FISHERIES

FISHERIES ACT 1905

SHARK BAY SNAPPER LIMITED ENTRY FISHERY NOTICE 1990

Notice No.455

FD 374/78.

Made by the Minister under section 32.

Citation

1. This notice may be cited as the Shark Bay Snapper Limited Entry Fishery Notice 1990.

Interpretation

2. In this notice unless the contrary intention appears—

“approved form” means in a form approved by the Director;

“drop line” means a fishing line with no more than 25 hooks attached which when used for fishing is anchored by a weight, buoyed at the surface and deployed vertically through the water;

“Fishery” means the Shark Bay Snapper Limited Entry Fishery declared under clause 3;

“hand line” means a fishing line to which not more than 5 hooks are attached (for the purpose of this definition not more than 5 hooks joined by threading the point of one through the eye of another, or by fastening their shanks together shall be deemed to be one hook);

“licence” means a licence authorising a boat to operate in the Fishery;

“minimum unit holding” means—

(a) in the case of an “A” class licence twenty (20) transferable units;

and

(b) in the case of a “B” class licence ten (10) transferable units. “off season” means the periods—

(a) 1 January to 15 May; and

(b) 16 August to 31 December;

“peak season” means the period 16 May to 15 August;

“Shark Bay Beach Seine and Mesh Net Fishery” means the fishery in the waters of Shark Bay lying south of a line drawn from Cape Inscription on Dirk Hartog Island due east to the mainland;

“snapper” means any species of fish of the genus *Chrysophrys*;

“trap” means a device used for the taking of snapper as described in clause 16;

“unit” means one tonne of whole snapper; and

“unit entitlement” means the number of units allocated to a boat licensed to operate in the Fishery and may consist of transferable and non-transferable units.

Declaration of limited entry fishery

3. It is hereby declared that snapper shall constitute a limited entry fishery in the waters described in the Schedule to be called the Shark Bay Snapper Limited Entry Fishery.

Prohibition on taking snapper

4. A person, other than a person to whom section 32 (5) of the Act applies, shall not take, or attempt to take snapper by any means in the Fishery other than in accordance with this notice.

Prohibition on selling or dealing

5. A person shall not sell or deal or attempt to sell or deal in any way with snapper taken in contravention of this notice.

Criterion to determine the boats which may operate in the Fishery

6. A boat used to take snapper in the Fishery under an “A” or “B” class licence and current on the date upon which this notice comes into operation shall be entitled to one licence of the same class for each licence so held.

Application for a licence

7. The owner of a boat which fulfils the criterion in clause 6 may apply in accordance with clause 20 for the appropriate licence or licences.

Details to be endorsed on licence

8. Where the Director grants or renews a licence, that licence shall state—

(a) the licence number;

(b) the day of issue;

(c) the period for which the licence is valid;

(d) the class of licence;

(e) the unit entitlement allocated to that licence under clause 12; and

(f) any other conditions that the Director may specify.

Notification of season

9. (1) A person who operates a boat with an "A" or "B" class licence, or two or more such licences shall, prior to 1 January each year, give written notice to the Director of the intention to take snapper under each and every such licence in—

- (a) the off season; or
- (b) the peak season; or
- (c) both the off season and the peak season.

(2) A person may not use a boat to take snapper in both the off season and the peak season under the authority of any one licence unless otherwise approved in writing by the Director.

(3) Any notice given under subclause (1) shall be irrevocable for the year in respect to which it was given unless otherwise approved by the Director.

(4) A person may not use a boat to take snapper under a licence other than during the season nominated in respect to that licence under subclause (1).

Access to Fishery by specified boats restricted at certain times

10. (1) Where under clause 9 (1) notice has been given that a boat will be used in the off season under a "B" class licence that boat shall not be used to take, attempt to take, transport at sea, or land ashore snapper under that licence between 1 May and 15 May in the year in respect to which that notice was given.

(2) Where under clause 9 (2) the Director has approved the use of a licensed boat to take snapper in the off season and the peak season under the authority of any one licence that boat shall not be used to take, or attempt to take snapper—

- (a) under that licence in any part of the Fishery north of 25°17' south latitude; and
- (b) in the Fishery under that licence during the months of July, October, November and December.

