ENVIRONMENTAL PROTECTION

EP301

ENVIRONMENTAL PROTECTION ACT 1986**ENVIRONMENTAL PROTECTION (GNANGARA MOUND CROWN
LAND) POLICY APPROVAL ORDER 1992**

MADE by the Minister under section 31 (d).

Citation

1. This order may be cited as the *Environmental Protection (Gnangara Mound Crown Land) Policy Approval Order 1992*.

Approval and commencement of environmental protection policy

2. The environmental protection policy set out in the Schedule —
- (a) is approved; and
 - (b) shall have the force of law on and from the day on which this order is published in the *Gazette*.

SCHEDULE

(Clause 2)

ENVIRONMENTAL PROTECTION ACT 1986**ENVIRONMENTAL PROTECTION (GNANGARA MOUND CROWN
LAND) POLICY 1992**

Approved by the Minister under section 31 (d).

PART 1 — PRELIMINARY**Citation**

1. This Policy may be cited as the *Environmental Protection (Gnangara Mound Crown Land) Policy 1992*.

Purpose of Policy

2. The purpose of this policy is to protect —
- (a) the level and quality of groundwater on or under the policy area (an area consisting of Crown land and covering a large portion of Gngangara mound); and
 - (b) native vegetation and wetlands in the policy area.

Interpretation

3. In this policy, unless the contrary intention appears —

“**basal area**”, in relation to the pine plantation, means the area of trunks of trees in the pine plantation when measured at 1.3 metres above ground level;

“**contaminant**” means any substance that is capable of causing a change in the physical, chemical or biological characteristics of groundwater such that —

- (a) the capacity of the groundwater to support flora or fauna is reduced; or
- (b) the suitability of the groundwater for human consumption is reduced,

but does not include any substance that is applied to land for forestry purposes in accordance with good forestry practice;

“**Gngangara mound**” means the groundwater system which occurs in the superficial formations in the area bounded generally by the Indian ocean, Moore river, Gingin brook, Chandala brook, Ellen brook and the Swan river;

“**groundwater**” includes water in a wetland that is a surface expression of groundwater;

“**Lakes policy**” means the *Environmental Protection (Swan Coastal Plain Lakes) Policy 1992*;

“**mining operations**” has the meaning given to that expression in section 8 (1) of the *Mining Act 1978*;

“**native vegetation**” means any plant species which is indigenous to the policy area;

“**Planning Policy**” means “Statement of Planning Policy No.3: Gngangara Mound Crown Land” prepared by the State Planning Commission under the *Town Planning and Development Act 1928* and published in the *Gazette* of 20 March 1992 at pp. 1309-1311 and includes any amendments made to that Policy;

“**policy area**” means the portion of the environment to which this policy applies;

“**the pine plantation**” means the pine plantation in the area shown hatched in black on Department of Land Administration Miscellaneous Plan No. 1814;

“**this policy**” means this environmental protection policy;

“**wetland**” means land that is subject to permanent or seasonal inundation or waterlogging;

“**Whiteman Park Development Strategy**” means the plan for the management, development and use of Whiteman Park prepared by the Department of Planning and Urban Development and includes any amendment to that plan, or any replacement plan, that has been approved by the Authority;

“**Yanchep National Park Management Plan**” means the plan for the management, development and use of Yanchep National Park prepared by the Department of Conservation and Land Management and includes any amendment to that plan, or any replacement plan.

Application

4. (1) The portion of the environment to which this policy applies is the portion of land delineated in black and bordered in red on Department of Land Administration Miscellaneous Plan No. 1814.

(2) A copy of the plan referred to in subclause (1) is available for public inspection during normal office hours at the head office of the Environmental Protection Authority in Perth.

Lakes policy to prevail in event of inconsistency

5. In the event of any inconsistency arising between a provision of this policy and a provision of the Lakes policy, the provision of the Lakes policy shall prevail to the extent of the inconsistency.

