DAIRY INDUSTRY ACT 1973

DIRECTIONS BY THE MINISTER TO THE DAIRY INDUSTRY AUTHORITY UNDER
SECTION 27

I, Ernest Francis Bridge, Minister for Agriculture, being the Minister for the time being administering the Dairy Industry Act 1973, pursuant to the powers conferred by section 27 of that Act, hereby direct the Dairy Industry Authority to determine applications for market milk quota made to it under section 26 of the Act in respect of the quota year commencing 1 January 1993 on the following bases or principles—

1. (1) Subject to this paragraph, a dairyfarmer holding a milk quota at the end of the 1992 Quota Year shall, upon application duly made, be granted initially, a milk quota for the 1993 Quota Year of an amount that is on a daily basis, one and one half percentage points above the sum of the amount of milk quota held by that person at the end of the 1992 Quota Year.

Provided that—

- (a) the dairy premises to which the application relates and in which milk is to be produced are the same as the dairy premises referred to in the quota certificate held by the applicant, or the registered premises authorised by the Authority under section 28 (2a) immediately before the end of the 1992 Quota Year; and
 - (2) Notwithstanding that the requirements of sub-paragraph (1) of this paragraph may apply to a dairyfarmer, unless such requirements are satisfied by a dairyfarmer in the application, that person not be granted a market milk quota.
 - (3) Where a dairyman short-supplies the issued milk quota at any time during the course of the 1993 Quota Year, the quota shall be reduced in accordance with the approved terms and conditions for short supply.
2. (1) The Authority may refuse an application if approval of the application would result in the applicant or the applicant together with any person associated with the applicant (as determined by the Authority in accordance with sub-paragraph (2) of this paragraph), holding a milk quota of more than 2 800 litres daily for the 1993 Quota Year.
 - (2) The Authority may determine that a person is associated with an applicant if that person holds a milk quota and is, in the opinion of the Authority—
 - (a) a partner of the applicant;
 - (b) a corporation of which the applicant is an officer or director;
 - (c) where the applicant is a corporation, an officer or director of the corporation;
 - (d) an officer or director of any corporation of which the application is an officer or director;
 - (e) employee or employer of the applicant;
 - (f) an employee of a natural person of whom the applicant is an employee;
 - (g) a corporation whose directors are accustomed or under an obligation whether formal or informal, to act in accordance with the directions, instructions or wishes of the applicant or, where the person is a corporation, of the directors or management of that person;
 - (h) a corporation in accordance with the directions, instructions or wishes of which, or of the directors or management of which, the applicant is accustomed or under an obligation, whether formal or informal, to act;
 - (i) a corporation in which the applicant holds a substantial interest; or
 - (j) where the person is a corporation—a person who holds a substantial interest in the corporation,

but persons shall not be regarded as associates if the Authority is satisfied on representations made by one or more of them and after its own enquiries (if any) that they are commercially independent in their respective enterprises.

Dated this 22nd day of December 1992.

ERNIE BRIDGE, Minister for Agriculture.

AG408

DAIRY INDUSTRY ACT 1973

DIRECTIONS BY THE MINISTER TO THE DAIRY INDUSTRY AUTHORITY UNDER
SECTION 30

I, Ernie Bridge, Minister for Agriculture, being the Minister for the time being administering the Dairy Industry Act 1973, acting under section 30 of that Act and after considering a statement submitted to me under subsection (1) of that section by the Dairy Industry Authority of Western Australia established under that Act (referred to in these directions as "the Authority") hereby direct the Authority that—

