Council provides approval pursuant to By-law 15 (1) hereof, such rubbish or refuse shall be disposed of at a refuse disposal site approved by the Executive Director of Public Health pursuant to the provisions of the Health Act 1911.

(3) By-law 18 of Part 1 of the principal by-laws is amended by deleting “cart” in the by-law heading and in line 2 and substituting “collection vehicle”.

HEALTH ACT 1911

City of Canning

Stables By-laws

PURSUANT to the provisions of the Health Act 1911, a local authority may make or adopt by-laws and may alter, amend or repeal any by-laws so made or so adopted, the City of Canning, being a local authority within the meaning of the Health Act 1911 now resolves to make the following by-laws.

1. These by-laws may be cited as the City of Canning Stables By-laws and shall come into operation on publication in the *Government Gazette* and shall apply and have operation throughout the whole of the City of Canning.

2. In these by-laws, unless inconsistent with the text or subject matter—

“Act” means the Health Act 1911.

“Approved” means approved by a Health Surveyor unless otherwise stated.

“Council” means the Council of the City of Canning.

“Dwelling House” means a building used solely for human habitation and also means any part of a building which is designed for use as a self contained unit for living purposes and is solely for human habitation.

“Health Surveyor” means a Health Surveyor appointed by the Council under the Act.

“Habitable Room” as defined in the Western Australian Uniform Building By-laws.

“Horse” means a stallion, mare, gelding, pony, colt, filly or foal and includes an ass, mule and any beast of whatever description used for burden or draught or for carrying persons.

“Other Zone” means any other zone where the Council grants temporary use under Clause 20A of the Scheme.

“Stable” means a building for the keeping, caring and feeding of a horse.

“Stall” means a single compartment for one animal in a stable.

“Residential/Stable Zone” has the meaning as described by the Scheme.

“Scheme” means the City of Canning Town Planning Scheme No. 16 (as amended).

“Shelter” means a free standing structure used for the purpose of sheltering a horse.

“Special Rural & Rural Zone” has the meaning as described by the Scheme.

“Yard” means an area where horses are contained by a fence or rails.

3. As from and after the date of this by-law coming into operation—

(1) No person shall keep any horse within the City of Canning except in a stable registered under this by-law.

(2) No person shall keep in any stable a greater number of horses than the number for which such stable is registered except in the case of a foal at foot under the age of 12 months.

(3) Registration shall only be granted in the name of the owner of the property or an occupier holding a lease on the property on which the stable is situated.

(4) No person shall keep a horse on a lot unless the lot contains a residence which is occupied by the person responsible for the horse.

(5) No person shall stable a horse on a lot except in compliance with the following—

(a) Residential Stable Zone—

(i) Not more than 4 horses on a lot of less than 1 000 sqm.

(ii) Not more than 12 horses on a lot between 1 000 and 2 000 sqm.

(iii) On a lot in excess of 2 000 sqm where more than 12 horses are proposed special approval from Council is required.

(b) Other Zone—

(i) Horses are prohibited on a lot less than 1 000 sqm.

(ii) A lot in excess of 1 000 sqm, 1 horse for the first 1 000 sqm plus 1 additional horse for every 500 sqm in excess thereof.

(c) Special Rural and Rural Zone—

Not more than 1 horse per 2 000 sqm.

(6) No person shall keep a horse within the City of Canning unless there is a constant supply of water and food available.

4. (1) Every person required by these by-laws to register any premises as a stable shall make application in the form prescribed for that purpose in the Schedule hereto. With every application for original registration there shall be lodged in respect of the premises for which registration is applied such plans, drawings and particulars as the Council may require.

(2) Application for the renewal of any registration shall be made annually during the month of December, and the certificate of registration then in force shall be lodged with the said application.

(3) If any person in whose name a stable is registered desires to have the same transferred to any other person then the proposed transferee shall make application in the form prescribed for the purpose in the Schedule hereto and such application shall be lodged with the Council, together with a transfer fee as per the Schedule hereto.