PART 2 — BASIS FOR PROTECTION OF GROUNDWATER, NATIVE VEGETATION AND WETLANDS IN POLICY AREA, ENVIRONMENTAL QUALITY OBJECTIVES, AND PROGRAMME FOR PROTECTION

Beneficial uses

6. (1) The following uses of groundwater on or under the policy area are declared to be beneficial uses to be protected under this policy —

- (a) use of the groundwater to support native vegetation and wetlands in the policy area;
- (b) use of the groundwater for public and private supply and use;
- (c) use of the groundwater to support the pine plantation.

(2) The following uses of native vegetation and wetlands in the policy area are declared to be beneficial uses to be protected under this policy —

- (a) use of the native vegetation and wetlands as an important resource in studying the natural environment and as a tool for monitoring groundwater levels and quality;
- (b) use of the native vegetation and wetlands as a refuge for many rare, endangered, and geographically restricted species of flora and fauna including many birds which migrate between Australasia and the northern hemisphere and which are protected under International Treaties;
- (c) use of the native vegetation and wetlands as a focus of cultural and heritage values for communities living in the area before European settlement, having provided the basis for food gathering and spiritual life in those communities;
- (d) use of the native vegetation and wetlands as an important aesthetic element of the natural landscape;
- (e) use of the native vegetation and wetlands as providing a biologically productive and genetically diverse natural environment.

Activities which can cause groundwater, native vegetation or wetlands to be degraded

7. The following activities, amongst others, can cause the levels and quality of groundwater on or under the policy area to be reduced or degraded or the destruction of native vegetation and wetlands in the policy area —

- (a) the discharge of contaminants in the policy area;
- (b) the filling in of wetlands in the policy area;
- (c) the carrying out of excavation or mining operations in the policy area;
- (d) the clearing, destruction or removal of native vegetation on or from the policy area;
- (e) the excessive abstraction of groundwater from the policy area.

Environmental quality objectives for groundwater

8. The environmental quality objectives to be achieved and maintained in respect of groundwater on or under the policy area are set out in Schedule 1.

Protection of groundwater, native vegetation and wetlands

9. The achievement and maintenance of the environmental quality objectives referred to in clause 8 and the protection generally of groundwater, native vegetation and wetlands in the policy area are to be effected by —

- (a) local authorities and the State Planning Commission giving effect to the Planning Policy;
- (b) management, development and use of Whiteman Park being carried out in accordance with the Whiteman Park Development Strategy;
- (c) management, development and use of Yanchep National Park being carried out in accordance with the Yanchep National Park Management Plan;
- (d) management of the pine plantation being carried out in such a manner as to ensure that use of groundwater by the pine plantation is no greater than the use of groundwater by native vegetation (this means that the basal area of the pine plantation should not exceed an average of 11 square metres per hectare);
- (e) controlling activities which can cause the levels and quality of groundwater on or under the policy area to be reduced or degraded or the destruction of native vegetation or wetlands in the policy area;
- (f) the Authority, in certain cases, requiring persons who cause or permit —
 - (i) the destruction or degradation of native vegetation or wetlands in the policy area to undertake the rehabilitation of the native vegetation or wetlands; or
 - (ii) the level or quality of groundwater on or under the policy area to be reduced or degraded to take steps to restore the level or quality of that groundwater.

PART 3 — CONTROL OF CERTAIN ACTIVITIES IN POLICY AREA**Interpretation**

10. In this Part, “authorized under the Act” means —

- (a) authorized under a works approval, a licence, a requirement contained in a pollution abatement notice, a condition under section 45 of the Act, a direction under section 73 of the Act or an exemption under section 75 of the Act; or
- (b) in relation to a proposal, informed by the Authority under section 40 (1)(a) of the Act that the proposal does not need to be assessed under Part IV of the Act.

Discharge of contaminants

11. A person shall not cause or permit the discharge of any contaminant in the policy area unless the person is authorized under the Act to do so, or has been authorized to do so under any other written law before the day on which this policy is approved, and is acting in accordance with that authorization.

