

G WESTERN AUSTRALIAN GOVERNMENT Gazette

PERTH, FRIDAY, 26 MARCH 1993 No. 50

PUBLISHED BY AUTHORITY G. L. DUFFIELD, GOVERNMENT PRINTER AT 3.30 PM

Publishing Details

The Western Australian *Government Gazette* is published by State Print for the State of Western Australia on Tuesday and Friday of each week unless disrupted by Public Holidays or unforeseen circumstances (changes to this arrangement will be advertised beforehand on the inside cover).

Special *Government Gazettes* and Extraordinary *Government Gazettes* are published periodically, only the special gazettes are included in the subscription price.

The following guidelines should be followed to ensure publication in the *Government Gazette*.

- Material submitted to the Executive Council and which requires gazettal will require a copy of the signed Executive Council Minute Paper and in some cases the Parliamentary Counsel's Certificate.
- Copy should be received by the Manager, Law Publisher no later than 3.00 p.m. on Wednesday (Friday edition) or 3.00 p.m. on Friday (Tuesday edition).
- Lengthy or complicated notices should be forwarded several days before advertised closing date for copy. This is to ensure inclusion in current edition. Failure to observe this request could result in the notice being held over until the following edition.
- Proofs will be supplied only when requested.
- No additions or amendments to material for publication will be accepted by telephone.

Send copy to:

The Manager,
Law Publisher
State Print
Station Street, Wembley, 6014
Telephone: 383 8851 Fax: 383 8888

Advertisers should note:

- All Notices should be written in 'plain English'.
- Signatures (in particular) and proper names must be legible.
- All copy should be typed and double spaced.
- If it is necessary through isolation or urgency to communicate by facsimile, confirmation is not required by post. If original copy is forwarded later and published, the cost will be borne by the advertiser.
- Documents not clearly prepared and in the required format for gazettal, will be returned to the sender unpublished.
- Late copy received at Law Publisher will be placed in the following issue irrespective of any date/s mentioned in the copy.

SUPREME COURT ACT 1935
SUPREME COURT AMENDMENT RULES 1993

Made by the Judges of the Supreme Court.

Citation

1. These rules may be cited as the *Supreme Court Amendment Rules 1993*.

Principal rules

2. In these rules the *Rules of the Supreme Court 1971* are referred to as the principal rules.

[* Reprinted in the Gazette of 18 March 1986 at pp. 779-1100
For amendments to 15 March 1993 see 1991 Index to Legislation
of Western Australia, pp.504-5 and Gazettes of 7 and 28 February,
5 June, 21 August and 30 October 1992 and 26 January 1993.]

Order 1 amended

3. Order 1 of the principal rules is amended —

- (a) by deleting the heading to Order 1 and substituting the following heading —

“ APPLICATION, ELIMINATION OF DELAY
AND FORMS ”;

and

- (b) after Rule 4 by inserting the following rules —

“ Elimination of delays

4A. The practice, procedure and interlocutory processes of the Court shall have as their goal the elimination of any lapse of time from the date of initiation of proceedings to their final determination beyond that reasonably required for interlocutory activities essential to the fair and just determination of the issues *bona fide* in contention between the parties and the preparation of the case for trial.

System of case flow management

4B. (1) Actions, causes and matters in the Court will, to the extent that the resources of the Court permit, be managed and supervised in accordance with a system of positive case flow management with the objects of —

- (a) promoting the just determination of litigation;
- (b) disposing efficiently of the business of the Court;
- (c) maximising the efficient use of available judicial and administrative resources; and
- (d) facilitating the timely disposal of business at a cost affordable by parties.

(2) These Rules are to be construed and applied and the processes and procedures of the Court conducted so as best to ensure the attainment of the objects referred to in paragraph (1).

Parties to notify settlement

4C. When any cause or matter is disposed of in whole or in part by settlement the solicitors for the parties to the settlement shall notify the Registrar in writing forthwith.

Order 29 repealed and an Order substituted

4. Order 29 of the principal rules is repealed and the following Order is substituted —

“

ORDER 29

CASE FLOW MANAGEMENT

POWERS OF THE COURT

Interpretation

1. In this Order, unless the contrary intention appears —

“Case Management Registrar” means a Registrar appointed by the Chief Justice under Rule 4 (1);

“Mediation Registrar” means a Registrar appointed by the Chief Justice under Rule 2 (r);

“standard times” means the standard times prescribed under Rule 4 (2).

