## COMMUNITY SERVICES

At a meeting of the Executive Council held in the Executive Council chambers at Perth the 23rd day of January 1990, the following Order in Council was authorised to be issued.

Child Welfare Act 1947

### ORDER IN COUNCIL

Whereas it is enacted by section 19 of the Child Welfare Act 1947, the Lieutenant-Governor and Administrator may by Order in Council (*inter alia*) appoint a Special Magistrate or Special Magistrates for any Court or Courts established under that section and may, in like manner, amend, vary or revoke any appointment made under that section: and whereas it is now expedient that those powers should be exercised in the matter hereinafter appearing: Now, therefore, His Excellency the Lieutenant-Governor and Administrator acting with the advice and consent of the Executive Council and in exercise of the powers aforesaid, doth hereby revoke the appointments of Nicholas Tolcon, Ian Leonard Kendray Marshall and Henry John Wisbey as Special Magistrates appointed under the Child Welfare Act 1947.

G. PEARCE, Clerk of the Council.

## DAIRY INDUSTRY

### DAIRY INDUSTRY ACT 1973

It is hereby notified that, with the approval of the Minister for Agriculture, in accordance with the provisions of the Dairy Industry Act 1973 the Dairy Industry Authority of Western Australia orders as follows:

#### ORDER

The Authority fixes the undermentioned prices and rates for market milk, deemed to include unflavoured milk sold for human consumption within the State of Western Australia, including milk for ships' stores and international airlines (hereinafter embraced by the term ships' stores)

to be effective in the undermentioned dairy areas and districts as from the date of this *Gazette*.

- (a) METROPOLITAN DAIRY AREA,
- (b) SOUTH-WEST COASTAL DAIRY AREA,  
Shires of Collie, Dardanup, Harvey, Murray, Waroona.
- (c) SOUTH COASTAL DAIRY AREA.

#### MINIMUM PRICES TO DAIRYMEN:

Minimum price to be paid to dairymen by the Authority at the dairy for market milk containing not less than 11.75 per cent total milk solids as determined by Australian Standard 2300.1.1 in relation to a representative composite sample taken over a testing period; and containing not less than 3.2 per cent milk fat as determined by the infra-red absorption method in relation to the same representative composite sample at the rate of—

30.33 cents per litre for market milk sold for human consumption in areas within the State of Western Australia not constituted as dairy areas within the meaning of the Dairy Industry Act 1973 excluding ships' stores market milk, hereinafter embraced by the term, Outside Authority Area market milk;

41.90 cents per litre for other market milk;

less a maximum deduction for transport of bulk market milk determined by the Authority.

#### MAXIMUM PRICES TO AUTHORITY

Maximum price to be paid to the Authority by licencees of dairy produce premises for market milk at the rate of:

31.27 cents per litre for market milk sold as Outside Authority Area market milk;

42.84 cents per litre for market milk sold as ships' stores;

43.14 cents per litre for other market milk sold as skim milk and low-fat unflavoured milk;

44.44 cents per litre for all other market milk.

## ACCEPTANCE AND DISPOSAL OF MILK BY THE AUTHORITY

It is further determined that, where milk delivered by a dairyman—

is found to contain less than 11.75 per cent total milk solids, as determined by the aforementioned Standard Method during any testing period on a second or succeeding occasion after 1 January 1987 or a second or succeeding occasion in any subsequent quota year, milk supplied by that dairyman for the duration of that testing period will not be accepted by the Authority as market milk.

is found to contain less than 3.2 per cent milk fat, as determined by one of the aforementioned methods during any testing period on a second or succeeding occasion after 1 January 1987 or a second or succeeding occasion in any subsequent quota year, milk supplied by that dairyman for the duration of that testing period will not be accepted by the Authority as market milk.

is found by the Authority or its authorised agent on a certain day to contain antibiotic or other inhibitory substance on a second occasion after 1 January 1987 or a second occasion in any subsequent quota year, milk supplied by that dairyman for that one day will not be accepted by the Authority as market milk.

is found by the Authority or its authorised agent on a certain day to contain antibiotic or other inhibitory substance on a third or succeeding occasion after 1 January 1987 or on a third or succeeding occasion in any subsequent quota year, milk supplied by the dairyman for the duration of that testing period in which that day occurs will not be accepted by the Authority as market milk.

