## HEALTH ACT 1911

*Town of Mosman Park*

Pursuant to the provisions of the Health Act 1911, the Town of Mosman Park being a Local Authority within the meaning of the Health Act 1911, having adopted the Model by-laws described as series "A" made under the Health Act 1911 and as reprinted pursuant to the Reprinting of Regulations Act 1954 in the *Government Gazette* on 17 July 1963, and as amended from time to time, has resolved and determined that the adopted By-laws shall be amended as follows:

## Part 1—General Sanitary Provisions

1. By repealing By-laws 12, 13, 14, 14a, 14b, 15, 15a, 16 and Schedule "B", and substituting the following—

## Interpretation

12. In this By-law and in By-laws 13 to 15 inclusive of this Part unless the context requires otherwise—

"Collection Day" means the day of the week from time to time notified to the occupier of the premises on which rubbish and refuse is collected and removed by the local authority or its contractor.

"Kerb Line" means the point where the road carriageway adjoins the road verge.

"Principal Environmental Health Officer" means the Principal Environmental Health Officer of the Local Authority.

"Receptacle" means a polythene cart fitted with wheels and a handle and with a lid and has a capacity of either 120 litres or 240 litres, or a polythene or steel container on wheels with lockable lids and a capacity of 1100 litres or other type of receptacle as approved by the Local Authority.

## Refuse to be Deposited in Receptacles

13. (1) The occupier of every premises shall—
  - (a) Subject to paragraph (c) hereof, cause all refuse to be deposited in a receptacle;
  - (b) At all times keep the lid of the receptacle closed except when depositing refuse in or cleaning the receptacle;
  - (c) Not deposit or permit to be deposited in a receptacle—
    - (i) more than 80 kg of refuse in the case of a receptacle with a capacity of 240 litres;
    - (ii) more than 50 kg of refuse in the case of a receptacle with a capacity of 120 litres;
    - (iii) any material being or consisting of—
      - (a) hot or burning ashes
      - (b) oil
      - (c) liquid
      - (d) paint
      - (e) solvent
      - (f) bricks, concrete, earth or other like substances;
    - (iv) heavy material;
    - (v) any object which is greater in length, width or breadth than the corresponding dimensions of the receptacle or which will not allow the lid to be tightly closed;
    - (vi) refuse which is or likely to become offensive or a nuisance or to give off any offensive or noxious odour or to attract flies or cause fly breeding unless it is first wrapped in absorbent or impervious material or placed in a sealed impervious container;
  - (d) Except for collection day, keep the receptacle on the premises located behind the building line, or other location approved by the Principal Environmental Health Officer;
  - (e) Collection of receptacle—
    - (i) prior to 7.00 am on collection day place the receptacle on the verge between 1 to 3 metres from the kerb line, and so as not to cause an appreciable interference to public use of the road, footpath or other carriageway. The receptacle may otherwise be placed at a position specifically approved by the Principal Environmental Health Officer.

- (ii) where the receptacle is collected via a right-of-way or lane abutting the premises, then the receptacle is to be placed adjacent to the boundary of the premises so abutting and in such a manner as to be visible from the right-of-way or lane.
  - (iii) as soon as practicable after the contents of the receptacle have been removed, return the receptacle to its place of storage.
  - (f) At all times keep the receptacle clean and whenever directed by the Principal Environmental Health Officer to do so thoroughly cleanse and disinfect the receptacle, and place and keep in the receptacle a deodorant material.
  - (g) Notify the Local Authority within seven days after the event if the receptacle is lost, stolen, damaged or becomes defective.
  - (h) Not mark or disfigure the receptacle in any manner other than by the placement of a street or unit number upon it in numerals no higher than 100mm.
  - (i) Not use the receptacle for any purpose other than the storage of refuse.
- (2) Where refuse emanating from premises is of a nature that the Principal Environmental Health Officer considers requires to be treated before being placed in a receptacle he may give directions as to the manner in which it is to be so treated and the occupier of those premises shall comply with those directions.
  - (3) Collection of refuse shall be once weekly unless otherwise determined by the Principal Environmental Health Officer.
  - (4) In the case of premises used for multi-residential, commercial or industrial purposes the Local Authority may require the use of a receptacle or receptacles other than the defined "receptacle" and the occupier of those premises shall comply with and observe the direction given by the Principal Environmental Health Officer.
  - (5) In the case of multi-residential, commercial or industrial premises, where it is considered that individual receptacles for each premises would not be practical, the Principal Environmental Health Officer may exercise discretion as to the number of receptacles to be provided and to the number of collections carried out each week.