Court may review any case

2. In any proceedings the Court may at any time of its own motion on notice to the parties or upon the hearing of a summons for directions or other application review the progress of the proceedings and make such orders or give such directions to lead to their efficient and timely disposal as it may consider just and expedient and, without limiting the generality of that power, may —

- (a) require the parties to any proceedings to attend before the Court;
- (b) dispense with pleadings altogether or order such pleadings as it deems appropriate;
- (c) direct the mode by which particular facts may be proved at trial;
- (d) order that evidence of any particular fact, to be specified in the order, shall be given at the trial by statement on oath of information and belief, or by production of documents or entries in books or by copies of documents or entries or otherwise as the Court may direct;
- (e) dispense with any interlocutory proceedings or steps;

- (f) require the parties or counsel to file and exchange memoranda before the hearing of any interlocutory proceeding in order to clarify the matters in issue before the hearing;
- (g) where appropriate deal with applications or hold conferences by way of a telephone or video conference link-up;
- (h) where appropriate deal with applications, and the evidence in relation to them, by way of telegram, facsimile, telex message, or courier post;
- (i) give directions to assist the convenience of the parties and witnesses;
- (j) make use of video tapes, film projection, computers and other equipment as the Court sees fit in the proceedings;
- (k) make arrangements for the more speedy and effective recording of evidence;
- (l) give directions as to the manner in which the parties shall defray the costs of giving effect to any directions under this Rule;
- (m) direct that a party serve on the other parties at such times as shall be directed, a signed written statement of the proposed evidence in chief of each witness to be called by that party;
- (n) direct that a signed written statement referred to in paragraph (m) or any part of it stand as the evidence in chief of the witness;
- (o) direct that a party intending to produce a plan, photograph or model at trial shall at a time to be directed, serve on the other party a notice in writing specifying the plan, photograph or model, stating where and when it may be inspected, and requiring the other party to serve upon him or her, within 7 days of service of the notice, a written notification agreeing or refusing to agree to the admission in evidence without further proof of the plan, photograph or model;
- (p) direct that where a party gives notification that he or she refuses to agree to the admission of a plan, photograph or model without further proof, and the plan, photograph or model is admitted into evidence at the trial as part of the case of the party serving the notice under paragraph (o), the party giving the notification shall pay any costs of proving the plan, photograph or model unless the trial judge otherwise orders;
- (q) on any terms suitable, direct at any time that the parties confer on a "without prejudice" basis for the purpose of resolving or narrowing the points of difference between them;
- (r) direct that a Registrar appointed by the Chief Justice to be the Mediation Registrar shall conduct the conference;
- (s) direct that experts, whose reports have been exchanged pursuant to Order 36A consult on a "without prejudice" basis, for the purpose of

narrowing any points of difference between the experts and identifying any remaining points of difference; and

- (t) require that an application for an adjournment be supported by the affidavits of such persons as the Court shall direct.

Mediation conferences

3. (1) In the absence of any other order —

- (a) mediation conferences will take place at the time and place as directed;
- (b) each party shall attend the conference or if a party is not a natural person, a representative of that party familiar with the substance of the litigation and with authority to compromise it, and the solicitor or counsel, if any, representing each party;
- (c) within 2 weeks after the conclusion of the conference, the plaintiff shall lodge with the Court a report, signed by or on behalf of each party —
- (i) confirming that the conference has occurred as directed; and
- (ii) recording the substance of any resolution or narrowing of the points of difference between the parties resulting from the conference.

(2) A Mediation Registrar may report to the Court on the failure by a party to co-operate in the mediation process.

Compliance with standard times

4. (1) A Registrar appointed by the Chief Justice to be the Case Management Registrar may exercise the powers conferred on him under this Rule.

(2) The powers shall be exercised on the basis that cases to which this Rule applies should be conducted in accordance with the standard times prescribed in the Table to this paragraph and that extensions of standard times should only be permitted for good reason which shall not include the consent of the parties.

TABLE
STANDARD TIMES

| Item | Time |
|--|----------|
| 1. In an action — from the issue of the writ to entry for trial | 9 months |
| 2. In proceedings commenced by originating summons to which appearance is required — from the issue of the originating summons to application for the appointment for the attendance of the parties for the hearing of the summons | 6 months |