Restrictions on carrying, unloading and transfer of catch

11. (1) Within the boundaries of the Fishery, a person may not—

- (a) use a boat to carry or to land ashore snapper or any filleted fish taken by that boat for sale or disposal for gain or reward other than—
 - (i) under a licence and during the season nominated under clause 9 in respect to that licence; or
 - (ii) in accordance with clause 15 or 17; and
- (b) transfer snapper or any filleted fish taken by a boat for sale or disposal for gain or reward to any other boat at sea,

unless otherwise approved by the Minister.

(2) A licensed or endorsed boat may not be used to transport at sea or land ashore within the boundaries of the Fishery snapper or any filleted fish taken outside the Fishery unless otherwise approved by the Minister.

(3) A licensed or endorsed boat shall land snapper taken by that boat at a place specified by an Inspector within the Port of Carnarvon or Denham, or at such other place as directed by an Inspector.

(4) The holder of a licence, having consigned snapper and completed the consignment note in accordance with clause 18 (2) (a) shall not remove, or cause or permit the removal of, any part of that consignment until an accurate weight of snapper has been determined and entered on the quota disposal record in accordance with clause 18 (2) (b).

Unit entitlement during peak season

12. (1) Each licence shall have endorsed on it a unit entitlement which may be taken in the peak season.

(2) The unit entitlement allocated under subclause (1) shall be divided into transferable units and non-transferable units which shall be specified separately on the licence.

(3) The unit entitlement allocated to a licence in accordance with subclause (1) shall be the entitlement recorded on the licence immediately prior to the coming into operation of this notice.

(4) If a person licensed to operate in the Fishery gives notice under clause 9 that a licence will be used in the peak season the unit entitlement of that licence shall not be exceeded unless otherwise approved in writing by the Director.

(5) Notwithstanding any other action which may be taken against a licensee who exceeds the unit entitlement during the peak season in any year, the Director may reduce the unit entitlement of that licence for the following year by an amount equal to the amount by which the entitlement was exceeded provided that any such reduction is no more than 0.05 units.

(6) If a person who has had the unit entitlement reduced in accordance with subclause (5) gives notice under clause 9 that a licence will be used in the off season then the reduction to the unit entitlement shall apply when the licence is next used in the peak season.

Transfers

13. (1) Subject to the prior written approval of the Director the holder of a licence may transfer that licence to another person.

(2) Where a licence has a unit entitlement which is less than the minimum unit holding the licence shall not be transferred.

(3) When a licence is transferred in accordance with subclause (1), any non-transferable units allocated to the licence shall be removed from the unit entitlement and cease to have effect.

(4) Where a licence is transferred in accordance with subclause (1), the transferee shall, in the calendar year in which the transfer takes place, operate the licence in the season for which the licence has been nominated.

(5) Where a licence being used in the peak season is transferred in accordance with subclause (1), the transferee shall take no more snapper than the amount calculated by subtracting the amount already taken under the licence for that season from the unit entitlement.

(6) Subject to the prior written approval of the Director the holder of a licence may transfer part of the unit entitlement allocated to that licence to one or more other licensees, provided that any single transfer involves a minimum of five units.

(7) Where the transferable unit entitlement of a licence falls below the minimum unit holding that licence shall cease to be used in the Fishery unless otherwise authorised in writing by the Director.

(8) Where the total transferable unit entitlement of a licence has been transferred to other licences the licence from which the entitlement was transferred shall lapse and any non-transferable units shall cease to have effect.

(9) Where a "B" class licence has a transferable unit entitlement of twenty or more units the status of that licence will be altered to an "A" class licence.

