PERTH, FRIDAY, 2 NOVEMBER 1990 No. 130

PUBLISHED BY AUTHORITY G. L. DUFFIELD, GOVERNMENT PRINTER AT 3.30 PM

### **Publishing Details**

The *Western Australian Government Gazette* is published by the State Print for the State of Western Australia on Friday of each week unless disrupted by Public Holidays or unforeseen circumstances.

Special *Government Gazettes* and Extraordinary *Government Gazettes* are published periodically, only the special gazettes are included in the subscription price.

The following guidelines should be followed to ensure publication in the *Government Gazette*.

- Material submitted to the Executive Council for gazettal will require a copy of the signed Executive Council Minute Paper.
- Advertising should be received by the Manager, Publication Sales no later than 3.00 p.m. on Wednesday.
- Lengthy or complicated notices should be forwarded several days before publication.
- Proofs will be supplied only when requested.
- No additions or amendments to material for publication will be accepted by telephone.

Send copy to:

The Manager,  
Publication Sales  
State Print  
Station Street, Wembley, 6014  
Telephone: 383 8851 Fax: 382 1079

### **Advertisers should note:**

- All Notices should be written in 'plain English'.
- Signatures (in particular) and proper names must be legible.
- All copy should be typed and double spaced.
- If it is necessary through isolation or urgency to communicate by facsimile, any confirmation forwarded later must be endorsed to the effect that this copy is only confirmation of previously transmitted facsimile copy already received by the State Print. This is to alleviate the problem of copy appearing twice.
- Documents not clearly prepared and in the exact format for gazettal will be returned to the sender unpublished.
- Late copy received at Publication Sales after 3.00 p.m. Wednesday will be placed in the following issue irrespective of any date/s mentioned in the copy (unless otherwise advised).

### BUSH FIRES ACT 1954 METROPOLITAN FIRE DISTRICT

Notice to all owners and/or occupiers of land in the following Local Authorities: Armadale, Bassendean, Bayswater, Belmont, Canning, Claremont, Cottesloe, East Fremantle, Fremantle, Melville, Mosman Park, Nedlands, Peppermint Grove, Perth, South Perth, Stirling, Subiaco, Swan and Wanneroo.

Pursuant to the powers contained in section 33 of the above Act, you are hereby required on or before the 30th day of November 1990 or within fourteen days of the date of your becoming owner or occupier should this be after the 30th day of November 1990 and thereafter up to and including the 31st day of March 1991 to have a fire break, clear of all flammable materials, at least 3 metres wide immediately inside all external boundaries of the land and also immediately surrounding all buildings situated on the land.

If it is considered to be impracticable for any reason to clear fire breaks as required by this notice, you may apply to the Council or its duly authorised officer not later than the 15th November 1990 for permission to provide fire breaks in alternative positions on the land. If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of not more than \$1 000 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

In addition, Officers appointed under the Fire Brigades Act 1942, whose names are contained on the undermentioned list, are hereby authorised by the Councils named above to issue permits to set fire to the bush on their behalf within the gazetted boundaries of their Councils which lie within the Metropolitan Fire District.

**APPROVED TOWN PLANNING SCHEME AMENDMENT**  
*City of Belmont*

Town Planning Scheme No. 11—Amendment No. 23

Ref: 853/2/15/10, Pt. 23.

It is hereby notified for public information, in accordance with section 7 of the Town Planning and Development Act 1928 that the Hon Minister for Planning approved the City of Belmont Town Planning Scheme Amendment on 17 October 1990 for the purpose of adding a new clause 6.5 to Part V—Development Requirements as follows—

1. Including a new clause as follows—

6.5 Delegation

- 6.5.1 The Council may either generally, or in a particular case or in a particular class of cases by resolution passed by an absolute majority of the Council delegate to the Principal Planner of the Council or any other Planner employed by the Council (provided that any officer so nominated holds or is eligible to hold a Municipal Town Planners Certificate) the authority to deal with an application for Development Approval made under this scheme.
- 6.5.2 The delegation of authority made by the Council pursuant to the preceding subclause hereof shall have effect for the period of twelve (12) months following the resolution, unless the Council stipulates a lesser period in the resolution.
- 6.5.3 A delegation of authority pursuant to the provisions of this clause has effect and may be exercised according to its tenor, but is revocable at the will of the Council and does not preclude the Council from exercising the power. The performance of a function by a delegate under Clause 6.5.1 shall be deemed to be the performance of the function by the council in all circumstances where the Council is able to delegate its powers.
- 6.5.4 Without affecting the generality of the provisions of this clause, where in the exercise of any power under this scheme the Council is required to form any opinion or view or have any state or mind or to consider or have due regard to any matter, then that requirement shall be satisfied if a committee or person exercising delegated authority in respect of that power performs the function.

