

# PERTH, FRIDAY, 15 FEBRUARY 1991 No. 23

PUBLISHED BY AUTHORITY G. L. DUFFIELD, GOVERNMENT PRINTER AT 3.30 PM

## Publishing Details

The Western Australian *Government Gazette* is published by the State Print for the State of Western Australia on Friday of each week unless disrupted by Public Holidays or unforeseen circumstances.

Special *Government Gazettes* and Extraordinary *Government Gazettes* are published periodically, only the special gazettes are included in the subscription price.

The following guidelines should be followed to ensure publication in the *Government Gazette*.

- Material submitted to the Executive Council for gazettal will require a copy of the signed Executive Council Minute Paper.
- Advertising should be received by the Manager, Publication Sales no later than 3.00 p.m. on Wednesday.
- Lengthy or complicated notices should be forwarded several days before advertised closing date for copy. This is to ensure inclusion in current edition. Failure to observe this request could result in the notice being held over until the following week.
- Proofs will be supplied only when requested.
- No additions or amendments to material for publication will be accepted by telephone.

Send copy to:

The Manager, Publication Sales State Print Station Street, Wembley, 6014 Telephone: 383 8851 Fax: 382 1079

## Advertisers should note:

- All Notices should be written in 'plain English'.
- Signatures (in particular) and proper names must be legible.
- All copy should be typed and double spaced.
- If it is necessary through isolation or urgency to communicate by facsimile, any confirmation forwarded later must be endorsed to the effect that this copy is only confirmation of previously transmitted facsimile copy already received by the State Print. This is to alleviate the problem of copy appearing twice.
- Documents not clearly prepared and in the exact format for gazettal will be returned to the sender unpublished.
- Late copy received at Publication Sales after 3.00 p.m. Wednesday will be placed in the following issue irrespective of any date/s mentioned in the copy (unless otherwise advised).

> GARRY L. DUFFIELD, Government Printer.

## IMPORTANT NOTICE GOVERNMENT DEPARTMENTS AND STATUTORY AUTHORITIES

As of 1 July 1990 all notices published in the *Government Gazette* will attract payment as indicated in the circular forwarded to all Chief Executive Officers in March 1990.

The Departmental Officer responsible for forwarding copy to State Print must ensure that it is accompanied by a completed "Authorization to Publish" form showing the authorizing officer and a telephone contact number to enable speedy resolution of any matters that may arise. These forms are available from State Print.

Copy not accompanied by an official order will not be published until the order is received.

Advertisers are asked to become aware of the requirements listed on the front page of all general *Government Gazettes* as failure to comply may result in copy being returned to the originating Department unpublished.

G. L. DUFFIELD, Director.

- " "repealed regulations" means the Noise Abatement (Hearing Conservation in Workplaces) Regulations 1983; ";
- "voluntary audiometric testing programme" means a programme voluntarily initiated by the Manager to test the hearing of persons, who have voluntarily decided to take part in the programme, by means of audiometric measurements showing the hearing threshold level of a person as a function of frequency; ";
- "workplace" means a place in or about a mine, where employees work or are likely to be in the course of their work.".

#### Regulations 9.16 to 9.29 inserted

4. After regulation 9.15 of the principal regulations the following regulations are inserted—

All measurements to be as if ear unprotected

" 9.16. Where a person is wearing a personal hearing protector, that person shall be regarded, for the purposes of this Part, as receiving the noise that would be received if that personal hearing protector were not worn.

#### Action level for noise

9.17. In this Part, the action level is-

- (a) for peak noise level, 140 dB(lin); or
- (b) for noise exposure, 90 dB(A).

#### Manager to reduce noise as far as practicable

9.18. The Manager shall reduce as far as practicable the noise received by each person at the workplace.

Manager to reduce noise below action level by using certain methods

9.19. The Manager shall reduce as far as practicable the noise received by each person at the workplace who is receiving, or is likely to receive, noise above the action level by complying with regulation 9.20.

Methods to be used to reduce noise below action level

9.20. For the purpose of complying with regulation 9.19 the Manager shall reduce noise—

- (a) as far as practicable, by engineering noise control (that is reducing noise level or peak noise level); and
- (b) to the extent that it is not practicable to comply fully with regulation 9.19 by engineering noise control, by limiting the length of time the person receives noise.

#### Personal hearing protectors

9.21. Without limiting any duty to reduce noise placed on a Manager by this Part, if any person is receiving, or is likely to receive, at the workplace noise above the action level a Manager shall—

- (a) provide a personal hearing protector, selected and maintained as approved, to each of those persons; and
- (b) display safety warning signs regarding the wearing of personal hearing protectors.

Manager's duty regarding information, instruction and training as to hearing risks

#### 9.22. Where this Part places a duty on a Manager to-

- (a) provide a person with a personal hearing protector; or
- (b) limit the length of time any person receives noise,

then that Manager shall also provide the person with appropriate information, instruction and training regarding risks to hearing, steps to be taken to reduce these risks, and the use and maintenance of personal hearing protectors.

### Noise report to be prepared

9.23. The Manager shall cause a noise report relating to a workplace to be prepared as soon as practicable if, after reducing noise in accordance with regulation 9.20, a person at the workplace is still receiving, or is likely to receive, noise above the action level.

#### Additional noise report

9.24. Where a noise report relating to a workplace has been prepared the Manager shall cause another noise report to be prepared relating to the current noise situation at that workplace as soon as practicable where—

- (a) there is, or is likely to have been, an increase of 5dB or more in the peak noise level or noise exposure received by a person at the workplace who was already receiving noise above the action level;
- (b) at any time after 5 years from the date of the last noise report relating to the workplace, any person at the workplace is receiving, or is likely to be receiving, noise above the action level; or
- (c) required to do so by an Inspector.

#### Noise reports

9.25. (1) A Manager required to cause a noise report to be prepared shall ensure that the report is prepared in the manner and form approved in relation to the workplace or type of workplace.

(2) The Manager shall ensure that the noise data on which a noise report is based, or of which a noise report is comprised, is collected by a person approved to collect that data, who shall be known as a noise officer.

(3) A noise officer shall use only approved procedures and approved sound measurement equipment to collect data which is to be used for a noise report.

#### Duty of Manager after noise report prepared

9.26. (1) As soon as practicable after a noise report relating to a workplace has been prepared, the Manager shall—

- (a) communicate the contents of the noise report to all persons at the workplace and to any other persons that the Manager considers to be at risk;
- (b) notify the State Mining Engineer in the approved manner that the noise report has been prepared; and
- (c) if requested to do so make a copy of the noise report available to an Inspector or person employed in or about that mine.