- (3) The Case Management Registrar has power —
- (a) to extend standard times of his own motion or upon the request in writing of a party;
 - (b) to call upon the parties to explain in writing why standard times have not been followed, at such times as he may require;
 - (c) to issue a summons to all the parties to the proceedings to explain why the entry or application for appointment has not occurred within the standard time and to direct the parties to file such affidavits in response to the summons at such times as he shall think fit;
 - (d) on the return of the summons referred to in subparagraph (c) to make an order extending the standard time in relation to the proceedings and make such orders as to the payment of the costs of the parties appearing before him on an indemnity basis to be fixed as he shall think fit, payable within 14 days;
 - (e) to exercise the powers as to self-executing orders and costs given under sub-paragraph (f) if a party fails to attend in obedience to a summons or affidavits are not filed by a party as directed;
 - (f) if the standard time is extended under subparagraph (d) but the entry or application for appointment does not occur within the extended time, to issue a further summons to the parties to explain why it has not occurred and to further extend the standard time and to give such further directions and make such further orders (other than for attachment or committal) to secure the occurrence of that event, including such self-executing orders for judgment, striking out pleadings or otherwise and such costs orders as he may consider necessary and in particular to exercise the powers of the Court under Order 66 Rule 5;
 - (g) for the purposes of this Order to exercise all the powers of the Court in relation to the admission of evidence and when there is no solicitor on the record for a party which is a body corporate, to permit a person who is not a solicitor to represent the body corporate.

(4) Where the Case Management Registrar makes a request under paragraph (3) (b) the parties and their solicitors shall provide him with the information he requires within the time specified and shall serve the same upon every other party.

(5) An appeal from an order or decision of the Case Management Registrar in the exercise of the powers referred to in paragraph (3) (c) may only be brought by leave of the Court.

(6) An application for leave to appeal from an order or decision referred to in paragraph (5) shall be made within 7 days after that order or decision is given.

Summons for directions

5. (1) A summons for directions may be taken out by any party in any cause or matter at any time before entry for trial or thereafter by leave of the Court, but if the defendant is required

to appear in the proceedings it may be taken out only after he has appeared.

(2) The summons shall specify the orders or directions which are sought.

Directions hearings

6. (1) The parties to proceedings and their advisers shall give such information and produce such documents on any directions hearing as the Court may reasonably require, unless the information or documents are subject to privilege.

(2) The Court shall adjourn any directions hearing from time to time until the conclusion of the cause or matter.

(3) Where practicable a party shall apply at the hearing of the summons for any order or directions which he may desire in relation to any matter capable of being dealt with on an interlocutory application in the action and shall give the other parties 2 clear days' notice specifying those orders or directions which differ from the orders or directions sought by the summons.

(4) Any application subsequent to a summons for directions and before judgment as to any matter capable of being dealt with on an interlocutory application in the action shall be made under the summons on 2 clear days' notice to any other party stating the ground of the application and specifying the orders or directions sought. ”

Order 43 amended

5. Order 43 of the principal rules is amended in Rule 16 —

(a) in paragraph (1) by inserting after “those proceedings” the following —

“ , other than an order extending a standard time provided for under Order 29 ”;

and

(b) in paragraph (2) by deleting “shall” and substituting the following —

“ may settle, sign and seal the order without any other application being made in any case in which in his opinion the Court would make such an order upon consent of the parties or may ”.

Order 66 amended

6. Order 66 of the principal rules is amended in Rule 44 —

(a) in paragraph (f) by deleting “solicitor.” and substituting the following —

“ solicitor; ”; and

(b) after paragraph (f) by inserting the following paragraphs —

“ (g) exercise all the powers of the Court in relation to the admission of evidence;

- (h) where a solicitor is not on the record for a party which is a body corporate to permit a person who is not a solicitor to represent the body corporate on the taxation. ”.

Order 67 amended

7. Order 67 of the principal rules is amended in Rule 9 (2) by deleting “books” and substituting the following —

“ records ”.

FISHERIES ACT 1905

WEST COAST ROCK LOBSTER LIMITED ENTRY FISHERY

FISHING BOAT LICENCES

Directions to Licensing Officers

Notice No. 597

FD 145/75.

Pursuant to Section 17 I hereby give Licensing Officers the following directions regarding the renewal and transfer of fishing boat licences issued in respect of boats authorised to be used in the West Coast Rock Lobster Limited Entry Fishery.

Commencement

1. These Directions shall commence operation on 1 April 1993.

Interpretation

2. For the purpose of these directions, unless the contrary intention appears—

“authorised boat” means a boat licensed under Regulation 2 of the *Fisheries Regulations 1938** and authorised to be used to take rock lobster in the Fishery;

“Fishery” means the West Coast Rock Lobster Limited Entry Fishery established by a Notice under Section 32;

“setose rock lobster” means any female western rock lobster that has fine hair-like filaments (*ovigerous setae*) for the attachment of eggs on the branched structures (*biramous endopodites*) forming part of the swimmerets (*pleopods*) underneath its tail; and

“tarspot rock lobster” means any female western rock lobster which has a black putty-like mass (*spermatophoric mass*) attached to the underside of the carapace (*ventral sternal plate*) between its hindmost (5th) pair of walking legs.