1. Where an application is made under paragraph (a) of subsection (4) of section 30 of the Act, the Authority shall refuse the application except where the application relates to—
 - (a) the sale of the whole of the dairy produce premises in respect of which milk quotas were granted together with the whole interest of the applicant in the quotas
unless—
approval would result in the proposed transferee or the proposed transferee together with any person associated with the proposed transferee (as determined by the Authority in accordance with paragraph 2 below) being an existing quota holder holding a milk quota or milk quotas exceeding, in aggregate, 2 800 litres on a daily basis; or
 - (b) a family transfer (as determined by section 30A (2) (b)) where the application involves the whole or part of the interest of the applicant in the milk quota
provided—
approval would not result in the proposed transferee or the proposed transferee together with any person associated with the proposed transferee (as determined by the Authority in accordance with paragraph 2 below) holding quotas exceeding, in aggregate, the maximum in 1(a) above
unless—
the circumstances are such that refusal of the application would, in the opinion of the Authority, cause undue hardship and the Authority is satisfied that approval of the application would not otherwise be inconsistent with these directions;
 - (c) a transfer through an exchange established by the Authority on terms, conditions and limitations approved by the Minister.
2. A person is associated with a proposed transferee if that person holding a milk quota is—
 - (a) a spouse of the proposed transferee;
 - (b) a partner of the proposed transferee;
 - (c) a corporation of which the proposed transferee is an officer or director;
 - (d) where the proposed transferee is a corporation, an officer or director of the corporation;
 - (e) an officer or director of any corporation of which the proposed transferee is an officer or director;
 - (f) an employee or employer of the proposed transferee;
 - (g) an employee of a natural person of whom the proposed transferee is an officer employee;
 - (h) a corporation whose directors are accustomed or under an obligation whether formal or informal, to act in accordance with the directions, instructions or wishes of the proposed transferee or, where the person is a corporation, of the directors or management of that person;
 - (i) a corporation in accordance with the directions, instructions or wishes of which, or of the directors or management of which, the proposed transferee is accustomed or under an obligation, whether formal or informal, to act;
 - (j) a corporation in which the proposed transferee holds a substantial interest; or
 - (k) where that person is a corporation—a person who holds a substantial interest in the corporation,

but persons shall not be regarded as associated if the Authority is satisfied on representations made by one or more of them and after its own enquiries (if any) that they are commercially independent in their respective enterprises.
3. Where an application is made under paragraph (b) of subsection (4) of section 30 of the Act, the Authority shall refuse the application if the proposed surrender is subject to payment by the Authority of an amount of compensation for milk quota.
4. The bases and principles set out in the directions made under section 30 of the Act on 12 March 1991 and published in the *Government Gazette* on 22 March 1991 at page 1213 shall be of no further effect after 1 January 1993 whereupon these directions come into effect.

Dated this 22nd day of December 1992.

"food premises" has the meaning given to it in Part VIII of the Health Act 1911;

"nuisance" means a nuisance created by unpleasant odours; litter; potential contamination or like of waters or land; potential harbourage of rodents; or potential attraction and breeding of flies;

"Principal Environmental Health Officer" means the Principal Environmental Health Officer of the Council;

"receptacle" means—

- (a) in the case of residential premises a polyethylene cart fitted with wheels, a handle and a lid, a capacity of 240 litres, supplied by the local authority or its contractor, or other type of receptacle specified or approved by the Principal Environmental Health Officer;
- (b) in the case of other premises a rubbish receptacle approved by the Principal Environmental Health Officer;

"refuse" means waste and other rubbish generated from domestic, commercial and industrial premises;

"residential premises" includes a single dwelling and grouped or attached multiple dwelling units.

Requirements for Refuse Receptacles.

- 12A. (a) The owner or occupier of residential premises shall ensure that there is a refuse receptacle or as many refuse receptacles as may be directed by the Principal Environmental Health Officer available on the premises for holding refuse.
- (b) The owner or occupier of non residential premises shall provide as many refuse receptacles and arrange for the removal of their contents as frequently as may be directed by the Principal Environmental Health Officer, but the frequency of removal of the receptacles contents shall be not less than once per week.
- (c) Where the Council provides a collection service then any arrangements made pursuant to sub-bylaw (b) of this by-law shall be with the Council.

Use of Receptacles.

- 12B. (a) The owner or occupier of residential premises shall ensure that—
- (i) all household refuse is deposited in a receptacle;
 - (ii) the lid of the receptacle is kept tightly closed except when depositing refuse or cleaning the receptacle;
 - (iii) all refuse which is putrescible or likely to be offensive or create a nuisance or has the potential to breed or attract flies is first wrapped securely or sealed in an impervious container before being placed in a receptacle; and
 - (iv) except for collection, the receptacle is kept behind the building line or in a position which is not visible from the street.
- (b) The owner or occupier of other than residential premises shall ensure that—
- (i) all refuse is deposited in a receptacle;
 - (ii) the lid of the receptacle is kept tightly closed except when depositing refuse or cleaning the receptacle;
 - (iii) any refuse emanating from the premises that is, in the opinion of the Principal Environmental Health Officer, of a nature which requires it to be treated before or after being placed in a receptacle be so treated as directed by the Principal Environmental Health Officer.

