AUSTRALIAN  
GOVERNMENT  
**Gazette**

PERTH, FRIDAY, 6 SEPTEMBER 1991 No. 113

PUBLISHED BY AUTHORITY G. L. DUFFIELD, GOVERNMENT PRINTER AT 3.30 PM

### **Publishing Details**

The Western Australian *Government Gazette* is published by the State Print for the State of Western Australia on Friday of each week unless disrupted by Public Holidays or unforeseen circumstances.

Special *Government Gazettes* and Extraordinary *Government Gazettes* are published periodically, only the special gazettes are included in the subscription price.

The following guidelines should be followed to ensure publication in the *Government Gazette*.

- Material submitted to the Executive Council for gazettal will require a copy of the signed Executive Council Minute Paper.
- Advertising should be received by the Manager, Publication Sales no later than 3.00 p.m. on Wednesday.
- Lengthy or complicated notices should be forwarded several days before advertised closing date for copy. This is to ensure inclusion in current edition. Failure to observe this request could result in the notice being held over until the following week.
- Proofs will be supplied only when requested.
- No additions or amendments to material for publication will be accepted by telephone.

Send copy to:

The Manager,  
Publication Sales  
State Print  
Station Street, Wembley, 6014  
Telephone: 383 8851 Fax: 382 1079

### **Advertisers should note:**

- All Notices should be written in 'plain English'.
- Signatures (in particular) and proper names must be legible.
- All copy should be typed and double spaced.
- If it is necessary through isolation or urgency to communicate by facsimile, any confirmation forwarded later must be endorsed to the effect that this copy is only confirmation of previously transmitted facsimile copy already received by the State Print. This is to alleviate the problem of copy appearing twice.
- Documents not clearly prepared and in the exact format for gazettal will be returned to the sender unpublished.
- Late copy received at Publication Sales after 3.00 p.m. Wednesday will be placed in the following issue irrespective of any date/s mentioned in the copy (unless otherwise advised).

  - "Licence" means a licence issued under By-law 6;
  - "Licensee" means a person to whom a licence is granted under these by-laws;
  - "Public Reserve" includes park lands, squares, reserves, beaches, and other lands, included in or adjoining a district, and set apart for the use and enjoyment of the inhabitants of the district and includes parks and other lands acquired for the public purposes, and vested in or under the care, control, or management of the municipality of the district;
  - "Street" includes a highway and thoroughfare which the public are allowed to use and includes every part of the highway or thoroughfare, and other things including bridges and culverts appurtenant to it;
  - "Trading means selling or hiring of goods, wares, merchandise or services or offering goods, wares, merchandise or services for sale in a street or other public place and includes displaying them for sale, inviting offers for sale, soliciting orders or carrying out any other transaction therein, but does not include the setting up of a stall or the conducting of business at a stall, under the authority of a licence issued under by-laws made under section 242 of the Local Government Act 1960.
2. These by-laws shall not apply to the selling or offering for sale of newspapers or the conducting of street entertainment.
3. No person shall carry on trading in any street footpath or public reserve within the City of Bunbury unless that person is acting within the specifications of a current licence issued under the by-laws and for which all fees and charges have been paid.
4. An application for a licence shall be in writing and shall:
  - (a) include the full name and address of the applicant;
  - (b) specify the proposed number and the names and addresses of assistants to be engaged by the applicant in trading pursuant to the licence;
  - (c) specify the location for which the licence is sought;
  - (d) be accompanied by an accurate plan and description of any proposed stand, table, structure or vehicle which may be used for trading;

- (e) specify the proposed days and hours of trading;
  - (f) specify the proposed goods, wares, merchandise or services in respect of which trading will be carried on.
5. The Council may refuse to issue a licence if:
- (a) the applicant has committed a breach of By-law 3, 7, 8 or 9;
  - (b) the proposed activity or place of trading is in the opinion of Council undesirable;
  - (c) the proposed stand, table, structure or vehicle for which the licence is sought is in the opinion of Council unsuitable in any respect to the location;
  - (d) the needs of the district or the portion thereof for which the licence is sought are in the opinion of Council adequately catered for.
6. A licence shall be in the form of the First Schedule and shall specify:
- (a) the full name and address of the licensee;
  - (b) the dates of issue and expiration of the licence;
  - (c) the place to which the licence applies;
  - (d) the number, type, form and construction as the case may be or any stand, table, structure or vehicle which may be used for trading;
  - (e) the particulars of the goods, wares, merchandise or services in respect of which trading may be carried on;
  - (f) the number and the full names and addresses of assistants (if any) who may be engaged at any one time in trading pursuant to the licence;
  - (g) the days and hours when trading may be carried on;
  - (h) any other requirements, terms or conditions that the Council may see fit to impose.
7. A licensee or assistant specified in a licence shall not:
- (a) engage in or permit any trading in any goods, wares, merchandise or services other than those specified in the licence;
  - (b) engage in or permit any trading in a place other than that specified in the licence;
  - (c) deposit, place or store any goods, wares or merchandise on any street, footpath or other public reserve other than on the place to which the licence applies;
  - (d) cause or permit or suffer any nuisance to exist, arise or continue on or from the permitted place specified in the licence;
  - (e) create any noise or disturbance to the annoyance of nearby occupants or passers-by;
  - (f) obstruct the free passage of pedestrians on any footpath or street.
8. A licensee shall not:
- (a) in trading use or employ or permit to be used or employed at any one time more than the maximum number of assistants specified in the licence;
  - (b) transfer, assign or otherwise dispose of the licence.
9. A licensee or assistant specified in a licence shall:
- (a) personally attend at the place specified in the licence at all times when trading is conducted on or from that place;
  - (b) keep the place and any stand, table, structure or vehicle specified in the licence in a clean and safe condition and in good repair;
  - (c) keep the place and any stand, table, structure or vehicle specified in the licence free from trade refuse and other refuse and rubbish;
  - (d) on demand produce the licence to any authorised officer of the Council or any police officer;
  - (e) remove the stand, table, structure or vehicle and all of his goods, wares, merchandise and signs from the place to which the licence applies and leave that place clean and vacant in all respects:
    - (i) at the conclusion of the permitted hours of operation specified in the licence;
    - (ii) whenever not trading on the place to which the licence applies.
10. A licence is valid for the period between the date of issue and the date of expiration specified in the licence, which period shall not exceed twelve (12) months, or until its revocation. The licence fees shall be the fees set out in the second schedule to these By-laws and the fees shall be paid by the licensee to the Council before the licence is issued.

- 11. The Council may revoke a licence if:
  - (a) the licensee or assistant specified in a licence commits an offence against Bylaw 3, 7, 8 or 9 or;
  - (b) the Council or a Crown agency, instrumentality or department requires access to the place to which a licence applies for the purpose of carrying out works on, over or under that place.
- 12. Where a licence is revoked the Council shall if requested provide the licensee with written reasons for the revocation and shall refund the fee having first deducted the fee applicable to the period from the issuing of the licence to the revocation thereof.
- 13. Any person who contravenes or fails to comply with any provision of by-law 3, 7, 8 or 9 commits an offence and is liable on conviction to:
  - (a) a maximum penalty of Five Hundred Dollars (\$500.00).
  - (b) a maximum daily penalty of Fifty Dollars (\$50.00) per day while the offence is continued.

**LOCAL GOVERNMENT ACT 1960**

*Municipality of The Shire of Roebourne*

By-Law Relating to Signs, Hoardings and Bill Posting

In pursuance of the powers conferred upon it by the abovementioned Act, and all other powers enabling it, the Council of the Shire of Roebourne hereby records having resolved on the 30th day of May 1990, to submit for confirmation by His Excellency the Governor the following By-Laws:—

**1. Citation**

This by-law may be cited as "Shire of Roebourne Signs, Hoarding and Bill Posting By-Law", or as "Shire of Roebourne Signs By-Law".