Conditions on a licence

3. (1) The following conditions shall be placed on fishing boat licences for all boats authorised to operate in the Fishery—

“ (1) The licensee shall—

- (a) not, nor shall the licensee allow any other person to, when operating from the boat endorsed on this licence, have in his or her possession any setose or tarspot rock lobster; and
- (b) ensure that all setose rock lobster or tarspot rock lobster taken by any person operating from the boat endorsed on this licence, are released from capture and returned to the sea within 5 minutes of being brought aboard the boat,

in all waters of the Fishery during the period commencing 15 November in any year to 28 February in the following year.

(2) The licensee shall—

- (a) not, nor shall the licensee allow any other person to, when operating from the boat endorsed on this licence, have in his or her possession any female western rock lobster with a carapace length greater than 115mm; and
- (b) ensure that any female western rock lobster of a carapace length greater than 115mm taken by any person operating from the boat endorsed on this licence, are released from capture and returned to the sea within 5 minutes of being brought aboard the boat,

in all waters of the Fishery. ”

Revocation

4. Directions to Licensing Officers, Notice No. 575, published in the *Gazette* of 10 November 1992 are cancelled.

For the purposes of these directions western rock lobster are measured along the mid-dorsal line from the anterior edge of the pronounced ridge which joins the front edges of the rostral horns immediately posterior to the eyestalk, to the posterior margin of the carapace.

FISHERIES ACT 1905

WEST COAST ROCK LOBSTER LIMITED ENTRY FISHERY

PROFESSIONAL FISHERMAN'S LICENCES

Directions to Licensing Officers

Notice No. 598

FD 145/75.

Pursuant to section 17 I hereby give Licensing Officers the following directions regarding the issue and renewal of all professional fisherman's licences.

Commencement

1. These Directions shall commence operation on 1 April 1993.

Interpretation

2. For the purpose of these directions, unless the contrary intention appears—

“Fishery” means the West Coast Rock Lobster Limited Entry Fishery established by Notice under Section 32;

“setose rock lobster” means any female western rock lobster that has fine hair-like filaments (*ovigerous setae*) for the attachment of eggs on the branched structures (*biramous endopodites*) forming part of the swimmerets (*pleopods*) underneath its tail; and

“tarspot rock lobster” means any female western rock lobster which has a black putty-like mass (*spermatophoric mass*) attached to the underside of the carapace (*ventral sternal plate*) between its hindmost (5th) pair of walking legs.

Determination of position by reference to the Australian Geodetic Datum

3. (1) Where, for the purposes of this notice it is necessary to determine a position on the surface of the earth by geographical coordinates, that position shall be determined on the Australia Geodetic Datum which is defined by an ellipsoid having a semi-major axis (equatorial radius) of 6,378,160 metres and a flattening of 1/298.25 and fixed by the position of the origin being the Johnston Geodetic Station in the Northern Territory of Australia.

(2) The Johnston Geodetic Station referred to in subclause (1) shall be taken to be situated at 25°56'54.5515" south latitude and at 133°12'30.0771" east longitude and to have a ground level elevation of 571.2 metres above the ellipsoid referred to in that subclause.

Conditions on a licence

4. The following conditions shall be placed on every professional fisherman's licence—

“ The licensee shall—

- (a) not have in his or her possession or carry on any boat authorised to be used in the Fishery, any setose rock lobster or tarspot rock lobster in all waters of the Fishery during the period specified in the Schedule;
- (b) not bring onto land or consign any setose rock lobster or tarspot rock lobster between 21°44' south latitude and 34°24' south latitude on the west coast during the period specified in the Schedule; and
- (c) ensure that, when operating in the waters of the Fishery during the period specified in the Schedule from a boat authorised to be used in the Fishery, all setose rock lobster or tarspot rock lobster are released from capture and returned to the sea within 5 minutes of being brought aboard the boat.
- (d) not have in his or her possession or carry on any boat authorised to be used in the Fishery any female western rock lobster with a carapace length greater than 115mm in all waters of the Fishery;
- (e) not bring onto land or consign any female western rock lobster with a carapace length greater than 115mm between 21°44' south latitude and 34°24' south latitude on the west coast; and
- (f) ensure that, when operating in the waters of the Fishery from a boat authorised to be used in the Fishery, all female western rock lobster with a carapace length greater than 115mm are released from capture and returned to the sea within 5 minutes of being brought aboard the boat. ”.

Revocation

5. Directions to Licensing Officers, Notice No. 579, published in the *Gazette* of 10 November 1992 are cancelled.

For the purposes of these conditions western rock lobster are measured along the mid-dorsal line from the anterior edge of the pronounced ridge which joins the front edges of the rostral horns immediately posterior to the eyestalks, to the posterior margin of the carapace.