(2) The Manager shall retain at the workplace if practicable, or if that is not practicable at another readily accessible place—

- (a) if only one noise report relating to the workplace has been prepared, that report; or
- (b) if more than one noise report relating to the workplace has been prepared, the last 2 of those reports prepared.

**Dealing with audiograms recorded under the repealed regulations** 9.27. (1) Except as provided in subregulation (2), a person shall not communicate—

- (a) the contents of, or any information on the contents of, an audiogram recorded under the repealed regulations; or
- (b) any information which enables or assists a person to gain access to the contents of, or any information on the contents of, an audiogram recorded under the repealed regulations.

(2) A person may make a communication referred to in subregulation (1) if it is made—

- (a) by, to, or with the written consent of, or at the written request of the person to whom the audiogram relates; or
- (b) in accordance with the written approval of the Commissioner of Occupational Health, Safety and Welfare.

#### Noise officers and noise reports

9.28. (1) Unless and until otherwise approved under regulation 9.25, a person who was approved as a noise officer under the repealed regulations immediately before the commencement of the *Mines Regulation Amendment Regulations 1991* is deemed to be a noise officer for the purpose of these regulations until that approval would have expired under the repealed regulations.

(2) A report prepared on a noise survey on a workplace made under the repealed regulations and not superseded by the findings of another report as referred to in regulation 6 (2) of those regulations is deemed to be a noise report relating to that workplace for the purpose of this Part.

#### Transfer of audiograms recorded under the repealed regulations

9.29. (1) A person who, on the day on which the *Mines Regulation Amendment Regulations 1991* come into operation, is in possession of an audiogram recorded under the repealed regulations shall transfer the audiogram as soon as practicable and by not later than one year after that day—

- (a) to a person who is to carry out a voluntary audiometric testing programme—
  - (i) if the person to whom the audiogram relates has consented in writing to the audiogram being used for the purposes of that programme; or
  - (ii) if the Commissioner for Occupational Health, Safety and Welfare, after advising the Occupational Health, Safety and Welfare Commission so directs;
- (b) if it is impossible or impracticable to comply with paragraph (a), to the person to whom the audiogram relates; or
- (c) if it is impossible or impracticable to comply with paragraph (a) or (b), to the Commissioner for Occupational Health, Safety and Welfare or to an approved organization.

(2) Subregulation (1) does not apply where the person is in possession of the audiogram is—

- (a) the Commissioner for Occupational Health, Safety and Welfare;
- (b) the person to whom the audiogram relates; or
- (c) a person in possession of the audiogram with the written consent, or at the written request, of the person to whom the audiogram relates. ".

#### PART I-PRELIMINARY

Citation 1.1

> This Town Planning Scheme may be cited as the Shire of Busselton Scheme No 19 hereinafter called 'the Scheme' and shall come into operation on the publication of the Scheme in the Government Gazette.

1.2**Responsible Authority** 

The Authority responsible for implementing the Scheme is the Council of the Shire of Busselton hereinafter called 'the Council'.

1.3Scheme Area

1.5

The Scheme shall apply to portion of the District of the Shire of Busselton which is the land contained within the inner edge of the broken black line shown on the Scheme Area Map. The said area is hereafter referred to as the 'Scheme Area'.

- Contents of Scheme 1.4
  - The Scheme comprises:
    - (a) This Scheme Text
    - (b) The Scheme Map (Sheet 1)
  - Arrangement of Scheme Text
  - The Scheme Text is divided into the following parts:-
    - Part I Preliminary
    - Part II Development and Its Approval
      - Development Requirements
      - Planning Consent

    - Part III Reserves Part IV Planning Policies and Zones
    - Part V Non-Conforming Uses
    - Part VI Administration
- 1.6 Scheme Objectives
  - 1. To reserve land required for public open space, community and conservation purposes.
  - To zone the balance of the Scheme Area for various purposes as guided by the Port 2. Geographe Development Plan.
  - To introduce land use and development controls for the purpose of securing and maintaining an orderly and properly planned harbour and waterways development 3 within the Scheme Area.
  - To ensure that development control within the Scheme Area is guided by the Port Geographe Development Plan, Port Geographe Landscape Plan and where applicable, the Village Centre Precinct Plan and Performance Standards specified by the Scheme.
  - To introduce measures to enhance the environmental qualities of the locality and to specifically preserve places of conservation value within the Scheme Area.
  - To make provision for other matters authorised by the enabling Act. 6.

## 1.7 Revocation of Existing Scheme

That portion of the Shire of Busselton Scheme No. 5 (as amended) covering the Scheme Area, which came into operation by publication in the *Government Gazette* on 4 February, 1983 is hereby revoked.

- 1.8 Interpretations
- 1.8.1 Except as provided in Clause 1.8.2 and 1.8.3 the words and expressions of the Scheme have their normal and common meaning.
- 1.8.2 In the Scheme unless the context otherwise requires, or unless it is otherwise provided herein, words and expressions have the respective meanings given to them in Schedule 1 and the Residential Planning Codes.
- 1.8.3 Where a word or term is defined in the Residential Planning Codes then notwithstanding anything else in the Scheme that word or term when used in respect of residential development has the meaning given to it in the Residential Planning Codes.

## PART II-DEVELOPMENT AND ITS APPROVAL

## DEVELOPMENT REQUIREMENTS

- 2.1 Development of Land
- 2.1.1 Subject to Clause 2.1.2 a person shall not commence or carry out development of any land zoned or reserved under the Scheme without first having applied for and obtained the Planning Consent of the Council under the Scheme, and Council shall not grant Planning Consent unless the person making the application has furnished Council with a written statement from the State Emergency Services (UX0) informing Council that the level of risk from unexploded ammunition is acceptable.
- 2.1.2 The Planning Consent of the Council is not required for the following development of land:(a) The use of land in a reserve, where such land is held by the Council or vested in a Public Authority:
  - (i) for the purpose for which the land is reserved under the Scheme; or
  - (ii) in the case of land vested in a Public Authority, for any purpose for which such land may be lawfully used by that Authority;
  - (b) the erection of a boundary fence except as otherwise required by the Scheme;
  - (c) the erection on a lot of a single dwelling house or a grouped dwelling of no more than two, including ancillary outbuildings, in a zone where the proposed use is designated with the symbol 'P' in the cross-reference to that zone in the Zoning Table;
  - (d) the carrying out of any works on, in, over or under a street or road by a Public Authority acting pursuant to the provisions of any Act;
  - (e) the carrying out of works for the maintenance, improvement or other alteration of any building, being works which affect only the interior of the building or which do not materially affect the external appearance of the building;
  - (f) the carrying out of works urgently necessary in the public safety or for the safety or security of plant or equipment or for the maintenance of essential services.

