

WESTERN  
AUSTRALIAN  
GOVERNMENT  
**Gazette**

PERTH, FRIDAY, 20 DECEMBER 1991 No. 147

PUBLISHED BY AUTHORITY G. L. DUFFIELD, GOVERNMENT PRINTER AT 3.30 PM

**Publishing Details**

The Western Australian *Government Gazette* is published by the State Print for the State of Western Australia on Friday of each week unless disrupted by Public Holidays or unforeseen circumstances.

Special *Government Gazettes* and Extraordinary *Government Gazettes* are published periodically, only the special gazettes are included in the subscription price.

The following guidelines should be followed to ensure publication in the *Government Gazette*.

- Material submitted to the Executive Council for gazettal will require a copy of the signed Executive Council Minute Paper.
- Advertising should be received by the Manager, Publication Sales no later than 3.00 p.m. on Wednesday.
- Lengthy or complicated notices should be forwarded several days before advertised closing date for copy. This is to ensure inclusion in current edition. Failure to observe this request could result in the notice being held over until the following week.
- Proofs will be supplied only when requested.
- No additions or amendments to material for publication will be accepted by telephone.

Send copy to:

The Manager,  
Publication Sales  
State Print  
Station Street, Wembley, 6014  
Telephone: 383 8851 Fax: 382 1079

**Advertisers should note:**

- All Notices should be written in 'plain English'.
- Signatures (in particular) and proper names must be legible.
- All copy should be typed and double spaced.
- If it is necessary through isolation or urgency to communicate by facsimile, any confirmation forwarded later must be endorsed to the effect that this copy is only confirmation of previously transmitted facsimile copy already received by the State Print. This is to alleviate the problem of copy appearing twice.
- Documents not clearly prepared and in the exact format for gazettal will be returned to the sender unpublished.
- Late copy received at Publication Sales after 3.00 p.m. Wednesday will be placed in the following issue irrespective of any date/s mentioned in the copy (unless otherwise advised).

## Notice to Subscribers

## PETROLEUM (SUBMERGED LANDS) ACT 1967

Prohibition of Entry Into a Safety Zone

I, Ian Fraser, Director, Petroleum Division of the Department of Mines of the said State by instrument of delegation dated the 14th day of November 1986, and pursuant to section 119 of the above Act, hereby prohibit all vessels other than vessels under control of the registered holders of Production Licence WA-8-L from entering or remaining in the area of the safety zone without the consent in writing of the Director, Petroleum Division. This safety zone extends to a distance of five hundred metres, measured from one point of the outer edge of each of the following:

- (1) CALM buoy at a point of latitude 19°29' 47.72" South, longitude 116°56' 21.19" East;
- (2) Subsea well completion known as Talisman No. 1, at a point of latitude 19°29' 43.68" South, longitude 116°56' 22.95" East; and
- (3) Subsea well completion known as Talisman No. 7 at a point of latitude 19°29' 47.066" at a point of longitude 116°55' 53.526".

Where an unauthorised vessel enters or remains in the safety zone specified in contravention of this instrument, the owner and the person in command or in charge of the vessel are each guilty of an offence against section 119 of the Act and are punishable, upon conviction, by a fine not exceeding \$100 000 or imprisonment for a term not exceeding 10 years, or both, pursuant to section 119 (3) of the Act.

Dated this 6th day of December 1991.

Made under the Petroleum (Submerged Lands) Act 1967 of the Commonwealth of Australia.

IAN FRASER, Director Petroleum Division.

## Town Planning Scheme No. 8

## Zoning Scheme

The Gingin Shire Council, under and by virtue of the powers conferred upon it in that behalf by the Town Planning and Development Act 1928 (as amended), hereby makes the following Town Planning Scheme for the purposes laid down in the Act.

## Part 1—Preliminary

## 1.1 Citation

This Town Planning Scheme may be cited as the Shire of Gingin Town Planning Scheme No. 8 hereinafter called "The Scheme" and shall come into operation on the publication of the Scheme in the *Government Gazette*.

## 1.2 Responsible Authority

The authority responsible for implementing the Scheme is the Council of the Shire of Gingin hereinafter called "The Council".

## 1.3 Scheme Area

The Scheme applies to the whole of the Shire of Gingin.