#### Ownership of Receptacles

14. A receptacle supplied by the Local Authority or contractor remains the property of the Local Authority or contractor as the case may be.

#### Collection of Refuse

15. A person shall not unless he is authorised in writing by the Local Authority to do so, remove any house or trade refuse or other rubbish from any premises in the District as prescribed in Schedule "B".

#### Prescribed Area—Section 112A Health Act

16. The area described in Schedule "B" to this part is prescribed as the area within which the provisions of section 112A of the Health Act shall operate and have effect.

#### Schedule "B"—Prescribed Area

The whole of the Municipal District of the Town of Mosman Park.

2. By amending By-law 18 by deleting "cart" where it occurs in the by-law heading and in line 2 and substituting—  
" collection vehicle ".

Passed by resolution of the Council of the Town of Mosman Park at the Ordinary Meeting held 22 June 1993.

## LG304

**LOCAL GOVERNMENT ACT 1960***Municipality of the Shire of Tammin*

## Fencing By-law

In pursuance of the powers conferred upon it by the abovementioned Act and of all other powers enabling it, the Council of the abovementioned municipality hereby records having resolved on 15/4/92, to make and submit for confirmation by His Excellency the Governor the following By-law.

**1. Citation**

1.1 This By-law applies to the whole district.

**2. Interpretation**

2.1 In this By-law unless the context otherwise requires—

“Building Surveyor” means a building surveyor appointed by the Shire of Tammin.

“Council” means the Council of the Municipality of the Shire of Tammin.

“Dangerous” in relation to a fence means a fence which is likely to collapse or fall, or part of which is likely to collapse or fall, by reason of its faulty design, location or construction, deterioration of constituent materials, damage by termites, change in ground levels, or any other cause whatsoever.

“Dividing Fence” means a fence that separates the land of different owners whether the fence is on the common boundary of the adjoining land or on a line other than the common boundary.

“Fence” means any structure, including a retaining wall, used or functioning as a dividing fence irrespective of where it is located.

“Height” in relation to a fence means the vertical distance between the top of the fence and the ground level immediately below, if the ground levels are not the same on each side of the fence, the height shall be measured from the higher ground level, unless stated otherwise;

“Depth” in relation to a fence means the vertical dimension of the buried portion of the fence.

“Retaining Wall” means any structure which prevents the movement of soil when a slope steeper than the angle of repose is required in order to allow ground levels of different elevations to exist adjacent to one another.

“Industrial and Commercial Zone” means any portion of the Shire of Tammin from time to time classified as an Industrial or Commercial zone, and any portion of the Shire which is unzoned and used for commercial or industrial purposes.

“Residential Zone” means any portion of the Shire of Tammin from time to time classified as a Residential zone, and any portion of the Shire which is unzoned and used for residential purposes.

“Rural Zone” means any portion of the Shire of Tammin from time to time classified as a Rural zone, and any portion of the Shire which is unzoned and used for rural purposes.

“Special Rural Zone” means any portion of the Shire of Tammin from time to time classified as a Special Rural Zone, and any portion of the Shire which is unzoned and used for Special Rural Purposes.

2.2 (a) Where a fence is erected on the boundary between land in a residential zone and land in some other zone then a “sufficient fence” for the purposes of the Dividing Fences Act 1961 shall be that prescribed as a sufficient fence for a residential zone.

(b) Where a fence is erected on a boundary line between land in differing zones neither of which is a residential zone the Council shall determine which schedule shall apply for the purposes of prescribing a sufficient fence for the purpose of the Dividing Fences Act 1961.

**3. Approval**

3.1 No person shall in a Residential, Industrial or Commercial Zone commence to erect, construct, reconstruct or alter, any fence, gate or any hood or pergola forming part of a fence—

(a) exceeding one metre in height abutting or within 7.6 metres of a street alignment; or

(b) exceeding 1.8 metres in height on the remainder of any lot boundary or adjacent thereto,

unless he has lodged with the Council two copies of plans and specifications of the proposed fence or hood or pergola forming part of the fence, or the proposed reconstruction or alteration and unless the Council has approved the said plans and specifications.

3.2 Where land is located at the corner of two streets, the height of a fence and/or wall (measured on the streetside) shall not exceed 750 mm in height within the triangular area enclosed by the boundaries of the streets and a line joining the points located at a distance of 6 m along each street from the point of intersection of the street boundaries.