## 2.2 Discretion to Modify Development Standards

If a development, other than a residential development, the subject of an application for Planning Consent, does not comply with a standard or requirement prescribed by the Scheme with respect to that development the Council may, notwithstanding that non-compliance, approve the application unconditionally or subject to such conditions as the Council thinks fit. The power conferred by this clause may only be exercised if the Council is satisfied that:

- (a) approval of the proposed development would be consistent with the orderly and proper planning of the locality and the preservation of the amenities of the locality;
- (b) the non-compliance will not have any adverse effect upon the occupiers or users of the development or the inhabitants of the locality or upon the likely future development of the locality; and
- (c) the spirit and purpose of the requirement or standard will not be unreasonably departed from thereby.

## PLANNING CONSENT

2.3 Application for Planning Consent

Every application for Planning Consent shall be made in the form prescribed in Schedule 4 to the Scheme and shall be accompanied by such plans and other information as is required by the Scheme.

Unless Council waives any particular requirement every application for Planning Consent shall be accompanied by:---

- (a) A plan or plans to a scale of not less than 1: 500 showing:
  - (i) street names, lot number(s), north point and the dimensions of the site;
  - (ii) the location and proposed use of any existing buildings to be retained and the location and use of buildings proposed to be erected on the site;

2

- (iii) the existing and proposed means of access for pedestrians and vehicles to and from the site;
- (iv) the location, number, dimensions and layout of all car parking spaces intended to be provided;
- (v) the location and dimensions of any area proposed to be provided for the loading and unloading of vehicles carrying goods or commodities to and from the site and the means of access to and from those areas;
- (vi) the location, dimensions and design of any landscaped, open storage or trade display area and particulars of the manner in which it is proposed to develop the same;
- (b) Plans, elevations and sections of any building proposed to be erected or altered and of any building it is intended to retain;
- (c) Any other plan or information that the Council may reasonably require to enable the application to be determined.

#### 2.4 Advertising of Applications

- 2.4.1 Where an application is made for Planning Consent to commence or carry out development which involves an 'SA' use the Council shall not grant consent to that application unless notice of the application is first given in accordance with the provisions of this clause.
- 2.4.2 Where an application is made for Planning Consent to commence or carry out development which involves an 'AA' use, or for any other development which requires the Planning Consent of the Council, the Council may give notice of the application in accordance with the provisions of this clause.
- 2.4.3 Where the Council is required or decides to give notice of an application for Planning Consent, the Council shall cause one or more of the following to be carried out:---
  - (a) notice of the proposed development to be served on the owners and occupiers of land within an area determined by the Council as likely to be affected by the granting of Planning Consent stating that submissions may be made to the Council within twenty-one days of the service of such notice;
  - (b) notice of the proposed development to be published in a newspaper circulating in the Scheme Area stating that submissions may be made to the Council within twenty-one days from the publication thereof;
  - (c) a sign or signs displaying notice of the proposed development to be erected in a conspicuous position on the land for a period of twenty-one days from the date of publication of the notice referred to in paragraph (b) of this clause.
- 2.4.4 The notice referred to in Clause 2.4.3 (a) and (b) shall be in the form contained in Schedule 5 with such modifications as circumstances require.
- 2.4.5 After expiration of twenty-one days from the serving of notice of the proposed development, the publication of notice or the erection of a sign or signs, whichever is the later, the Council shall consider and determine the application.
- 2.5 Determination of Applications
- 2.5.1 In determining an application for Planning Consent, the Council may consult with any Authority which, in the circumstances, it thinks appropriate.
- 2.5.2 Where development is proposed within 7.5 metres landwards of a canal frontage or within 50 metres of the mean high water mark of Geographe Bay, Council shall require applications for Planning Consent to outline the proposed management of run-off from lawns, gardens, developed and paved areas and any injurious effect on a foreshore reserve or waterway frontage that may occur, the location of any proposed jetty or any proposed modification to stabilised surfaces. In determining any application for Planning Consent, Council shall refer all applications to the Department of Marine and Harbours for consideration and where the Department of Marine and Harbours has not within sixty (60) days made comment on the application, Council may issue its decision to the applicant.
- 2.5.3 The Council having regard to any matter which it is required by the Scheme to consider, to the purpose for which the land is reserved, zoned or approved for use under the Scheme, to the purpose for which land in the locality is used, and to the orderly and proper planning of the locality and the preservation of the amenities of the locality, may refuse to approve any application for Planning Consent or may grant its approval unconditionally or subject to such conditions as it thinks fit.
- 2.5.4 The Council shall issue its decision in respect of an application for Planning Consent in the form prescribed in Schedule 6 to the Scheme.
- 2.5.5 Where the Council approves an application for Planning Consent under this Scheme the Council may limit the time for which that consent remains valid.
- 2.6 Deemed Refusal
- 2.6.1 Where the Council has not within sixty days of the receipt by it of an application for Planning Consent either conveyed its decision to the applicant or given notice of the application in accordance with Clause 2.4, the application shall be deemed to have been refused.

- 2.6.2 Where the Council has given notice of an application for Planning Consent in accordance with Clause 2.4 and where the Council has not within ninety days of receipt by it of the application conveyed its decision to the applicant, the application shall be deemed to have been refused.
- 2.6.3 Notwithstanding that an application for Planning Consent may be deemed to have been refused under Clauses 2.6.1 or 2.6.2 the Council, with the written consent of the applicant, may defer making a decision in respect of the application, for any specified period satisfactory to the applicant beyond the expiry of the sixty or ninety day period specified in those clauses.