## 1.4 Contents of the scheme

The Scheme comprises—

- (a) this Scheme Text
- (b) the Scheme Map

## 1.5 Arrangement of scheme text

The Scheme Text is divided into the following parts—

- Part 1 Preliminary
- Part 2 Reserves
- Part 3 Zones
- Part 4 Non-Conforming Uses
- Part 5 Development Requirements
- Part 6 Planning Consent
- Part 7 Places of Heritage Value
- Part 8 Administration

### 1.6 Scheme Objectives

The general objectives and purposes of the Scheme are to—

- (a) secure the amenity, health, safety and convenience of the inhabitants of the District;
- (b) zone land for the purposes described in the Scheme so as to promote the orderly development of the land by making suitable provisions for land use;
- (c) reserve land required for public purposes;
- (d) make provisions for the conservation and preservation of places of natural beauty, historic buildings and objects of historic or scientific interest;
- (e) create pedestrian and vehicular circulation systems together with landscaped environments which complement the wide range of activities carried on and proposed to be carried on in the District;
- (f) make provision for other matters incidental to town planning and land use management.

### 1.7 Revocation of Existing Schemes

The Shire of Gingin Town Planning Scheme No. 2 as amended, which came into operation by publication in the *Government Gazette* on 21st April, 1972, and the Shire of Gingin Town Planning Scheme No. 5 as amended, which came into operation by publication in the *Government Gazette* on 30th May 1986 are hereby revoked.

### 1.8 INTERPRETATION

1.8.1 The words and expressions of the Scheme have their normal and common meanings unless they have a meaning assigned to them in the Act, Appendix 1 to this Scheme, or Clause 5 of the Residential Planning Codes in which case they will have the meaning so assigned.

## Part 2—Reserves

### 2.1 Reserved Land

2.1.1 There are hereby created the several reserves set out hereunder—

Parks and Recreation,  
Public Use,  
Drainage and Waterbodies,  
Roads.

The reserves are delineated and depicted on the Scheme Map according to the legend thereon.

### 2.2 Matters to be Considered by Council

Where an application for planning consent is made with respect to reserved land, the Council shall have regard to the ultimate purpose intended for the reserve and the Council shall, in the case of land reserved for the purposes of a public authority, confer with that authority before granting its consent.

### 2.3 Compensation

2.3.1 Where the Council refuses planning consent for the development of reserved land on the grounds that the land is reserved for local authority purposes or for other purposes shown on the Scheme Map, or grants consent subject to conditions that are unacceptable to the applicant, the owner of the land may, if the land is injuriously affected thereby claim compensation for such injurious affection.

2.3.2 Claims for such compensation shall be lodged at the office of the Council not later than six months after the date of the decision of the Council refusing planning consent or granting it subject to conditions unacceptable to the applicant.

2.3.3 In lieu of paying compensation the Council may purchase the land affected by such decision of the Council at a price representing the unaffected value of the land at the time of refusal of planning consent or of the grant of consent subject to conditions unacceptable to the applicant.

## Part 3—Zones

### 3.1 Zones

3.1.1 There are hereby created the several zones set out hereunder—

Residential,  
Tourist,  
Commercial,  
Industrial,  
Fishing Industry,  
Rural Residential,  
Rural.

3.1.2 The zones are delineated and depicted on the Scheme Map according to the legend thereon.

### 3.1.3 Purpose and Intent of the Zones

The purpose and intent of the various zones is to allocate land for the following purposes—

- (a) Residential Zone—to contain land primarily for low density (single) residential and associated uses with Attached and Group Dwellings and selected non-residential uses permitted with approval of the Council;
- (b) Tourist Zone—to contain land for tourist accommodation and associated services;
- (c) Commercial Zone—to contain land for the major service, retail, office and entertainment uses in the townsites;

- (d) Industrial Zone—to provide land for industrial activities carried out in the townsites;
- (e) Fishing Industry Zone—to contain land used only for the combination of residential uses and industrial activities associated with the fishing industry;
- (f) Rural Residential—to contain land for rural smallholdings in accordance with State Planning Commission Rural Land Use Planning Policy;
- (g) Rural Zone—to provide land for the range of normal rural activities conducted in the Shire and protect such land from inappropriate uses.

### 3.2 Zoning Table

3.2.1 Subject to the provisions of the Scheme, the several uses permitted in the Scheme area in the various zones are indicated by cross reference between the list of use classes on the left hand side of the Zoning Table and the list of zones at the top of the Zoning Table.