**2. Interpretation**

2.1 In this by-law, unless the context otherwise requires—

"Act" means the Local Government Act 1960 (as amended);

"advertisement" means the publication display or presentation of any sign or advertising device, and the terms "advertising" and "advertising sign" have corresponding meanings;

"advertising device" means any object or structure on which any word, letter, number, symbol, figure drawing, image or other representation whatsoever is written, placed, affixed, attached, painted, projected or otherwise displayed for the purpose of giving any message or direction or promoting or publicising any business, project, enterprise or undertaking, or any function or event, or any person, body or group, or any product or article, or other thing whatsoever, and includes an airborne device anchored to any land building or thing, and also includes any vehicle or trailer or other similar object placed or located so as to serve the purpose hereinbefore referred to;

"bill" means any written printed or illustrated message or matter on paper, plastic or similar material;

"bill posting" means the attaching, sticking, painting, or stencilling of any bill, poster, placard, advertisement on any building, wall, hoarding or structure whether erected upon private property or upon a public place and to "post a bill" has a corresponding meaning;

"business sign" means a ground level sign;

"council" means the council of the Shire;

"district" means the municipal district of the Shire;

"election sign" means a bill, poster, placard or advertisement relating to any election attached to or pasted, painted, or stencilled, on any hoarding, wall, building, or structure whether erected upon private property or upon a public place;

"fly posting" without limiting the generality of the provisions in these by laws relating to bill posting means advertising by means of more than one bill, poster, placard or placard attached, applied, painted stencilled or affixed on fences, walls, buildings, structures, trees, rocks and any like places, or thing without authority, and "fly post" has a like meaning;

"ground level sign" means a sign complying with the standards and requirements of clause 5.9 hereof.

- "hoarding" means a detached or detachable structure including a poster panel, wall panel or an illuminated panel other than a pylon sign that is erected for the sole purpose of displaying one or more signs or advertising devices but excluding hoardings referred to in section 377 of the Act;
- "horizontal sign" means a sign affixed or attached to the wall of a building or structure, of which the horizontal dimension of the sign exceeds the vertical dimensions of the sign;
- "illuminated sign" means a sign that is so arranged as to be capable of being lighted either from within or from without the sign by artificial light provided, or mainly provided, for that purpose;
- "information panel" means a panel used for displaying Government and Local Authority notices, functional and dated announcements of a religious, educational, cultural, recreational or similar character, general information for the benefit of the public and travellers and general commercial advertising;
- "industrial area" means an area classified as an industrial zone in the Town Planning Scheme or in any Interim Development Order in force within the District.
- "institutional sign" means a sign erected or placed on any private property, public place or building used for or in connection with a medical or dental surgery, clinic, hospital, rest home, home for the aged, or other institution or place of a similar nature;
- "licensee" means the holder of a licence issued by the Council pursuant to these by-laws;
- "non specific advertising" means any advertising of a message or thing which DOES NOT RELATE TO the name and/or principal business and/or a thing or service, produced, stored, displayed, sold or supplied in the principal business of an occupier of the land or building on which the advertising appears or is proposed to appear;
- "planning approval" means approval by the responsible authority under any town planning scheme controlling land development and use within the district;
- "portable sign" means a sign not permanently attached to the ground or to a structure, wall, fence or building and including but not limited to a sandwich board sign consisting of two sign boards attached to each other at the top or elsewhere by hinges or other means;
- "pylon sign" means a sign supported by one or more piers and not attached to a building and includes a detached sign framework supported on one or more piers to which infill may be added;
- "residential area" means an area classified as a residential zone under the Town Planning Scheme;
- "roof sign" means a sign erected on the roof of a building;
- "sale sign" means a sign indicating what the property or premises whereon the sign is affixed, are for sale, for letting or to be auctioned;
- "semaphore sign" means a sign attached or affixed to a structure or building which sign is affixed and supported at, or by, one of its ends only;
- "Shire" means the Shire of Roebourne;
- "sign" includes a signboard, or any message, direction or representation whatsoever displayed on a building or structure, a bunting sign, or flags, and bunting, whether they contain a written message or not, and every other type of style of sign defined or referred to in this by-law.
- "site specific advertising" means any advertising of a message or thing which only identifies the name and/or principal business and/or a thing or service, produced, stored, displayed, sold or supplied in the principal business of an occupier of the land or building on which the advertising appears or is proposed to appear;
- "Surveyor" means the council's Building Surveyor appointed pursuant to the Act;
- "Tourist Information Bay" means an area of land to which motor vehicles have access on which area is erected a structure comprising one or more signs and maps to provide information to tourists;
- "Town Planning Scheme" means the Shire of Roebourne Town Planning Scheme No. 6 published in the *Government Gazette* of 10 April 1987 as amended from time to time or such other town planning scheme for the time being in force within the District of the Shire of Roebourne, and the term also includes where the context permits any interim development order or other town planning scheme operating in respect of any of the district to which Town Planning Scheme No. 6 does not apply.

"tower sign" means a sign affixed to or placed on a chimney stack or an open structural mast or tower;

"verandah" for the purpose of these by-laws, includes cantilever awnings, cantilever verandahs and balconies whether in, or above a street, way, footpath, public place or private property;

"vertical sign" means a sign affixed or attached to the wall of a building or a structure, of which the vertical dimension of the sign exceeds the horizontal dimension of the sign exclusive of the back projection of the sign;

"wall panel" means a panel used for displaying a bill poster or painted advertisement which panel is attached or affixed to the wall of a business premises or which panel is erected in or about the forecourt of such business premises;

Where applicable words and expressions used in clause 2.1 hereof have the same respective meaning as is given to them in the Act.

### 3. Licences

#### 3.1 Signs requiring planning approval

3.1.1 Where under any written law operating within the district a sign or advertising device requires planning approval, the requirement of planning approval shall be additional to the requirement of a licence under this by law.

3.1.2 In respect of the following signs and advertising devices, an application for a licence under this by-law shall not be determined unless and until planning approval has been given in respect of:

- (a) a roof sign;
- (b) any sign or advertising device displaying non-site specific advertising which sign or advertising device is not exempted by clause 3.3 from the requirement to obtain a licence under this by-law;
- (c) any sign or advertising device that is proposed and will exceed the provisions of these by-laws;
- (d) any sign or advertising device not exempted by clause 3.3 on land zoned residential under a town planning scheme of the Shire.

3.1.3 Where a sign or advertising device has displayed a message which was site specific advertising and for that reason did not require planning approval under the preceding subclause, the message shall not be changed to non site specific advertising, until any planning approval required under a written law operating within the district has been given in respect of the non site specific advertising whether or not any other change is made to the sign or advertising device necessitating the issue of a licence under this by-law.

#### 3.2 Licence Application

Subject to clause 3.3 a person shall not erect, attach, affix or maintain a sign or advertising device and the owner or the occupier of premises shall not suffer or permit a sign or advertising device to be erected, attached, affixed or maintained in, on or above such premises within 100 metres of a street, way, footpath, or other public place, except pursuant to a licence issued under these by-laws.