If the Council approves such application it shall register the stable in the name of the transferee.

5. Upon receipt of such application the Council shall cause such premises to be inspected by the Health Surveyor and reported upon in respect to the sufficiency of such premises, the condition thereof as to repair and cleanliness and such matters as are required by these by-laws.

6. If upon such an application for registration or renewal of registration, and a report being submitted to the Council, it shall appear to the Council that such application for registration shall be granted, it shall, upon being paid the registration fee hereinafter prescribed, register with or without conditions, such premises as a stable.

7. Every registration or renewal of registration hereunder shall be in force until 31 December next, after the making hereof, and thereafter during the period of every annual renewal and no longer, but may be sooner suspended or cancelled by the Council upon conviction for breach of any of the by-laws, orders or regulations to which the same is subjected.

8. For every registration and every renewal thereof there shall be paid to the Council by the person for which such registration is made, a fee as per the Schedule hereto.

9. Every stable in respect to which application is made for registration must fulfil the following requirements—

- (1) (a) The construction of stables and its situation with respect to adjacent building must be in accordance with the Uniform Building By-laws and the Town Planning Scheme of the City, but the Council may, if it thinks fit, waive strict compliance with this requirement with respect to any stable in existence prior to the day of the by-law coming into force; except in accordance with By-law 9 (2) (a), (b), (c), (d) and (e).
- (b) The construction of all stables and associated building must be built in brick-work and provided with a 75 mm minimum concrete floor raised 75 mm above the surrounding surface or other approved material and graded to the external opening except in accordance with By-law 9 (2) (a), (b), (c), (d) and (e).
- (c) Every stable shall have an area of not less than 11 sqm and walls not less than 3 metres, measured either horizontally or vertically; except in accordance with By-law 9 (2) (a), (b), (c), (d) and (e).
- (d) Every stable shall be constructed with full height external walls to the requirements of the Uniform Building By-laws. Partition walls between stalls shall not be less than 1.5 metres high. Full height partition walls must provide a minimum area of 0.5 square metres of permanent ventilation, not more than 300 mm below the roofline. Openings within external walls for doorways and grilles shall be fixed to the satisfaction of the Council; except in accordance with By-law 9 (2) (a), (b), (c), (d) and (e).
- (2) The construction of any stable with a sand floor may be permitted by Council, subject to—
 - (a) The site must be well drained with the highest known water table no closer than 1.2 metres to ground level or sand floor level. This may be achieved by fill and/or by drainage.
 - (b) Whether natural or imported sand, it must be clean, coarse and free from dust and clay.
 - (c) Footings to each stable shall be a minimum of 450 mm below ground level.
 - (d) The stable design must allow for the access of small machinery, such as a bobcat, into each individual stall to maintain the correct floor height. The minimum access is 1.5 m.
 - (e) The minimum floor area of each stall shall not be less than 28 sqm and walls shall not be less than 3 metres vertically or 4 metres horizontally.
 - (f) In all other respects By-law 9 (1) shall apply to the stable building.
- (3) A shelter may be erected in a "Yard" subject to the structure being approved by Council.
 - (a) A shelter shall have a minimum clear height of not less than 2.4 metres and is not required to have walls providing the roof is self supportive.

10. (1) Every stable shall be provided with a mobile or free standing fly proof manure bin or receptacle of a size, number and construction required by the Health Surveyor and into which shall be placed all wastes, inclusive of soiled bedding and manure produced on the premises, the contents of such receptacles shall be removed from the premises at no greater interval than seven days.

(2) Every stable shall have approved impervious rat-proof receptacles for the storing of horse feed such as chaff, bran, pollard, grain or seed and the like.

11. (1) No part of any stable or shelter shall be less than 10 metres from any habitable room of a dwelling house.

(2) Any feed room, gear room shall not be closer than 10 metres to any dwelling house.

