PERTH, FRIDAY, 14 JUNE 1991 No. 80

PUBLISHED BY AUTHORITY G. L. DUFFIELD, GOVERNMENT PRINTER AT 3.30 PM

## Publishing Details

The *Western Australian Government Gazette* is published by the State Print for the State of Western Australia on Friday of each week unless disrupted by Public Holidays or unforeseen circumstances.

Special *Government Gazettes* and Extraordinary *Government Gazettes* are published periodically, only the special gazettes are included in the subscription price.

The following guidelines should be followed to ensure publication in the *Government Gazette*.

- Material submitted to the Executive Council for gazettal will require a copy of the signed Executive Council Minute Paper.
- Advertising should be received by the Manager, Publication Sales no later than 3.00 p.m. on Wednesday.
- Lengthy or complicated notices should be forwarded several days before advertised closing date for copy. This is to ensure inclusion in current edition. Failure to observe this request could result in the notice being held over until the following week.
- Proofs will be supplied only when requested.
- No additions or amendments to material for publication will be accepted by telephone.

Send copy to:

The Manager,  
Publication Sales  
State Print  
Station Street, Wembley, 6014  
Telephone: 383 8851 Fax: 382 1079

## Advertisers should note:

- All Notices should be written in 'plain English'.
- Signatures (in particular) and proper names must be legible.
- All copy should be typed and double spaced.
- If it is necessary through isolation or urgency to communicate by facsimile, any confirmation forwarded later must be endorsed to the effect that this copy is only confirmation of previously transmitted facsimile copy already received by the State Print. This is to alleviate the problem of copy appearing twice.
- Documents not clearly prepared and in the exact format for gazettal will be returned to the sender unpublished.
- Late copy received at Publication Sales after 3.00 p.m. Wednesday will be placed in the following issue irrespective of any date/s mentioned in the copy (unless otherwise advised).

## IMPORTANT NOTICE GOVERNMENT DEPARTMENTS AND STATUTORY AUTHORITIES

As of 1 July 1990 all notices published in the *Government Gazette* will attract payment as indicated in the circular forwarded to all Chief Executive Officers in March 1990.

The Departmental Officer responsible for forwarding copy to State Print must ensure that it is accompanied by a completed "Authorization to Publish" form showing the authorizing officer and a telephone contact number to enable speedy resolution of any matters that may arise. These forms are available from State Print.

Copy not accompanied by an official order will not be published until the order is received.

Advertisers are asked to become aware of the requirements listed on the front page of all general *Government Gazettes* as failure to comply may result in copy being returned to the originating Department unpublished.

## LOCAL GOVERNMENT ACT 1960

*The Municipality of the Shire of Denmark*

## By-law Relating to Extractive Industries

In pursuance of the powers conferred upon it by the abovementioned Act and all other powers enabling it, the Council of the abovementioned Municipality hereby records having resolved on 22 May 1990, to make and submit for confirmation by the Governor the following by-law.

**By-law Relating to Extractive Industries**

1. The model by-laws relating to Extractive Industries adopted by the Shire of Denmark under the provisions of the Local Government Act 1960 as amended and published in the *Government Gazette* on 19 March 1968, are hereby revoked.

2. In this by-law unless the context otherwise requires—

“Act” means the Local Government Act 1960.

“Council” means the Council of the Municipality of the Shire of Denmark.

“Excavation site” means a defined area of land upon which it is proposed to carry on an extractive industry or upon which an extractive industry is carried out;

“Licensee” means the holder of an Excavation Licence;

“Minister” means the Minister for Local Government;

“Municipal district” means the municipal district of the Shire of Denmark.

Other words and expressions have the same meaning as they have in the Act and in the Interpretation Act 1984.

3. A person shall not carry on an extractive industry on any land within the municipal district without first having obtained an excavation licence to do so from the Council.

