(3) In the absence of an answer and in the event that the applicant does not consent at the hearing of the application to a respondent availing himself of any matter of which he should pursuant to this rule have given notice by filing an answer or have included in any answer filed, the Board may proceed with the hearing without permitting the respondent to avail himself of such matter and may treat the relevant facts alleged in the application as admitted, or may, upon such terms as the Board considers appropriate, permit an answer or an amended answer to be filed and relied upon, or may adjourn the hearing to some later time or date and make such orders generally in respect of the matter as the Board considers fit."

(7) Parties attending a preliminary hearing under this rule shall make a bona fide endeavour to reach agreement on relevant matters in issue between them.