Notification and landing of snapper

14. (1) A person who operates a boat with—

(a) an "A" or "B" class licence in the peak season; or

(b) a fishing boat licence endorsed in accordance with clause 15 shall—

(i) give not less than three hours notice of the intention to land snapper to the Inspector, or a person nominated by the Inspector, at Carnarvon or Denham by means of;

A. the Overseas Telecommunications radio; or

B. a method approved by the Inspector at Carnarvon or Denham;

(ii) not land snapper in containers holding other fish; and

(iii) having commenced landing snapper ashore—

A. complete the unloading in one uninterrupted operation; and

B. not put to sea until all snapper on the boat have been landed ashore.

(2) A person referred to in subclause (1) shall not land snapper in containers such that the precise weight of snapper cannot be readily determined at the point of landing, unless a consignment note as prescribed in clause 15 has been completed and delivered to the Inspector, his office or a place nominated by the Inspector at Carnarvon or Denham.

(3) A person referred to in subclause (1) shall not land snapper in containers which enable the weight of snapper to be determined at the point of landing unless—

(a) the snapper are landed between 0600 hours and 1800 hours on any day; and

(b) an Inspector is in attendance.

Supplementary access may be granted to specified boats

15. (1) A boat not licensed to operate in the Fishery may, with the approval of the Minister, be used to take snapper in the Fishery and may in that case have endorsed on the fishing boat licence—

(a) the means by which the snapper may be taken;

(b) the maximum number of units which may be taken in any specified period;

(c) the area of the Fishery in which the snapper may be taken; and

(d) the period during which snapper may be taken.

- (2) Access granted in accordance with subclause (1) may be—
- (a) subject to any of the requirements of this notice or other conditions as determined by the Director; and
 - (b) withdrawn by the Minister at any time.

Permitted means of taking snapper

16. (1) Where a licence has been nominated for use in the off season in accordance with clause 9 snapper may be taken by means of not more than—

- (a) 5 land lines at any one time; or
 - (b) 5 drop lines at any one time
- and by no other means.

(2) A licensed boat being used in the peak season may take snapper by any means provided that where traps are used the following conditions shall apply—

- (a) traps shall not be used in the following areas of the Fishery—

Area 1.

all waters within Shark Bay bounded by the high water mark of the mainland and a line drawn in a southwesterly direction from Quobba Point on the mainland to a point 3 miles due north of Koks Island; thence south to Koks Island; thence along the eastern and southern shores of Koks Island to its southernmost point; thence in a southerly direction to Cape Ronsard on Bernier Island; thence along the eastern shore of Bernier island to Cape Couture; thence in a southerly direction to Cape Boullanger on Dorre Island; thence along the eastern shore of Dorre Island to Cape St Cricq; thence in a southwesterly direction to Cape Inscription on Dirk Hartog Island; thence along the northern, eastern and southern shores of Dirk Hartog Island to Surf Point; thence in a southwesterly direction to Steep Point on the mainland;

Area 2

all the waters within 3 nautical miles of Koks, Bernier, Dorre and Dirk Hartog Islands and within 3 nautical miles of the mainland from Steep Point south to the parallel of 26°30' south latitude;

- (b) traps shall not be left in the water for any period exceeding 30 minutes other than in accordance with clause 19;
- (c) a boat shall not be used to set or pull traps in any waters of the Fishery, other than those traps which are marked for use by that boat as prescribed in paragraphs (d) and (e);
- (d) a trap shall be attached to a surface float which shall measure not less than 150 millimetres in diameter;
- (e) a float to which a trap is attached shall be branded or stamped with the registered number of the fishing boat that is used to set or lift the trap, and the brand or stamp shall be legible and measure not less than 60 millimetres high and 10 millimetres wide;
- (f) not more than 5 traps shall be used to take or attempt to take snapper at any one time and no other means shall be used at that time;
- (g) the internal volume of a trap, including that of any object enclosed within its external frame, shall not exceed 2.0 cubic metres calculated in accordance with the following formulae—
 - (i) $0.785 \times \text{height} \times [\text{greatest diameter}]^2$
for circular traps,
 - (ii) $\text{height} \times \text{greatest length} \times \text{greatest width}$
for other traps;
- (h) a trap shall only have one entrance; and
- (i) a trap shall not have any form of chamber, partition or obstruction within the trap which may impede the escape of fish.