#### 3.3 Exemptions

The following signs and things are exempt from the requirement to obtain a licence under this by-law:

- (a) a portable sign advertising meetings, functions, events or cultural activities by charitable and community groups or clubs, but excluding any activities carried out for commercial gain;
- (b) a sign erected or maintained pursuant to any Statute having operation within the State other than the Act;
- (c) a sale sign not exceeding 1.2m<sup>2</sup> in area;
- (d) an election sign erected upon private property;
- (e) a plate not exceeding 0.2m<sup>2</sup> in area erected or affixed on the street alignment of a building or between that alignment and the building line to indicate the name and occupation or profession of an occupier of a building on the land;
- (f) an advertisement affixed to or painted on a shop window by or on behalf of the occupier thereof and relating to the business carried on therein provided that not more than 25% of the area of the window is so used;
- (g) a sign within in a building;

- (h) a sign not larger than 0.7m x 0.9m on an advertising pillar or panel approved by or with the consent of the Council for the purpose of displaying public notices for information;
- (i) a building name sign on residential flats or home units when such sign is of a single line of letters not exceeding 300mm in height, fixed to the facade of the building;
- (j) a sign that is required by the Builders Registration Board or other Government body or authority to be displayed on a building site, provided that:
  - the area of the sign does not exceed 1.5m<sup>2</sup>; and
  - no part of the sign's structure is more than 2m above the ground directly below it.

Any such sign shall be removed within seven days of completion of the building works on the building site.

3.4 Notwithstanding the provision Clause 3.3, a sign or thing exempted from the necessity to obtain a licence under this by-law shall nevertheless be erected and maintained so as to comply with all other requirements of this by-law and all other written laws affecting it:

3.5 Every licence that is granted pursuant to this by-law shall exist subject only to the provisions of this by-law.

3.6 Notwithstanding that a sign complies with the provisions of this by-law the council may refuse a licence if such a sign would, in its opinion, be injurious to the amenity or natural beauty or safety of the locality.

### 3.7 Revocation of Licences

Where anything purporting to be done pursuant to a licence issued under this by-law is not done in conformity with the licence or the conditions thereon or with this by-law or where the licensee is convicted of any offence against this by-law the council may without derogating from any penalty to which that person may be liable, by notice in writing revoke the licence.

### 3.8 Inspection of Licences

3.8.1 A licensee shall, when required by the Surveyor, produce for inspection any licence issued by the council pursuant to this by-law.

3.8.2 Every sign or advertising device subject of a licence issued by the council pursuant to this by-law shall bear on its face (bottom left hand corner as viewed) in clearly legible figures (minimum 25mm high) the number of the licence applicable to the sign or advertising device as provided by the council.

### 3.9 Application for Licences

3.9.1 An application to the council for a licence pursuant to this by-law shall be made in the form of any application set out in the First Schedule hereto.

3.9.2 An application for the first issue of a licence in respect of a sign or advertising device shall be accompanied by plans in duplicate drawn to a scale of not less than 1 to 50 showing the size, position, design and inscriptions to appear thereon, the method of construction and fixing of the sign or advertising device to a building or structure, setbacks of the sign or advertising device from a street, way, footpath, other public place or lot boundaries where applicable together with such further information as council requires generally or in any particular case.

3.9.3 An application for the first issue of a roof sign, pylon sign, illuminated sign, hoarding, horizontal sign, tourist information bay, ground level sign, and vertical sign shall be accompanied, in addition to the requirements in Clause 3.9.2, by a certificate from a structural engineer certifying that the proposed sign structure and structural members are designed and certified as being suitable for cyclonic conditions and comply in all respect with Australian Standard 1170 - 1989 Part 2, Wind Load Code. The certificate must also certify that any building or roof thereof upon which it is proposed to erect or affix the sign is in all respects of sufficient strength to support the sign.

3.9.4 If the applicant is not the registered proprietor of the land or building on which the sign is to be erected the applicant shall produce to the Council the written consent of the registered proprietor to the application.

3.9.5 If so required by the council an applicant for a licence in respect of an illuminated sign shall produce to the council a written consent to the erection of the sign, signed by or on behalf of the Main Roads Department.

3.9.6 Subject to Clause 3.7 and except where otherwise provided in this by-law a licence issued pursuant to this by-law remains valid until an alteration is proposed to be made to the structure or area of the sign or advertising device in respect of which a licence has been issued and in such event the licensee shall apply for a new licence.

3.9.7 The council may impose conditions on a licence issued pursuant to this by-law and may require the applicant to furnish such other particulars as are deemed necessary by the Surveyor.

3.9.8 In the event that an application is made pursuant to this by-law for a sign which:

(a) is to be erected on land which is vested in, or under the care control or management of the Shire:

OR

(b) when erected will project over any adjacent road reserve, way or footpath:

then Council may in its absolute discretion require the applicant to indemnify the Shire, on the prescribed form in the First Schedule from all claims whatsoever arising from the erection or placing of the sign.

3.9.9 Notwithstanding anything contained in this bylaw Council may by issue of a permit in the form contained in the Second Schedule issue a temporary sign permit to all the display of advertisements for charitable or non-profit meetings, functions, artistic and cultural activity or other events of public interest upon such terms and conditions as Council deems fit.

3.10 Any sign or advertisement approved by Council pursuant to clause 3.9.9 shall not be erected more than four weeks before the event and shall be removed by the applicant not later than one week after the conclusion of the event.

#### 3.11 Licence Fees

A licence granted pursuant to this by-law shall only be issued and valid upon payment of the appropriate fee, as set out in the Second Schedule but the payment of a licence fee pursuant to any by-laws that were in operation prior to the coming into operation of this by-law shall be deemed to be a payment for the purpose of this by-law.

### 4. General

#### 4.1 Restrictions

A sign or advertising device shall not be erected or maintained—

- (a) so as to obstruct or impede all or part of the view which may be enjoyed from a street, way, footpath, public place or private property of a river, the sea or any other place or feature of natural beauty;
- (b) so as to obstruct or impede the sight-lines required for the free and safe movement of traffic into or from any street, way, footpath, public place or private property;
- (c) so as to be likely to be confused with or mistaken for an official traffic light or sign or so as to contravene the Road Traffic Act 1974 or Main Roads Act 1930 or any Regulations made thereunder;
- (d) on any building or structure of which the stability of the building or structure is, in the opinion of the Surveyor, likely to be detrimentally affected by the sign or advertising device;
- (e) on a road reserve, footpath or drainage reserve unless it is a sign permitted under Clause 3.3 but even such a sign shall not be erected or maintained on a carriageway;
- (f) so as to have all or part thereof projected, flashing, animated, moving or rotating, except as follows:
  - (i) on any pylon sign the face of which rotates;
  - or
  - (ii) on any roof sign known as a tri vision sign or similar;
- (g) as an election sign.
- (h) on any land zoned in the Town Planning Scheme as residential or any land used for residential purposes.

#### 4.2 Existing Signs

A sign or advertising device which was erected and maintained lawfully prior to this by-law coming into force shall not become unlawful. Unless the sign or advertising device is changed it shall not be affected by provisions in this by-law except those relating to cleanliness, repair and maintenance, and safety.

#### 4.3 Fixing of Signs

Every sign or advertising device shall be securely fixed to the structure by which it is supported, to the satisfaction of the Surveyor, and the structure and the method of securing shall be maintained in good order and repair to the satisfaction of the Surveyor.

#### 4.4 Glass in Signs

Glass shall not be used in any sign unless it is part of an illuminating globe or tube.

#### 4.5 Readily Combustible Material

Except in the case of posters securely affixed to a signboard or other structure, readily combustible materials including but not limited to paper, cardboard or cloth shall not form part of or be attached to any sign or advertising device.

#### 4.6 Signs to be kept clean

Every sign and advertising device shall be kept clean and free from unsightly matter and shall be maintained by the licensee or owner in good order and repair to the satisfaction of the Surveyor.