12. "Yards" shall be constructed of approved material—

- (1) Any yard shall have a fence or railing at a distance of not less than 1.2 metres from the boundary of any land not in the same occupation and/or possession, and not less than 10 metres from any dwelling house on such land, except in accordance with By-law 12 (3).
- (2) Any yard shall be 10 metres from any dwelling house erected on the same lot.
- (3) Where a yard abuts a boundary fence built of unbroken brickwork with a minimum height of 1.8 metres, the yard is not required to have a rail 1.2 metres off the boundary.

13. The person in whose name the stable is registered, shall with respect to such stables—

- (1) Cause all manure and offensive litter therein to be carefully swept up once at least in every day and forthwith placed in the manure bin or receptacle.
- (2) Remove and carry away or cause to be removed and carried away from such stable the contents of the manure bin or receptacle once at least in each week, and more often if required by notice in writing from the Health Surveyor to do so.
- (3) Thoroughly clean every manure bin or receptacle after it is emptied.
- (4) Spray, or cause to be sprayed with an approved residual pesticide any surface of any building, stable or shelter when required by notice in writing from the Health Surveyor to do so.
- (5) Employ all means and adopt such precautions as may be necessary to keep the stable in a clean and sanitary condition, in good repair, and as far as possible, free from flies, rats, vermin and offensive odours.

14. Any person who makes a false statement in connection with any application under these by-laws shall be guilty of an offence.

15. Any person doing any act forbidden to be done, or failing to do any act directed to be done by these by-laws commits an offence and is liable to a penalty which is not more than \$1 000 and not less than—

- (i) in the case of a first offence, \$100;
- (ii) in the case of a second such offence, \$200;
- (iii) in the case of a third or subsequent such offence, \$500, and
- (iv) if an offence is a continuing offence, a daily penalty which is not more than \$100 and not less than \$50.

BUSH FIRES ACT 1954
City of Armadale

PURSUANT to section 38 of the Bush Fires Act 1954, the appointments of Mr E. A. Sharpe as fire weather officer and Mr H. L. Hollier as deputy fire weather officer for the City of Armadale are hereby notified.

J. W. FLATOW,
Town Clerk.

BUSH FIRES ACT 1954

Notice to all owners and/or occupiers of land in the Shire of Boulder and Town of Kalgoorlie

PURSUANT to the powers contained in section 33 of the Bush Fires Act 1954, you are hereby required on or before 31 October 1988 or within 14 days of your becoming owner or occupier of land should this be after 31 October 1988 to clear firebreaks and remove flammable material from the land owned or occupied by you as specified hereunder and to have the specified land and firebreaks clear of all flammable material from 31 October 1988 up to and including 14 April 1989.

1. Land Outside Townsites.
- 1:1 All buildings on land which are outside townsites shall be surrounded by two firebreaks not less than two metres wide cleared of all flammable material, the inner firebreak to be not more than twenty metres from the perimeter of the building or group of buildings and the outer firebreak not less than 200 metres from the inner firebreak.
- 1:2 To remove flammable material from the whole of the land between the firebreaks required in paragraph 1:1 above.
2. Land in Townsites.
- 2:1 Where the area of land is 2 000 square metres (approximately half acre) or less, all flammable material shall be removed from the whole of the land.
- 2:2 Where the area of land exceeds 2 000 square metres, firebreaks at least three metres in width shall be cleared of all flammable material immediately inside and along the boundaries of the land. Where there are buildings on the land, additional firebreaks three metres in width shall be cleared immediately surrounding each building.
- If it is considered for any reason to be impractical to clear firebreaks or remove flammable material as required by this notice, you may apply to the Council or its duly authorised Officer not later than 15 October 1988 for permission to provide firebreaks in alternative positions or take alternative action to remove or abate fire hazards. If permission is not granted by Council or its duly authorised Officer, you shall comply with the requirements of this notice.

"Flammable material" does not include green growing trees or green growing plants in gardens.

If the requirements of this notice are carried out by burning, such burning shall comply with the relevant provisions of the Bush Fires Act.