3.2.2 The symbols used in the cross reference in the Zoning Table have the following meanings—

'P' means that the use is permitted in the zone provided the relevant standards and requirements set out in the Scheme are complied with;

'AA' means that the Council may, at its discretion, permit the use in the zone;

'SA' means that the Council may, at its discretion, permit the use after notice of application has been given in accordance with Clause 6.4; and,

'IP' means a use that is not permitted unless such use is incidental to the predominant use.

3.2.3 Where no symbol appears in the cross reference of a use class against a zone in the Zoning Table a use of that class is not permitted in that zone.

3.2.4 Where in the Zoning Table a particular use is mentioned it is deemed to be excluded from any other use class which by its more general terms might otherwise include such particular use.

3.2.5 If the use of land for a particular purpose is not specifically mentioned in the Zoning Table and cannot reasonably be determined as falling within the interpretation of one of the use categories the Council may—

- (a) determine that the use is not consistent with the purpose and intent of the particular zone and is therefore not permitted, or
- (b) determine that the proposed use may be consistent with the purpose and intent of the zone and thereafter follow the procedure set out in Clause 6.4 in considering an application for planning consent.

### 3.3 Additional Use Sites

In addition to the use classes permitted in the various zones in accordance with the Zoning Table, any parcel of land listed in the Schedule of Additional Use Sites in Appendix 2 is permitted to be used for the purpose listed against it in that Schedule subject to any conditions listed in the Schedule.

## Part 4—Non-Conforming Uses

## 4.1 Non-Conforming Use Rights

No provision of the Scheme shall prevent the continued use of any land or building for the purpose for which it was being lawfully used at the time of coming into force of the Scheme, or the carrying out of any development thereon for which, two years prior to that time, a permit or permits, lawfully required to authorize the development to be carried out, were duly obtained and are current.

## 4.2 Extension of Non-Conforming Use

A person shall not alter or extend a non-conforming use or erect alter or extend a building used in conjunction with a non-conforming use without first having applied for and obtained the planning consent of the Council under the Scheme and unless in conformity with any other provisions and requirements contained in the Scheme.

## 4.3 Change of Non-Conforming Use

Notwithstanding anything contained in the Zoning Table the Council may grant its planning consent to the change of use of any land from a non-conforming use to another use if the proposed use is, in the opinion of the Council, less detrimental to the amenity of the locality than the non-conforming use and is, in the opinion of the Council, closer to the intended uses of the zone or reserve.

## 4.4 Discontinuance of Non-Conforming Use

4.4.1 When a non-conforming use of any land or building has been discontinued for a period of six months or more such land or building shall not thereafter be used otherwise than in conformity with the provisions of the Scheme.

4.4.2 The Council may effect the discontinuance of a nonconforming use by the purchase of the affected property or by the payment of compensation to the owner or the occupier or to both the owner and the occupier of that property, and may enter into an agreement with the owner for that purpose.

## 4.5 Destruction of Buildings

If any building is, at the time of coming into force of the Scheme, being used for a non-conforming use, and is subsequently destroyed or damaged to an extent of 75 percent or more of its value the land on which the building is built shall not thereafter be used otherwise than in conformity with the Scheme, and the buildings shall not be repaired or rebuilt, altered or added to for the purpose of being used for a non-conforming use or in a manner or position not permitted by the Scheme.

## Part 5—Development Requirements

## 5.1 Development Standards

Subject to the provisions of the Scheme the minimum standards for development in the various zones, except residential development provided for in the Residential Planning Codes, are set out in Table 2.

Table 2—Site Requirements

Zone	Minimum Setback			Maximum Plot Ratio	Maximum Site Coverage
	Front (metres)	Side (metres)	Rear (metres)		
Residential	7.5	3.0	7.5	0.5:1	0.3
Tourist	7.5	3.0	7.5	(b)	(b)
Commerical	nil	nil	6.0	0.5:1	(b)
Industrial	7.5	(a)	(a)	0.4:1	(b)
Fishing Industry	7.5	(a)	(a)	0.5:1	(b)
Rural Residential	20	20	20	(b)	(b)
Rural	20	20	20	(b)	(b)

NOTE: These site requirements only apply to developments not covered by the Residential Planning Codes.

