Master Policy

WHEREAS the Settlement Agents Supervisory Board (hereinafter called "the Board") has agreed to the State Government Insurance Corporation trading as SGIO (hereinafter called "SGIO") on behalf of all licensees from time to time required by the Act to be insured and on behalf of and for the benefit of former licensees to provide insurance in accordance with the terms, conditions and exclusions contained herein.

And whereas the licensees (hereinafter called "the insured") named in the certificate of insurance having paid to the SGIO the premium stated in the certificate of insurance to effect insurance with the State Government Fire Marine and General Insurance Fund.

The SGIO agrees—

Section 1: Professional Indemnity

To indemnify the insured (which expression shall in this section 1 only include any person or persons in the direct employ of the insured) against any claim or claims which may be made against the insured during the period of insurance for breach of professional duty by reason of any negligent act, error or omission whenever or wherever committed or alleged to have been committed by the insured in the conduct of the business conducted by or on behalf of the insured in a professional capacity.

Section 2: Fidelity

To indemnify the insured against pecuniary loss which the insured shall, during the period of insurance, discover that they have sustained in consequence of any dishonest or fraudulent act or omission of any person, either acting alone or in collusion with others, in the direct employ of the insured and in connection with the business of the insured.

Provided that the liability of the SGIO shall not exceed in the aggregate in respect of each claim (including claimant's costs) the limit of liability stated in Memorandum 7 and in addition all costs and expenses incurred with the consent of the SGIO in the defence or settlement of any such claim, provided that, if a payment in excess of the said limit of liability is made to dispose of any such claim, the SGIO liability for any such costs and expenses so incurred shall be limited to such proportion thereof as the said limit of liability bears to the amount of the payment so made.

Provided further that in respect of each claim there shall be deducted from the amount of such claim, as finally determined, the amount of the deductible stated in Memorandum 8 and the liability of the SGIO shall be limited to the amount, if any, in excess of such deductible but not exceeding the limit of liability stated in Memorandum 7.

Exclusions Applicable to Section 2

The SGIO shall not be liable under this policy in respect of or in relation to any person acting alone or in collusion with others—

1. for more than the limit of liability stated in Memorandum 7 notwithstanding that such fraudulent or dishonest act or acts were committed by such person during more than one period of insurance;
2. for any loss, or to that part of any loss, as the case may be, the proof of which either as to its factual existence or as to its amount, is deduced from an inventory computation or a profit and loss computation; provided, however, that this exclusion shall not apply to loss of money or other property which the insured can prove, through evidence wholly apart from such computations, was sustained by the insured through any fraudulent or dishonest act or acts committed by any one or more of such persons;
3. for any loss arising from any fraudulent or dishonest act or acts committed by such person after the insured shall have knowledge or information of any act of fraud or dishonesty on the part of such person;
4. for any loss arising from the complete or partial non-payment of, or default upon any loan, extension of credit or transaction in the nature of, or amounting to, a loan, obtained from or made by the insured or by any of the employees whether authorised or unauthorised unless such loss results from fraud or dishonesty on the part of any of the employees;

General Exclusions

1. This policy does not cover—

- (a) any loss brought about by, or contributed to by the insured's own dishonest, fraudulent, criminal or malicious act or omission.

- (b) any loss arising directly or indirectly caused by or contributed to by or arising from—

- (i) ionising radiations or contamination by radio-activity from any nuclear fuel or from any nuclear waste from the combustion of nuclear fuel.
- (ii) war, invasion, acts of foreign enemies, hostilities (whether war be declared or not), civil war, rebellion, revolution, insurrection, military or usurped power or martial law.

2. The SGIO shall not indemnify the insured in respect of any loss arising out of any claim in respect of any liability incurred in connection with a business conducted wholly outside the State of Western Australia or in respect of an act or omission occurring outside the State of Western Australia in connection with a business conducted principally outside the State of Western Australia.

3. Any circumstances or occurrence which has been notified under any other insurance attaching prior to the commencement date of the certificate of insurance.

4. Notwithstanding anything contained herein to the contrary, no indemnity shall be provided under this policy in respect of any act, error or omission committed or alleged to have been committed by the insured prior to the commencement date of the certificate of insurance and which the insured at the commencement date knew or ought to have known could give rise to a claim or claims against the insured.

Definitions

In this Policy—

1. "Act" means The Settlement Agents Act 1981 as from time to time in force.
2. "Business" means the business of a settlement agent as defined in the Act, under the name stated in the certificate of insurance or such other name notified to the office from time to time.
3. "Licensee" has the same meaning as in the Act.
4. "Each claim" shall mean all claims arising from the same act, error or omission.
5. "Insured" means the licensee, firm or the related business.
6. "Commencement date" means the date as of which the certificate of insurance becomes effective.
7. "Firm" means the person or persons carrying on the business from time to time.
8. "Former licensee" means any licensee who has ceased to carry on business as a principal, and his legal representatives.
9. "Period of insurance" means the period so specified in the certificate of insurance.
10. "Related business" means any service, administrative or nominee company or other person entity or trust associated with or providing services to the business and specified in the certificate of insurance or notified in writing to the office and not being a firm carrying on a business.

Interpretation

1. The terms "insured", "licensee", "firm" and "business" shall be read as if they were separately defined in each insurance effected by the issue of a certificate of insurance and were defined by reference to the firm referred to in the respective certificate of insurance.

2. This master policy and every certificate of insurance shall be governed by and construed according to the laws of the State of Western Australia.

Memoranda

1. Currency of Master Policy: This master policy commences on 1 November 1987 and shall continue until 1 November 1988 and may thereafter be extended for such further periods and with such variation as may be agreed between the SGIO and the Board.

2. Premium: The premium payable for the issue of a certificate of insurance to a licensee for the limit of liability shall be as agreed between the SGIO and the Board.