The penalty for failing to comply with this notice is a fine of \$400 and a person in default is also liable, whether prosecuted or not, to pay cost of performing the work directed in this notice, if it is not carried out by the owner or occupier by the date required by this notice.

The prohibited burning periods will be—

1. within the gazetted Kalgoorlie-Boulder Fire District from 15 December 1988 to 14 April 1989, inclusive.
2. outside the Kalgoorlie-Boulder Fire District from 1 September 1988 to 30 April 1989.

By Order of the Council,

R. G. HADLOW,
Shire Clerk,
Shire of Boulder.

A. BILICZKA,
Town Clerk,
Town of Kalgoorlie.

BUSH FIRES ACT 1954

Shire of Cranbrook

Notice to all owners and/or occupiers of land within the Shire of Cranbrook

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required on or before 15 November 1988, to plough, burn, scarify, cultivate or otherwise clear, and thereafter maintain free of all inflammable material until 15 April 1989 in the following positions and of the following dimensions on the land owned or occupied by you.

1. Rural Land (ie all land within the Shire of Cranbrook other than within a townsite)—

(a) Firebreaks not less than two and one half (2.5) metres (eight feet) wide—

- (i) Immediately inside all external boundaries of cleared land except where neighbours jointly agree to maintain a single firebreak along their common boundary provided that the brigade captain is given written notification signed by both parties. To avoid any obstructions or erosion prone areas this may be varied up to 200 m from the external boundary; and
- (ii) Immediately surrounding any part of the land used for pasture and or crop, intended for harvest; and
- (iii) immediately surrounding all buildings, haystacks and fuel drums situated on the land; and
- (iv) immediately surrounding any drum or drums situated on the land which are normally used for the storage of fuel, whether they contain fuel or not.

(b) All owners or occupiers of land which exceeds 20 hectares (50 acres) in area shall own and maintain a mobile fire fighting unit with a capacity of not less than 400 litres of water.

2. Townsites (all land within the Shire of Cranbrook which is within a townsite)—

- (i) where the area of land is 2 000 square metres or less, remove all inflammable material from the whole of the land;
- (ii) where the area of land exceeds 2 000 square metres, clear of all flammable material, firebreaks at least two and one half (2.5) metres wide immediately inside all internal boundaries of the land and also immediately surrounding all buildings and/or haystacks, fuel ramps and any drum or drums normally used for storage of fuel (whether they contain fuel or not) situated on the land.

If it is considered to be impracticable for any person to clear firebreaks as required by this notice, you may apply to the Council, or its duly authorised officer (Mr Ron Denney, Chief Bushfire Control Officer 34 3049) not later than 31

October 1988, for permission to provide firebreaks in alternative positions on the land. If permission is not granted by the Council or duly authorised officer, you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is \$400 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice, if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fire Act.

BUSH FIRES ACT 1954

Shire of Chapman Valley

Notice to owners and occupiers of land

Firebreaks

PURSUANT to the powers contained in the Bush Fires Act 1954, section 33, owners and occupiers of land within the Shire of Chapman Valley are hereby required to carry out the following work.

(a) Rural Land (i.e. land other than in a townsite)—

- (1) Plough, cultivate, scarify or otherwise clear firebreaks not less than two metres wide inside and along and within 21 metres of all external boundaries, and
- (2) in such other positions as it is necessary, to divide crop or pasture land in Zone 2 in excess of 400 hectares into areas not exceeding 400 hectares and in Zone 4 in excess of 200 hectares into areas not exceeding 200 hectares, each completely surrounded by a firebreak, and
- (3) in Zone 4 only, immediately surrounding every area of crop not exceeding 100 hectares of small paddocks or 200 hectares in one paddock, and
- (4) notwithstanding the above, every area of crop is to be divided from pasture or bush by a firebreak.
- (5) Within 100 metres of the perimeter of all buildings, bulk and drum fuel deposits and haystacks on the land so as to completely surround the building, fuel deposit and haystack, and
- (6) prepare firebreaks of not less than twenty metres wide around the perimeter of any scrub or timber which has been logged, chained or otherwise prepared for burning.