(a) For a masonry parapet wall—nil; for a metal or timber framed construction—2.1 metres or the height of the wall whichever is greater.

(b) To be determined by Council.

## 5.2 Residential Development—Residential Planning Codes

5.2.1 For the purpose of this Scheme 'Residential Planning Codes' means the Residential Planning Codes set out in Appendix 3 to the Statement of Planning Policy No. 1, together with all amendments thereto.

5.2.2 A copy of the Residential Planning Codes as amended shall be kept and made available for public inspection at the offices of the Council.

5.2.3 In the event of there being any inconsistency between the Residential Planning Codes identified by Clauses 5.2.1 and 5.2.2, the provisions in the document identified in Clause 5.2.1 shall prevail.

5.2.4 Unless otherwise provided for in Clause 5.3 or the Appendix 2 in relation to particular sites, the development of land for any of the residential purposes dealt with by the Residential Planning Codes shall conform to the provisions of those Codes.

5.2.5 The Residential Planning Code density applicable to land within the Scheme area shall be determined by reference to the Residential Planning Code density numbers superimposed on the particular areas shown on the Scheme Map as being contained within the outer edges of the solid black line borders, or where such an area abuts onto another area having a Residential Planning Code density, as being contained within the centre lines of those borders.

### 5.3 Residential Planning Codes—Variations and Exclusions

5.3.1 For the area of Residential Zone in the Scheme, excluding the area contained within the Gingin Townsite, the provisions of R17.5 Planning Code may apply where Council is satisfied, in a particular case, that the drainage conditions are suitable to ensure that on site disposal of effluent will continue to function effectively or a reticulated sewerage disposal system can be employed.

5.3.2 Where no Residential Planning Code area is depicted on the Scheme Map, residential development shall be in accordance with the R10 Planning Code.

5.3.3 Unless specifically approved by the Council, no more than two Grouped Dwellings shall be permitted on any lot in the Rural Zone and no more than one Dwelling shall be permitted on any lot in the Rural Residential Zone.

5.3.4 Where Residential development is proposed in conjunction with other development in the Commercial Zone, Council shall determine the appropriate density code to apply for development requirement purposes.

5.3.5 No provision of the Residential Planning Codes relating to density or setback shall prevent the approval of a dwelling on a lot in the Residential Zone created prior to the operation of this Scheme.

### 5.4 Rural Residential Zone

5.4.1 The Scheme provisions for a specific area of the Rural Residential Zone shall include a Plan of Subdivision which forms part of the Scheme. A description of the land together with any special provisions relating to the land shall be set forth in Appendix 6 if applicable.

5.4.2 The Plan of Subdivision referred to in 5.4.1 shall show—

- (a) the proposed ultimate subdivision including lot sizes and dimensions;
- (b) areas to be set aside for Public Open Space, Pedestrian accessways, bridle paths, and Community facilities;
- (c) any physical features to be conserved and areas for preservation or treeplanting; and,
- (d) the proposed staging of the development if relevant.

5.4.3 Subdivision of land within the Rural Residential Zone shall be in accordance with the Plan of Subdivision endorsed by the Shire Clerk. Minor amendments to the Plan of Subdivision that do not reduce general lot sizes may be permitted subject to approval of the State Planning Commission.

5.4.4 No dwelling house shall be constructed in the Rural Residential Zone—

- (a) with an internal floor area less than 45 square metres without Council consent; and,
- (b) unless it is connected to an approved potable water supply or a water tank having a capacity of not less than 90,000 litres is incorporated in the approved building plan.

5.4.5 Unless specifically provided for in Appendix 6 or approved by the Council the following uses are not permitted in the Rural Residential Zone—

- (a) the breeding or keeping of animals for commercial gain;
- (b) the conduct of intensive rural pursuits for commercial gain.

### 5.5 Home Occupations

The Council shall not grant planning consent to a home occupation unless it is satisfied that the activity—

- (a) will not prejudicially affect the amenity of the neighbourhood by way of emissions of any nature;
- (b) will not entail the employment of more than three persons;
- (c) will not occupy an area greater than 20 square metres in the Residential Zone or 50 square metres elsewhere;
- (d) does not require the provision of any essential service main of a greater capacity than normally required in the zone in which it is located; and,
- (e) does not entail the sale of any goods not produced on the site.