Firebreak Notice

Notice to all Owners and/or Occupiers of Land in the Shire of Broome.

Pursuant to the powers contained in section 33 of the above Act, you are hereby required on or before 15 May 1993 and thereafter up to and including 31 December 1993 to have firebreaks clear of all inflammable material in accordance with the following—

- (a) Rural lands being all land outside townsites and not being land held under pastoral lease, firebreaks are required to be—
 - 1. Not less than four metres wide inside, along and within 10 metres of the external boundaries.
 - 2. Not less than two metres wide and within three metres of the perimeter of all boundaries and/or haystacks, or groups of buildings.
- (b) Pastoral Lands, being all land outside townsites held under pastoral lease, firebreaks are required to be not less than two metres wide and within three metres of the perimeter of all haystacks, buildings or groups of buildings.
- (c) Townsite Land—
 - 1. Where the area land is 2 000 square metres or less, all inflammable material from the whole of the land is required to be removed.
 - 2. Where the area of the land is greater than 2 000 square metres a firebreak of not less than two metres in width, immediately surrounding any building or not less than two metres wide inside along and within two metres of the external boundaries of the land is required.
- (d) Rubbish Sites, being all rubbish sites for pastoral station, townsite and community use. Firebreaks are required to be not less than two metres wide and within three metres of the perimeter of the rubbish site.
- (e) Fuel Pumps and Depots—Remove all inflammable material from all land where fuel drum ramps or dumps are located and where fuel drums whether containing fuel or not are stored to a distance of at least five metres outside the perimeter of any drum, ramp or stack of drums.
- (f) The acts referred to in paragraphs (a) to (d) herein must be performed to the satisfaction of the duly authorised officer of the Shire of Broome.
- (g) If it is considered impracticable for any reason to clear firebreaks or to remove flammable material from the land as required by this Notice, you may apply to this Council or its duly authorised officer not later than 14 May 1993 for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land.
- (h) The penalty for failing to comply with this notice is a fine of \$1 000 or a prescribed penalty of \$100 on service of an infringement notice and a person in default is also liable whether prosecuted or not to pay the cost of performing the work.

Dated this 19th day of March 1993.

STATE ENERGY COMMISSION

SJ301

The State Energy Commission of Western Australia
ELECTRICITY ACT 1945

ELECTRICITY ACT REGULATIONS 1947—PART X

Approval of Electrical Appliances, Prescribed Appliances and Published Specifications
Notice is hereby given that pursuant to Section 33B(1)(a) of Part IVA (Approval of Electrical Appliances) of the Electricity Act 1945 (as amended), The State Energy Commission of Western Australia (the Commission) hereby prescribes in the Schedule hereto the class or type of electrical appliance which, (unless otherwise stated in respect of a particular class or type of electrical appliance), shall not be sold, hired or exposed for sale or hire or advertised for sale or hire unless an electrical appliance of that class or type is approved by the Commission, and is stamped or labelled if and as prescribed in the Electricity Act Regulations 1947.

Notice is also hereby given that the general specifications AS3100—1990 (Definitions and general requirement for electrical materials and equipment) and AS3300—1992 (General requirements for household and similar electrical appliances), to the extent considered by the Commission appropriate to a particular prescribed electrical appliance, and the specifications quoted in respect of each class or type of electrical appliance in the Schedule shall be the Published Specifications in respect to each of those classes or types of prescribed electrical appliance.

The Notice published in the *Government Gazette* dated 10 August 1990 pursuant to Section 33B(1)(a) of Part IVA of the Electricity Act 1945 (as amended) (and all amendments and additions to such Notice thereafter published) is hereby revoked.

MARK HANDS, Secretary,
The State Energy Commission of Western Australia,
Perth, Western Australia.