- (b) Townsite Land (i.e. land within any townsite)—

(1) Clear of all inflammable material the whole of the area where—

(i) The area of land is 2 024 square metres (half acre) or less, or

(ii) The land is used for the storage of inflammable liquids, or

(iii) There is a hotel or tavern situated thereon.

(2) If the area of land exceeds 2 024 square metres (half acre) clear of all inflammable material firebreaks at least 2 metres wide immediately inside all external boundaries of land and also immediately surrounding all buildings or haystack situated on the land.

All firebreaks required by the foregoing must be prepared in—

Zone 2—On or before 30 September 1988 and thereafter maintained clear of all inflammable material until 15 March 1989.
- Zone 4—On or before 21 October 1988, and thereafter maintained clear of all inflammable material until 29 March 1989.

If it is considered impracticable for any reason to clear firebreaks in the position required by this notice, the approval of the Council or its duly authorised Officer must be obtained to provide them in an alternative position.

The penalty for failing to comply with this notice is a fine not exceeding \$400 and a person in default is liable whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the dates required by this notice.

By order of the Council.

R. A. SCOTT,
Shire Clerk.

3. Adding after Part VII—
Part VIIA—Home Occupations
Aims and Objectives
- 138A. In considering an application for Town Planning approval of a home occupation, the Council, in addition to any other matter it is

- required or permitted to consider, shall have regard to the following objectives—
- (a) the need to ensure that the use of land for any home occupation is small in scale and unobtrusive and compatible with surrounding buildings and uses;
- (b) the protection of the character and amenity of the locality;
- (c) the need to ensure that the home occupation does not prejudicially affect the amenity of the locality by reason of noise, vibration, smell, fumes, smoke, vapour, steam, soot, ash, dust, grit, oil, waste water, waste products or increased numbers of vehicle movements, and
- (d) to achieve the aims and objectives specified by the Scheme with respect to the Zone within which the home occupation is proposed.

Development Requirements

138B. (1) No owner or occupier of land used for the purpose of the home occupation shall permit or suffer—

- (a) more than two persons; and
- (b) more than one person other than an occupier of the land,

to carry on, conduct or engage in the home occupation.

(2) No owner or occupier of land used for the purpose of a home occupation shall permit or suffer any vehicle which is used in connection with the home occupation to be kept on the land unless—

- (a) the vehicle is not more than 6 metres long; 2.0 metres wide and 2.3 metres high; and
- (b) the vehicle cannot be seen from any street.

(3) On land used for the purpose of a home occupation, no person shall place any advertisement, advertising hoarding, illuminated sign or other advertising device or erection, with respect to or in connect with the home occupation.

(4) (a) Subject to paragraph (b) of this sub-clause, no owner or occupier of land used for the purpose of a home occupation shall permit any advertisement, advertising hoarding, illuminated sign, or other advertising device or erection, with respect to or in connection with the home occupation, to remain on the land.

(b) Nothing in paragraph (a) of this sub-clause shall prohibit any advertisement, advertising hoarding, illuminated sign, or other advertising device or erection, with respect to or in connection with the home occupation, from remaining on the land at any time prior to 1 January 1989.

(5) Not more than 20 square metres of any lot may be used for the purpose of a home occupation.

P. GALLAGHER,
Deputy Mayor.
R. F. DAWSON,
Town Clerk.

All uses the subject of this Clause shall be located so as to be not visible from the surrounding streets and no sign advertising the uses shall be permitted so as to be visible from the surrounding streets.

- 2.6 Inserting the following after Clause 2.3.5—

2.4 Office Park

2.4.1 Intent of Sub-Zone—

The intention of the Office Park Sub-Zone is to permit the development of a major office complex for administrative, professional and service purposes and as an extension of the Mirrabooka Regional Centre. Ancillary uses shall be limited in number, type and size to a scale consistent with that necessary to serve the workforce within the Office Park.