3.3 The Council may, where it is satisfied that special circumstances warrant it so doing, authorise an owner of land to have erected or permit to be erected a wall, fence or other obstruction that would but for that authorisation lie contrary to sub clause 3.2.

#### **4. Fencing Materials**

4.1 Previously used materials shall not be used in the construction of any fence unless approved by Council.

4.2 No person shall erect a fence constructed otherwise than in accordance with the First, Second and Third Schedule of this By-law unless otherwise approved by Council.

4.3 No person shall use or cause to be used corrugated galvanised iron as a covering to any fence on land in a Residential Zone.

4.4 No person shall erect a fence wholly or partly of barbed wire except in accordance with this clause. A fence may be erected wholly or partly of barbed wire—

(a) in a rural zone if no barbed wire is used on the side of the fence facing a road;

(b) in an industrial and commercial zone if no barbed wire is used below a height of 1800 mm from the ground.

(c) in any other part of the district of the Shire of Tammin with the written approval of the Council which shall in any event only be given if no barbed wire is used below a height of 1800 mm from the ground.

4.5 No person shall erect or commence to erect an electric fence upon or near of any land abutting upon a road, way or street, or erect an electric fence on any such existing fence without the prior written consent of the Council.

4.6 (a) No person shall use a fence as a retaining wall.

(b) No person shall erect or commence to erect a retaining wall forming part of a fence except pursuant to the Building Regulations 1989.

#### **5. Fences in Residential Zones**

5.1 Subject to clause 4 of this By-law a fence constructed in the Residential Zone in accordance with specifications set out in paragraph 1 of the First Schedule of this By-law shall be a sufficient fence for the purpose of the Dividing Fences Act 1961 as amended.

#### **6. Fences in Special Rural Zones.**

6.1 The owner or occupier of a fence on land within a Special Rural Zone or Rural Zone may place or fix barbed wire thereon provided that where a fence to which such a wire is fixed abuts a road or other place open to the public, such wire shall be fixed to the side of the fence posts furthest from such road or other places.

6.2 Within a Special Rural Zone or Rural Zone a fence which is parallel to and within 7.5 metres of a street may be constructed to a height of not more than 1.8 metres without special permission of Council.

6.3 A fence constructed in a Special Rural Zone in accordance with specifications set out in the Second Schedule of this By-law shall be sufficient fence for the purpose of the Dividing Fences Act 1961.

#### **7. Fences in Commercial and Industrial Zones.**

7.1 A wire link steel mesh fence of more than 1.8 metres in height may be erected on land within a commercial and Industrial zone.

7.2 A fence constructed in a commercial and Industrial Zone in accordance with specifications set out in paragraph 3 of the First Schedule of this By-law shall be a sufficient fence for the purpose of the Dividing Fences Act 1961.

#### **8. Maintenance of Fences.**

8.1 The owner or the occupier of land on which a fence is erected shall maintain the fence in good condition and so as to prevent it from falling into disrepair or becoming dilapidated, neglected, ruinous, unsightly, dangerous or prejudicial to the amenity of the locality.

8.2 The Council may give notice in writing to the owner or the occupier of any land upon which is erected a fence which is dangerous, neglected, ruinous, in bad condition or repair, dilapidated, unsightly or prejudicial to the amenity of the locality or is contrary to the provisions of this By-law, requiring such owner or occupier to modify, repair, paint or maintain the fence within the time stipulated within the notice.

8.3 Where the owner or occupier of land has been given notice under clause 8.2 hereof fails to comply therewith the Council may enter upon the land and carry out the work specified in the notice and recover the costs and expenses incurred by the Council in so doing from the owner in a Court of competent jurisdiction.

9. A gate in a fence shall not open outwards onto a street or right of way.

#### 10. Penalty

10.1 A person who commits a breach of any provision of this By-law commits an offence and is liable to—

- (a) A maximum penalty of five hundred dollars (\$500); and
- (b) A maximum daily penalty of fifty dollars (\$50) for each day during which the offence continues.

**BUSH FIRES ACT 1954***Shire of Cranbrook***FIRE BREAK ORDER**

Notice to Owners and/or Occupiers of Land Within the Shire of Cranbrook

Pursuant to the powers contained in section 33 of the above Act, you are hereby required on or before the 15th day of November, 1993, to plough, burn, scarify, cultivate, chemically spray or otherwise clear and thereafter maintain free of all inflammable materials until the 15th day of April, 1994 in the following positions and of the following dimensions on the land owned or occupied by you:

**1. Rural Land**

(i.e. all land within the Shire of Cranbrook other than within a townsite).