### 5.6 Setbacks to Roads to be Widened

Any development proposed on a lot with frontage to a road proposed to be widened shall be set back from the street alignment of the road as if the road had been widened as proposed.

### 5.7 Loading and Service Bays

Every lot developed for commercial or industrial purposes shall be provided with an area for the loading and unloading of commercial vehicles at the rear of the development, separate from parking areas and access ways.

#### 5.8 Loading and Unloading of Vehicles

Unless otherwise approved by the Council all loading and unloading of materials, and parking of vehicles associated with any commercial and industrial uses shall be contained within the boundaries of the site on which the uses are located.

#### 5.9 Factory Tenement Buildings

Industrial buildings occupied or intended to be occupied by more than one separate business establishment, shall be constructed so that every occupancy—

- (a) has a floor area of at least 100 square metres and neither its width nor length is less than eight metres;
- (b) has an adjacent open yard area no smaller than one-third of the floor area of the occupancy;
- (c) has an open yard with direct access to a service access road not less than 6 metres in width;
- (d) is separated from every other occupancy by a suitable distance or an internal wall or walls constructed of brick, stone, concrete or other material of equal or greater fire rating approved by Council.

#### 5.10 Industrial Fences

The minimum standard fence for lots used for industrial shall be a 1.8 metre link mesh security fence unless otherwise approved by the Council.

#### 5.11 Refuse Storage Areas

All commercial and industrial developments shall provide at least one refuse storage area readily accessible to service vehicles and screened from view from a public street by a close fence, wall or screen landscaping no less than 1.8 metres in height.

#### 5.12 Outdoor Storage Areas

Any outdoor areas used for the storage of motor vehicle bodies, timber, steel products or any other products or wastes in connection with a commercial or industrial use shall be screened from view from any public street by a close wall or fence no less than 1.8 metres in height, or screen landscaping approved by the Council.

#### 5.13 Vehicle Access Ways

The Council may refuse to permit more than one vehicular entrance or exit from any lot or may require separate entrances and exits. All access ways, other than in the Residential Zone shall be constructed so that all vehicles may enter and leave a lot in forward gear. All access ways shall be constructed and paved to the specification and satisfaction of the Council.

#### 5.14 Use of Setbacks

The setback areas within any zone shall not be used for any purpose other than one or more of the following—

- (a) a means of access;
- (b) landscaping;
- (c) trade display provided no more than 10 percent of the area is used, and not located within three metres of the street;
- (d) the loading and unloading of goods;
- (e) the parking of vehicles for staff, clients or customers of the development.

#### 5.15 Off Street Parking

With the exception of rural uses sufficient off street parking shall be provided with each development to accommodate the parking requirements of that development as determined by the Council.

Parking areas shall be laid out paved drained and marked to the satisfaction of the Council.

Any parking area with ten or more parking bays shall include landscaped areas equal to ten percent of the area of the carpark.

#### 5.16 Parking of commercial vehicles

No commercial vehicle in excess of 3 tonnes tare weight shall be permitted to be parked on any residential lot with an area less than 1,500 square metres, except for the purpose of activity normally associated with dwelling house uses without approval of the Council.

Council shall not grant its approval under this Clause unless—

- (a) provision is made for the vehicle to be housed in a garage or parked behind the building line;
- (b) the vehicle together with its load does not exceed three metres in height; and,
- (c) the Council is satisfied the use will not prejudicially affect the amenity of the neighbourhood due to emissions of any nature.

#### 5.17 Joint use of Parking Facilities

The Council may permit reduced provision of parking facilities where the facilities are intended to be shared between different land uses provided it is satisfied—

- (a) the total facilities provided are adequate for the aggregate demand;
- (b) no conflict will occur as a result of the joint use of the parking facilities; and,
- (c) the peak demands for parking from the activities sharing the parking area do not coincide.

Where the Council permits the joint use of parking facilities it may require the landowners involved to enter into a legal agreement with each other land owner for reciprocal rights to the parking facilities.

#### 5.18 Cash Payment in lieu of Provision of Parking

The Council may accept a cash payment in lieu of the provision of on site parking provided—

- (a) such cash payment is not less than the estimated cost to the owner of providing and constructing the parking area otherwise required by the Scheme plus the value, as estimated by the Council, of that area of his land which would have been occupied by the parking area;
- (b) the Council has either already provided a public car park nearby, or made a commitment to provide one within a period of 18 months; and,
- (c) any such payment shall be paid into a special fund to be used to provide public car parks and the Council may use this fund to provide public car parks anywhere in the district.

