Subdivision

- Subdivision to be generally in accordance with the Subdivision Guide Plan marked No. 3 and endorsed by the Shire Clerk.
- 2. The minimum lot size shall be 1 Ha.
- 3. No further subdivision of lots shall occur.

Landuse

- 4. The following uses are permitted within the zone:
 - -Single House
 - -Rural Pursuit
 - —Home Occupation
 - -Public Utility

All other uses are not permitted.

5. With the intention of preventing land degradation, Council may, with the advice of the Department of Agriculture, require removal of or reduction in the number of stock on any lot within the zone.

Services

- On lots over 2 Ha in area landowners are required to provide their own potable water supply to Council's specification and satisfaction, from groundwater sources, rainwater catchment or a combination of both.
- 7. Lots under 2 Ha in area are to be connected to a reticulated water supply.
- Landowners are required to provide their own liquid and solid waste disposal system to Council's specification and satisfaction.
- 9. Where required, specifications of potable water supply and waste disposal systems are to be submitted to Council with building plans and no building shall be considered fit for human habitation until the systems are installed and operating to Council's specification.
- 10. No installation for the disposal of waste water or septic tank effluent shall be located closer than 50 metres to the centreline of a definable water course or creek.