(i) Homesteads, Buildings, Bulk Fuel, Fuel Drums: Firebreaks at least 20 metres wide, if provided by burning, cultivating or spraying or 60 metres wide, if provided by being closely grazed or mowed to the satisfaction of a Bush Fire Control Officer in such positions as are necessary to completely surround the perimeter of any homestead building (excluding isolated non inflammable buildings), fuel installation (including drums), or group of such structures or installations. The outer 2.5 metres of the area must be totally free of any inflammable material and when mowing is the method used all residue of the mowing process must be removed from the area.

(ii) Haystacks and Hay Rolls situated next to buildings:

Hay stacks and hay rolls within 50 metres of any building must have a firebreak at least 2.5 metres wide clear of all inflammable material on all sides.

(iii) Crops

Firebreaks at least 2.5 metres wide clear of all inflammable material to completely surround the perimeter of the crop. Harvesting will not be permitted until the firebreaks have been installed.

All owners or occupiers of land being used for pasture or crops which exceeds 20 hectares (50 acres) in area shall maintain a mobile fire fighting unit in working order with a capacity of not less than 400 litres of water.

**Specified Condition:**

1. No person shall operate a grain harvesting machine on any land unless he has provided a mobile and operational fire-fighting unit, having a water capacity of at least 400 litres, situated in or adjacent to the paddock where harvesting operations are being conducted.

**2. Townsites**

(all land within the Shire of Cranbrook which is within a townsite).

(i) Where the area of land is 2 000 square metres or less, remove the inflammable material from the whole of the land; (for the purpose of this notice, inflammable material does not include live standing trees, cultivated plants or shrubs in gardens).

(ii) Where the area of the land exceeds 2 000 square metres, clear of all inflammable material, firebreaks at least five (5) metres wide immediately surrounding all buildings and/or haystacks, fuel ramps and any drum or drums normally used for storage of fuel (whether they contain fuel or not) situated on the land.

**3. Plantations**

All planting of plantations (as defined) in rural areas of the Shire shall be at a distance of no less than 20 metres either side of the existing SECWA power lines and that the area under the lines be free of all inflammable materials and that a 6 metre firebreak be installed where possible (can be 3 metres either side of power lines). The Shire of Cranbrook has adopted a standard for the fire protection in the Shire. The standard covers requirements in regards to:

(i) The number and width of firebreaks required.

(ii) The minimum equipment required for fire protection.

A copy of the requirements is available by contacting the Shire Office during normal office hours.

If it is considered to be impracticable for any person to clear firebreaks as required by this notice, you may apply to the Council, or its duly authorised officer (Mr Allan Hunt, Chief Bushfire Control Officer, 26 8016).

If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of not less than \$80 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice, if it is not carried out by the required date.

Note: Boundary firebreaks are not compulsory within the Shire of Cranbrook Rural area. Landholders can provide firebreaks if they wish.

By Order of the Council,

P. F. SHEEDY, Shire Clerk.

LG702

**BUSH FIRES ACT 1954***Shire of Dandaragan*

Notice to all owners and/or occupiers of Land within the Shire of Dandaragan

**Firebreaks**

Pursuant to the powers contained in section 33 of the above Act, you are hereby required on or before the 1st day of November, 1993 to clear of all inflammable materials, firebreaks in accordance with the following, and thereafter to maintain the firebreaks clear of all inflammable material up to and including the 29th day of March, 1994.

**Rural Land**

1. Clear of all inflammable material, firebreaks at least three (3) metres wide inside and within fifty (50) metres of all external boundaries of all improved and unimproved land owned or occupied by you. For the purpose of this section, all road reserves are to be taken as boundaries.
2. Where the bush on the land owned or occupied by you has been bulldozed, chained or prepared in any similar manner for clearing by burning (whether you intend to burn the bush or not), clear of all inflammable materials, firebreaks not less than twenty (20) metres wide immediately inside the external boundaries of the land on which bulldozed, chained or otherwise prepared bush is situated.
3. Where there is standing timber on land owned or occupied by you and it is intended to burn such timber, to clear of all inflammable material, firebreaks not less than six (6) metres wide immediately inside the external boundaries of the land on which the timber is standing.
4. Landowners and/or occupiers adjoining Vacant Crown Land are, in addition to the above, encouraged to maintain external firebreaks where their property adjoins the Vacant Crown Land.

**Townsites**

Urban land (all land within the townsites of Dandaragan, Regans Ford, Badgingarra, Cervantes and Jurien) you shall clear lots of all debris, dry grass, dry bush, etc., of an inflammable nature. That within townsites, on all undeveloped lots, that a 2 metre wide firebreak be slashed around boundaries of each lot and that all dry material be removed from the break.