#### PART III-RESERVES

3.1 Scheme Reserves

The land shown as Scheme Reserves on the Scheme Map, hereinafter called 'Reserves' are lands reserved under the Scheme for the purposes shown on the Scheme Map and are listed hereunder:

- Conservation Reserve
- Recreation Reserve
- Community Purposes Reserve
- Boat Ramps and Trailer Parking Reserve
- 3.2 Objectives
- 3.2.1 Conservation Reserve

Council's intention in controlling development within the Conservation Reserve is to:

- (a) Ensure that land shown as Conservation Reserve on the Scheme Map is transferred to the Crown and vested in CALM for Conservation.
- (b) Ensure that Lot 16 as shown on the Development Plan is transferred to the Crown and vested in CALM for Waterways and Conservation.
- (c) Ensure that a Water Fowl Study Centre is established to reflect the research commitments of the proponent consistent with the recommendations of the Environmental Review and Management Programme. The land set aside for the Waterfowl Study Centre shall have an area of 2.0 hectares and be transferred to the Crown and vested in CALM.
- (d) Ensure that the proposed landscape treatment of the land within the Conservation Reserve retains the maximum possible area and range of habitats for waterbirds and introduces additional freshwater lakes and moats of high waterbird habitat value.
- (e) Ensure that appropriate design features (landscaping and mounding) are incorporated on land abutting the Conservation Reserve to achieve the most effective buffer between the harbour and waterways development and the estuary in order to minimise any form of disturbance to waterbirds, and to maintain the habitat value of the estuary.

#### 3.2.2 Recreation Reserve

Council's intention in controlling development within the Recreation Reserve is to:

- (a) Ensure that land within the Recreation Reserve comprising Geographe Bay foreshore, its dunes and groynes, are transferred to the Crown for the purpose of an 'A Class Reserve for Recreation' and vested in the Council.
- (b) Ensure that construction of groynes and establishment of new foreshore beach profiles within the Recreation Reserve is carried out to the satisfaction of the Environmental Protection Authority following advice from the Department of Marine and Harbours.
- (c) Ensure that sand dune stabilisation, landscaping and management is carried out to the satisfaction of the Environmental Protection Authority following advice from the Department of Marine and Harbours, the Department of Agriculture and the Council.
- (d) Ensure that appropriate landscaping is introduced into any Recreation Reserve adjacent to Layman Road (realigned), or adjacent to any waterway, canal, foreshore reserve or conservation reserve consistent with the Port Geographe Landscape Plan.
- (e) Ensure that the recreation area of approximately 5.5 hectares shown on the Port Geographe Development Plan at the junction of Layman Road and Layman Road (realigned) is developed for recreation purposes.
- (f) Ensure that the recreation reserve of approximately 1.2 hectares, being Lot 17 shown on the Port Geographe Development Plan is transferred to the Crown and vested in Council for the purpose of Recreation and Parking.

## 3.2.3 Community Purposes Reserve

Council's intention in controlling development within the Community Purposes Reserve is to:

Ensure that the Community Purposes Reserve of  $4\ 000\ m^2$  within the Village Centre Precinct is transferred to Council free of cost and used for the purposes of a community house, child care centre, meeting hall and other facilities considered appropriate by Council.

9

3.2.4 Boat Ramps and Trailer Parking Reserve

Council's intention in controlling development within the Boat Ramps and Trailer Parking Reserve is to:

Provide a public boat launching facility comprising of six boat ramps with 200 boat trailer bays in accordance with the Port Geographe Development Plan. The land for the reserve shall be transferred to the Crown free of cost and vested in Council with a right to lease to the proponent.

3.3 Matters to be Considered by Council

Where an application for Planning Consent is made with respect to land within a Reserve, the Council shall have regard to the ultimate purpose intended for the Reserve and the Council shall, in the case of land reserved for the purposes of a Public Authority, confer with that Authority before granting its consent.

- 3.4 Compensation
- 3.4.1 Where the Council refuses Planning Consent for the development of a Reserve on the ground that the land is reserved for a public purpose or for the purposes shown on the Scheme Map, or grants consent subject to conditions that are unacceptable to the applicant, the owner of the land may, if the land is injuriously affected thereby, claim compensation for such injurious affection.
- 3.4.2 Claims for such compensation shall be lodged at the office of the Council not later than six months after the date of the decision of the Council refusing Planning Consent or granting it subject to conditions that are unacceptable to the applicant.
- 3.4.3 In lieu of paying compensation the Council may purchase the land affected by such decision of the Council at a price representing the unaffected value of the land at the time of refusal of Planning Consent or of the grant of consent subject to conditions that are unacceptable to the applicant.
- 3.4.4 Where the proponent has agreed in writing to certain land exchanges and contributions of land for reserve purposes, the provisions of Clauses 3.4.1, 3.4.2 and 3.4.3 shall not apply.
- 3.4.5 Where, after the coming into effect of the Scheme, the Council imposes additional reserves which are not subject to any written agreement waiving compensation rights, the provisions of Clauses 3.4.1, 3.4.2 and 3.4.3 shall apply.

## PART IV-PLANNING POLICIES AND ZONES

- 4.1 Planning Policies
- 4.1.1 General

Development within the Scheme Area shall be generally in accordance with the provisions of the Port Geographe Development Plan, the Port Geographe Landscape Plan and where required in specific areas, the Village Centre Precinct Plan.

#### 4.1.2 Landscaping

The Port Geographe Landscape Plan prepared by the proponent shall be approved by both the Department of Conservation and Land Management and Council, and shall, as a minimum requirement, include:

- (i) The establishment of an overall planting theme of species for all public and visually prominent private areas within the Scheme Area.
- (ii) Details of the proposed landscape treatment of public open space areas, including active recreation reserves, the Geographe Bay beach foreshore area, the Vasse Estuary Foreshore and Water Fowl Study Centre and margins of the Conservation Reserve shown on the Development Plan and Scheme Map.
- (iii) The landscape definition of entrance points including, built form, colour, signage and plantings.
- (iv) Details of the landscaping treatment to be used on road verges to reinforce road hierarchy.
- (v) The definition of landscape buffer areas with particular emphasis on the Layman Road frontage and the need for separation from the Vasse Estuary foreshore environment.
- (vi) The identification and integration of the pedestrian and cycle path network.
- (vii) An outline of the landscape principles to be adopted by site developments within the Scheme Area, with particular reference to the Village Centre Precinct, including sight lines, plant species, irrigation, groundworks, contouring, servicing requirements, paving, car parking, lighting, street and park furniture and signage.
- (viii) Nominated management procedures and recommended minimum maintenance periods applicable to specific landscape areas.