Prohibited Materials.

- 12C. (a) The owner or occupier of any premises shall ensure that none of the following materials are deposited in any receptacle—
- (i) hot or burning ashes;
 - (ii) oil;
 - (iii) liquid, liquid waste or slops;
 - (iv) paint;
 - (v) solvent;
 - (vi) brick, concrete, masonry, sand earth, or other like substances; unless specifically approved by the Principal Environmental Health Officer;
 - (vii) any other chemical substance or material which is likely to damage or adversely affect the receptacles or the compaction unit;
 - (viii) any object which is greater in length, width or breadth than the corresponding dimensions of the receptacle or which will not allow the lid of the receptacle to be tightly closed;
 - (ix) any waste contaminated with human or animal matter originating from any patient care area, surgery, health or transport facility and any autopsy, surgical, pathological, dental or veterinary procedure;

- (x) any bone, tissue, blood, microbiological cultures or other like pathological waste;
- (xi) any syringes, needles, scalpels or other device used for tissue penetrating procedure;
- (xii) any cytotoxic materials.
- (b) The owner or occupier of any premises shall ensure that the gross weight of a 240 litre receptacle and its contents does not exceed 70 kilograms.
- (c) Notwithstanding the requirements of sub-by-law (a) hereof prohibited materials may be placed in a receptacle where specific approval by the Principal Environmental Health Officer has been given, and where any conditions imposed in the approval are complied with.

Collection.

12D. The owner or occupier of any premises shall—

- (a) prior to collection time place the receptacle on the street verge forward of the front boundary line, but in a position that will not cause obstruction to cycleways, footpaths or any other carriageway or a position approved by the Principal Environmental Health Officer;
- (b) where the collection vehicle travels along a right-of-way or lane at the rear of premises then the receptacle is to be placed adjacent to the rear boundary of the premises in such a manner as to be visible from the right-of-way or land;
- (c) where the receptacle is of larger capacity than the 240 litre receptacle then the receptacle is to be located as directed by the Principal Environmental Health Officer;
- (d) replace the receptacle as soon as practicable to a position in compliance with By-law 12B (a) (iv) of this Part or in a position approved by the Principal Environmental Health Officer;

Care and Maintenance

12E. (a) The owner or occupier of any premises shall—

- (i) at all times keep all receptacles clean and whenever directed by a Principal Environmental Health Officer so to do shall place and keep in a receptacle a deodorant material approved by the Principal Environmental Health Officer;
- (ii) where the premises are food premises ensure that every receptacle is cleaned with an efficient detergent immediately after being emptied;
- (iii) take all reasonable care in using the receptacle and protect it from damage;
- (iv) not use the receptacle for any purpose other than holding of refuse;
- (v) except for collection ensure that the receptacle or receptacles remain on the premises at all times; and
- (vi) notify the Council within 48 hours after the event if a receptacle is lost, stolen, damaged or becomes defective;
- (vii) replace any receptacle lost or stolen or damaged or defective due to the fault of the owner or occupier by purchasing an equivalent receptacle from the Council;
- (viii) use only that receptacle which has a registration number assigned to that premises.
- (b) A receptacle supplied by the Council remains the property of the Council.
- (c) No person shall damage or deface a receptacle.
- (d) No person shall remove a receptacle from the premises unless authorised by the Principal Environmental Health Officer.

Removal of Refuse

- 13(1) Where the Council has undertaken or contracted for the execution of the removal of house and trade refuse and other rubbish including liquid wastes and oils from any premise, no other person or persons shall undertake or contract for the execution of such works.
- (2) No person shall carry out or undertake the collection, removal or disposal of domestic, commercial or other refuse including liquid wastes and oils from any premises within the areas prescribed under By-law 14A without the prior written approval of Council to that effect, and subject to terms and conditions or a signed agreement as requested by Council.
- (3) Where Council provides approval pursuant to the provisions of sub-by-law (2) hereof, such rubbish or refuse including liquid wastes and oils shall be disposed of at a refuse disposal site approved by the Executive Director of Public Health pursuant to the provision of the Act.