Schedule

| Prescribed Class of Electrical Appliance | Published Specification |
|--|-------------------------|
| <p>“APPLIANCE CONNECTOR” means a device which—</p> <p>(a) is designed for attachment to a supply flexible cord; and</p> <p>(b) is intended for making a detachable connection between the conductors of the cord and the pins or other contacts of any low voltage appliance or equipment.</p> | AS 3109 |
| <p>“ARC WELDING MACHINE” means an appliance which—</p> <p>(a) is designed to operate at low voltage;</p> <p>(b) is intended for arc welding;</p> <p>(c) is of the transformer type that has a short circuit input rating not exceeding 15 kVA;</p> <p>(d) is intended for connection by means of a flexible cord and plug; and</p> <p>(e) can easily be moved from one place to another while it is connected to the supply;</p> <p>but does not include—</p> <p>(f) any portable electric welding machine designed solely for gas shielded electric arc welding.</p> | AS 3195 |
| <p>“BATTERY CHARGER—AUTOMOTIVE TYPE” means an appliance which—</p> <p>(a) is either fixed or portable and self contained;</p> <p>(b) has an input rating not exceeding 1 kVA;</p> <p>(c) has an open-circuit output voltage not exceeding 50 volts dc; and</p> <p>(d) is designed primarily for charging batteries of the type intended for automotive use.</p> | AS 3193 |
| <p>“BATTERY CHARGER/SAVER” means an appliance which—</p> <p>(a) is intended for household and similar use;</p> <p>(b) has an input rating not exceeding 1 kVA;</p> <p>(c) is designed for connection on the input side to a low voltage supply;</p> <p>(d) is self contained; and</p> <p>(e) the primary purpose of which is to charge batteries,</p> <p>but does not include—</p> <p>(f) a battery charger specifically intended for use in or associated with mains operated electronic and related equipment; provided that—</p> <p>(i) the connecting device restricts the use of the battery charger to the equipment for which it is designed; and</p> | AS 3108 |

| Prescribed Class of Electrical Appliance | Published Specification |
|---|-------------------------|
| (ii) there are no accessible extra low-voltage parts on the connecting device or on the equipment with which it is intended to be used when the unit is energised. | |
| <p>"BAYONET LAMPHOLDER" means a device which—</p> <p>(a) is designed to operate at low voltage;</p> <p>(b) is intended to accommodate a lamp have a bayonet cap of 15mm or 22mm nominal diameter;</p> <p>But does not include a lampholder which—</p> <p>(c) is manufactured specifically for and incorporated within an electrical appliance; or</p> <p>(d) is manufactured for incorporation within industrial equipment such as a switchboard or control panel.</p> | AS 3117 |
| <p>"BAYONET LAMPHOLDER ADAPTOR" means a connecting device which—</p> <p>(a) is intended for insertion into a B22 bayonet lampholder; and</p> <p>(b) is suitable for connection to a flexible cord; or</p> <p>(c) is provided with one or more lampholders with or without switches.</p> | AS 3119 |
| <p>"BLANKET" means a flexible electrical appliance which—</p> <p>(a) is intended primarily for the general application of heat to a bed;</p> <p>(b) is designed to operate at low or extra low voltage; and</p> <p>(c) has a projected surface heating area exceeding 0.6m²</p> | AS 3164 |
| <p>"BREAD TOASTER" means an electrical appliance which—</p> <p>(a) is intended for household and similar use; and</p> <p>(b) is designed for toasting bread or similar foods.</p> | AS 3101 |
| <p>"CLOTHES DRYER" means an appliance which—</p> <p>(a) is intended for household and similar use;</p> <p>(b) is designed for drying household textile material washed by water.</p> | AS 3196 |
| <p>"CONTROL OR CONDITIONING DEVICE—PORTABLE TYPE" means an electrical device which—</p> <p>(a) is intended for household and similar use;</p> <p>(b) is designed for controlling currents not exceeding 20 A at low voltage;</p> <p>(c) is self contained;</p> <p>(d) is intended for connection to supply by means of a flexible cord, pins for engagement with a socket outlet or an appliance inlet;</p> <p>(e) has facilities for connection of electrical apparatus;</p> <p>(f) incorporates a device which automatically controls the input of electrical energy to electrical apparatus; and includes</p> <p>(g) a unit which may be controlled from within the device or from an external source.</p> | AS 3197 |
| <p>"COOKING APPLIANCE/OVEN—PORTABLE TYPE" means an appliance which—</p> <p>(a) is intended for household and similar use;</p> <p>(b) is designed to operate at low voltage and has a nominal rating not exceeding 20 A;</p> <p>(c) comprises a cooking compartment fitted with at least one element provided solely for heating the compartment; and</p> <p>(d) may incorporate one or more heating units that is or are intended, to heat a cooking vessel standing thereon.</p> | AS 3172 |
| <p>"CORD EXTENSION SOCKET" means a device which—</p> <p>(a) is intended for attachment to a flexible cord;</p> <p>(b) has a maximum rating of 20 A at low voltage; and</p> <p>(c) has contacts whereby a detachable connection may be made with the pins of a corresponding plug.</p> | AS 3120 |
| <p>"CORD-LINE SWITCH" means an device which—</p> <p>(a) is intended for connection in a flexible cord;</p> <p>(b) can be used to manually open and close an electrical circuit; but does not include—</p> <p>(c) a switch connected at the end of a flexible cord; such as</p> <p>(d) a pendant switch or bell push.</p> | AS 3127 |
| <p>"DECORATIVE LIGHTING OUTFIT" means an electrically interconnected set of lamps or lampholders intended for connection to a low voltage supply which are—</p> <p>(a) connected with a flexible cord having conductors less than 2.5mm² cross sectional area;</p> <p>(b) designed to be used for decorative or display purposes with or without a control device; and</p> <p>(c) suitable for either indoor or outdoor use.</p> | AS 3152 |