#### 4.7 Bill Posting

A person shall not bill post within the district of the Shire of Roebourne except on a hoarding approved for that purpose by the Council.

#### 4.8 Fly Posting

a person shall not fly post within the district of the Shire of Roebourne.

#### 4.9 Design Principles

Any sign or advertising device erected and maintained or proposed to be erected in accordance with this by-law shall:

- (a) in design, colour and location be sympathetic and harmonious with the surrounding street, way, footpath, public place or private property and environment and the building or structure to which it is attached or affixed;
- (b) be designed placed and constructed so as not to endanger public safety;
- (c) have all signwriting, design work, lettering and colouring thereto carried out in a competent and professional manner in accordance with good sign writing practise.

### 5. Requirements for Particular Signs

#### 5.1 Illuminated signs

Every illuminated sign shall:

- (a) have any boxing or casing in which it is enclosed constructed of non-combustible material;
- (b) have its electrical installation constructed and maintained to the satisfaction of the State Energy Commission or the appropriate electricity supply authority and in accordance with the S.A.A. Code 3000-1976;
- (c) be maintained to operate as an illuminated sign;  
and
- (d) not have or produce light of such intensity or colour as to cause annoyance to the public and not interfere with traffic control lights.

#### 5.2 Hoardings

5.2.1 No hoarding shall be erected in a residential area.

5.2.2 A hoarding shall:

- (a) except with the express approval of Council not be erected within fifteen (15) metres of any street or public place;
- (b) not be of a greater area of twenty (20) m<sup>2</sup>, which area shall exclude structural supports and any empty space between such supports;

5.2.3 the licence fee for the hoarding is payable annually by the 30th day of June each year;

5.2.4 subject to compliance with all the terms of this by-law and payment of the annual fee a licence issue for a hoarding may remain in force for a period to be determined by Council not exceeding ten (10) years.

#### 5.3 Horizontal Signs

5.3.1 A horizontal sign shall:

- (a) afford a minimum headway of 2.40m;
- (b) be affixed or attached parallel to the wall of the building or structure to which it is affixed or attached;

- (c) conform as to depth to the following table for Commercial Zone and Service Trade Zone:

Minimum Distance of bottom of sign to adjacent street	Maximum Depth of level Sign
Less than 7.5m	800mm
7.5m to 10m	1000mm
10m to 12m	1200mm

In an Industrial Zone Council may apply the Table in this paragraph with or without variations;

- (d) not project more than 600mm from the wall to which it is affixed or attached; and
- (e) not be within 600mm of either end of the wall to which it is attached, unless the end of the sign abuts against a brick, stone or cement corbel, pier or pilaster which is at least 25mm in front of and 75mm above and below the sign.

5.3.2 A horizontal sign may be erected in an Industrial Zone on bollard posts either side of a culvert over a surface drain on a road reserve, subject to the following conditions:—

- (a) the culvert or spoon drain must be constructed to Council standard and be part of a sealed crossover driveway approved by the Council;
- (b) Maximum size of the sign shall be 900mm high by 2000mm in length;
- (c) the top of the sign shall be no higher than 1000mm above the paving level of the crossover;
- (d) the sign must be a minimum of 3000mm from the edge of bitumen sealed roadway and erected at 90 degrees to the roadway.

5.3.3 Council may permit an increase of not more than fifty percent of the depths mentioned in any part or parts of a sign to permit the inclusion therein of a motif or capital letter.

5.3.4 There shall be not more than one line of horizontal signs facing any one street, way, footpath, public place or private property on any building or structure.

5.3.5 The name of the building or structure, owner or occupier may be shown on the facade of a building or structure but:

- (a) unless otherwise approved by the council, only one such name shall be placed on any facade,
- (b) the letters of the name shall not exceed 1.0m in height;
- (c) the letters shall be of metal or other non-combustible material; and
- (d) the letters shall not be lit or illuminated unless approved by the council.

#### 5.4 Information Panels

The council may provide information panels or bays of varying sizes.

#### 5.5 Institutional Signs

Institutional signs shall not exceed 0.5m<sup>2</sup> in area except with the approval of the council but in any case no such sign shall exceed 2m<sup>2</sup> in area.

#### 5.6 Portable Signs

5.6.1 A portable sign shall:

- (a) not exceed 1m in height;
- (b) with the area of all faces combined, not exceed 0.8m<sup>2</sup>;
- (c) not indicate or display any matter other than the name of the owner or occupier of the premises to which it relates and the nature of the business carried on therein;
- (d) not contain any letter of a size less than 120mm;
- (e) be used to indicate that premises are open and to that end shall contain the work "open" on its face;
- (f) be placed so as not to cause interference or be hazardous to vehicular traffic or cause any interference or hazard or impede pedestrians;
- (g) be of sound construction, maintained in good condition, neatly sign written and placed in position in compliance with this sub-clause and to the satisfaction of the Surveyor;
- (h) be located wholly within the boundaries of land owned or occupied by the person who erected or who has maintained the sign.

5.6.2 A person shall not erect a portable sign in any position other than adjacent to the building to which the sign relates.

5.6.3 A person shall not erect more than one portable sign in relation to the one shop or business unit or premises.

5.6.4 A person who erects a portable sign shall remove the same at the close of business each day and shall not erect the same again until the commencement of business on the following or subsequent trading day.

#### 5.7 Pylon Signs

##### 5.7.1 A pylon sign:

- (a) shall not have any part thereof less than 2.4m or more than 6m above the level of the ground immediately below it;
- (b) shall not exceed 2.6m measured in any direction across the face of the sign or have a greater superficial area than 4m<sup>2</sup>.
- (c) shall not project more than 1000mm over any adjacent street;
- (d) shall be supported on one or more piers or columns of brick, stone, concrete or steel designed by a structural engineer for cyclonic conditions complying with A.1170—Part 2 1989, Wind Load Code.
- (e) where supported by two or more piers or columns, the space between the piers or columns must not be wholly or partly filled in with any advertising material below 2.4m above ground level;
- (f) shall not, as to any part thereof, project over any adjacent street at a height of less than 2.4m;
- (g) shall not be within 2m of the side boundaries of the lot on which it is erected unless the lot on which the pylon sign is erected abuts an intersecting street or right of way, in which case the council may authorise the erection of a sign at a lesser distance than 2m;
- (h) shall not have any part thereof less than 10m from any part of another pylon sign erected on the same lot.

5.7.2 Where more than one pylon sign is proposed to be erected on a lot on which unit factories, offices, showrooms or small shops are erected or are to be erected council may require all the pylon signs to be incorporated into one sign in which event—

- (a) initial approval shall be given to the pylon sign framework together with one or more sign infills;
- (b) an application is to be submitted and approval given for each additional infill;
- (c) all infills are to be an equal size, and space is to be provided to the sign for one infill for each shop or unit on the lot;
- (d) the total area of the infill signs specified under sub by-law 5.7.1 (b) may be increased by up to 50% (i.e. to a maximum of 6 m<sup>2</sup>).

5.7.3 Notwithstanding the provisions of sub-clauses 5.7.1 and 5.7.2, approval for the erection of a pylon sign that does not meet the requirements of these by-laws may only be granted by the resolution of the council.

#### 5.8 Roof Signs

5.8.1 Approval for the erection of a sign on a roof of a building shall only be granted when planning approval has been granted and where approval has been so granted a roof sign shall:

- (a) not at any point be within 3.0m of the ground;
- (b) not extend laterally beyond the external walls of the building;
- (c) comply as regards height above ground and height of sign with the following table—

Height of Main Building above Ground Level at Point where Sign is to be fixed	Maximum Height of Sign
3m and under 4m	750mm
4m and under 6m	900mm
6m and under 9m	1000mm

- (d) Have the roof and sign frame designed by a structural engineer for cyclonic conditions in accordance with AS.1170—Part 2, 1989.