4. An application to the Council for an excavation licence or a renewal thereof shall be in the form of the First Schedule hereto and shall be accompanied by—

4.1 Three copies of an excavation site plan to a scale of between 1:5 000 and 1:2 000, and showing *inter alia*—

4.1.1 existing and proposed land contours at 1m intervals based on Australian Height Datum,

4.1.2 the maximum area and depth of the excavation site, and

4.1.3 distances from public and private streets, lot boundaries, fences, buildings, drains, water courses and land affected by registered grants of easement in the vicinity of the excavation site;

- 4.2 Three copies of an excavation program containing, *inter alia*—
    - 4.2.1 a description of the existing evacuation site environment and the likely effect upon this of the proposed excavation,
    - 4.2.2 the nature and estimated duration of the proposed excavation,
    - 4.2.3 a schedule of estimated stages of the excavation program and of the time periods within which it is proposed operations will be carried out,
    - 4.2.4 a description of the methods by which existing vegetation is to be cleared and topsoil and overburden removed and/or stockpiled,
    - 4.2.5 a description of the means of vehicular access to the excavation site and the types of public roads and private accessways to be constructed and/or used,
    - 4.2.6 a description of the methods by which the excavation site is to be kept drained, and
    - 4.2.7 a description of the measures to be taken to minimise noise and dust nuisance, erosion, water course siltation, adverse visual impact and dangers to the general public;
  - 4.3 Three copies of a rehabilitation program indicating, *inter alia*—
    - 4.3.1 the objectives of the program, having due regard to the nature of the surrounding area and the proposed end use of the excavation site,
    - 4.3.2 the proposed finished contours of the land,
    - 4.3.3 when restoration and reinstatement of the excavation site is to be undertaken,
    - 4.3.4 the method by which topsoil is to be replaced and seeded, and
    - 4.3.5 the numbers and types of trees to be planted and other landscaping features developed;
  - 4.4 A letter of consent to the application from the owner of the proposed excavation site, where the applicant is not the owner of the subject property;
  - 4.5 Any additional information concerning the proposed excavation as the Council may reasonably require.
5. An application for an excavation licence must be accompanied by—
- 5.1 evidence that the applicant served notice by certified mail on—
    - 5.1.1 every owner or occupier of land within 500 m from the boundaries of the land; and
    - 5.1.2 every authority or person having control or jurisdiction over any power lines or telephone cables or poles or pylons in respect thereof, public or private easements, sewers, pipelines, reserves, bridges, railway lines, dams, watercourses, drains or sumps within 500 m from the boundaries of the land;
  - 5.2 evidence that the applicant advertised notice of the intended application in a newspaper circulating within the district on a date not less than one month or more than 2 months prior to the date upon which the application is lodged with the Shire Clerk; and
  - 5.3 copies of all planning approvals required under any town planning scheme and metropolitan region planning scheme with respect to the proposed carrying on of the extractive industry.
6. An excavation licence shall be substantially in the form of the Second Schedule hereto and shall be valid for such term not exceeding 21 years from the date of issue as the Council may at that date determine and may be renewed thereafter by Council for a further term or terms at the written request of the applicant made not less than 3 months prior to the expiration of the extant licence.
7. Excavation licence and renewal fees shall be payable to the Council in the amounts set out in the Third Schedule hereto.
8. The Council may impose conditions upon an excavation licence in respect of the following matters—
- 8.1 the hours during which excavation work may be carried out,
  - 8.2 the hours during which blasting operations may be carried out,
  - 8.3 the hours during which any processing plant associated with, or located on, the extractive industry site may be operated,
  - 8.4 the depths below which a person shall not excavate,
  - 8.5 the safety of persons employed at the excavation site,

- 8.6 the planting, care and maintenance of trees, shrubs and other landscaping features during the time in which the extractive industry is carried out in order to effectively screen the area to be excavated,
  - 8.7 the drainage of the excavation site and the disposal of water therein,
  - 8.8 the restoration and reinstatement of the excavation site, and the staging of such works,
  - 8.9 the provision of retaining walls to prevent subsidence of any portion of the excavation or of land abutting the excavation,
  - 8.10 requiring the licensee to enter into an agreement with the Council in respect of any condition or conditions imposed under this clause,
  - 8.11 distances from adjoining land or streets within which a person shall not excavate,
  - 8.12 requiring the licensee to furnish to Council a Surveyor's Certificate each year, one month prior to the annual fee being payable to certify that material has not been excavated below the final contour levels outlined within the approved excavation program,
  - 8.13 otherwise properly regulating the carrying on of an extractive industry.
9. Upon the expiration of an Excavation Licence or the sooner cessation of any excavation work, the licensee shall ensure that—
- 9.1 the excavation is restored and reinstated in accordance with proposals approved by the Council or in such manner as the Council shall subsequently agree with the licensee in writing,
  - 9.2 any face permitted to remain upon the excavation site is left safe to the satisfaction and specification of Council's Shire Engineer with all loose materials removed therefrom, and the sides sloped to a batter of not more than 1:3,
  - 9.3 the agreed floor level of the excavation site is graded to an even surface or otherwise in accordance with the excavation and rehabilitation program approved by the Council, and
  - 9.4 all dumps of stone, sand or other material are so left that no portion of that stone, and/or other material can escape onto land not owned or occupied by the licensee nor into any stream, water course or drain that is not wholly situated within the land owned or occupied by the licensee.
10. The Council—
- 10.1 May require as a condition of any excavation licence payment of the licensee into a fund established by the Council for the purpose of restoring and reinstating the excavation site a sum calculated at a rate per hectare, or part thereof, of the excavation site proposed to be excavated annually, set out in the schedule hereto,
  - 10.2 may apply money in such a fund to or towards the restoration and reinstatement of the excavation site if the licensee does not carry out such restoration and reinstatement at his own cost upon completion of the excavation or the expiration of the licence, whichever the case may be,
  - 10.3 shall refund to the licensee moneys paid by him into such a fund upon satisfactory restoration and reinstatement of the excavation site.
11. As an alternative to payment into a fund in accordance with clause 10 hereof the Council—
- 11.1 may require an applicant for an Excavation Licence to give to the Council a bond, with or without sureties in a sum calculated as aforesaid to ensure that he will either carry out, or cause to be carried out the restoration and reinstatement of the excavation site agreed between the applicant and the Council upon the granting of an excavation licence and in the case of default in carrying out or causing to be carried out such restoration and reinstatement, the bond is thereupon forfeited to the Council, and
  - 11.2 may apply the amount of a bond forfeited as aforesaid, or so much of that amount as is required, towards the carrying out of such restoration and reinstatement work.
12. Subject always to any condition imposed by the Council in accordance with clause 8 of this by-law a person shall not without the written approval of the Council—
- 12.1 excavate within 20 m of the boundary of any land not the subject of an excavation licence held by that person and now owned by him,
  - 12.2 excavate within 20 m of any land affected by a registered grant of easement or 40 m of any water course, and
  - 12.3 excavate within a distance of 40 m of any road.

13. Where practicable all crushing and treatment plant shall be enclosed within suitable buildings to minimise the emission of noise, dust, vapour and general nuisance to the satisfaction of Council.

14. A Licensee shall—

14.1 not remove natural trees or scrub within 40 m (or such lesser distance as may be allowed by the Council in accordance with clause 8 of this by-law) of the boundary of any road reserve on land in respect of which an Excavation Licence has been granted, except for the purpose of constructing access roads or erecting buildings for use in connection with the excavation and then only with the express approval of the Council and subject to any conditions which the Council may impose in accordance with clause 8 hereof,

14.2 securely fence the excavation and keep the gateways locked when not actually in use in order that unauthorised persons will not enter the excavation,

14.3 drain and keep drained the excavation site in such a manner as to prevent the accumulation of water therein,

14.4 subject always to any condition imposed by Council in accordance with clause 8.2 hereof, refrain from carrying out blasting operations in or about an excavation site except between the hours of 8 am and 5 pm Mondays to Fridays (inclusive).

14.5 take all necessary steps to prevent the emission of dust, noise and other forms of nuisance from the excavation site,

14.6 not excavate other than in accordance with the terms of the application and accompanying site plans and excavation and management programs approved by the Council,

14.7 restore and reinstate the excavation site in accordance with the terms of the application and accompanying site plans and excavation and management programs approved by the Council,

14.8 give the Council at least 7 days written notice of his intention to temporarily cease operations for a period of 12 months or more, or to cease operating under his licence permanently,

14.9 otherwise comply with conditions imposed by the Council in accordance with clause 8 hereof.

15. If a licensee fails to comply with—

15.1 any of the conditions on an excavation licence,

15.2 any provisions of this by-law,

15.3 conditions of an agreement with the Council made in accordance with clause 8.10 hereof,

and the default continues following the expiration of a period of 14 days from the service upon the licensee of written notice from the Council of such default, the Council may cancel the excavation licence of the defaulting licensee.

16. Any person who contravenes the provisions of this by-law commits an offence and is liable upon conviction to—

16.1 a maximum penalty not exceeding five hundred dollars (\$500.00),

16.2 in the event of a continuing offence following conviction, a daily penalty not exceeding fifty dollars (\$50.00) for every day or part of a day during which such offence continues.

17. The provisions of this by-law shall apply to all land within the municipal district and shall apply to every excavation whether commenced prior to or following the coming into operation of this by-law.

**TOWN PLANNING AND DEVELOPMENT ACT 1928**  
**APPROVED TOWN PLANNING SCHEME AMENDMENT**  
*Shire of Bridgetown-Greenbushes*

Town Planning Scheme No. 3—Amendment No. 10

Ref: 853/6/5/3, Pt. 10.

It is hereby notified for public information, in accordance with section 7 of the Town Planning and Development Act 1928 that the Hon Minister for Planning approved the Shire of Bridgetown-Greenbushes Town Planning Scheme Amendment on 5 June 1991 for the purpose of—

1.0 Modifying the Scheme Text in the following manner—

- 1.1 Adding to the Table of Contents, Part IV: General Provisions Relating to the Zones, a new clause as follows—

‘ 4.9 Special Residential Zone ’

- 1.2 Adding to the list of zones in clause 3.1 the zone 'Special Residential' and increasing the number of zones referred to in the clause from '8' to '9'.

- 1.3 Adding 'Special Residential' to the zones at the head of Table 1 and listing—

The following uses as 'P' uses

Public Utility  
Single House;

The following uses as 'AA' uses

Home Occupation  
Outdoor Recreation  
Rural Use;

and, all other uses as 'X' uses.

1.4 Adding a new clause 4.10 as follows—

4.10 Special Residential Zone

Council's objective will be to use the Special Residential Zone to provide variety in the residential lot market. Council will use the zone sparingly and only where special site characteristics dictate that larger residential lots are desirable.

Council's Development Policy will therefore be to—

- (a) Only support the rezoning of areas to Special Residential which by topography, character or location require special consideration and, where residential services are available.
- (b) Ensure *ad hoc* rezoning and subdivision do not prejudice subdivision of surrounding land.
- (c) Control subdivision, development and land use to ensure the special qualities of the site are maintained.

4.10.1 Subdivision shall be generally in accordance with an approved subdivision guide plan and no further subdivision shall be permitted.

4.10.2 The minimum lot size shall be 2 000 m<sup>2</sup> and the maximum lot size 1 ha unless specific reasons exist for variations to these standards.

4.10.3 Unless a specific building envelope has been declared for a lot, the minimum setback requirements shall be—

- 12 metres from front and rear boundaries; and
- 6 metres from a side boundary.

4.10.4 Council may, at its discretion, create or alter building envelopes or setback requirements for a lot in the Special Residential Zone, but only where good reason exists and with the objective of enhancing the character and amenity of the zone.

4.10.5 All Special Residential lots will be provided with reticulated water.

4.10.6 Council's approval is required prior to any development in the Special Residential Zone, including a single house.

4.10.7 Not more than one dwelling shall be permitted on any lot.

4.10.8 The use of second hand materials for visible structures is prohibited.

4.10.9 No boundary fences shall be constructed of the following materials—

- Asbestos;
- Metal Sheeting; or
- Wooden Pickets.

4.10.10 No sign, hoarding or billboard shall be permitted within the Special Residential Zone unless approved by Council in which case the maximum size shall be 0.2 m<sup>2</sup>.

1.5 Introducing a new Schedule 3 as follows—

Schedule 3

Special Residential Zones

Site Description	Special Provisions
------------------	--------------------

2.0 Amending the Scheme Map by—

2.1 Adding to the Scheme Map legend the zone 'Special Residential'.

3.0 Rezoning Lot 3 Dean Street, Bridgetown from 'Rural' to 'Special Residential'.

4.0 Adding to Schedule 3—Special Residential Zones the following—

Site Description	Special Provisions
Part Lot 3 Dean Street	<ol style="list-style-type: none"> <li>1. As a condition of development approval Council will require the planting and maintenance of 30 trees, of approved species, capable of growing to 3 metres in height. The trees shall be concentrated around buildings and between buildings and the road alignment.</li> <li>2. The stocking of animals shall not be permitted except where Council considers that the introduction of grazing animals would assist in managing ground vegetation and would not constitute an erosion risk.</li> </ol>

6. To further protect the environment and prevent soil erosion Council may specify stocking rates where it deems appropriate.
7. Within the area designated on the Subdivision Guide Plan as Bushland Retreat intensive agriculture pursuits, the breeding or keeping of animals for commercial gain and the keeping of horses shall not be permitted.

Building Envelopes

8. No dwelling house, outbuilding or structure shall be constructed unless it is within a building envelope defined on the Subdivision Guide Plan.
9. Where, for the purpose of retaining natural flora, sound environmental reasons or the physical constraints of a site dictate, Council may set an alternative building envelope.

Services

10. Landowners are required to provide their own potable water supply to Council's specification and satisfaction, from ground water sources, rainwater catchment or a combination of both.
11. Landowners are required to provide their own liquid and solid waste disposal system to Council's specification and satisfaction.
12. Details and specifications of potable water supply and waste disposal systems are to be submitted to Council with building plans and no building shall be considered fit for human habitation until the systems are installed and operating to Council's satisfaction.

Fencing

13. Fencing design and materials are to be to Council's satisfaction. Council shall not approve fibro cement or similar materials which are considered to be inconsistent with the rural character of the area.
14. Boundary fencing shall be constructed to a standard capable of holding stock and shall be maintained at that standard.

## Tree Preservation

15. No trees or substantial vegetation shall be felled or removed from the site except where—
- (i) required for approved development works;
  - (ii) required for fire prevention purposes by regulation, bylaw or provisions 15 to 18 of these special provisions; or
  - (iii) trees are diseased, dead or dangerous.

## Fire Control

16. Strategic Fire Breaks and the hardstanding area depicted on the Subdivision Guide Plan shall be provided as a condition of subdivision and constructed to a standard approved by the Council, the Bushfires Board and C.A.L.M.
17. Within the Fuel Reduction Area identified on the Subdivision Guide Plan all substantial vegetation capable of creating a fire hazard will be removed to the satisfaction of Council, the Bushfires Board and C.A.L.M.
18. Within the area identified on the Subdivision Guide Plan as subject to Parkland Clearing, the density of substantial vegetation will be reduced to a level satisfactory to Council, the Bushfires Board and C.A.L.M.
19. Ongoing management of the Strategic Fire Breaks, Fuel Reduction Area, Area Subject to Parkland Clearing and other fire control measures required by the Bushfires Act is the responsibility of individual lot owners.
20. Dwellings to be sited at least 100 metres from the northern firebreak to avoid risk of damage by falling trees as a result of fire or other natural forces in the adjoining State Forest.
21. The boundary between the parkland clearing and fuel reduction area adjoining the National Park to be maintained for use as a fire containment break, a mineral firebreak or green pasture which will serve as a firebreak for fuel reduction burning to the satisfaction of the Department of Conservation and Land Management.
22. Ungrazed bush within the Bushland Retreat Area should be subject to prescribed burning in line with the Shire of Manjimup Fire Protection Plan.

## Advice to Lot Owners

23. The subdivider is to make satisfactory arrangements with the Local Authority to ensure prospective purchasers are advised of the special provisions which apply to this Special Rural Zone."

M. E. DAUBNEY, Mayor.  
M. D. RIGOLL, Town Clerk.

*Shire of Ravensthorpe*

Town Planning Scheme No. 4—Amendment No. 1

Ref: 853/11/11/6, Pt. 1.