#### 5.19 Landscaping

Unless otherwise approved by the Council all developments shall be provided with an area of landscaping equal to ten percent of the site area.

Landscaping shall be provided and maintained in accordance with a landscape plan approved by the Council.

Landscaping will be provided by the owner of the development within 30 days of completion of the development and shall be maintained by the occupier.

#### 5.20 Tree Planting

The Council may by notice served upon individual landowners or upon a subdivider of land within the Scheme Area require trees to be planted where it considers there is insufficient vegetation, and require the preservation of any tree or group of trees and thereafter no landowner or subdivider shall cut, remove, or otherwise destroy any tree or trees so specified unless the Council withdraws the notice or order.

Within the Rural Residential Zone no tree shall be removed without the prior written consent of the Council unless its removal is necessary for construction of a building, fence or firebreak.

#### 5.21 Lots Without Dedicated Road Frontage

Dwelling houses and grouped dwellings may not be permitted on lots that do not have direct access or frontage to a dedicated road.

### Part 6—Planning Consent

#### 6.1 Planning Consent

6.1.1 Subject to Clause 6.1.2 a person shall not carry out development of any land within the Scheme Area without first having applied for and obtained the planning consent of the Council.

6.1.2 The planning consent of the Council is not required for—

- (a) the use of reserved land for the purpose for which it is reserved under the Scheme where the land is owned by or vested in the Council or a public authority;
- (b) the use of land vested in a Public Authority, for any purpose for which it may be lawfully used by that Authority;
- (c) the erection of a boundary fence except as otherwise required by the Scheme;
- (d) the use of any zoned land, including the erection alteration or extension of any buildings used in conjunction with that use, where the use is a permitted use in the zone and the development complies with the provisions of the Scheme;
- (e) the carrying out of any works on, in, over or under a street or road by a Public Authority acting pursuant to the provisions of any Act;
- (f) the carrying out of works for the maintenance, improvement or other alteration of any building, being works which affect only the interior of the building or which do not materially affect the external appearance of the building;
- (g) the carrying out of works urgently necessary in the public safety or for the safety or security of plant or equipment or for the maintenance of essential services.

#### 6.2 Discretion to Modify Development Standards

6.2.1 If a development, other than a residential development, the subject of an application for planning consent, does not comply with a standard or requirement prescribed by the Scheme with respect to that development the Council may, notwithstanding the noncompliance, approve the application unconditionally or subject to such conditions as the Council thinks fit.

6.2.2 The discretion conferred by Clause 6.2.1 may only be exercised by the Council where it is satisfied that—

- (a) approval of the proposed development would be consistent with the orderly and proper planning of the locality and the preservation of the amenity of the locality;
- (b) the non-compliance will not have any adverse effect upon the occupiers or users of the development or the inhabitants of the locality or upon the likely future development of the locality; and

- (c) the spirit and purpose of the requirement or standard will not be unreasonably departed from thereby.

### 6.3 Application for Planning Consent

6.3.1 Every application for planning consent shall be made generally in the form set out in Appendix 3 to the Scheme and shall comprise—

- (a) a site plan or plans;
- (b) plans, elevations and sections of all proposed buildings; and,
- (c) such other information as the Council may reasonably require to enable the application to be determined.

6.3.2 Unless otherwise determined by the Council in a particular case a site plan shall be to a scale of not less than 1:500 and shall show—

- (a) street names, lot number(s), north point and the dimensions of the site;
- (b) the location and proposed use of any existing buildings to be retained and the location and use of buildings proposed to be erected on site;
- (c) any physical features including trees, which may be affected by the proposed development;
- (d) the existing and proposed means of access for pedestrians and vehicles to and from the site;
- (e) the location, number, dimensions of any area proposed to be provided for the loading and unloading of vehicles carrying goods or commodities to and from the site and the means of access to and from those areas; and,
- (f) the location, dimensions and design of any landscaped, open storage or trade display area and particulars of the manner in which development is proposed.

### 6.4 Public Notice

6.4.1 Where an application is made for planning consent to commence or carry out development which involves an 'SA' use, the Council shall not grant consent to that application unless notice of the application is first given in accordance with the provisions of this clause.