3. Premium payable by new licensee: A licensee which commences business other than at the commencement of a year of insurance under the master policy shall pay in order to obtain insurance in respect of the business of that licensee a premium equal to the premium payable by a licensee reduced pro rata for every whole month by which the period of insurance is less than 12 months.

4. Issue of certificates of insurance: The SGIO will issue certificates of insurance annually in the form of the schedule hereto on receipt of the premiums payable in accordance with Memorandum 2 above to licensees who are required by the Act to be insured.

5. Effect of certificate: Each certificate when issued shall have effect as if it were a separate policy of insurance made between the SGIO and the insured in the terms of the certificate and of this policy.

6. Insurance of former licensees: A former licensee who has at any time been insured hereunder or whose successors in business have at any time been insured hereunder shall be entitled to be indemnified by the Office in respect of any claim or claims first made against him during the currency of this policy as if a certificate of insurance had been issued to him hereunder and as if there were specified in such certificate—

- (a) As the period of insurance the period during which this policy shall be in force; and
- (b) As the limit of liability the sum of \$250 000.

7. Limit of liability: The limit of liability for each claim shall be \$250 000.

8. Deductible: The SGIO shall not be liable to indemnify the insured in respect of the first \$1 500 of each claim.

9. Variation by agreement: The Board and the SGIO may by agreement vary any of the terms of this policy other than the terms of Memoranda 2, 7 and 8 as above with respect to any certificate of insurance which is issued after the effective date of such variation. The effective date of variation shall be the date nominated in the agreement being a date not earlier than the date the agreement is made.

10. No refusal of cover: The SGIO may not refuse any cover pursuant to this master policy to any licensee.

11. Cross liability (applicable to section 2 only): The word "insured" shall be deemed to apply to each person comprising the insured in the same manner as if a separate policy had been issued to each of them and the act or omission of one shall not prejudice the right of any other to indemnity under this insurance but the total liability of the SGIO in respect of all the individuals and entities comprising the insured shall not exceed the limit of liability as stated in Memorandum 7 above.

General Conditions

1. No admission or settlement, conduct of matter: The insured shall not admit liability for or settle any claim or incur any costs or expenses in connection therewith without the written consent of the SGIO. The SGIO shall be entitled at its own expense at any time to take over and conduct in the name of the insured the defence or settlement of any claim.

2. Notice of claims: The insured shall give notice to the SGIO in writing as soon as practicable of any circumstances giving rise or likely to give rise to a claim under this policy and the insured shall—

- (a) within 14 days from the date of such notice (unless the SGIO has in writing agreed to extend such period) deliver to the SGIO a detailed statement in writing of the loss sustained;
- (b) at all reasonable times permit the SGIO or its agents to inquire into, investigate and examine the circumstances of the alleged loss by the insured, and the claim in respect thereof, and the insured shall, at his own expense upon being required so to do by the SGIO or its agents, produce all books, vouchers, correspondence, documents, receipts, and all other information relating to the alleged loss in his possession or control, and shall furnish copies of such of them and otherwise give all possible assistance as may be required by the SGIO so far as they relate to such claim or may in any way enable the SGIO or its agents to ascertain the correctness thereof or the liability of the SGIO under this Policy;

- (c) effect of giving notice of circumstances: If a notice of circumstances is given to the SGIO under the preceding clause either by or on behalf of the insured or by or on behalf of his successors in business any claim subsequently made (whether before or after the expiration of the period of insurance) pursuant to such an intention to claim or arising from circumstances so notified shall be deemed to have been made on the date when such notice was given.

3. Other insurance: The SGIO shall be liable only for that part of any loss which is in excess of the amount recoverable or recovered from any other insurance or indemnity which is available to the insured covering such loss.

4. Fraud: If the insured shall prefer any claim knowing the same to be false or fraudulent, as regards amount or otherwise, this policy shall become void and all claim hereunder shall be forfeited.

5. Recoveries: If the insured shall sustain any loss covered by this policy which exceeds the limit of liability stated in the said schedule, the insured shall be entitled to all recoveries (except from suretyship, insurance, reinsurance, security or indemnity taken by or for the benefit of the SGIO) by whomsoever made on account of such loss under this policy until fully reimbursed less the actual cost of effecting the same and any remainder shall be applied to the reimbursement of the SGIO.

6. Subrogation: If any payment is made under this policy in respect of a claim, the SGIO shall be subrogated to all the insured's rights of recovery in relation thereto.

The SGIO shall not however exercise any such rights against any employee of the insured unless the claim has been brought about or contributed to by the dishonest, fraudulent, criminal or malicious act or omission of the employee.

7. Right of office upon breach or non-compliance: Where the insured's breach of or non-compliance with any term or condition of this insurance has resulted in substantial prejudice to the handling or settlement of any claim against the insured in respect of which the insured is insured hereunder the insured shall reimburse to the SGIO the difference between the sum payable by the SGIO in respect of that claim and the sum which would have been payable in the absence of such prejudice provided always that it shall be a condition precedent of the right of the SGIO to seek such reimbursement that they shall have fully indemnified the insured in accordance with the terms hereof.

8. Queen's Counsel clause: The SGIO agrees to pay claims which may arise under this insurance without requiring the insured to dispute any claim unless a Queen's Counsel (to be mutually agreed upon by the insured, the firm and the SGIO) advises that the claim could be contested with a reasonable prospect of success by the insured and the insured or the firm consents to such claim being contested, but such consent is not to be unreasonably withheld. In the event of any dispute arising between the insured, the firm and the SGIO as to what constitutes an unreasonable refusal to contest a claim the chairman for the time being of the Board shall nominate a referee to decide this point only and the decision of such a referee shall be binding on all parties.