5.8.2 When ascertaining the height of the main building above ground level for the purpose of this by-law, any part of the roof at the point where the sign is to be erected that is provided solely for the purpose of architectural decoration shall be disregarded.

### 5.9 Ground Level Sign

#### 5.9.1 A ground level sign:

- (a) may be erected on one or more piers or columns;
- (b) shall not have a dimension of more than 2.83m of any diagonal across its face;
- (c) shall not have any part of its structure more than 2.5m above the level of the adjacent pavement or the level of the ground on which it is constructed at any point;
- (d) shall not project into or over a street in any manner;
- (e) shall display only messages which relate to the business and/or name of any occupier of premises on the lot on which it is erected;
- (f) shall contain any messages in panels not greater than 400mm in depth, the panels being separated horizontally by a distance of not less than 50mm;
- (g) shall have no more than four panels of 400mm or more in depth and in any event shall have no more than six panels.

5.9.2 The Council shall not permit both a ground level sign and a pylon sign on any lot.

### 5.10 Semaphore Signs

#### 5.10.1 A semaphore sign shall:

- (a) afford a minimum headway of 2.4m;
- (b) be affixed at right angles to the wall to which it is affixed or attached;
- (c) not project more than 1m from the point of attachment nor be of greater height at any point than 1m; and
- (d) be fixed over or adjacent to the entrance of building.

5.10.2 Not more than one semaphore sign shall be fixed over or adjacent to any one entrance to a building.

### 5.11 Signs on Fences

Notwithstanding clause 3.3 a person shall not erect, attach, affix, paint or maintain a sign or advertising device on or as part of a fence on any part of a lot and the owner or occupier shall not permit or suffer a sign or advertising device to be erected, affixed, painted or maintained on any fence or any part of a lot.

### 5.12 Tower Signs

A tower sign shall not be erected within the District of the Shire of Roebourne.

### 5.13 Verandah Signs

#### 5.13.1 Signs above Verandah Fascias.

Signs comprising free standing letters only may be erected above the outer fascia of a verandah parallel to the kerb, if the lettering does not exceed 400mm in height and is mounted on a base of at least 75mm in width.

#### 5.13.2 Signs on Verandah Fascias.

A sign fixed to the outer or return fascia of a verandah—

- (a) shall not exceed 600mm in depth;
- (b) shall not project beyond the outer metal frame or surround of the fascia; and
- (c) if an illuminated sign, may be of changing colours but shall not emit a flashing light.

#### 5.13.3 Signs Under Verandahs.

A sign under a verandah shall:

- (a) afford a headway of at least 2.4m;
- (b) not exceed 2.4m in length or 500mm in depth;
- (c) not weigh more than 50kg;
- (d) not, if it exceeds 300mm in width, be within 1.4m (or where it does not exceed 300mm width be within 1m) of the side wall of the building to which the said sign is affixed or attached, measured along the front of the building in respect to which it is erected;
- (e) not, if it exceeds 300mm in width, be within 3000mm (or where it does not exceed 300mm in width be within 2000mm) of another sign under that same verandah;
- (f) be fixed at right angles to the front wall of the building to which it is erected except on a corner of a building at a street intersection where the sign may be placed at an angle with the walls so as to be visible from both streets;

- (g) be so placed that the centre of its base longitudinally is equidistant from the outer edge of the verandah and the vertical plane of the shop front.
- (h) not be constructed of shatterable material.

#### 5.14 Vertical Signs

##### 5.14.1 A vertical sign shall:

- (a) afford a minimum headway of 2.4m;
- (b) not project more than 1m from the face of the building to which it is affixed or attached;
- (c) subject to sub-clause 5.14.2 not be within 2.0m of either end of the wall to which it is affixed or attached;
- (d) be of a height of at least twice its width;
- (e) not project more than 1m above the top of the wall to which it is attached and be not more than 1m back from the face of that wall;
- (f) not be within 4m of another vertical sign on the same building;
- (g) not be placed on a corner of a building, except at a street intersection where the sign may be placed at an angle with the walls to as to be visible from both streets; and
- (h) except with approval of the council, not exceed 1m in width exclusive of the back projection.

5.14.2 Where a building to which a vertical sign is affixed or attached is set back from the boundary or abuts intersecting streets or a right of way the council may approve the affixing of a vertical sign at a lesser distance from the end of the wall than that prescribed by paragraph (c) of sub-clause 5.14.1

#### 6. Offences

6.1 Any person who erects or maintains or authorises or permits to be erected or maintained a sign or advertising device which does not comply with or erects or maintains or authorises or permits to be erected or maintained a sign or an advertising device in a manner contrary to the provisions of this by-law commits an offence.

6.2 Any person who does anything prohibited under these by-laws or fails to do anything required of this person by this by-law commits an offence.

6.3 Where by this by-law it is required that a person obtain a licence to erect or maintain a sign or advertising device, every person who erects or maintains a sign or advertising device without a licence or in respect of which the licence has expired or been cancelled commits an offence.

6.4 Neither the owner nor the occupier of any land or premises shall permit a sign or advertising device to remain thereon unless such sign or advertising device complies with this by-law.

6.5 Without prejudice to the preceding provisions of this by-law the council may serve on the owner or occupier of any premises on which any sign or advertising device is erected, affixed or maintained, contrary to this by-law, notice to remove the sign within such time as may be specified in the notice, and a person neglecting or failing to comply with the terms of a notice served on him pursuant to this clause commits an offence.

#### 7. Removal and Disposal of Signs Unlawfully Displayed

7.1 The Council may remove to a place appointed by the council any sign, advertisement, advertising device, hoarding or signboard placed on or erected on any street, way, footpath or other public place under the care and control of council unless so placed or erected pursuant to this by-law. The council may without incurring any liability therefor dispose of any sign, advertisement, advertising device, hoarding or signboard so removed, and reinstate the street, way, footpath or public place under the care and control of council at the expense of the person or persons responsible for the placing or erecting of the same thereon or the injury thereto and recover the expense of the removal from him in a Court of competent jurisdiction.

7.2 Where a hoarding is erected on private property or where any bill, placard or advertisement is attached to, or posted, or painted or stencilled on such a hoarding and the same in the opinion of the council is dangerous or objectionable, the council or a person acting under the authority of the council may remove the same without incurring any liability therefor and may recover the expense of removal from the owner of the property in a court of competent jurisdiction.

8. Penalties

Any person who upon conviction of an offence against this by-law is liable to:

- (a) a penalty not exceeding FIVE HUNDRED DOLLARS (\$500.00); and
- (b) a further penalty not exceeding FIFTY DOLLARS (\$50.0) for every day during which the offence continues after conviction for the same.

### LOCAL GOVERNMENT ACT 1960

#### *Municipality of the Town of Bassendean*

#### By-laws Relating to Eating Areas in Streets and Other Public Areas

In pursuance of the powers conferred upon it by the Local Government Act 1960 and of all other powers enabling it, the Council of the Town of Bassendean hereby records having resolved on the 25th day of February 1991, to make and submit for confirmation by the Governor the following By-laws.

#### Interpretation

1. In these By-laws unless the context otherwise requires—

“Act” means the Local Government Act 1960 and includes any Act amending or re-enacting that Act for the time being in force.

“By-law” means a By-law of these By-laws.

“Council” means the Council of the Town of Bassendean.

“eating area” has the meaning given to it and for the purposes of section 244AA of the Act.