- (4) Any person undertaking the collection, removal or disposal of any refuse including liquid wastes and oils from any premises within the Municipal District of East Pilbara Shire shall do so in a manner as specified by the Principal Environmental Health Officer.
- (5) No person shall scavenge or remove refuse from any refuse receptacle on any premise unless that person is in the process of collecting the refuse in accordance with the requirements of Council.

Refuse Nuisance Control

- 14 (1) No person shall keep or leave out for collection, or dispose of any house or trade refuse including liquid wastes and oils in a manner that will cause a nuisance.
- (2) The owner or occupier of any premises shall dispose of, or arrange to dispose of any refuse including liquid wastes and oils, and prohibited materials as outlined in By-law 12C. (a) of this Part, in a manner and frequency as specified by the Principal Environmental Health Officer.
2. By-law 18 is amended by deleting "cart" in the by-law heading and in line 2 and substituting "collection vehicle".

13. Regulation 2.13 of the principal regulations is amended by deleting “Penalty: \$40.”.

Part 2A inserted

14. The principal regulations are amended by inserting after Part 2 the following Part —

“ **PART 2A — HEALTH AND SAFETY REPRESENTATIVES**

Default procedure for resolution of disputes

2A.1 (1) The procedure to be followed by an employer or manager in attempting to resolve an issue under section 23ZE (1) of the Act in a case where no other procedure has been agreed between the manager of the mine and the employers and the employees at the mine as applying in respect of the mine concerned is as set out in subregulation (2).

(2) In a case referred to in subregulation (1), upon an issue relating to occupational health, safety or welfare arising at the mine, the employer or manager shall arrange to meet with —

- (a) where there is a health and safety representative in respect of the mine concerned, the employees and that health and safety representative; or
- (b) where there is not a health and safety representative in respect of the mine concerned, the employees or a person authorized by them to represent them at that meeting,

at a time that is as soon after the issue arises as is mutually convenient.

Introductory courses for health and safety representatives

2A.2 (1) This regulation applies where a training course is accredited under section 14 (1) (h) of the *Occupational Health, Safety and Welfare Act 1984* designed for attendance by health and safety representatives, subject to course availability, during the first year of holding office.

(2) In this regulation a course mentioned in subregulation (1) is referred to as an “introductory course”.

(3) A health and safety representative shall, subject to the availability of introductory courses, endeavour to attend an introductory course within the first 12 months of being elected.

(4) A health and safety representative who has not previously attended an introductory course may give to his employer, not less than 21 days, or such shorter period as has been agreed between the health and safety representative and his employer, before the commencement of an introductory course, notice in writing that he wishes to attend the course.

(5) Where a health and safety representative has given notice in accordance with subregulation (4) that he wishes to attend an introductory course, the employer shall, subject to subregulation (7), permit the health and safety representative to take off work, with pay, such time, not exceeding 5 days, as is required for the purpose of attending that course.

(6) An employer who has been given notice under subregulation (4) by a health and safety representative wishing to attend an introductory course may consult with the health and safety representative or the relevant trade union concerning the attendance of the health and safety representative at that course and, in those consultations, due regard shall be given to the need to minimize any adverse effect on the operation of the business of the employer and the mine.

(7) If the employer has consulted under subregulation (6) with the health and safety representative or trade union concerned, the employer may decline to permit attendance at the introductory course as wished but instead permit attendance at the next such course available that the health and safety representative wishes to attend.