2.4.2 Concept Plan—

Before approval is granted to any development within the Office Park under the provisions of Clause 1.3.5.1, a Concept Plan is to be submitted and approved by the Council.

The Concept Plan shall address the following—

The gross floor area and uses of all building;

The location, height, form and external finishes of all building;

The location, number, type, size and manner of operation of ancillary uses;

The location and extent of parking to be provided;

The location, method of treatment and maintenance of landscaped areas and on-site open space;

The provisions to be made for accommodating traffic movements both on and off the site;

The provisions to be made for integrating the development with the adjoining Mirrabooka Regional Centre;

The proposed staging of the development and projected timing; and

Such other matters as shall be required by the Council.

Upon the preliminary approval of the Council, the Council shall advertise that the Concept Plan is available for public inspection and lodgement of any objection thereto in accordance with the provisions of Clause 1.3.5.3 (i).

The Concept Plan finally adopted by the Council shall be the basis for approval of subdivision and development applications within the Sub-Zone.

2.4.3 Amendment of Concept Plan—

An amendment proposed to the adopted Concept Plan shall be subject to the provisions of Clause 2.4.2 of Schedule 8 except

where the Council is of the opinion that the amendment is of a minor nature.

2.4.4 Amendment of Schedule 8—

Following adoption of the Concept Plan, it is the intent that this Schedule be amended with the object of specifying provisions relating to—

Maximum plot ratio;

Maximum building height;

Minimum on-site open space and landscaping; Minimum boundary setbacks to buildings and parking areas;

The limitation of uses other than or ancillary to the use of office; and

Other matters as considered appropriate by the Council.

- 2.7 Amending Plan 1 of Schedule 8 “Mirrabooka Regional Centre—Sub-Zones” and the legend thereon to include the aforementioned lots or portions thereof and streets as the Sub-Zone “Office Park”.

(i) 7.5 m to a street alignment, and
(ii) 4 m to any other boundary.
 - Notwithstanding Table 1 of the Residential Planning Codes, a person may construct two single houses on a site within the Rural Zone if—
(i) the area of the site is not less than 1 ha;
- both buildings will be erected in a position that complies with all other provisions of the scheme; and
 - the Council is of the opinion that, in the circumstances of each case, the construction of two buildings on the site should be permitted.
20. In the first entry to Schedule 8, delete Clause (b) and substitute the following—
(b) All buildings shall be set back and developed in accordance with the requirements of this Scheme, save that—
(i) all dwellings within a precinct shall be constructed within the limits of the building envelope depicted for each lot on the Development Plan and;
(ii) Outbuildings may be constructed outside the limits of the building envelope provided that such buildings comply with special provision (c) of Part 1 of this Schedule.

Applications

Applications for the award of a permit over any of the above areas are required to be made in the approved manner, submitted in duplicate and should be accompanied by—

(a) details of—

- (i) the applicant's assessment of the petroleum potential of the area, including a geological and geophysical review and technical assessment of the area, and the concepts underlying the proposed exploration programme;
- (ii) the minimum work programme proposed for each of the five years, specifying the number of wells to be drilled, the line kilometres of seismic survey to be carried out and the estimated expenditure;
- (iii) wells referred to in the work programme should not include development wells (the AAPG well classification scheme will be the basis of identification).

(b) Particulars of—

- (i) the technical qualifications of the applicant and of its employees;
 - (ii) the technical advice available to the applicant;
 - (iii) the financial resources available to the applicant, including evidence of the applicant's ability to fund the work programme proposed, and a copy of the latest annual report for each applicant company;
 - (iv) where relevant, the viability of the consortium lodging the application, including evidence that a satisfactory settlement has been, or can be, reached on a Joint Operating Agreement (a copy of a Heads of Agreement dealing will generally suffice);
 - (v) the percentage participating interest of each party to the application; and
 - (vi) a single address for service of notices in respect of the application.
- (c) A fee of \$3 000, payable to the Department of Mines through an Australian bank or bank cheque, is required.
- (d) Such other information as the applicant wishes to be taken into account in consideration of the application.