Excavation and mining

12. A person shall not carry out any excavation or mining operations in the policy area unless the person is authorized under the Act to do so, or has been authorized to do so under any other written law before the day on which this policy is approved, and is acting in accordance with that authorization.

Abstraction of groundwater

13. A person shall not pump, draw or otherwise abstract groundwater from on or under the policy area unless the person is authorized under the Act or any other written law to do so, and is acting in accordance with that authorization.

Filling of wetlands

14. A person shall not cause any material to be placed in such a position that the whole or any part of a wetland in the policy area is filled unless the person is authorized under the Act or any other written law to do so, and is acting in accordance with that authorization.

Clearing, destruction or removal of native vegetation

15. A person shall not clear, destroy or remove any native vegetation on or from the policy area unless —

- (a) the person is authorized under the Act to do so and is acting in accordance with that authorization;
- (b) the person is authorized under any other written law to do so —
 - (i) for the purpose of fighting a fire or preventing the outbreak of fire; or
 - (ii) as part of a controlled burning operation, and is acting in accordance with that authorization; or
- (c) the clearing, destruction or removal of native vegetation occurs in the area of the pine plantation.

Penalties

16. A person who contravenes clause 11, 12, 13, 14 or 15 commits an offence and is liable —

- (a) in the case of an individual, to a penalty not exceeding \$5 000 and if the offence is a continuing offence to a daily penalty not exceeding \$1 000; and
- (b) in the case of a body corporate to a penalty not exceeding \$10 000 and if the offence is a continuing offence to a daily penalty not exceeding \$2 000.

LA201

LAND ACT 1933 ORDER IN COUNCIL (Vesting of Reserves)

By the direction of His Excellency the Governor under Section 33 (2), the following reserve has been vested.

DOLA File: 1108/969.

Reserve No. 42477 (Illawong Lots 1 to 30 inclusive, 32 to 37 inclusive, 39 to 41 inclusive, 43 to 57 inclusive, Coolimba Lots 1 to 62 inclusive and Lot 64, and Victoria Locations 11957 to 11959 inclusive) vested in the Shire of Carnamah (subject to the conditions set out in Part I of the schedule below) for the designated purpose of Parkland, Recreation and the letting of cottages existing thereon on 18 May, 1992 with power, subject to the approval in writing of the Minister for Lands to each and every lease being first obtained, and to the conditions set out in Part II of the schedule below to lease the whole or any portion thereof for a term or terms expiring on or before 17 May 1998.

Schedule

Part I

- (i) The Shire is to ensure early removal of structures for which a lease is not accorded by 30th June 1992, and in any case is to ensure clearing of all structures and rehabilitation of affected area by 31 December 1998.

- (ii) No new cottages will be allowed to be constructed within the reserve from the date of the making of this Order.
- (iii) The Shire will manage the reserve in accordance with a management plan prepared in consultation with the Conservation and Land Management (CALM) and approved by the Minister for Lands.
- (iv) Following removal of the structures the Shire of Carnamah shall rehabilitate the sites of the structures and their surrounds in sympathy with the adjacent nature reserve.
- (v) It is the intent for future management of Reserve No. 42477 that the land will be returned to vesting in the National Parks and Nature Conservation Authority following removal of the structures and rehabilitation by the Shire, provided that:—
 - (a) in the intervening period the NPNCA will cooperate with the Shire, CALM, Department of Planning and Urban Development (DPUD), and any other relevant agencies to identify nodes for Townsite/hamlet development or for the development of camping areas, beach access and other facilities for the visiting public. This is likely to occur mainly through DPUD's Central Coast Planning Study, but would not be restricted to that process;
 - (b) that the Shire, CALM and the NPNCA will establish a Memorandum of Understanding to cover the management of the area—in particular proposed developments, raw material extraction, mining exploration (if any), road construction, fire management, control of off road vehicles, etc.

Part II

- (i) Leasing is to be restricted to persons occupying cottages as at 18 May, 1992.
- (ii) No transfer or assignments of leases will be permitted.

D. G. BLIGHT, Clerk of the Council.