2. Including a new clause 6.6 as follows—

6.6 Approval of existing developments.

6.6.1 The Council may give approval of a development already commenced or carried out regardless of when it was commenced or carried out.

6.6.2 The application to the Council for approval under Subclause 6.6.1 shall be made on the form provided for an Application for Planning Consent or on such other form as the Council provides from time to time.

6.6.3 A development which was not permissible under this scheme at the time it was commenced or carried out may be approved if at the time of approval under this clause it is permissible.

6.6.4 The approval by the Council of an existing development shall not affect the power of the Council to take appropriate action for a breach of the scheme or the act in respect of the commencement of the development without approval.

Town Planning Scheme No. 1—Amendment No. 3

Ref: 853/4/13/1, Pt. 3.

It is hereby notified for public information, in accordance with Section 7 of the Town Planning and Development Act, 1928 that the Hon. Minister for Planning approved the Shire of Kellerberrin Town Planning Scheme Amendment on October 22, 1990 for the purpose of:

1. Including within Part 3 the following section:

**3.7 CONTROL OF ADVERTISING**

**3.7.1 Power to Control Advertisements**

- 3.7.1.1 For the purpose of this Scheme, the erection, placement and display of advertisements and the use of land or buildings for that purpose is development within the definition of the Act requiring, except as otherwise provided, the prior approval of the Council. Such an approval to commence planning consent is required in addition to any license pursuant to Council's Signs and Hoarding and Bill Posting By-laws.

- 3.7.1.2 Applications for Council's approval pursuant to this Part shall be submitted in accordance with the provisions of Clause 3.7.3 of the Scheme and shall be accompanied by a completed Additional Information Sheet in the form set out at Appendix 7 giving details of the advertisement(s) to be erected, placed or displayed on the land.

**3.7.2 Existing Advertisements**

Advertisements which:—

- (i) were lawfully erected, placed or displayed prior to the approval of this Scheme, or
- (ii) may be erected, placed or displayed pursuant to a license or other approval granted by the Council prior to the approval of this Scheme, hereinafter in this part referred to as "existing advertisements", may, except as otherwise provided, continue to be displayed or be erected and displayed in accordance with the license or approval as appropriate.

**3.7.3 Consideration of Applications**

Without limiting the generality of the matters which may be taken into account when making a decision upon an application for approval to erect, place or display an advertisement, Council shall examine each such application in the light of the objectives of the Scheme and with particular reference to the character and amenity of the locality within which it is to be displayed and the amenity of adjacent areas which maybe affected.

**3.7.4 Exemptions from the Requirement to Obtain Approval**

Subject to the provisions of the Main Roads (Control of Signs) Regulations 1983 and notwithstanding the provisions of Clause 3.7.1 the Council's prior approval is not required in respect of those advertisements listed in Schedule 1 which for the purpose of this Part are referred to as "exempted advertisements".

**3.7.5 Discontinuance**

Notwithstanding the scheme objectives and clause 3.7.4 where the Council can demonstrate exceptional circumstances which cause an exempted or existing advertisement to seriously conflict with the objectives of this part, it may by notice in writing (giving clear reasons) require the advertiser to remove, relocate, adapt, or otherwise modify the advertisement within a period of time specified in the notice.

**3.7.6 Derelict or Poorly Maintained Signs**

Where, in the opinion of the Council, an advertisement has been permitted to deteriorate to a point where it conflicts with the objectives of the Scheme or it ceases to be effective for the purpose for which it was erected or displayed, Council may by notice in writing require the advertiser to:—

- (i) repair, repaint or otherwise restore the advertisement to a standard specified by Council in the notice, or
- (ii) remove the advertisement.

**3.7.7 Notices**

- 3.7.7.1 "The advertiser" shall be interpreted as any one or any group comprised of the land owner, occupier or licensee.

- 3.7.7.2 Any notice served in exceptional circumstances pursuant to Clause 3.7.5 or pursuant to Clause 3.7.6 shall be served upon the advertiser and shall specify:

- (i) the advertisement(s) the subject of the notice;
- (ii) full details of the action or alternative courses of action to be taken by the advertiser to comply with the notice;
- (iii) the period, not being less than 60 days, within which the action specified shall be completed by the advertiser.