If applications are submitted for more than one area an order of preference should be stated.

Award of permits will be based upon the adequacy of the work programme for the first two years of the permit term. The successful applicant will be required to fulfil the minimum commitment for each of those years without variation. This is known as the firm commitment phase, however the balance of the programme can be negotiated according to the results of prior exploration.

Applications made on the approved form are to be addressed to—

Applications

Applications for the award of a permit over any of the above areas are required to be made in the approved manner, submitted in duplicate and should be accompanied by—

- (a) Details of—
- (i) the applicant's assessment of the petroleum potential of the area, including a geological and geophysical review and technical assessment of the area, and the concepts underlying the proposed exploration programme;
 - (ii) the applicant's minimum guaranteed proposal (in terms of operational activity and indicative minimum expenditure) for data evaluation, seismic surveying activities and exploration wells to be drilled, on the basis that none of the wells drilled encounters significant hydrocarbons, for each year of the first three years of the permit term. This proposal, to be known as the minimum guaranteed "dry hole" work programme, should only include work expected to involve a substantial exploration component—appraisal work should not be included;
 - (iii) the applicant's proposal (in terms of operational activity and indicative minimum expenditure) for data evaluation, seismic surveying activities and exploration wells to be drilled, for each of the remaining three years of the permit term. This proposal, to be known as the "secondary" work programme, should only include work expected to involve a substantial exploration component—appraisal work should not be included.
- (b) Particulars of—
- (i) the technical qualifications of the applicant and of its employee;
 - (ii) the technical advice available to the applicant;
 - (iii) the financial resources available to the applicant, including evidence of the applicant's ability to fund the work programme proposed, a statement of other exploration plans and commitments over the next six years, and a copy of the latest annual report for each applicant company;

- (iv) where relevant, the viability of the consortium lodging the application, including evidence that a satisfactory settlement has been, or can be, reached on a Joint Operating Agreement (a copy of a Heads of Agreement dealing will generally suffice);

(v) the percentage participating interest of each party to the application; and
- (vi) the business address for service of notices in respect of each applicant.

(c) Such other information as the applicant wishes to be taken into account in consideration of the application including, for example, past performance in offshore exploration either in Australia or overseas; past performance and future intentions as to the

sourcing of goods and services to be used in operations; evidence of recent willingness to apply for "frontier" exploration areas, such as previously unavailable areas, deeper water prospects, hostile environments; proposals to improve technical capabilities through research to be undertaken in Australia or overseas, and, in the case of foreign companies, proposals to transfer technology and skills to Australians.

- (d) A fee of \$3 000, payable to the Commonwealth of Australia through an Australian bank or bank cheque, is required for each area (see section 21 (1) (f) of the Petroleum (Submerged Lands) Act 1967).

Further details of the modified work programme bidding system outlined above, including the criteria for assessment of applications and the conditions to apply following the award of a permit, are available from the Director, Petroleum Division, Department of Mines in Perth and from the Petroleum Division, Department of Primary Industries and Energy in Canberra.

It should be noted that any income derived in the future from the recovery of petroleum from these areas will be subject to the Commonwealth Government's Resources Rent Tax.

Applications together with relevant data should be submitted in the following manner to—

Director Petroleum Division,
Department of Mines
Mineral House, 100 Plain Street,
Perth, Western Australia 6000.
Telephone (09) 222 3273
Facsimile (09) 222 3515

before 4.00 pm Friday, 20 January 1989 in an envelope or package clearly marked "Application for Area . . . Commercial-in-Confidence" enclosing two copies of the application, supporting material and the application fee for each area and the application should be sealed and marked as described above, then enclosed in a plain covering envelope or package and delivered by hand or posted to the above address.

Inquiries concerning the availability of the relevant basic exploration data should be addressed as follows—