Incidental catch of snapper

17. A boat licensed to fish within—

- (a) the Shark Bay Prawn Limited Entry Fishery; or
- (b) the Shark Bay Scallop Limited Entry Fishery,

shall take not more than 1 unit in any calendar year and the fishing boat licence for that boat shall be endorsed accordingly.

Records to be kept

18. (1) Subject to subclause (2) a person referred to in clause 14 (1) shall, when landing snapper—

- (a) complete, in duplicate, details of any snapper landed ashore in the quota disposal record book provided by the Fisheries Department;

- (b) submit the original copy of the completed quota disposal record to the Inspector at the time and place of landing snapper; and
 - (c) retain the duplicate copies of used quota disposal records and the original and duplicate copies of spoilt or unused quota disposal records in the book provided by the Fisheries Department and produce such book to an officer of that Department on demand.
- (2) A person referred to in subclause (1) when landing snapper in containers such that the precise weight of snapper cannot be readily determined at the point of landing, shall
- (a) complete details showing the number of standard containers or other receptacles landed ashore on the Shark Bay snapper consignment note in the quota disposal record book provided by the Fisheries Department;
 - (b) immediately on receiving precise details of the weight of snapper consigned, complete the quota disposal record in accordance with subclause (1) in respect of the consignment referred to in paragraph (a).
- (3) A person referred to in subclause (1) shall not land any snapper in accordance with subclause (2) unless the consignment note has been delivered to the Inspector, his office or a place nominated by the Inspector at Carnarvon or Denham in accordance with clause 14 (2).
- (4) For the purposes of subclause (2) "standard container" means a container made of plastic or similar material having a capacity of 32 litres and the following internal dimensions—
- | | |
|--------------------|-----------------|
| Length at the top | 597 millimetres |
| Breadth at the top | 362 millimetres |
| Depth | 203 millimetres |

Trap holding area

19. (1) Traps may be placed in those areas of the Fishery being the waters within Shark Bay adjacent to—
- (a) Bernier Island within a radius of 1 nautical mile of Cleft Rock; and
 - (b) Dorre Island within 500 metres of the foreshore on the eastern side of the island between Cape Boullanger and Smith Point.
- (2) Traps when placed in the areas described in subclause (1) shall—
- (a) not be baited; and
 - (b) have their doors tied open.

Applications and fees

20. Applications under clauses 7 and 13 shall be—
- (a) in the approved form;
 - (b) lodged in accordance with the instructions, if any; and
 - (c) accompanied by the fee, if any, prescribed by regulation.

Determination of position by reference to the Australian Geodetic Datum

21. (1) Where, for the purposes of this notice it is necessary to determine a position on the surface of the Earth by geographical coordinates, that position shall be determined on the Australian Geodetic Datum which is defined by an ellipsoid having a semi-major axis (equatorial radius) of 6 378 160 metres and flattening of 1/298.25 and fixed by the position of the origin being the Johnston Geodetic Station in the Northern Territory of Australia.

(2) The Johnston Geodetic Station referred to in subclause (1) shall be taken to be situated at 25°56'54.5515" south latitude and at 133°12'30.0771" east longitude and to have a ground level elevation of 571.2 metres above the ellipsoid referred to in that subclause.

Revocation

22. Notice No. 401 published in the *Gazette* on 5 May 1989 is cancelled.

LAND ADMINISTRATION

At a Meeting of the Executive Council held in the Executive Council Chamber, at Perth, this 24 April 1990, the following Order in Council was authorised to be issued—

LAND ACT 1933**ORDER IN COUNCIL**

File No. 3315/989.

Whereas by section 33 of the Land Act 1933, it is made lawful for the Governor to direct that any Reserve shall vest in and be held by any person or persons to be named in the order in trust for the like or other public purposes to be specified in such order: And whereas it is deemed expedient that Reserve No. 41285 (Swan Location 11254) should vest in and be held by the Shire of Swan in trust for the purpose of "Drainage".

Now, therefore, His Excellency the Governor, by and with the advice and consent of the Executive Council, does hereby direct that the beforementioned Reserve shall vest in and be held by the Shire of Swan in trust for the purpose aforesaid, subject nevertheless to the powers reserved to him by section 37 of the said Act.