| “INSECT ELECTROCUTOR” means an appliance which— | AS 3150 |
| (a) is intended for connection to a low voltage supply; and | |
| (b) is designed to provide a secondary voltage generated by a transformer or other means for the destruction of insects. | |
| “INSPECTION HANDLAMP” means a fitting which— | AS 3118 |
| (a) is intended for holding an incandescent or discharge lamp primarily for inspection purposes; and | |
| (b) is designed for operation at low voltage; | |
| but does not include— | |
| (c) a handlamp designed for operation at extra low voltage; which is clearly and indelibly marked with the operating voltage. | |
| “IRON” means an appliance which— | AS 3307 |
| (a) is intended for household and similar use; | |
| (b) incorporates an electric heating unit or electrodes; | |
| (c) is designed for smoothing or pressing fabric; and | |
| (d) in normal use may be entirely supported or guided by the operator. | |
| “JUG” means an electrical appliance which— | AS 3106 |
| (a) is intended for household and similar use; | |
| (b) has a body of non-metallic material; and | |
| (c) incorporates a bare electric heating element, electrode type element, or, a sheathed resistor type heating element with no provisions for earthing the sheath. | |
| “KETTLE” or “SAUCEPAN” means an electrical appliance which— | AS 3313 |
| (a) is intended for household and similar use; | |
| (b) incorporates an electric heating element; | |
| (c) is designed for heating liquids; and | |
| (d) includes a coffee percolator, teapot, urn or pressure cooker; | |
| but does not include— | |
| (e) equipment designed for permanent connection to a plumbing system; | |
| (f) any equipment designed or manufactured specifically for sterilizing purposes. | |
| “KITCHEN MACHINE” means an appliance which— | AS 3162 |
| (a) is intended for household and similar use; | |
| (b) incorporates an electric motor; | |
| (c) is designed for operation at low voltage; | |
| (d) is intended for the preparation of solid or liquid food by mixing, beating, blending, mincing, grinding, slicing, shredding or the extraction of juices; or | |
| (e) is intended for opening of cans or sharpening of knives. | |
| “LAWNMOWER” means an appliance which— | AS 3156 |
| (a) is intended for household and similar use; | |
| (b) is designed for operation at low voltage; | |
| (c) incorporates an electric motor to operate cutters, blades, or other similar devices for cutting lawn or grass; and | |
| (d) in normal use may be entirely supported or guided by the operator. | |
| “LIGHTING FITTING—PORTABLE TYPE” means an appliance which— | AS 3128 |
| (a) is intended for illuminating, decorative or advertising purposes; | |
| (b) is intended for connection by means of a flexible cord; | |
| (c) is not intended to be permanently fixed in position; | |
| (d) may be placed on a horizontal surface or attached by spring clamp or other similar means to any vertical or inclined surface, and | |
| (e) includes hand held units intended for photographic or video filming purposes; | |
| but does not include— | |
| (f) a portable lighting fitting of wood, glass, ceramic, marble, thermosetting insulating material or the like or thermoplastic material which may support the lampholder and does not enclose the lamp; and | |
| (i) is provided with only one approved all insulated lampholder; | |
| (ii) has no exposed metal; | |

METROPOLITAN WATER AUTHORITY ACT 1982 NOTICE OF ALTERATION OF DECLARED DRAINAGE AREA Mount Claremont 1993 Excision