(8) The pay to which a health and safety representative is entitled in respect of time he is permitted to take off work to attend an introductory course shall be calculated at his ordinary rate of pay on the time that he would ordinarily have worked had he worked his scheduled work time —

(a) including —

- (i) regular over award payments for ordinary hours of work;
- (ii) shift work premiums according to roster or projected roster including Saturday or public holiday shift;
- (iii) industry allowances;
- (iv) climatic, regional, and other like allowances;
- (v) first aid allowances;
- (vi) tool allowances;
- (vii) qualification allowances;
- (viii) service grants made on a regular basis;
- (ix) experience allowance; and
- (x) any penalty rates that are paid in relation to actual hours worked or payment of which are guaranteed by a contract of service whether the hours were required to be worked or not;

(b) but not including —

- (i) overtime payments (except where they form part of the contract of service);
- (ii) camping allowances;
- (iii) travelling allowances;
- (iv) disability rates such as for confined spaces and dirty work;
- (v) car allowances; or
- (vi) meal allowances,

but nothing in this subregulation excludes an entitlement to additional payments that may be prescribed in an award, order, or industrial agreement that is made by, or registered by, The Western Australian Industrial Relations Commission or the Australian Conciliation and Arbitration Commission or agreed between the employer and the health and safety representative as being applicable.

(9) An employer who, as a result of this regulation, alters the conditions or remuneration of a person who is a health and safety representative to the detriment of that person commits an offence.

(10) Attendance at an introductory course shall be regarded as service for the purposes of ascertaining any entitlement under an award.

- (b) work practices involving manual handling are designed, implemented and maintained so as to avoid a hazard arising; and
- (c) the working environment is designed, constructed and maintained so that it is consistent with safe manual handling practices.

(2) An employer who contravenes subregulation (1) commits an offence.

Identification of hazards

314C. (1) An employer shall identify and assess any manual handling that may involve an employee being exposed to a hazard.

(2) The assessment is to be made in consultation with the employees who are required to carry out the manual handling and their health and safety representatives, if any.

(3) An employer who contravenes subregulation (1) or (2) commits an offence.

Minimizing risk

314D. (1) If manual handling is identified as involving an employee being exposed to a hazard, the employer shall take all practicable steps to eliminate the hazard or reduce the risk of it resulting in injury or harm to health.

(2) To this end, the employer shall —

- (a) redesign the task;
- (b) where redesign is impracticable or until it is completed, provide and arrange, as appropriate, mechanical aids, personal protective equipment and team lifting; and
- (c) ensure that the employees concerned receive training and supervision that is appropriate in relation to action taken under paragraphs (a) and (b).

(3) The employer shall give effect to subregulations (1) and (2) in consultation with employees who are required to carry out the manual handling and their health and safety representatives, if any.

(4) An employer who contravenes subregulation (1), (2) or (3) commits an offence.

(5) An employee who does not apply training provided, where such training is consistent with the provisions of the Act, or comply with an instruction given for the purposes of this regulation, so far as application and compliance are practicable, commits an offence.

The code of practice

314E. Nothing in the Code of Practice for Manual Handling, approved as a code of practice under section 57 of the Act, detracts from anything in this Subdivision. ”.

A—is the amount to be retained by SGIO Insurance Limited.

NAV '92—is the net asset value as at the Appointed Day of the assets, rights and liabilities referred to in clauses 2 and 3 of this Transfer Statement and in respect of Existing Policies and Existing Outwards Reinsurance Policies to be transferred to SGIO Insurance Limited under section 10 of the Act as determined in accordance with clause 5.3.

Pro Nav—is the pro forma net asset value of the assets, rights and liabilities of SGIO Insurance Limited to be referred to in the investigating accountants report to be contained in the prospectus for the float of SGIO Insurance Limited and as determined in accordance with clause 5.5.

E—such of the expenses of the float determined by the Commission to be payable by SGIO Insurance Limited under section 23(b) of the Act.

5.3 NAV '92 shall be determined when a statement as at the Appointed Day of the assets, rights and liabilities to be acquired by SGIO Insurance Limited under this Transfer Statement and the Act has been prepared. For this purpose the Commission and the Corporation shall instruct Deloitte Ross Tohmatsu or such other firm of chartered accountants as SGIO Insurance Limited agrees to prepare such Statement and to calculate NAV '92 based on such Statement. For the purposes of such calculation the Commission and the Corporation shall also instruct Coopers & Lybrand Actuarial Services Pty Ltd or such other firm of consulting actuaries as SGIO Insurance Limited may agree to to determine the provision for outstanding claims as at the Appointed Day in respect of Existing Policies and Existing Outwards Reinsurance Policies.