6.4.2 Where an application is made for planning consent to commence or carry out development which involves an 'AA' use, or for any other development which requires the planning consent of the Council, the Council may give notice of the application in accordance with the provisions of this clause.

6.4.3 Where the Council is required or decides to give notice of an application for planning consent, the Council shall cause one or more of the following to be carried out—

- (a) Notice of the proposed development to be served on the owners and occupiers of land within an area determined by the Council as likely to be affected by the granting of planning consent stating that submissions may be made to the Council within twenty-one days of the service of such notice;
- (b) Notice of the proposed development to be published in a newspaper circulating in the Scheme area stating that submissions may be made to the Council within twenty-one days from the publication thereof;
- (c) A sign or signs displaying notice of the proposed development to be erected in a conspicuous position on the land for a period of twenty-one days from the date of publication of the notice referred to in paragraph (b) of this clause.

6.4.4 The notice referred to in Clause 6.4.3 (a) and 6.4.3 (b) shall be in the form contained in Appendix 4 with such modifications as circumstances require.

6.4.5 After expiration of twenty-one days from the serving of notice of the proposed development, the publication of notice or the erection of a sign or signs, whichever is the later, the Council shall consider and determine the application.

6.4.6 Any costs incurred by the Council pursuant to Clause 6.4.3 shall be recoverable from the applicant.

### 6.5 Determination of Applications

6.5.1 In determining an application for planning consent the Council may consult with any authority which, in the circumstances, it thinks appropriate.

6.5.2 In determining an application for planning consent the Council shall have regard for such of the following as are appropriate—

- (a) the purpose for which the subject land is reserved, zoned or approved for use under the Scheme;
- (b) the purpose for which land in the locality is reserved, zoned or approved for use under the Scheme;
- (c) the size, shape and characteristics of the land;
- (d) the provisions of the Scheme and any Council policy affecting the land;
- (e) any comments received from any authority consulted by the Council;
- (f) any submissions received in response to giving public notice of the application;
- (g) the orderly and proper planning of the locality; and,
- (h) the preservation of the amenity of the locality.

6.5.3 In determining an application for planning consent the Council may refuse its consent or grant its consent subject to such conditions as it deems fit.

6.5.4 The Council shall issue its decision in respect of an application for planning consent in the form prescribed in the Appendix 5 to the Scheme or in accordance with Clause 6.6.

6.5.5 Where the Council approves an application for planning consent under this Scheme the Council may limit the time for which that consent remains valid and where no time limit is specified the consent shall be deemed to expire after two years from the date of approval.

#### 6.6 Time-Limited Conditions

The Council may, where it deems appropriate, grant planning approvals which—

- (a) if not implemented within the period of time specified in each such approval, shall thereafter cease to be valid or,
- (b) permit the use and development of land to occur for limited periods of time after the expiration of which periods, as specified in each such approval, the use of the land shall cease and the site shall be restored to its former condition.

#### 6.7 Deemed Refusal

6.7.1 Where the Council has not within sixty days of the receipt by it of an application for planning consent either conveyed its decision to the applicant or given notice of the application in accordance with Clause 6.4.3 the application may be deemed to have been refused.

6.7.2 Where the Council has given notice of an application for planning consent in accordance with Clause 6.4.3 and where the Council has not within ninety days of receipt by it of the application conveyed its decision to the applicant, the application may be deemed to have been refused.

6.7.3 Notwithstanding that an application for planning consent may be deemed to have been refused under Clauses 6.7.1 or 6.7.2 the Council may issue a decision in respect of the application at any time after the expiry of the period specified in those Clauses.

---

### Part 7—Places of Heritage Value

#### 7.1 Declaration of Places

The Council may declare places of historic, architectural, scientific or other interest to be Places of Heritage Value and such places shall be listed in the schedule in Appendix 7.

#### 7.2 Development Approval

A person shall not without the approval of the Council at or on a Place of Heritage Value, carry out any development including, but without limiting the generality of the foregoing—

- (a) the erection, demolition or alteration of any building or structure (not including farm fencing, wells, bore or troughs and minor drainage works ancillary to the general rural pursuits in the locality);
- (b) the removal of trees associated with Places of Heritage Value;
- (c) the erection of advertising signs; and,
- (d) clearing of land.

#### 7.3 Public Notice

The provisions of Clause 6.4 apply with the necessary modifications to applications for the approval of the Council under Clause 7.2.