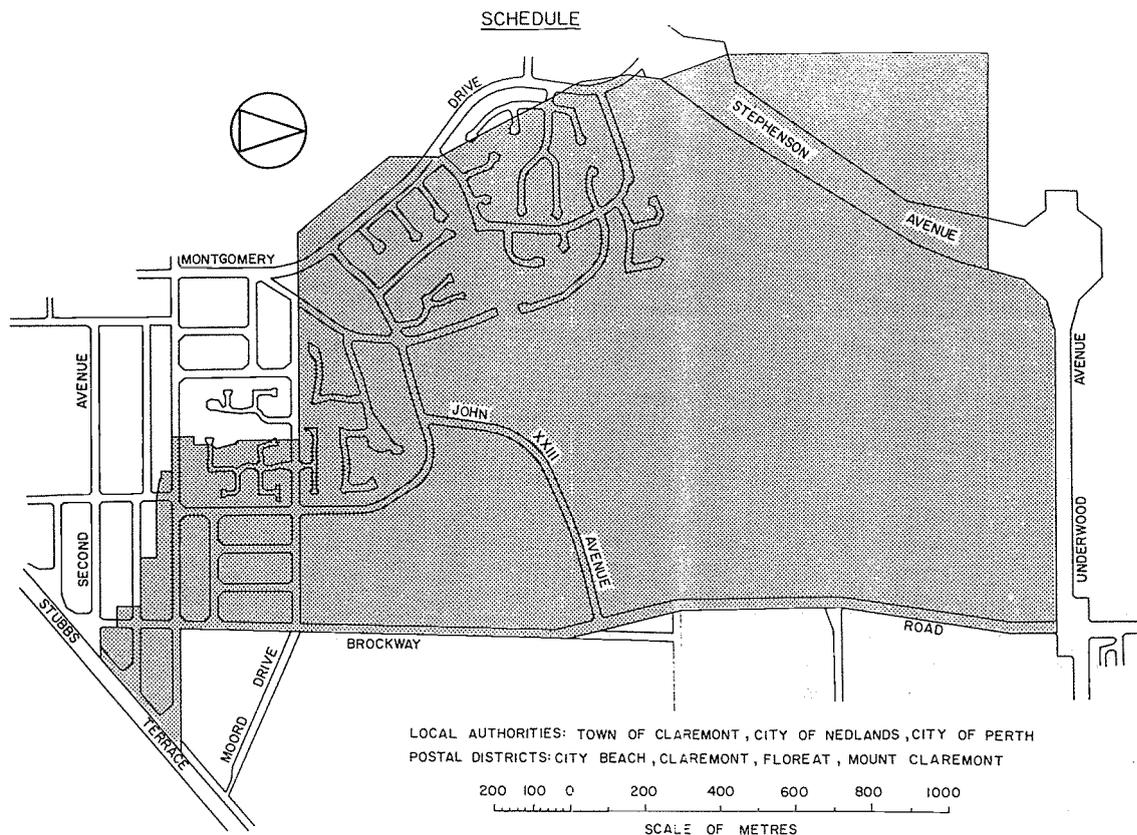

File: G 5037.

Made by the Hon Minister for Water Resources pursuant to section 104 (3).

1. The area formerly known as Metropolitan Main Drainage District No. 1, deemed, pursuant to section 104 (7) of the Metropolitan Water Authority Act 1982, to have been declared a drainage area, is referred to in this notice as "the declared drainage area".
2. Notice is hereby given that the boundaries of the declared drainage area, as altered, are, as from 26 May 1993, to be further altered by the excision of the land shown shaded in the Schedule hereto and more particularly delineated on Plan CT16, Sheets 3 and 4.
3. A person who is aggrieved by this proposal may, pursuant to section 104 (4) of the Metropolitan Water Authority Act 1982, by notice in writing to the Minister within one month of the publication of this notice, object to the proposal contained herein.

PAUL D. OMODEI, Minister for Water Resources.

NOTE: Plan CT16 may be inspected at the Perth North Design Section of the Water Authority of Western Australia, Joondalup House, 8 Davidson Terrace, Joondalup between the hours of 8.15am and 4.30pm on any working day.

In accordance with the provision of the MWA Act 1982, it is hereby notified that all land situated within such portions of the declared drainage as altered by this Notice, shall cease to be rated for main drainage from 1 July 1993.

W. J. COX, Managing Director,

Do you want to know more about Quality Assurance?

The State Supply Commission, in association with Edith Cowan University and its co-learn program, has produced a one hour video which provides a basic understanding of the principles of quality assurance.

This video is an excellent training aid for government agencies and private sector organisations wanting to know more about quality assurance and how to go about obtaining quality assurance certification.

With case studies, explanations of State Government Policy, advice from quality assurance practitioners, and information on how to obtain QA certification, "The Q & A of Quality Assurance" provides a valuable introduction to this important topic.

Copies of the video are available for \$35 from the State Government Bookshop, 815 Hay Street, Perth. Orders can be placed by mail, fax or telephone.

Reprinted Statutes

Individual Acts and Regulations are from time to time reprinted under the *Reprints Act 1984* incorporating all amendments up to a particular date.

This program is managed by the Crown Law Department.

A standing order for either Acts or Regulations may be placed with State Print for all Reprints that become available.

Where this is done, a charge will be made for each Reprint at the time of supply.

If a customer wishes to be placed on either or both mailing lists, send written notification to:
