## BUSH FIRES ACT 1954

(Section 33)

Shire of Wyndham-East Kimberley

Notice to all owners and/or occupier of land in the Shire of Wyndham-East Kimberley.

PURSUANT to the powers contained in Section 33 of the above Act, you are hereby required, on or before 1 June 1989 to have firebreaks clear of all inflammable material in accordance with the following—

1. Rural Lands, being all land within the Ord River Irrigation area, firebreaks are required to be—
  - (a) Not less than two metres wide inside and along and as close to external boundaries as is possible.
  - (b) Not less than two metres wide and within three metres of the perimeter of all building and/or haystacks or groups of buildings.

NOTE: This requirement need not be met if the property is being worked and provided the Irrigation Channels are in use.

2. Pastoral Lands, being land outside the townsite of Wyndham and Kununurra, held under a Pastoral Lease, and not included in (1) above.
  - (a) Firebreaks are required to be a distance of not less than two metres wide and within three metres of building and/or haystacks or groups of buildings.
3. Townsite Land—
  - (a) Where the area is 2000 square metres or less remove all inflammable material from the whole of the land.
  - (b) Where the area of land is greater than 2000 square metres, a firebreak of not less than two metres in width, immediately surrounding any buildings or not less than two metres in width inside and along the whole of the external boundaries of the land is required.

4. Rural Lands, outside townsites and not being land held under a Pastoral Lease, this includes Pack-saddle Plains, Crossing Falls and Riverfarm Road Subdivisions. Firebreaks are required to be:
  - (a) Not less than four metres wide inside, along and within ten metres of external boundaries.
  - (b) Not less than two metres wide and within three metres of the perimeter of all buildings and/or haystacks or groups of buildings.

5. Rubbish Sites, being all rubbish sites for pastoral station, townsite and community use. Firebreaks are required to be not less than two metres wide and within three metres of the perimeter of the rubbish site.

6. Fuel Dumps and Depots—remove all inflammable material from all land where fuel drum ramps or dumps are located and where fuel drums, whether containing fuel or not, are stored to a distance of at least five metres outside the perimeter of any drum, ramp or stack of drums.

7. The acts referred to in paragraphs (1) to (6) hereof must be performed to the satisfaction of the duly authorised person appointed by the Shire of Wyndham-East Kimberley.

8. If it is considered impracticable for any reason to clear firebreaks or to remove inflammable material from the land as required by this notice you may apply to this Council or its duly authorised office not later than 24th May 1989 for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land.

9. The penalty for failing to comply with this notice is a fine of \$400 or a prescribed penalty of \$40.00 on service of an infringement notice and a person in default is also liable whether prosecuted or not to pay the cost of performing the work.

Dated this 26th day of April 1989.

By order of the Council,

M. N. BROWN,  
Shire Clerk.

The location of the above works is shown on plan BM13-0-3, which accompanies this notice.

The purpose of the proposed works is to provide water storage and increased supply pressure for the Cable Beach area.

Further enquiries may be made and plans of the proposed works may be inspected at the Customer Services Branch of the Water Authority, John Tonkin Water Centre, 629 Newcastle Street, Leederville, or at the Water Authority Offices in Karratha, Kununurra and Broome and also the Broome Shire Office between the hours of 8.30 am and 5.00 pm Monday to Friday.

## Note

Section 89 of the Water Authority Act 1984 provides that any person or council interested may lodge a written objection with the Water Authority against the provision or construction of the proposed work. All objections to the proposed works must be lodged by the close of business on May 26 1989, and be addressed to the Regional Manager, North West, Water Authority Office, Welcome Road, Karratha W.A. 6714.

After the period for receipt of objections has expired and the objections, if any, have been met by amendment of the proposal or are not sufficient to cause the proposal to be amended when considering the general public interest, the Minister may make a notice of Authorization which is published in the *Government Gazette* authorising the Water Authority to carry out the construction or provision of the proposed works.

H. J. GLOVER,  
Managing Director.

- (b) is medically fit to drive and operate locomotives on mine railways;
- (c) has had experience under direct supervision of a certified locomotive driver as specified in subregulation (2) for—
  - (i) in the case of a person who holds a certificate of competency issued under the *Occupational Health, Safety and Welfare Regulations 1988* for the driving of steam locomotives or for the operation of internal combustion engines, at least 6 months;
  - (ii) in the case of a person who holds certificates of competency under those Regulations for both the driving of steam locomotives and the operation of internal combustion engines, at least 3 months; and
  - (iii) in any other case, at least 9 months;
- (d) has passed a written and oral examination, prescribed by the State Mining Engineer after considering the advice of an examinations advisory panel in the Department, about the parts of diesel locomotives, including braking systems, and their operation; and
- (e) was on the date of that examination at least 21 years of age.
- (2) The experience under direct supervision of a certified locomotive driver—
  - (a) must have included driving or assisting to drive a diesel locomotive with an engine having a combined cylinder area over 0.064 square metres for at least 12 hours every week and for at least 3 months on main line operations; and
  - (b) must have been obtained prior to the date of the examination referred to in subregulation (1) (d).

**Cancellation or suspension of a locomotive driver's certificate of competency**

20.7C. (1) The State Mining Engineer may cancel or suspend a locomotive driver's certificate of competency if he is satisfied on reasonable grounds that the holder of the certificate—

- (a) obtained the certificate by fraud;
- (b) is not a fit and proper person to hold the certificate; or
- (c) is not medically fit to drive and operate locomotives on mine railways,

but before exercising this power, the State Mining Engineer shall give the person concerned an opportunity to make a written submission.

(2) A person whose locomotive driver's certificate of competency is cancelled or suspended shall return the certificate to the State Mining Engineer.

(3) In this regulation and regulation 20.7D "locomotive driver's certificate of competency" means—

- (a) a locomotive driver's certificate of competency issued under regulation 20.7B; or
- (b) an unrestricted A class locomotive driver's certificate of competency issued under the former *Inspection of Machinery Act 1921* or the former *Machinery Safety Act 1974*.

**Replacement of locomotive driver's certificate of competency**

20.7D Where the State Mining Engineer is satisfied that a locomotive driver's certificate of competency issued to a person has been lost or destroyed, he shall issue a duplicate certificate to that person on payment of a fee of \$20. "

**Regulation 20.9 repealed and a regulation substituted**

5. Regulation 20.9 of the principal regulations is repealed and the following regulation is substituted—

“ 20.9. (1) Every train controller, member of a train crew or other person employed in any capacity where he requires a full knowledge of the operating rules, signals and signals codes shall present himself to a medical practitioner registered under the *Medical Act 1894* for examination as to his hearing, vision and fitness generally at least once in every 2 years and more frequently if required by a medical practitioner or an inspector, and in the case of an examination of a locomotive driver, the medical practitioner must be approved by the State Mining Engineer.

(2) The results of a medical examination shall be recorded in the form determined by the State Mining Engineer and forwarded to the owner or manager, or agent of the owner or manager, of the mine at which the person examined is employed.

(3) Where a medical practitioner records under subregulation (2) the opinion that the person examined is not medically fit to carry out duties in a specified class of employment—

- (a) a person shall not after that employ the person concerned or permit him to be employed in that class of employment; and
- (b) the person concerned shall not after being notified of the opinion recorded, perform any work in that class of employment. ”.

**Schedule of forms amended**

6. The Schedule of forms in the principal regulations is amended—

- (a) in the index by deleting item 23; and
- (b) by deleting both sides of Form 23.

By His Excellency's Command,

G. PEARCE,  
Clerk of the Council.