is found by the Authority or its authorised agent on a certain day to contain added water on the first occasion after 1 January 1987 or on the first occasion in any subsequent quota year, milk supplied by that dairyman for that one day will not be accepted by the Authority as market milk.

is found by the Authority or its authorised agent on a certain day to contain added water on a second or succeeding occasion after 1 January 1987 or on a second or succeeding occasion in any subsequent quota year, milk supplied by that dairyman for the duration of the testing period in which that day occurs will not be accepted by the Authority as market milk.

is found by the Authority or its authorised agent on a certain day to contain added solids on the first occasion after 1 January 1987 or on the first occasion in any subsequent quota year, milk supplied by that dairyman will not be accepted by the Authority as market milk for a minimum of two testing periods.

is found by the Authority or its authorised agent on a certain day to contain added solids on a second or succeeding occasion after 1 January 1987 or a second or succeeding occasion in any subsequent quota year, milk supplied by that dairyman will not be accepted by the Authority as market milk for a minimum of four testing periods.

is found by the Authority or its authorised agent on a certain day from 1 February 1987, to have a bacterial count over 50 000 bacteria per millilitre, milk supplied by that dairyman will not be accepted by the Authority as market milk as follows:

on the fourth occasion in any twelve month period—for one day;

on the fifth occasion in any twelve month period—for two days in that month;

on the sixth occasion in any twelve month period—for three days in that month;

on the seventh occasion in any twelve month period—for five days in that month;

and

on the eighth or succeeding occasion in any twelve month period—for the duration of the testing period in which that day occurs.

Where milk delivered by a dairyman is acceptable as market milk and the abovementioned prices for market milk apply, the milk is accepted by the Authority at the dairyman's registered dairy produce premises.

PROVIDED THAT nothing in the Dairy Industry Act 1973, requires the Authority to accept all or any milk delivered to it by any person; and milk delivered to and accepted by the Authority may be disposed of by the Authority to milk vendors or other persons.

The Authority hereby revokes all prices and rates fixed by any previous order of the Authority under S.49(3) of the Act.

J. L. CONNELL, Manager.

## HEALTH ACT 1911

### *Shire of Toodyay*

#### Mobile Rubbish Bin By-laws

Whereas under the provisions of the Health Act 1911, the Shire of Toodyay, being a Local Authority within the meaning of the Health Act 1911, having adopted the Model By-laws described as Series "A" made under the Health Act 1911 and as reprinted pursuant to the Reprinting of Regulations Act 1954 in the *Government Gazette* on 17 July 1963 and as amended from time to time, has resolved and determined that the adopted by-laws shall be amended as follows:

#### Part 1—General Sanitary Provisions

1. By repealing By-laws 12, 13, 14 and 16 and substituting the following—

#### 12—Interpretation

In this By-law and in By-laws 13 to 15 inclusive of this Part unless the context requires otherwise—

"Building line" has the meaning given to it in and for the purposes of the Local Government Act 1960;

"Principal Health Surveyor" means the Principal Health Surveyor of the Local Authority;

"Collection time" means the collection time from time to time notified to the occupier of the premises by the local authority or its contractor;

"kerb line" means the point where the road carriageway adjoins the road verge;

"receptacle" means a polyethylene cart fitted with wheels and a handle and with a lid and of a capacity of 240 or 120 litres supplied by the local authority or its contractor or other type or receptacle specified or approved by the local authority;

#### 13—Refuse Receptacles and Collection

(1) The occupier of every premises where a receptacle has been provided shall—

- (a) subject to paragraph (c) hereof, cause all refuse to be deposited in a receptacle;
- (b) at all times keep the lid of the receptacle closed except when depositing refuse in or cleaning the receptacle;
- (c) not deposit or permit to be deposited in a receptacle—
  - (i) more than 70kg of refuse at any one time;
  - (ii) any material being or consisting of—
    - (A) hot or burning ashes;
    - (B) oil;
    - (C) liquid;
    - (D) paint;
    - (E) solvent;
    - (F) bricks, concrete, earth or other like substances;
  - (iii) heavy material;
  - (iv) an object which is greater in length, width or breadth than the corresponding dimensions of the receptacle or which will not allow the lid of the receptacle to be tightly closed;
  - (v) refuse which is or is likely to become offensive or a nuisance or to give off an offensive or noxious odour or to attract flies or cause fly breeding unless it is first wrapped in absorbent or impervious material or placed in a sealed impervious container;
- (d) except for collection keep the receptacle on the premises located behind the building line, or other location approved by the Principal Health Surveyor.