716

# 4.1.3 Precinct Areas

The following statements of planning policy relate to the Precinct Areas shown on Figure 1:

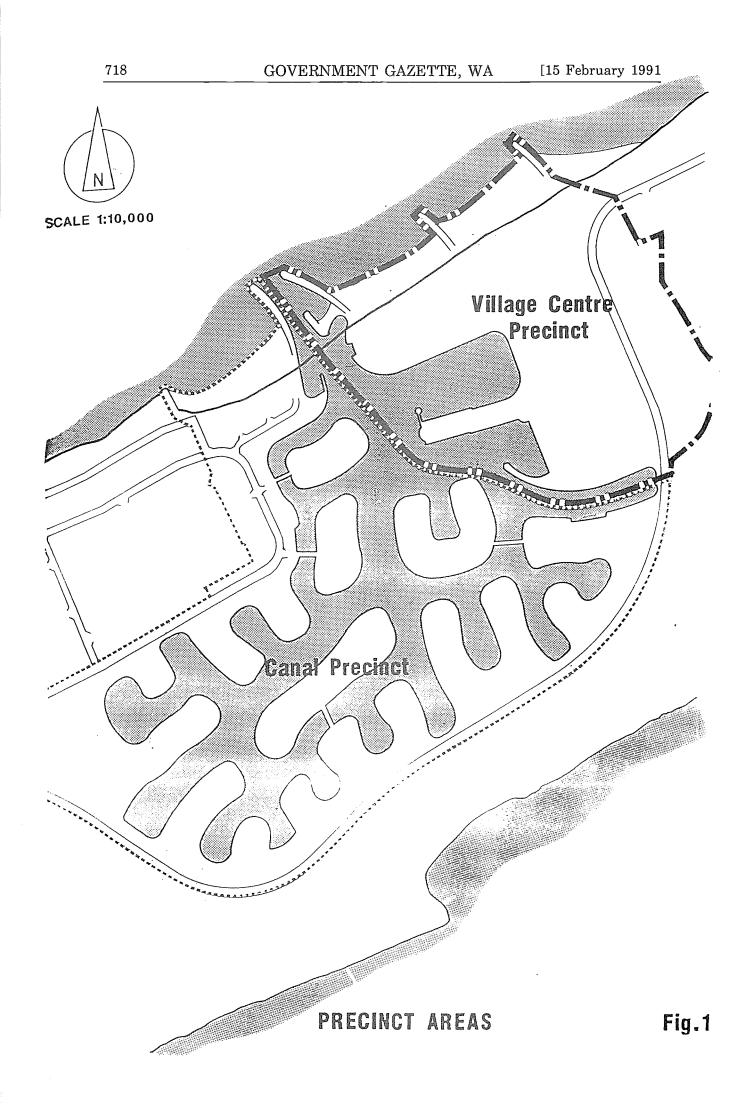

(a) Village Centre Precinct

The following planning policy shall apply:

- (i) Development shall be generally in accordance with a Village Centre Precinct Plan and Performance Standards prepared by the proponent and approved by Council to promote innovative development and ensure that the amenity and general appearance of the Centre is of a high standard.
- (ii) A comprehensive range of commercial uses, including uses serving the requirements of marine operators shall be permitted, together with such other residential and resort accommodation, recreation and community purposes regarded by Council as being compatible with the intent of the Scheme.
- (iii) The areas identified for residential purposes on the Village Centre Precinct Plan shall conform with the Residential Planning Codes. Council will require that comprehensive development proposals are prepared which take into account:
  - the effect any proposal will have on the residential amenity of the locality by reason of streetscape, building form, servicing, privacy between buildings, overshadowing and traffic circulation both on and off site;
  - any other matter required to be taken into account under the provisions of the appropriate residential planning code.
- (iv) Vehicular and pedestrian access and car parking within the centre shall be in accordance with the Village Centre Precinct Plan and the Scheme provisions relating to such matters.
- (v) Landscaping within the centre shall comply with the landscape performance standards and maintenance requirements of the Port Geographe Landscape Plan.
- (vi) The management and maintenance of the waterways, coastal foreshore and adjacent development within the Village Centre Precinct, shall be reviewed jointly by Council and the Department of Marine and Harbours on a regular basis at meetings held no less than once a year.
- (vii) To safeguard building and development within the critical beach foreshore area, detailed consideration of setback and stabilisation will need to be undertaken. No development shall take place on the seaward side of the Geographe Bay Road alignment (prior to closure) until such time as the beach and coastal dune stabilisation and setback requirements have been proven by the proponent to the satisfaction of the Department of Marine and Harbours and Council.
- (b) Canal Precinct

The following planning policy shall apply:

- (i) Subdivision and development shall be generally in accordance with the Port Geographe Development Plan as approved by Council.
- (ii) The predominant use shall be residential including attached and group housing types, together with such other open space and community facilities considered by Council to be compatible with a residential water-based development.
- (iii) The areas identified for residential purposes on the Development Plan shall conform with the Residential Planning Codes. The provisions of the R12.5/17.5 Code shall apply to all residential development, except those sites nominated for a higher density where the provisions of the R25, R40 and R60 Code shall apply. Council shall require that comprehensive development proposals be prepared which take into account:
  - the effect that any proposal will have on the residential amenity of the locality by reason of streetscape, building form, servicing, privacy between buildings, overshadowing and traffic circulation both on and off site;
  - any other matter required to be taken into account under the provisions of the appropriate residential planning code.
- (iv) Landscaping within the canal precinct shall comply with the landscape performance standards and maintenance requirements of the Port Geographe Landscape Plan.
- (v) The management and maintenance of the waterways, coastal foreshore and adjacent development within the Canal Precinct shall be reviewed jointly by Council and the Department of Marine and Harbours on a regular basis at meetings held no less than once a year.

-

4.2 Zones

- 4.2.1 Within each Precinct Area there are hereby created the several zones set out hereunder: Harbour Residential
  - Canal Marina Development Harbour Commercial Harbour Hotel Harbour Private Recreation Harbour Special Use
- 4.2.2 The zones are delineated and depicted on the Scheme Map according to the legend thereon.
- 4.3 Zoning Table

4.3.2

- 4.3.1 The Zoning Table indicates, subject to the provisions of the Scheme, the uses permitted in the Scheme area in the various zones such uses being determined by cross reference between the list of use classes on the left hand side of the Zoning Table and the list of zones at the top of the Zoning Table.
  - The symbols used in the cross reference in the Zoning Table have the following meanings: 'P' means that the use is permitted provided it complies with the relevant standards and requirements laid down in the Scheme and all conditions (if any) imposed by the Council in granting Planning Consent;
    - 'AA' means that the Council may, at its discretion, permit the use;
    - 'SA' means that the Council may, at its discretion, permit the use after notice of application has been given in accordance with Clause 2.4.
- 4.3.3 Where no symbol appears in the cross reference of a use class against a zone in the Zoning Table a use of that class is not permitted in that zone.
- 4.3.4 Where in the Zoning Table a particular use is mentioned it is deemed to be excluded from any other use class which by its more general terms might otherwise include such particular use.