5.4 NAV '92 shall be calculated subject to the following principles—

- (a) investment assets shall be valued at their net realisable value on the Appointed Day;
- (b) fixed assets (other than works of art) shall be valued at cost less provision for depreciation at the rates currently used by the Corporation or the Commission (as the case may be);
- (c) works of art shall be valued as agreed between the Commission and SGIO Insurance Limited;
- (d) information technology shall be valued as agreed between the Commission and SGIO Insurance Limited;
- (e) no value shall be ascribed to goodwill;
- (f) the receivables shall be valued on the amount owed on the Appointed Day less provision for doubtful debts;
- (g) the freehold land shall be valued as agreed between the Commission and SGIO Insurance Limited;
- (h) the value ascribed to the other assets and rights shall be valued as agreed between the Commission and SGIO Insurance Limited;
- (i) sundry creditors, Fire Brigade charges and Workers' Compensation Rehabilitation Commission charges and all other liabilities identified in this Transfer Statement shall be valued on the amount owed as at the Appointed Day;
- (j) the Consulting Actuary shall be instructed to determine the provision for outstanding claims in respect of Existing Policies, on the same basis and using the same probability of sufficiency as used by Coopers & Lybrand Actuarial Services Pty Ltd in assessing the accounts of the Corporation for the financial year ended 30 June 1992; and
- (k) provision shall be made for deferred acquisition costs and deferred statutory charges shown in the accounts of the Corporation on the Appointed Day.

5.5 As late as practicable prior to lodgement for registration of a prospectus by SGIO Insurance Limited, the Commission shall:

- (a) take advice from BT Corporate Finance Limited as to what additional amount should be added to NAV '92 so that the net assets of SGIO Insurance Limited are suitable for privatisation by means of a public float. After taking such advice, the Commission shall determine that amount and that amount plus NAV '92 shall be Pro Nav;
- (b) determine the number of shares to be issued by SGIO Insurance Limited and the price for those shares;
- (c) allocate E in accordance with the provisions of section 23 of the Act.

6. THE MANNER OF PAYMENT OF THE AMOUNT WHICH SGIO INSURANCE LIMITED IS TO PAY THE COMMISSION UNDER SECTION 23(c)

6.1 The amount payable to the Commission under section 23(c) of the Act shall be FP—A. Where A has the same meaning as in clause 5 and FP means the aggregate proceeds of the float received by SGIO Insurance Limited

6.2 At the time the Commission determines Pro Nav and E, it may also elect as part of the consideration of the transfer of assets, rights and liabilities under this Transfer Statement and under section 10 of the Act to have issued to it a redeemable preference share in the capital of SGIO Insurance Limited. Such redeemable preference share shall be issued with a par value of 1c and at a premium of up to FP—A—NAV '92—1c.

6.3 The float proceeds shall upon receipt by SGIO Insurance Limited be deposited in a bank account with the R&I Bank of Western Australia Ltd.

6.4 On the Allotment Day, as soon as practicable after the allotment of the shares, SGIO Insurance Limited shall pay the amount payable to the Commission under section 23(c) as follows—

- (a) in an amount equal to NAV '92 in cash by bank cheque or by telegraphic transfer to an account nominated by the Commission; and
- (b) in respect of the balance, either:
 - (i) if the redeemable preference share has been issued to the Commission in accordance with clause 6.2 above, in cash for redemption of that redeemable preference share against delivery by the Commission of the share scrip for the redeemable preference share; or
 - (ii) otherwise (or in respect of any balance) in cash by bank cheque or telegraphic transfer to an account nominated by the Commission.

6.5 The amount payable under section 23(c) of the Act shall be allocated as follows—

- (a) for NAV '92 as determined by the Auditors in clause 5;
- (b) for the balance:
 - (i) in respect of the return of capital on redemption of the redeemable preference share; and
 - (ii) otherwise to goodwill or intangibles in accordance with proper accounting principles.

This Transfer Statement is Dated 16 December 1992.

WATER AUTHORITY ACT 1984

METROPOLITAN WATER SUPPLY, SEWERAGE AND DRAINAGE
AMENDMENT BY-LAWS 1992

Made by the Water Authority of Western Australia with the approval of the Minister for Water Resources.

Citation

1. These by-laws may be cited as the *Metropolitan Water Supply, Sewerage and Drainage Amendment By-laws 1992*.

By-laws 5.6.1 to 5.6.8 inserted

2. After by-law 5.5.5 of the *Metropolitan Water Supply, Sewerage and Drainage By-laws 1981** the following by-laws are inserted —

“ 5.6 PROTECTION OF POLLUTION AREAS

5.6.1 In this by-law and by-laws 5.6.2, 5.6.3, 5.6.4, 5.6.5, 5.6.6, 5.6.7 and 5.6.8 —

“automotive business premises” means premises associated with the repair, maintenance or servicing of motor vehicles and includes premises that are to be used as or by any of the following —

- (a) an automotive maintenance and repair shop or premises where motor vehicle parts are installed;
- (b) a motor vehicle detailer, a car wash establishment, a motor vehicle wrecker or a vehicle depot;
- (c) a workshop for construction, mining and earthmoving equipment; or
- (d) a wholesaler or retailer of fuels and oils;

“bulk liquid storage tank system” means any tank, whether or not mobile, having a capacity of or greater than 250 litres, and includes the pipework fittings and filling and dispensing apparatus associated with the tank, but does not include a tank that is part of any apparatus for the bacteriolytic treatment of sewage or that contains unpolluted water;

“elevated storage tank system” means a bulk liquid storage tank system in which no portion of the tank is on or below the ground;

“establish”, in relation to a mobile bulk liquid storage tank system, includes placing that storage tank system at a location where it will operate for a purpose other than the delivery to, or collection from, another bulk liquid storage tank system;

“ground storage tank system” means a bulk liquid storage tank system in which any portion of the tank is on or below the ground;

“owner” has the same meaning as in section 6 of the *Local Government Act 1960*;

“plans” means the plans showing the locations of pollution areas, priority 1, 2 and 3 source protection areas, wellheads and wellhead protection zones, copies of which are available for public inspection at the offices of the Authority in Leederville, Joondalup and Fremantle, and representations of which are set out in the Schedule;

“priority 1 source protection area”, “priority 2 source protection area” and “priority 3 source protection area” mean the portions of pollution areas designated, respectively, “P1”, “P2” and “P3” on the plans;

“tank” includes all the tanks that are connected in, or otherwise form part of, the same bulk liquid storage tank system;

“unpolluted water” means water that, if released from storage, would not contaminate groundwater or other water resources;

“wellhead” means a well, or the location of a proposed well, identified on the plans by its name adjacent to a black circle;

“wellhead protection zone” means that area within a pollution area that surrounds a wellhead, the extent of which is identified on the plans.

5.6.2 Regardless of any other provision of these by-laws, a person shall not establish within a priority 1 or a priority 2 source protection area —

- (a) a ground storage tank system;
- (b) any automotive business premises; or
- (c) an elevated storage tank system inside a wellhead protection zone.

5.6.3 A person shall not establish, or increase the capacity of, an elevated storage tank system within a priority 1 or priority 2 source protection area unless —

- (a) the person has applied for a permit under by-law 5.6.4;
- (b) the Authority has issued a permit authorizing the establishment, or increase in capacity, of the storage tank system; and
- (c) the person complies with the terms and conditions of the permit.

5.6.4 An application for a permit to establish, or increase the capacity of, an elevated storage tank system on land within a priority 1 or priority 2 source protection area shall be made —

- (a) in writing to the Authority; and
- (b) by the owner of the land or, if the owner is not the occupier, by the occupier of the land.

5.6.5 The Authority may only issue a permit applied for under by-law 5.6.4 —

- (a) for an elevated storage tank system that, including any proposed increase in capacity, does not exceed 5 000 litres, unless the Authority is satisfied that there are special circumstances relevant to the issue of that permit; and
- (b) if, regardless of the present or proposed capacity of the elevated storage tank system the subject of the application, the Authority is satisfied that there is no undue risk that the purity of underground water in the source protection area in which the storage tank system is to be established, or increased in capacity, will be affected detrimentally, either directly or indirectly, by the establishment, or increase in capacity, of that storage tank system.

5.6.6 By-laws 5.5.2 (other than paragraph (a)) and 5.5.3, as they relate to permits, apply, to the extent that they are applicable and with appropriate modifications, to a permit applied for under by-law 5.6.4.