“eating house” has the meaning given to it in and for the purposes of the Health Act 1911.

“Health Act” means the Health Act 1911 as amended and includes the Food Hygiene Regulations 1973 as amended made pursuant to the provisions of the Health Act.

“Licence” means a licence issued by the Council under these By-laws to set up and conduct an eating area.

“Licence plan” means a plan attached to and forming part of a licence depicting those areas of a street or public place within which an eating area may be set up and conducted.

“Proprietor”—

(a) has the same meaning given to it in and for the purpose of Division 3 of Part V of the Health Act 1911 where the premises in question are registered as an eating house under that Act; or

(b) means the holder of a licence granted under the Liquor Act 1970 where the premises in question are the subject of a hotel licence, a limited hotel licence or a restaurant licence granted under that Act.

“public facility” means any structure, item or fitting whether in a street or public place that is the property of or has been provided by a Government Department, instrumentality of the Crown or the Council.

“Schedule” means a Schedule to these By-laws.

#### Application of By-laws

2. These By-laws do not apply to any eating area set up or conducted on a place which is on private property notwithstanding that the public are allowed to use that place.

**Prohibition**

3. No person shall set up or conduct an eating area in a street or public place—
- (a) other than in a portion of a street or public place adjoining an eating house;
  - (b) unless the person is the proprietor of the eating house referred to in sub-by-law (a) of this By-law;
  - (c) unless the person is the holder of a valid and current licence issued pursuant to these By-laws; and
  - (d) otherwise than in accordance with the licence plan and any conditions on the licence.

**Application for Licence**

4. A proprietor of an eating house seeking the issue of a licence shall make application in the form prescribed in Schedule 1 and shall forward the application together with the Council together with—
- (a) the fee prescribed in Schedule 3;
  - (b) two copies of a plan and specification of the proposed eating area on a scale of 1:50 showing—
    - (i) the location and dimensions of the proposed eating area and the means by which the eating areas are to be separated from the balance of the street or public place;
    - (ii) the position of all tables, chairs and other structures proposed to be provided in the eating area and which of such items, if any, are to be retained within the eating area at all times;
  - (c) two copies of a plan and specification on a scale of 1:200 showing the eating area and all adjoining land and improvements therein within 30 metres, or within a lesser distance as determined by the Council, of the boundaries of the eating area including any public facility and parking restrictions;
  - (d) a colour photograph or photographs of the tables, chairs and other structures to be set up in the eating area;
  - (e) a written statement of the manner in which foodstuffs and other dining accessories are to be conveyed to and protected from contamination within the eating area;
  - (f) written particulars of arrangements made in respect of public liability insurance of not less than one million dollars (\$1 000 000.00); and
  - (g) any other information that the Council considers necessary in the circumstances of the case.

**Council Consideration of an Application**

5. The Council shall not be obliged to consider an application for a licence which is incomplete in relation to the requirements of By-law 4.
6. The Council may in respect of an application—
- (a) refuse the application;
  - (b) approve the application on such terms and conditions as it sees fit.
7. Where the Council approves of an application it shall issue a licence in the form of Schedule 2, such licence expiring on 31st December next, and shall cause to be attached to the licence a plan which shall form part of the licence.

**Renewal or Transfer of Licence**

- 8.1 A proprietor who is the person named in a licence may—
- (a) in writing apply to the Council by 1 December in each year for the renewal of the licence and shall submit with the application for renewal the fee prescribed in Schedule 3 as well as written confirmation that the public liability insurance required under By-law 4 (f) has been or will be effected for the renewal period;
  - (b) at any time seek the Council's consent to alter any of the conditions of the licence and such application shall be treated as though it were an application for a licence to the extent of the alteration;
  - (c) for the purpose of a function or event, seek in writing a minimum of fourteen (14) days beforehand, the Council's consent to the operation of the eating area on a day or time not permitted by the licence.
- 8.2 An application pursuant to By-law 8.1 (c) shall—
- (a) be in writing;
  - (b) state the nature of the function or event concerned and the additional day and time sought; and
  - (c) be accompanied by the fee prescribed in Schedule 3.

8.3 Where it is proposed that the proprietor named in a licence be replaced by another person (such other person being herein referred to as the "proposed licensee") the proprietor and the proposed licensee shall, prior to the date proposed for the replacement, make application in writing to the Council for the licence to be transferred to the proposed licensee and shall submit the licence to be transferred together with the written application to the Council and the Council may in its discretion on payment of the fee prescribed in Schedule 3 transfer the licence by endorsement upon the licence and by the issue of consent in the form of Schedule 4.

8.4 Where the Council approves of the transfer of a licence for the remaining period of the licence it shall not be obliged to refund any part of the fee paid by the former licensee.

- 9. A proprietor who is the person named in a licence—
  - (a) shall ensure that the eating area is conducted at all times in accordance with the provisions of these By-laws;
  - (b) shall ensure that the eating area is kept in a clean and tidy condition at all times;
  - (c) shall maintain the chairs, tables and other structures set up in the eating area in good and serviceable condition at all times;
  - (d) shall be solely responsible for all and any costs associated with the removal, alteration, repair, reinstatement or reconstruction of the street, carriageway or footpath or any part thereof arising from the conduct of the eating area or persons therein. The Council may recoup from the proprietor such cost in a court of competent jurisdiction;
  - (e) shall display the licence in a conspicuous place in the adjoining eating house and whenever requested by an Environmental Health Officer (a Health Surveyor) to do so shall produce to the officer the licence.

**Offences and Penalties**

10. A person who commits a breach of these By-laws commits an offence and is liable on conviction to a maximum penalty of—

- (a) \$500.00 in the case of a breach of By-law 3(c); or
- (b) \$250.00 in the case of a breach of any other by-law, and in addition in either case to a maximum daily penalty during the breach of \$50.00 per day.

11. The Council may cancel a licence where the proprietor has been convicted of an offence against these By-laws, the Health Act or any other law relating to the setting up or conducting of eating areas or has transferred or assigned or attempted to transfer or assign the licence without the consent of the Council and shall not be obliged to refund any part of the fee to the proprietor.

**Delegation**

12. The Council may, pursuant to section 157A of the Act, delegate to a specified officer the powers conferred on it by these By-laws.

## BUSH FIRES ACT 1954

## BUSHFIRE CONTROL

Notice to All Owners and/or Occupiers of Land in the Shire of Greenough

Pursuant to the powers contained in section 33 of the above Act, you are required on or before the first day of October 1991, and thereafter up to and including the first day of May 1992 for Rural land; and on or before the fifteenth day of November 1991, for Urban land; or within 14 days of the date of your becoming an owner or occupier of land, to have a firebreak not less than two point four (2.4) metres in width clear of all inflammable material in accordance with the following:

## Rural Land:

1. Within 20 metres inside and along the whole of the external boundaries of the said lands owned or occupied by you.
2. Around and within 20 metres of the perimeter of each building, haystack, and any standing crop, on such lands so as to completely enclose each thereof with such a firebreak.
3. When any of such lands adjoin a road, within such lands, and along the common boundary of such land and such roads.
4. Where the area of the land is 0.2 hectares or less, all inflammable material on the land shall be removed from the whole of the land.
5. In addition to any firebreaks required in paragraphs (1), (2), (3) and (4) herein, you shall clear of all inflammable material from the whole of the land occupied by drums used for the storage of inflammable liquid, whether the drums contain inflammable liquid or not, including any land on which ramps for holding the drums are constructed, and an area outside the land so occupied to a distance of not less than three (3) metres.

## Urban Land:

Subdivided residential land contained within the following areas:

1. Cape Burney—The area contained within the boundary formed by Reserves 35935, 35936 and 35937 and the Greenough River Road, Part Victoria Locations 708, 4200 (including leases, Lots 1-26 and 34) and Lots 1 and 2 of Victoria Location 2466.

9. Tarcoola Beach—Victoria Location 2125 and Part Victoria Location 5843 located north of Glendinning Road.
10. Waggrakine—
  - (a) The area bounded by the North West Coastal Highway, Chapman Valley Road, Alexander Drive and Stella Road;
  - (b) The area bounded by the Shire boundary, Beattie Road, Adelaide Street and the western boundary of Lot 10 of Victoria Location 1712; and
  - (c) The area bounded by Constantine Road, Chapman Valley Road and the eastern boundary of Part Lot 71 of Victoria Location 1712.
11. Walkaway—That land contained within Part Victoria Locations 100, 900, 1235 and 1259 and Reserve 28569.
12. Where the area of the land is 0.2 hectares or less, all inflammable material on the land shall be removed from the whole of the land.
13. Where the land exceeds 0.2 hectares in area, firebreaks at least two point four (2.4) metres wide shall be cleared of all inflammable material immediately inside all external boundaries of the land and also immediately surrounding all buildings situated on the land.

If it is considered impracticable for any reason to clear or remove inflammable material from the land in Rural areas as required by this Notice, you may apply to the Council or its duly authorized officer, not later than the 15th September 1991, for permission to provide firebreaks in alternative positions or to take alternative action to abate the fire hazards on the land. If permission is not granted by council or its duly authorized officer, you are to comply with the requirements of this Notice. Inflammable material is defined for the purposes of this Notice to include bush, timber, boxes, cartons, paper and like inflammable materials, rubbish and also any combustible matters, but does not include green standing trees, or growing bushes and plants in gardens or lawns.

The penalty for failing to comply with this Notice is a fine not exceeding \$1 000, and a person in default is liable, whether prosecuted or not, to pay the cost of performing the work directed in this Notice if it is not carried out by the owner or occupier by the date required by this Notice. If the requirements of this Notice are carried out by burning such burning must be in accordance with the relevant provisions of the Bush Fires Act and the Environmental Protection Act.

By Order of the Council,

W. T. PERRY, Shire Clerk.

### BUSH FIRES ACT 1954

#### Section 33

#### *Shire of Kalamunda*

Notice to all Owners and/or Occupiers of land in the Shire of Kalamunda

Pursuant to the powers contained in section 33 of the Bush Fires Act 1954, you are hereby required on or before the 30th November 1991, to remove from the land owned or occupied by you all inflammable material or to clear firebreaks in accordance with the following and therefore to maintain the land or the firebreaks clear of inflammable material up to and including 31st March 1992.

You shall on or before 30th November 1991 or within 14 days of the date of you becoming the owner/occupier, should this be after the 15th November 1991.

1. On Townsite Land or Land Subdivided for Residential Purposes

Clear of all inflammable material firebreaks at least three metres wide immediately inside all external boundaries of the land and also immediately surrounding all buildings situated on the land. Keep gardens free of unnecessary leaves and rubbish, lop any trees that can endanger your house in the event of a fire.

2. Rural/Special Rural Land

Clear of all inflammable material firebreaks at least three metres wide immediately inside all external boundaries of the land and within thirty metres of the perimeter of any hay stack, building or group of buildings, so positioned as to completely surround such hay stacks, buildings or group of buildings.

### 3. Fuel Dumps and Depots

Removal of all inflammable material from all land where fuel drum ramps or dumps are located and where fuel drums, whether containing fuel or not, are stored to a distance of at least five metres outside the perimeter of any drum, ramp or stack of drums.

If it is considered to be impracticable for any reason to clear firebreaks or to remove inflammable material from land as required by this notice, you may apply to the Council or its duly authorised officer in writing on or before 30th November 1991 for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land.

If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice.

The firebreaks Inspection Officers will commence inspection of firebreaks and fire hazards early in the season.

The penalty for failing to comply with this notice is a fine of \$1 000 or a prescribed penalty of \$80 on service of an infringement notice. A person in default is also liable whether prosecuted or not, to pay the cost of performing the work directed by this notice if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act, which include the necessity for permits to burn during the restricted burning season.

E. H. KELLY, Shire Clerk (Chief Executive).

## BUSH FIRES ACT 1954

*Shire of Tammin*

### Firebreak Order

Notice to all owners and/or occupiers of land in the Shire of Tammin.

Pursuant to the powers contained in section 33 of the above Act, you are hereby required on or before 1st November 1991 to plough, scarify, spray, cultivate or otherwise clear and thereafter, maintain free of all flammable material until 1st March 1992, firebreaks in the following position and of the following dimensions, on the land owned or occupied by you.

#### 1. Rural Land

- (i) Construct firebreaks of not less than 2.5 metres in width around the boundary of all standing crops and that the maximum area of standing crop to 200 hectares and around the external boundary of each property, such break to be not more than 20 metres inside the boundary fence.
- (ii) Clear and maintain firebreaks at least 2.5 metres wide within 20 metres of the perimeter of any building or group of buildings or hay stacks, in such a manner as to completely encircle the building or hay stack.

#### 2. Townsite

All townsite lots within the Shire of Tammin are required to be cleared and maintained free of all inflammable material.

For the purpose of this season inflammable material means dead grass and timber, boxes, cartons, paper and any combustible material or rubbish but does not include living trees and bushes and shrubs and plants in gardens.

#### 3. Fuel Dumps and/or Depots

All grass or inflammable materials to be cleared from areas where drum ramps are located and where drums, full or empty are stored and such areas are to be maintained free of grass and similar inflammable material until 1st March 1992.

For the purpose of this section inflammable material means dead grass and timber, boxes, cartons, paper and any combustible material or rubbish but does not include living trees and bushes.

Prohibited burning, period from 1st November 1991 to 7th February 1992.

Restricted burning from 27th September 1991 to 31st October 1991 and 8th February 1992 to 22nd March 1992.

#### General Provisions

If it is considered to be impracticable for any reason to provide firebreaks in the position or adhere to the provisions required by this notice, the approval of the Council must be obtained to prepare such firebreaks in an alternative position. Approval to any such variation will only be granted where the Bush Fire Control Officer for the area has first signified approval for the variation. (Examples of reasons to relocate firebreak include where there are natural firebreaks or areas liable to soil erosion.)

The penalty to failing to comply with this notice is a fine of not less than \$40 nor more than \$400 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier and by the date required by this notice.

If the requirements of this notice are carried out by burning such burning must be in accordance with the relevant provisions of the Bush Fires Act.

Dated this 30th day of August 1991.

By Order of the Council.

G. L. KEEFFE, Acting Shire Clerk.

**BUSH FIRES ACT 1954***Shire of Capel*

Notice to all owners and/or occupiers of land in the Shire of Capel

With reference to section 33 of the Bush Fires Act, you are required to carry out fire prevention work on land owned or occupied by you in accordance with the provisions of this Order.

This work must be carried out by 30th November, 1991, and kept maintained throughout the summer months until the close of the Restricted Burning Period on the 26th April, 1992.

An inspection of firebreaks and hazard removal will be carried out in all areas of the Shire by an Authorised Officer after 30th November, 1991.

Persons who fail to comply with the requirements of this order may be issued with an infringement notice or prosecuted with an increased penalty, and additionally, Council may carry out the required work at a cost to the owner or occupier.

Definitions: For the purpose of this Order the following definitions apply—

“firebreak” means ground from which all inflammable material has been removed and on which no inflammable material is permitted to accumulate during the Prohibited and Restricted Burning Times.