G. PEARCE, Clerk of the Council.

At a meeting of the Executive Council held in the Executive Council Chambers, at Perth, this 24th day of April, 1990, the following Order in Council was authorised to be issued—

LAND ACT 1933**ORDER IN COUNCIL**

File No. 1774/961.

Whereas by section 33 of the Land Act 1933, it is, *inter alia*, made lawful for the Governor by Order in Council to direct that any land reserved pursuant to the provisions of this Act shall be granted in fee simple to any person (as defined in the said section) subject to the condition that the person shall not lease or mortgage the whole or any part of the land without the consent of the Governor and subject to such other conditions and limitations as the Governor shall deem necessary to ensure that the land is used for the purpose for which the land is reserved as aforesaid. And whereas it is deemed expedient that Reserve No. 29936 (Halls Creek Lot 439) should be granted in fee simple to the Kimberley Language Resource Centre to be held in trust for the purpose of "Staff Housing (Kimberley Language Resource Centre)".

Now, therefore, His Excellency the Governor by and with the advice and consent of the Executive Council, does hereby direct that the beforementioned reserve shall be granted in fee simple to the Kimberley Language Resource Centre to be held in trust for the purpose aforesaid subject to the condition that the land shall not be leased or mortgaged in whole or in part without the consent of the Governor.

G. PEARCE, Clerk of the Council.

At a meeting of the Executive Council held in the Executive Council Chambers, at Perth, on 3 July, 1990 the following Order in Council was authorised to be issued:—

LAND ACT 1933**ORDER IN COUNCIL**

File No. 1710/990.

Whereas by section 33 of the Land Act 1933, it is, *inter alia*, made lawful for the Governor by Order in Council to direct that any land reserved pursuant to the provisions of this Act shall be granted in fee simple to any person (as defined in the said section) subject to the condition that the person shall not lease or mortgage the whole or any part of the land without the consent of the Governor and subject to such other conditions and limitations as the Governor shall deem necessary to ensure

that the land is used for the purpose for which the land is reserved as aforesaid: And whereas it is deemed expedient that Reserve No. 41412 (Guildford Lot 236) should be granted in fee simple to the Swan Districts Football Club (Incorporated) to be held in trust for the purpose of "Club and Club Premises".

Now, therefore, His Excellency the Lieutenant-Governor and Administrator by and with the advice and consent of the Executive Council, does hereby direct that the beforementioned reserve shall be granted in fee simple to the Swan Districts Football Club (Incorporated) to be held in trust for the purpose aforesaid subject to the condition that the land shall not be leased or mortgaged in whole or in part without the consent of the Governor.

G. C. PEARCE, Clerk of the Council.

BUSH FIRES ACT 1954

Shire of Kojonup

FIRE BREAK ORDER—(SECTION 33)

Notice to Owners and Occupiers of Land within the Shire of Kojonup

Pursuant to the powers contained in section 33 of the above Act, you are hereby required to have firebreaks clear of all flammable material, in the position, of the width and for the period as specified hereunder.

1. URBAN LAND (Land within a townsite)

During the period from the 1st December, 1990 to the 31st May, 1991 inclusive, you shall have fire breaks in the following positions—

 - 1.1 On land which is 4 000 square metres or less in area, you shall remove all flammable material from the whole of the land.
 - 1.2 On land which exceeds 4 000 square metres in area, as per item 2.1 hereunder.
 - 1.3 However, owners of property with an area greater than 4 000 square metres that bounders a developed residentially zoned property, must instal a satisfactory 2.4 metre wide boundary firebreak on their land abutting that residential property.
2. RURAL LAND—HOMESTEADS, BUILDINGS, HAYSTACKS, BULK FUEL, DRUMS AND LIQUID PETROLEUM
 - 2.1 During the period from the 15th day of December, 1990 to the 31st day of May, 1991 inclusive, you shall have fire breaks at least 20 metres wide, if provided by burning cultivating or spraying; or 60 metres wide, if provided by being closely grazed or mowed (to the satisfaction of a Bush Fire Control Officer) in such positions as are necessary to completely surround the perimeter of any homestead building (excluding isolated non flammable buildings) fuel installation (including drums), haystack (but only haystacks within 100 metres of any building) or group of such structures or installations. Provided that wherever the 60 metre wide alternative is chosen, the outer 2.5 metres of the 60 metre area must be totally free of any flammable material and where mowing is the method used, all residue of the mowing process must be removed from the area.