5.6.7 The Authority, by notice in writing served on a person who, in contravention of by-law 5.6.2 or 5.6.3, as the case may be —

- (a) has established, or increased the capacity of, a storage tank system; or
- (b) has established any automotive business premises,

may direct that person within such period, being not less than 21 days after the service of the notice, as specified in the notice, to dismantle and remove the storage tank system or the business premises.

5.6.8 If a person fails to comply with a notice served on that person under by-law 5.6.7 —

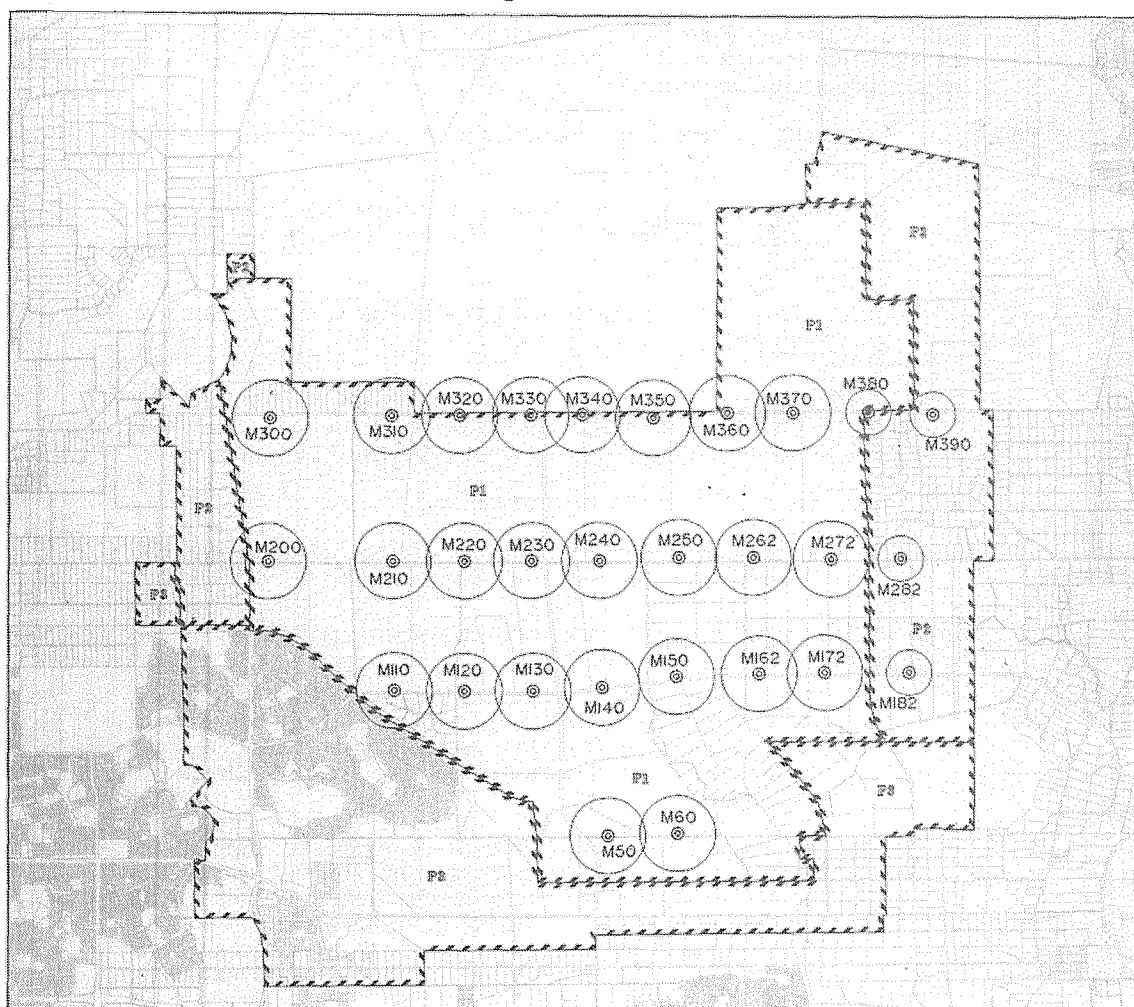

- (a) the person commits an offence; and