- 4.3.5 If the use of land for a particular purpose is not specifically mentioned in the Zoning Table and cannot reasonably be determined as falling within the interpretation of one of the use classes the Council may:
  - (a) determine that the use is not consistent with the objectives and purpose of the particular zone and is therefore not permitted, or
  - (b) determine by absolute majority that the proposed use may be consistent with the objectives and purpose of the Zone and thereafter follow the advertising procedures of Clause 2.4 in considering an application for Planning Consent.
- 4.4 Additional Uses

Notwithstanding anything contained within the Zoning Table, the land specified in Schedule 2 may, subject to compliance with any condition specified in the schedule with respect to the land, be used for the purpose set against that land. The use so specified is in addition to the other uses permitted in the zone in which the land is situated unless any of those uses are excluded or modified by a condition specified in that schedule.

- 4.5 Harbour Residential Zone
- 4.5.1 Objectives

The Council's intention in controlling development within the Harbour Residential Zone is to:

- (a) Permit development in accordance with the Residential Density Coding shown on the Scheme Map.
- (b) Require comprehensive development proposals to be submitted to Council where development other than single residential development, or a grouped dwelling of not more than two, is proposed.
- 4.5.2 Development Requirements
  - Residential Development: Residential Planning Codes
- 4.5.3 For the purpose of the Scheme, 'Residential Planning Codes' means the Residential Planning Codes set out in Appendix 2 to the Statement of Planning Policy No.1, together with any amendments thereto.
- 4.5.4 A copy of the Residential Planning Codes, as amended, shall be kept and made available for public inspection at the offices of the Council.
- 4.5.5 Unless otherwise provided for in the Scheme the development of land for any of the residential purposes dealt with by the Residential Planning Codes shall conform to the provisions of those codes.
- 4.5.6 The Residential Planning Code densities applicable to land within the Scheme Area shall be determined by reference to the Residential Planning Codes density numbers superimposed on the Scheme Map.
- 4.6 Canal Zone
- 4.6.1 Objectives
  - The Council's intention in controlling development within the Canal Zone is to:
    - (a) Ensure that the development of residential lots, roads, open space areas and waterways within the Canal Zone is generally in accordance with the Port Geographe Development Plan.
    - (b) Encourage a high standard of residential waterways development in accordance with the principles of the Canal Guidelines.
    - (c) Ensure that land abutting Layman Road is landscaped to achieve a high quality development edge consistent with the objectives of the overall landscape plan for the Port Geographe project area.
    - (d) Ensure a high standard of water quality, waterways management and sand by-passing as referred to in the Environmental Review and Management Programme for the project.
- 4.6.2 Development Requirements

The following provisions shall apply to land included within the Canal Zone in addition to any provisions which are more generally applicable to such land under the Scheme:

- (a) Subdivision and development of land within the Canal Zone shall be generally in accordance with the Port Geographe Development Plan notated as Plan No. 85/7/22 dated February 1990 and signed by the Shire Clerk.
- (b) Notwithstanding what may be shown by the Port Geographe Development Plan, the State Planning Commission may approve a minor variation to the subdivisional design but further subdivision of lots so created shall be contrary to the provisions of the Scheme.
- (c) Within the Canal Zone, Council shall require a detailed subdivision layout to be submitted outlining:
  - (i) the proposed subdivision of the land including lot sizes, lot dimensions, contours and all such other information as is set out in Regulation 6 of the State Planning Commission Regulations 1962;

- (ii) the proposed land use or development on each lot;
- (iii) areas proposed to be set aside for public open space, pedestrian accessways and community facilities as may be required under the provisions of the Scheme.
- (iv) the proposed staging of the subdivision/development where relevant.
- (d) Where development is proposed within 7.5 metres landwards of a canal frontage, the Council shall refer the development application to the Department of Marine and Harbours for its consideration and the Council shall take into account any comments received in making its determination.
- (e) All dwellings shall be set back a minimum of 6.0 metres from a road frontage.
- (f) No retaining wall or fencing shall be erected along the canal frontage or within 1.0 metre of the top of a wall whichever is the greater distance as determined by the Council.
- (g) No retaining wall (other than a canal wall) situated more than 1.0 metre but less than 7.5 metres from a canal frontage shall exceed 1.0 metre above the stabilised surface level.
- (h) No retaining wall (other than a canal wall) situated more than 7.5 metres but less than 9.0 metres from a canal frontage shall exceed 1.5 metres above the stabilised surface level.
- (i) Given that the boundary of a lot is defined as being 0.5 metre beyond the toe of the canal wall, the maintenance of all water frontage walling, retaining and revetment, shall be the responsibility of the landowner.
- (j) No fence situated within 7.5 metres of a canal frontage shall exceed 1.0 metre above the stabilised surface level.
- (k) No fence situated more than 7.5 metres from a canal frontage shall exceed 2.0 metres above the stabilised surface level.
- (l) All existing canal walls along a canal frontage shall be kept in a structurally sound condition to the satisfaction of the Council and shall not be altered, extended or removed without the written approval of the Council being first applied for and obtained.
- (m) Council may permit any dwelling or structure (including retaining wall, canal wall or fencing, building or outbuilding) to be erected at any height above or below the stabilised surface level and any setback from a canal frontage, provided that:
  - (i) Council is satisfied that there will be an improved architectural amenity resulting from a minimal setback distance between buildings and the canal frontage in the particular case;

6

- (ii) Council is satisfied that the overall amenity and appearance of the canal frontage will be maintained or improved;
- (iii) A professional structural engineer provides certification as to the structural soundness of the proposed works;
- (iv) Council is satisfied that no erosion or soil instability will result.
- (n) All clothes drying areas and utility areas which, in the opinion of the Council, detract from the amenity of either the canal frontage or the road frontage shall be screened from view to the satisfaction of Council. Applications for development shall show how all clothes drying areas, utility areas or service areas will be integrated within the development in order to comply with this sub-clause.
- (o) Within the Canal Zone, Council shall require all water bodies nominated by the Port Geographe Development Plan to be transferred free of cost to the Crown and vested in the Department of Marine and Harbours and jointly managed by the Department of Marine and Harbours and Council.
- 4.7 Marina Development Zone

- (a) Ensure that development within the Marina Development Zone takes place in compliance with the Village Centre Precinct Plan.
- (b) Provide a secondary retail and marine service facility to service the boating needs of the surrounding community and visitors to the Busselton Shire.
- (c) Ensure adequate management of the Marina Operator's lot which extends to and includes the commercial water frontage around the Village Harbour and Marina to which jetties and boat handling facilities may abut.
- (d) Provide six boat launching ramps available to the public with parking sufficient for 200 trailers together with ancillary facilities commensurate with the efficient operation of a working marina.

# 4.7.2 Development Requirements

The following provisions shall apply to land included within the Marina Development Zone in addition to any provisions which are more generally applicable to such land under the Scheme:

- (a) Development within the Marina Development Zone shall be in accordance with the Village Centre Precinct Plan and Performance Standards approved by Council.
- (b) Where development within the Marina Development Zone abuts the boundary of a Canal Zone, the provisions of Clause 4.6.2, parts (d) to (n) shall apply.
- (c) Applications for development shall be accompanied by a detailed landscape plan which is consistent with the Port Geographe Landscape Plan. Landscape areas shall be planted and maintained in accordance with the approved plan. Such landscaping shall be carried out within 30 days of the practical completion of the development.
- (d) Where required by Council, applications for development shall include a car parking plan outlining the number of car parking spaces to be provided. Such spaces shall be designed, constructed and maintained by the applicant in accordance with an approved plan relating thereto.
- (e) Where required by Council, areas for the loading and unloading of vehicles carrying goods or commodities to or from premises, open storage and trade display areas shall be provided by the applicant and maintained in accordance with an approved plan relating thereto.
- 4.8 Harbour Commercial Zone

### 4.8.1 Objectives

The Council's intention in controlling development within the Harbour Commercial Zone is to:

- (a) Ensure that development within the Harbour Commercial Zone takes place in accordance with the Village Centre Precinct Plan.
- (b) Establish a promenade interface between the harbour and retail establishments to facilitate public use and enjoyment.
- (c) Provide a range of retail and entertainment establishments within the zone, including a community facility adjacent to a traditional Village Square, to serve the requirements of the residential population of the project area and East Busselton, together with the visiting population attracted to the Village Centre as a resort destination.
- 4.8.2 Development Requirements

The following provisions shall apply to land included within the Harbour Commercial Zone in addition to any provisions which are more generally applicable to such land under the Scheme:

- (a) Development within the Harbour Commercial Zone shall be in accordance with the Village Centre Precinct Plan and Performance Standards as approved by Council.
- (b) Where development within the Harbour Commercial Zone abuts the boundary of a Canal Zone, the provisions of Clause 4.6.2, parts (d) to (n) shall apply.
- (c) Applications for development shall be accompanied by a detailed landscape plan which is consistent with the Port Geographe Landscape Plan. Landscape areas shall be planted and maintained in accordance with the approved plan. Such landscaping shall be carried out within 30 days of the practical completion of the development.
- (d) Where required by Council, applications for development shall include a car parking plan outlining the number of car parking spaces to be provided. Such spaces shall be designed, constructed and maintained by the applicant in accordance with an approved plan relating thereto.
- (e) Where required by Council, areas for loading and unloading of vehicles carrying goods or commodities to or from premises, open storage and trade display areas shall be provided by the applicant and maintained in accordance with an approved plan relating thereto.

# 4.9 Harbour Hotel Zone

### 4.9.1 Objectives

# PART V-NON-CONFORMING USES

5.1 Non-Conforming Use Rights

No provision of the Scheme shall prevent:

- (a) the continued use of any land or building for the purpose for which it was being lawfully used at the time of coming into force of the Scheme; or
- (b) the carrying out of any development thereon for which, immediately prior to that time, a permit or permits, lawfully required to authorise the development to be carried out, were duly obtained and are current.

# 5.2 Extension of Non-Conforming Use

A person shall not alter or extend a non-conforming use or erect, alter or extend a building used in conjunction with a non-conforming use without first having applied for and obtained the Planning Consent of the Council under the Scheme and unless in conformity with any other provisions and requirements contained in the Scheme.

# 5.3 Change of Non-Conforming Use

Notwithstanding anything contained in the Zoning Table the Council may grant its Planning Consent to the change of use of any land from a non-conforming use to another use if the proposed use is, in the opinion of the Council, less detrimental to the amenity of the locality than the non-conforming use and is, in the opinion of the Council, closer to the intended uses of the zone or reserve.

- 5.4 Discontinuance of Non-Conforming Use
- 5.4.1 When a non-conforming use of any land or building has been discontinued such land or building shall not thereafter be used otherwise than in conformity with the provisions of the Scheme.
- 5.4.2 The Council may effect the discontinuance of a non-conforming use by the purchase of the affected property, or by the payment of compensation to the owner or the occupier or to both the owner and the occupier of that property, and may enter into an agreement with the owner for that purpose.
- 5.5 Destruction of Buildings

If any building is, at the gazettal date, being used for a non-conforming use, and is subsequently destroyed or damaged to an extent of 75 per cent or more of its value the land on which the building is built shall not thereafter be used otherwise than in conformity with the Scheme, and the buildings shall not be repaired or rebuilt, altered or added to for the purpose of being used for a non-conforming use or in a manner or position not permitted by the Scheme.

# PART VI-ADMINISTRATION

#### 6.1 Powers of the Scheme

- (a) the Council may enter into an agreement with any owner, occupier or other person having an interest in land affected by the provisions of the Scheme in respect of any matters pertaining to the Scheme;
- (b) the rights to impose performance contracts or require legal agreements as a condition of development approval;
- (c) the Council may acquire any land or buildings within the district pursuant to the provisions of the Scheme or the Act. The Council may deal with or dispose of any land which it has acquired pursuant to the provisions of the Scheme or the Act in accordance with law and for such purpose may make such agreement with other owners as it considers fit;
- (d) an officer of the Council, authorised by the Council for the purpose, may at all reasonable times enter any building or land for the purpose of ascertaining whether the provisions of the Scheme are being served.

### 6.2 Offences

- 6.2.1 A person shall not erect, alter or add to or commence to erect, alter or add to a building or use or change the use of any land, building or part of a building for any purpose—
  - (a) otherwise than in accordance with the provisions of the Scheme;
  - (b) unless all consents required by the Scheme have been granted and issued;
  - (c) unless all conditions imposed upon the grant and issue of any consent required by the Scheme have been and continue to be complied with;
  - (d) unless all standards laid down and all requirements prescribed by the Scheme or determined by the Council pursuant to the Scheme with respect to that building or that use of that part have been and continue to be complied with.
- 6.2.2 A person who fails to comply with any of the provisions of the Scheme is guilty of an offence and without prejudice to any other remedy given herein is liable to the penalties prescribed by the Act.