NOTE:

Boundary firebreaks are not compulsory within the Shire of Kojonup Rural Area. Land holders can provide firebreaks if they wish.

GENERAL INFORMATION:

If it is considered impractical for any reason to clear firebreaks on the land as required by this notice, you may apply to Council or its duly authorised officer for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. If permission is not granted by Council or its duly authorised officer, you shall comply with the requirements of this notice.

PLEASE NOTE:

Following the Council inspection of the firebreaks as required in this notice, it is not necessary for Council to notify you or give you any prior warning that legal action may proceed for failing to comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of not less than \$40 nor more than \$400 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the required date.

HARVESTING:

“ 5.16 Power to make Policies

5.16.1 In order to achieve the objectives of the Scheme, Council may make planning policies relating to any part of the Scheme Area for the purpose of controlling development.

Planning policies shall only become operative after the following procedures have been carried out.

(i) Council having resolved to prepare a planning policy shall, before its adoption, advertise a summary of the policy once a week for two consecutive weeks in a newspaper circulating in the district giving details of where the full policy may be inspected and stating that submissions may be made to the Council within twenty one (21) days of the date of publication.

(ii) Council shall review the policy taking into account submissions that have been lodged and may adopt the policy with or without modifications.

(iii) Council shall advertise the adopted policy once in a newspaper circulating in the district and shall keep and maintain a register of all policies which shall be available for public inspection during normal office hours.

5.16.2 A planning policy shall not bind the Council in respect of any application for planning consent but Council shall take into account the provision of the policy and the objectives which the policy was designed to achieve before making its decision.

5.16.3 A Planning Policy may only be revoked, altered and/or replaced by an absolute majority of Council providing:

(a) The new policy is prepared and adopted in accordance with the requirements of this Clause.

(b) The formal notice of rescission is published twice in a newspaper circulating in the district.

TOWN PLANNING AND DEVELOPMENT ACT 1928 (AS AMENDED)
APPROVED TOWN PLANNING SCHEME AMENDMENT

City of Bunbury

Town Planning Scheme No. 6—Amendment No. 70

Ref: 853/6/2/9 Pt 70

It is hereby notified for public information, in accordance with section 7 of the Town Planning and Development Act, 1928 (as amended) that the Hon Minister for Planning approved the City of Bunbury Town Planning Scheme Amendment on 28 June 1990 for the purpose of—

1. Deleting the existing Clause 7.3 and replacing it with the following—

“7.3 Central Business District

Notwithstanding the provisions of Clause 7.1 and Table No. 2 no car parking requirement shall apply to properties used for commercial purposes within the Central Business Zone to development up to 3 000 m² gross floor area. Any development in excess of 3 000 m² gross floor area shall provide adequate on-site car parking as determined by Council.

The provision of parking within the Central Business District will be the responsibility of the Council and shall be provided in accordance with a central area parking strategy endorsed by the State Planning Commission.

The provisions of parking shall be financed by the imposition of a specified area rate on land zoned Central Business District as provided for in the Local Government Act, with the exception of properties shown listed in schedule 1, and used exclusively for residential purposes. All money raised by the specified area rate will be expended exclusively on planning, developing and maintaining adequate car parking in the central area and shall be clearly indicated annually in the Municipal Fund Budget.

2. In part IV of the Text amending Part (c) of Policy Statement 4 to read as follows—

“ (c) parking space to adequately service the central area shall be provided by Council in accordance with a Central Area Parking Strategy and shall be financed by a Specified Area Rate applied to properties located within the Central Business District Zone. ”

3. Amending Table No. 2 as it relates to Shop—Group 1 by deleting the existing requirement and replacing it with the following—

“ Use: Shop—Group

Parking: 1 for every 20 m² gross floor area. ”