It is hereby notified for public information, in accordance with section 7 of the Town Planning and Development Act 1928 that the Hon Minister for Planning approved the Shire of Ravensthorpe Town Planning Scheme Amendment on June 5, 1991 for the purpose of—

1. Excising portion of Oldfield Location 638 from Rural Zone and including it in Special Rural Zone and Caravan Park Zone as depicted on the Scheme Amendment Map.
2. Deleting Oldfield Location 97 from Rural Zone and including it in Special Rural Zone.
3. Inserting in Appendix No. 5 to the Scheme under the heading "Specified Area of Locality"—"Hopetoun Special Rural Zone No. 2—Oldfield Locations 638 and 97, Hopetoun-Ravensthorpe Road".
4. Inserting in Appendix No. 5 to the Scheme under the heading "Provisions relating to (a)".
  - (1) Subdivision
    - (a) Subdivision of Special Rural Zone No. 2 shall be generally in accordance with the Subdivision Guide Map as signed by the Shire Clerk.
    - (b) No lot shall be less than 2 hectares except if supplied with reticulated water when the minimum lot size shall be a hectare.
  - (2) Landuse
    - (a) Within Special Rural Zone No. 2 no use will be permitted other than: Residential Dwelling House.
    - (b) Within Special Rural Zone No. 2 the following uses may be permitted with the approval of the Council: Home Occupation.
    - (c) Notwithstanding any other provision of the Scheme, the keeping of livestock and horses within Special Zone No. 2 is not permitted.
  - (3) Building Envelopes
    - (a) Any building on a lot must be erected within a building envelope. Such building envelopes have a maximum area of 3 000 square metres and are shown in a general manner on the Subdivision Guide Plan—Hopetoun Special Rural Zone No. 2.
    - (b) Notwithstanding this requirement, Council may permit a variation to the Building Envelope if it is shown to the satisfaction of Council and the Dept. of Planning and Urban Development, that the proposed location of the Building Envelope will not be detrimental to the landscape of the environment.
  - (4) Tree Preservation
    - (a) Within Special Rural Zone No. 2 no trees or substantial vegetation shall be felled or removed except where—
      - (i) in the opinion of Council such trees or substantial vegetation is dead, diseased or dangerous;
      - (ii) the establishment of a firebreak is required under a regulation or by-law;
      - (iii) it is necessary for road construction;
      - (iv) a building site and access to this site is required and approved by Council;
      - (v) subject to the approval of Council, an area up to one metre in width for the purpose of erecting and maintaining the fenceline is required; the method of clearing should be by way of slashing to reduce the erosion risk.
    - (b) Removal of indigenous trees or substantial vegetation for any purpose other than the above exceptions, shall require the Consent of Council as condition of granting consent, Council may require the planting and maintenance, for period of at least 3 years of endemic native trees of species and locations approved by Council.

## (5) Tree Planting

- (a) Upon submission of plans for development approval, the owners of lots within Special Rural Zone No. 2, Council shall require that the lot owner plant and maintain trees and shrubs of species and of a density of planting as approved by Council.
- (b) Within the area designated Public Open Space Buffer on the Subdivision Guide Plan, Council shall require that the subdivider plant and maintain for a period of at least 2 years, trees and shrubs of species and of a density of planting approved by Council.

## (6) Land Degradation

- (a) With the intention of avoiding soil erosion and land degradation Council shall require lot owners within Special Rural Zone No. 2 to maintain vegetation cover of their lot. Should land degradation occur than Council shall require the lot owner to restore the land to a condition where it is no longer at risk of degradation.

## (7) Servicing Requirements

- (a) No dwelling shall be constructed or approved for construction unless a minimum of 92 000 litre water storage tank and an approved method of effluent disposal has been incorporated into the approved plans, and no dwelling shall be considered fit for human habitation unless such supply of water and method of effluent disposal has been installed and is operating.
- (b) Council shall require that a prospective purchaser of a lot is aware of the responsibility to install an individual supply of water and method of effluent disposal.
- (c) Reference shall be made to the Department of Agriculture Guidelines relating to water storage, tank size and area of roof catchment.
- (d) Where a lot is less than 2.0 ha in area, reticulated water connection must be provided rather than the water storage tank in (a) above.

## (8) General Amenities

- (a) When considering any development within this Special Rural Zone No. 2 Council will have regard to its proximity to the Fitzgerald River National Park with a view to ensuring development is tailored to blend in with the environment. This may include restriction of clearing, sensitive design and location of infrastructure and services and sensitive design and use of external materials for any buildings or structures.

## 5. Inserting a new Clause 4.7.2 to the Scheme Text.

- 4.7.2 Within the area around Hopetoun townsite as designated in the report to Amendment No. 1. Council shall, when considering application for rezoning land to Special Rural or for development and/or subdivision, have regard to the finding of that report and in particular to the matters relating to the planning and management precincts.