- (e) Collection of Receptacle—
    - (i) prior to the collection time, place the receptacle between the kerb line and the premises 2 to 4 metres from the kerb line and such that it does not obstruct any footpath, cycleway or other carriageway. The receptacle may otherwise be placed at a position specifically approved by the Principal Health Surveyor, and
    - (ii) after the contents of the receptacle have been removed, return the receptacle to its place of storage;
  - (f) at all times keep the receptacle clean and whenever directed by the Principal Health Surveyor to do so place and keep in the receptacle a deodorant material approved by the Principal Health Surveyor;
  - (g) notify the local authority within seven days after the event if the receptacle is lost, stolen, damaged or become defective.
- (2) Any employee of Council or its contractor collecting refuse shall return receptacles to a location as close as possible to that where they were located immediately before being emptied but not so as to obstruct any footpath, cycleway, driveway, service road or other carriageway.
- (3) In the case of residential premises consisting of more than three dwellings, units or flats or premises used for commercial or industrial purposes the local authority may require the use of a receptacle or receptacles other than a polyethylene cart fitted with wheels and a handle and the occupier of those premises shall comply with and observe the direction given by the local authority.
- (4) The occupier of every premises in the district who is required under Sub-By-law (3) of this By-law to use a receptacle other than a polyethylene cart fitted with wheels and a handle shall—
- (a) cause all refuse to be deposited in a receptacle in a manner which is compatible with the type of receptacle used;
  - (b) take all reasonable steps to prevent fly breeding in and the emission of offensive or noxious odour from the receptacle;
  - (c) cause the receptacle to be located on the premises in a position where—
    - (i) it is screened so as not to be visible from a street but be readily accessible for the purpose of collection of the contents thereof;
    - (ii) it does not obstruct any footpath, cycleway, driveway, service road, or other carriageway on those premises;
    - (iii) it does not cause a nuisance to the occupiers of adjoining premises;
  - (d) at all times keep the receptacle clean and whenever directed by the Principal Health Surveyor to do so, place and keep in the receptacle a deodorant material approved by the Principal Health Surveyor;
  - (e) where the premises are used for the manufacture, preparation or sale of foods or any putrescible refuse emanates from the premises, cause the receptacle to be cleaned with a suitable detergent and treated with a disinfectant at least once per week.
- (5) The Principal Health Surveyor may direct that refuse of the type referred to in paragraph (e) of Sub-By-law (4) hereof or which emanates from premises referred to in that paragraph be collected and removed more often than once per week.
- (6) Where refuse emanating from premises is of a nature that the Principal Health Surveyor considers requires to be treated before being placed in a receptacle he may give directions as to the manner in which it is to be so treated and the occupier of those premises shall comply with those directions.

#### 14—Receptacle Ownership

A receptacle supplied by the local authority or its contractor remains the property of the local authority or its contractor, as the case may be.

#### 16—Removal and Disposal of Refuse

- (1) A person shall not unless he is authorised by the local authority to do so remove any house or trade refuse or other rubbish from any premises in the district.
- (2) Where Council provides approval pursuant to By-law 15 (1) hereof, such rubbish or refuse shall be disposed of at a refuse disposal site approved by the Executive Director of Public Health pursuant to the provisions of the Health Act 1911.

- (3) By deleting from By-law 18 the word "cart" and substituting the words "collection vehicle."

Passed by resolution at a meeting of the Toodyay Shire Council held on 22 November 1989.

Dated 27 November 1989.

R. SOMERS, President.  
ROBERT J. MILLAR, Shire Clerk.

## GOVERNMENT GAZETTE NOTICE

Commencing in January 1990 the *Government Gazette* appears in its new format.

The changes begin with a new cover design and are followed by notices listed under the responsible department. These departments appear in alphabetical order of their proper name i.e. disregard Department, Office, Authority etc.

The wording of some notices has also been changed to simple English enabling a clearer understanding.

Under each of the headings, notices will appear in order of:

- Proclamations
- Orders in Council
- Rules, Regulations, Orders, By-laws etc.
- General Items.

The contents will remain on the last page and is more comprehensive with cross-referencing in some instances.