6.3 Act

- 6.3.1 Twenty eight (28) days written notice is hereby prescribed as the notice to be given pursuant to Section 10 of the Act.
- 6.3.2 The Council may recover expenses under Section 10(2) of the Act in a court of competent jurisdiction.
- 6.4 Claims for Compensation

Except where otherwise provided in the Scheme, the time limit for the making of claims for compensation pursuant to Section 11(1) of the Act is six (6) months after the date of publication of the Scheme in the *Government Gazette*.

6.5 Appeals

An applicant aggrieved by a decision of the Council in respect of the exercise of a discretionary power under the Scheme may appeal in accordance with Part V of the Act and the rules and regulations made pursuant to the Act.

- 6.6 Power to Make Policies
- 6.6.1 In order to assist in the implementation of the Scheme, the Council may make Town Planning Scheme Policies relating to parts or all of the Scheme area and relating to one or more of the aspects of the control of Development.

- 6.6.2 A Town Planning Scheme Policy shall become operative only after the following procedures have been completed:
  - (a) The Council having prepared and having resolved to adopt a Draft Town Planning Scheme Policy, shall advertise a summary of the Draft Policy once a week for two consecutive weeks in a newspaper circulating in the area giving details of where the Draft Policy may be inspected and where, in what form, and during what period (being not less than 21 days) representations may be made to the Council.
  - (b) The Council shall review its Draft Town Planning Scheme Policy in the light of any representations made and shall then decide to finally adopt the Draft Policy with or without amendment, or not proceed with the Draft Policy.
  - (c) Following final adoption of a Town Planning Scheme Policy, details thereof shall be advertised publicly and a copy kept with the Scheme documents for inspection during normal office hours.
- 6.6.3 A Town Planning Scheme Policy may only be altered or rescinded by:
  - (a) Preparation and final adoption of a new Policy pursuant to this clause, specifically worded to supersede an existing Policy.
  - (b) Publication of a formal notice of the alteration or rescission by the Council twice in a newspaper circulating in the area.
- 6.6.4 The Council shall take into account the provisions of the Policy and objectives which the Policy was designed to achieve before making its decision.

### PART VII—CONTROL OF ADVERTISEMENTS

7.1 Objectives

The objective of this Part is to secure the orderly and proper planning and the amenity of the Scheme Area through the control of advertisements by the examination and determination of applications for advertising signs in the light of:

- (i) the impact of new advertisements upon residential, rural and recreational areas;
- (ii) the potential of any proposed advertisement to enhance or detract from the visual amenity and character of an area; and
- (iii) the potential for the rationalisation, consolidation or removal of existing advertisements where amenity is already impaired by poor, excessive or derelict advertising.
- 7.2 Power to Control Advertisements
  - (a) For the purpose of this Scheme, the erection, placement and display of advertisements and the use of land or buildings for that purpose is development within the definition of the Act requiring, except as otherwise provided, the prior approval of the Council. Such planning consent is required in addition to any licence pursuant to Council's Signs and Hoarding and Bill Posting By-laws.
  - (b) Applications for Council's consent pursuant to this Part shall be submitted in accordance with the provisions of Clause 2.3 of the Scheme and shall be accompanied by a completed Additional Information Sheet in the form set out at Schedule 7, giving details of the advertisement(s) to be erected, placed or displayed on the land.
- 7.3 Existing Advertisements

Advertisements which:

- (i) were lawfully erected, placed or displayed prior to the approval of this Scheme, or
- (ii) may be erected, placed or displayed pursuant to a licence or other approval granted by Council prior to the approval of this Scheme, hereinafter in this part referred to as 'existing advertisements', may, except as otherwise provided, continue to be displayed or be erected and displayed in accordance with the licence or approval as appropriate.
- 7.4 Consideration of Applications

Without limiting the generality of the matters which may be taken into account when making a decision upon an application for consent to erect, place or display an advertisement, Council shall examine each such application in the light of the objectives of the Scheme and with particular reference to the character and amenity of the locality within which it is to be displayed, including its historic or landscape significance and traffic safety, and the amenity of adjacent areas which may be affected.

7.5 Exemptions from the Requirement to Obtain Planning Consent

Subject to the provisions of the Main Roads (Control of Signs) Regulations 1983 and notwithstanding the provisions of Clause 7.2(a), the Council's prior consent is not required in respect of those advertisements listed in Schedule 8 which, for the purpose of this Part, are referred to as 'exempted advertisements'. The exemptions listed in Schedule 8 do not apply to places, buildings, conservation areas or landscape protection zones which are either:

- (i) listed by the National Trust;
- (ii) listed on the register of the National Estate;
- (iii) included in local authority town planning schemes because of their heritage or landscape value.

ŏ.

7.6 Discontinuance

Notwithstanding the Scheme objectives and Clause 7.5, where the Council can demonstrate exceptional circumstances which cause an exempted or existing advertisement to seriously conflict with the objectives of this Part, it may by notice in writing (giving clear reasons) require the advertiser to remove, relocate, adapt, or otherwise modify the advertisement within a period of time specified in the notice.

#### 7.7 Derelict or Poorly Maintained Signs

Where, in the opinion of the Council, an advertisement has been permitted to deteriorate to a point where it conflicts with the objectives of the Scheme or it ceases to be effective for the purpose for which it was erected or displayed, Council may by notice in writing require the advertiser to:

- (i) repair, repaint or otherwise restore the advertisement to a standard specified by Council in the notice, or
- (ii) remove the advertisement.

# 7.8 Notices

- (a) 'The advertiser' shall be interpreted as any one or any group comprised of the landowner, occupier or licensee.
- (b) Any notice served in exceptional circumstances pursuant to Clause 7.6 or pursuant to Clause 7.7 shall be served upon the advertiser and shall specify:
  - (i) the advertisement(s) the subject of the notice;
  - (ii) full details of the action or alternative courses of action to be taken by the advertiser to comply with the notice;
  - (iii) the period, not being less than 60 days, within which the action specified shall be completed by the advertiser.
- (c) Any person upon whom a notice is served pursuant to this Part may, within a period of 60 days from the date of the notice, appeal to the Hon. Minister for Planning or the Town Planning Appeal Tribunal in accordance with Part V of the Act, and where any such appeal is lodged the effect of the notice shall be suspended until the decision to uphold, quash or vary the notice is known and shall thereafter have effect according to that decision.

7.9 Scheme to Prevail

Where the provisions of this Part are found to be at variance with the provisions of the Council's Signs, Hoarding and Bill Posting By-laws, the provisions of the Scheme shall prevail.

7.10 Enforcement and Penalties

The offences and penalties provisions specified in Clause 6.2 of the Scheme apply to the advertiser in this Part.