3.7.7.3 Any person upon whom a notice is served pursuant to this Part may within a period of 60 days from the date of the notice appeal to the Hon. Minister for Planning or the Town Planning Appeal Tribunal in accordance with Part V of the Act, and where any such appeal is lodged the effect of the notice shall be suspended until the decision to uphold, quash or vary the notice is known and shall thereafter have effect according to that decision.

### 3.7.8 Scheme to Prevail

Where the provisions of this Part are found to be at variance with the provisions of the Council's Signs, Hoardings and Bill Posting By-laws, the provisions of the Scheme shall prevail.

### 3.7.9 Enforcement and Penalties

The offences and penalties provisions specified in Clause 5.8 apply to the advertiser in this part.

**STATE ENERGY COMMISSION ACT 1979**

**THE STATE ENERGY COMMISSION OF WESTERN AUSTRALIA**

It is hereby notified for general information that at 1700 hours on Tuesday the 23rd day of October 1990, The State Energy Commission of Western Australia acting pursuant to the powers contained in section 57 of the State energy Commission Act 1979 made an order, a copy of which is set out in the Schedule hereunder.

Dated this 23rd day of October 1990.

M. P. DULANEY, Secretary,  
The State Energy Commission of Western Australia.

**THE SCHEDULE**

“ **THE STATE ENERGY COMMISSION OF WESTERN AUSTRALIA**  
**STATE ENERGY COMMISSION ACT 1979**  
**ORDER**

Whereas by reason of an industrial stoppage the provision, distribution and supply of electricity within the State is likely to be affected and the interruption, curtailment or termination of supply may result.

Now therefore, The State Energy Commission of Western Australia (the Commission) acting pursuant to section 57 of the State Energy Commission Act 1979 hereby—

1. Declares that in the opinion of the Commission a “System Emergency” as defined in subsection (1) of section 57 of the State Energy Commission Act 1979, exists.
2. Orders that with effect from 0500 hours on Wednesday the 24th day of October 1990 the undermentioned restrictions will apply to the use of electricity supplied by the Commission from its interconnected system—
  - A. Industrial Commercial and General Consumers
    - (1) Electricity must not be used for—
      - (a) Industrial purposes except where—
        - (i) a supply is essential to prevent serious damage to a consumer’s plant and prior approval has been given in writing by the Commission; or
        - (ii) the Commission has given specific approval in writing.
      - (b) Heating and air conditioning. Circulating fans may be used only where absolutely necessary for ventilation purposes.
      - (c) Refrigeration (including deep freezing) except to the extent that is necessary to prevent deterioration of stock.
      - (d) Display, window, sign, decorative or external lighting.
      - (e) Recreational, sporting or entertainment purposes except in cinemas or theatres where the minimum amount of electricity may be used for projection, safety and/or security purposes.
      - (f) Pumping of water, unless specific approval in writing has been given by the Commission.
    - (2) (a) All automatic time switches controlling lighting, pumping or other loads must be switched off.
    - (b) Only one lift or escalator, or not more than half the number of lifts or escalators, (whichever shall be the greater number) installed in a building or premises are to be used.
    - (c) Internal lighting must be kept to a minimum and in any case not more than one third of the installed internal lighting may be used at any one time.

**B. Domestic Consumers**

The use of electricity by domestic consumers must be restricted to essential needs.

In particular—

Electric room heaters, air conditioners and water heaters must not be used, except where vital to the well being of children or invalids and then only if no other means exists.

Cooking must be limited to one hot plate at a time, or the use of a microwave oven.

Internal lighting must be kept to a minimum and restricted to two rooms.

External lighting must not be used.

Refrigerators and Deep Freezers may only be used to the extent that is necessary to prevent the deterioration of food.

Water reticulation and swimming pool pumps must not be used and automatic time switches must be switched off.

3. For the purposes of this Order "interconnected system" means that electrical system from which electricity, generated at one or more of the Commission's power stations at Kwinana, Muja, Bunbury and/or Geraldton, is supplied to consumers.

4. This Order shall cease to have effect seven (7) days from the time and date specified in Clause 2 hereof unless previously renewed, varied or cancelled.

Made at 1700 hours this 23rd day of October 1990, at 363/365 Wellington Street, Perth, Western Australia.

M. P. DULANEY, Secretary,  
The State Energy Commission of Western Australia "

A copy of this Order was originally published in the country edition of the West Australian newspaper published at approximately 2230 hours on the 23rd day of October 1990.

Dated this 26th day of October 1990.

M. P. DULANEY, Secretary,  
The State Energy Commission of Western Australia.