“Greenbelt Area” means all rural and urban land located west of—

- (i) Minninup Road: from the northern boundary of the Shire of Capel to the junction of Minninup Road and Fishermans Road.
- (ii) The un-named Road: from the junction of Minninup Road and Fishermans Road to its junction with Mangles Road.
- (iii) Mangles Road: from its junction with the un-named road in (ii) south to its junction with Capel North West Road.
- (iv) Capel North West Road: from its junction with Mangles Road South to its junction with Ludlow North Road.
- (v) Ludlow North Road: from its junction with Capel North West Road south to the southern boundary of the Shire of Capel.

“Haystack” means any collection of hay including fodder rolls placed or stacked together.

“Plantation”—

- (i) A plantation is any area of planted pines or eucalyptus species exceeding 3 ha. in area.
- (ii) A windbreak is a planted area a maximum of 15 m wide but with no defined length.

A. Rural and Special Rural Land (All land other than a plantation and that listed as Urban)—

1. Firebreaks at least 2 metres in width and not more than 100 metres from the perimeter of all buildings and haystacks situated on the land so as to completely surround the buildings and haystacks.
2. Firebreaks at least 2 metres in width immediately inside and along all external boundaries so as to form a continuous break all around the holding except where an exemption has been granted. (Roadside firebreaks do not constitute a legal firebreak under the Bush Fires Act.)
3. Lessees of Railway Reserves shall have a firebreak at least 3 metres in width along the common boundary between the land leased from Westrail and other land owned or occupied.

B. Urban Land (Residential, Commercial and Industrial land within a townsite or within any area subdivided for residential purposes, including Gelorup)—

1. Where the area of land is 2 000 square metres (approximately 1/2 acre) or less, remove all flammable material on the land except living standing trees from the whole of the land, and
2. Where the area of land exceeds 2 000 square metres (approximately 1/2 acre) clear of all flammable materials or firebreaks provided of at least 2 metres wide, immediately inside all external boundaries of the land and also immediately surrounding all buildings situated on the land.

Note: Greenbelt Area: A standard size firebreak is required on boundaries adjoining the west side of—

- (i) Minninup Road: from the northern boundary of the Shire of Capel to the junction of Minninup Road and Fishermans Road.
- (ii) The un-named Road: from the junction of Minninup Road and Fishermans Road to its junction with Mangles Road.
- (iii) Mangles Road: from its junction with the un-named road in (ii) south to its junction with Capel North West Road.
- (iv) Capel North West Road: from its junction with Mangles Road south to the Mallokup Bridge.

Plantations—

Boundary Firebreaks:

On the horizontal plane a firebreak shall be provided 15 metres wide and immediately adjoining all external boundaries of the planted area. The outer 10 metres will be cleared of all flammable

material while the inner 5 metres, i.e. that portion closest to the trees, may be kept in a reduced fuel state, i.e. by slashing or grazing grass provided that the height of the grass does not exceed 8 cm.

On the vertical plane a clear space 10 metres high will be maintained above outer 10 metres of the firebreak.

**Internal Firebreaks:**

Plantations shall be subdivided into areas not exceeding 30 hectares by firebreaks 6 metres wide which shall be cleared of all flammable material.

In the vertical plane a clearance of a minimum height of 4 metres from the ground level will be maintained above the firebreak.

**Special Risks:**

(i) Public Roads and Railway Reserves: Firebreaks 15 metres wide shall be maintained where planted area adjoins public roads and railway reserves. The specification will be as for "Boundary Firebreaks" on planted areas.

(ii) Powerlines: Firebreaks shall be provided along powerlines where they pass through or lie adjacent to planted areas. The specification of the width and the height of clearing shall be in accordance with State Energy Commission of Western Australia specifications.

**Fuel and/or Gas Depots:** In respect of land owned or occupied by you on which is situated any container normally used to contain liquids or gas fuel, including the land on which any ramp or supports are constructed, you shall have land clear of all flammable materials.

It is hereby notified for public information, in accordance with section 7 of the Town Planning and Development Act 1928 that the Hon Minister for Planning approved the Shire of Busselton Town Planning Scheme Amendment on August 27, 1991 for the purpose of—

## 1. Deleting under Clause 1.9 the following interpretations—

Light Industry  
General Industry  
Noxious Industry  
Hazardous Industry

## 2. Inserting under Clause 1.9 the following interpretations in correct alphabetical order—

Auctioneer's Premises—Means land and premises used for the storage and public sale of goods by auction.

Butchers Shop—Means a room or place for boning, curing, salting, mincing or other similar process of preparation for sale of meat or fat of animals prescribed and declared under the Health Act 1911 for human consumption.

Fish Processing & Storage—Means an establishment where fish, shell fish and crustaceans may be processed and stored.

Fish Shop—Means a shop where the goods kept, exposed or offered for sale comprises wet fish only and where the only processing comprises minor filleting.

Hardware Store—Means a shop used for the sale of tools, goods and materials used for the construction, repair or improvement of buildings or for gardening.

Laundromat—Means a building, open to the public, in which coin operated or other washing machines, with or without provision for drying clothes, are available for use.

Lunch Bar—Means a building or portion of a building where food is prepared and offered for sale for consumption off the premises.

Marine Collectors Yard—Means land and buildings used for the storage of marine stores under the provisions of the Marine Stores Act 1902 (as amended) and Marine Dealers Yard and Marine Store have the same meaning.

Market—Means land and buildings used for a fair, a farmers or producers market, or a swap-meet in which the business or selling carried on or the entertainment provided is by independent operation or stall holders carrying on their business or activities independently of the market operator save for the payment where appropriate of a fee or rental.

Market Garden Sales—Means the sale of fruit and vegetables or both grown elsewhere than on the lot upon which are sold or offered for sale.

Offensive Trade—Means an industry or business in which the processes involved constitute an offensive trade within the meaning of the Health Act 1911. Where the Scheme permits an offensive trade it does not in any way imply exclusion from the normal requirements specified under the Health Act.

Prescribed Premises—Shall have the same meaning as in the Environmental Protection Regulations 1987 (as amended) and shall include—

- (a) Premises which are mines, treatment plants, processing establishments or factories in or on which are carried on any commercial industry or trade processes or activities which cause or are likely to cause pollution of any waters; and
- (b) Without limiting the generalities of paragraph (a), premises specified in Schedule 1 of the Environmental Protection Regulations 1987 (as amended).

Industry-Service—Means land and buildings having a retail shop front and used as a depot for receiving goods to be serviced.

3. Deleting from paragraph 2.1.1 'Zones' column, the following—

- 3A Light Industry
  - 3B General Industry
  - 3C Noxious and hazardous Industry
- and insert—  
3A Industry

4. Delete paragraph 3.3.1 (a) and (b) and insert the following new paragraph—

- 3.3.1 (a) Not less than 3m of the front building setback measured from the lot frontage shall be landscaped to the satisfaction of the Council.
- (b) Not less than 1m of the front buildings setback area measured from the side boundaries, other than those areas that may be required for a service road and vehicle parking, shall be set aside and landscaped to the satisfaction of the Council.
- (c) That area of the front setback area not utilised for the purpose of parking or vehicle accessway shall be landscaped to the satisfaction of the Council.
- (d) The landscaping requirement set out above in sub-paragraphs 3.3.1 (a), (b) and (c) shall apply to prescribed Premises, Showroom and Warehouse and Vehicle, Boat and Caravan Sales Premises.
- (e) In all zones, landscaping shall be provided on the front boundary at the time of development and shall be planted and maintained to the satisfaction of the Council.