#### 7.4 Policies

The Council may from time to time prepare or adopt policies or codes with reference to any one or more of such Places of Heritage Value.

#### 7.5 Restoration

The Council may give its approval to the restoration of a Building declared to be a Place of Heritage Value notwithstanding that the work involved does not comply with the Australian Building Codes or with the development provisions of this Scheme.

#### 7.6 Acquisition

Having regard to the desirability of preserving and retaining a Place of Heritage Value involved in an application to develop land the Council may effect the retention of the building, object or place by the purchase, resumption of the affected property or payment of an agreed sum in compensation to the owner and may enter into an agreement with the owner for that purpose.

---

### Part 8—Administration

#### 8.1 Powers of the scheme

The Council in implementing the Scheme has, in addition to all other powers vested in it the power to—

- (a) enter into any agreement with any owner, occupier or other person having an interest in land affected by the provisions of the Scheme in respect of any matters pertaining to the Scheme;
- (b) acquire any land or buildings within the district pursuant to the provisions of the Scheme or the Act;

- (c) deal with or dispose of any land which it has acquired pursuant to the provisions of the Scheme or the Act and for such purpose may make such agreements with other owners as it considers fit;
- (d) through the person of an Officer of the Council, authorized by the Council for the purpose, at all reasonable times enter any building or land for the purpose of ascertaining whether the provisions of the Scheme are being observed;
- (e) withhold or grant with or without conditions planning consent to applications received in accordance with the Scheme; and,
- (f) accept cash payments in lieu of the provision of on-site parking or landscaping.

## 8.2 Town Planning Scheme Policies

8.2.1 In order to achieve the objectives of the Scheme, the Council may make Town Planning Scheme Policies relating to parts or all of the Scheme Area and relating to one or more of the aspects of the control of development and land use.

8.2.2 The Council having resolved to adopt a Town Planning Scheme Policy, shall publish a summary of the Policy in a newspaper circulating the area giving details of where the full policy may be inspected and where, in what form and during what period (not being less than 21 days) representations on same may be made to Council.

8.2.3 The Council shall review its Town Planning Scheme Policy in the light of any representations received and decide not to proceed with the Policy or to adopt the Policy with or without modification.

8.2.4 Following final adoption of a Town Planning Scheme Policy, notice of adoption shall be published in a newspaper circulating in the area and a copy kept with the Scheme documents for inspection during normal office hours.

8.2.5 Following final adoption, a Town Planning Scheme Policy may only be altered or rescinded by—

- (a) adoption of a new Policy in accordance with the above procedure, specifically worded to supersede an existing Policy; or,
- (b) publication of a formal notice of rescission in a newspaper circulating in the area.

8.2.6 A Town Planning Scheme Policy shall not bind the Council in respect of any application for Planning Consent but Council shall take into account the aims and provisions of the Policy when making its decision.

## 8.3 Offences

8.3.1 A person shall not erect, alter or add to or commence to erect, alter or add to a building or use or change the use of any land, building or part of a building for any purpose:

- (a) otherwise than in accordance with the provisions of the Scheme;
- (b) unless all consents required by the Scheme have been granted and issued;
- (c) unless all conditions imposed upon the grant and issue of any consent required by the Scheme have been and continue to be complied with; and,
- (d) unless all standards laid down and all requirements prescribed by the Scheme or determined by the Council pursuant to the Scheme with respect to that building or that use of that land or building or that part have been and continue to be complied with.

8.3.2 A person who fails to comply with any of the provisions of the Scheme is guilty of an offence and without prejudice to any other remedy given herein is liable to the penalties prescribed by the Act.

## 8.4 Notices

8.4.1 Twenty-eight (28) days written notice is hereby prescribed as the notice to be given pursuant to Section 10 of the Act.

8.4.2 The Council may recover expenses under Section 10 (2) of the Act in a Court of competent jurisdiction.

## 8.5 Claims for Compensation

Except where otherwise provided in the Scheme, the time limit for the making of claims for compensation pursuant to Section 11 (1) of the Act is six months after the date of publication of the Scheme in the *Government Gazette*.

## 8.6 Appeals

An applicant aggrieved by a decision of the Council in respect of the exercise of a discretionary power under the Scheme may appeal in accordance with Part V of the Act and any rules or Regulations made pursuant to the Act.