**General**

In situations where construction of firebreaks in accordance with the Order may aggravate soil erosion problems or where the owner or occupier of land considers a more effective system of fire protection can be obtained or for any other reason, Council may approve an application for alternative siting of firebreaks. If for any reason it is considered impractical to clear firebreaks as required by this notice, you may apply to the Council or its authorised officer not later than the 15th day of October for permission to provide firebreaks in alternative positions. If permission is not granted by the Council or its authorised officer, you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of \$1 000 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice, if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

By Order of the Council,

B. J. GOLDING, Shire Clerk.

LG703

**BUSH FIRES ACT 1954***Shire of Capel***BUSH FIRE ORDER 1993/94**

Notice to all owners and/or occupiers of land in the Shire of Capel.

With reference to section 33 of the Bush Fires Act, you are required to carry out fire prevention work on land owned or occupied by you in accordance with the provisions of this Order.

This work must be carried out by 30th November 1993, and kept maintained throughout the summer months until the close of the Restricted Burning Period on 26 April 1994.

An inspection of firebreaks and hazard removal will be carried out in all areas of the Shire by an Authorised Officer after 30 November 1993.

Persons who fail to comply with the requirements of this Order may be issued with an infringement notice or prosecuted with an increased penalty, and additionally, Council may carry out the required work at a cost to the owner or occupier.

## DEFINITIONS:

For the purpose of this Order the following definitions apply:

"FIRE BREAK" means ground from which all flammable material has been removed and on which no flammable material is permitted to accumulate during the Prohibited and Restricted Burning Periods.

"FUEL FREE ZONE" means the removal of dead grass, leaf litter, trash and understorey bush.

"GREENBELT AREAS" means all rural and urban land located west of:

- (i) Minninup Road—from the northern boundary of the Shire of Capel to the junction of Minninup Road and Fishermans Road.
- (ii) The unnamed road—from the junction of Minninup Road and Fishermans Road to its junction with Mangles Road.
- (iii) Mangles Road—from its junction with the unnamed road in (ii) south to its junction with Ludlow North Road.
- (iv) Capel North West Road—from its junction with Mangles Road South to its junction with Ludlow North Road.
- (v) Ludlow North Road—from its junction with Capel North West Road south to the southern boundary of the Shire of Capel.

"HAYSTACK" means any collection of hay including fodder rolls placed or stacked together.

"LOW FUEL ZONE" means the removal of dead grass, dead trees, leaf litter and trash.

"PLANTATION"

- (i) A plantation is any area of planted pines or eucalyptus species exceeding 3 hectares in area.
- (ii) A windbreak is a planted area a maximum of 15 metres wide but with no defined length.

## MINIMUM FIRE HAZARD REMOVAL REQUIREMENTS

## A. RURAL LAND (All land other than land described below):

1. Fire breaks at least 2 metres in width and not more than 20 metres from the perimeter of all buildings and haystacks situated on the land so as to completely surround the buildings and haystacks.
2. Fire breaks at least 2 metres in width immediately inside and along all external boundaries so as to form a continuous break all around the holding except where an exemption has been granted (Roadside firebreaks do not constitute a legal firebreak under the Bush Fires Act).
3. Lessees of Railway Reserves shall have a firebreak at least 3 metres in width along the common boundary between the land leased from Westrail and other land owned or occupied.

## B. SPECIAL RURAL LAND

The owners of all existing small Rural holdings zoned as Special Rural land under Town Planning Schemes must maintain clear of all flammable material, a firebreak not less than 2 metres inside all external boundaries of the land and a 20 metre wide low fuel zone around all buildings on the land.

On the vertical plane on the side of the firebreak the trees are to be pruned to a minimum height of 5 metres.

## C. SPECIAL RURAL LOTS—PART BOYANUP AA LOT 157, GELORUP (RAMBLE WOOD STAGE 4)

Lots 66, 68, 70, 71, 72, 73, 74, and 77 of Part Boyanup AA Lot 157 are required to maintain the 5 metre wide strategic firebreak that is on the land. On Lots 66 to 68 and Lots 70 to 77 of Part Boyanup AA Lot 157 which have buildings situated on them, a 20 metre wide fuel free zone is required around all buildings.

## D. URBAN LAND (Residential, Commercial and Industrial land within a town site or within any area subdivided for residential purposes, including Gelorup):

1. Where the area of land is 2 000 m<sup>2</sup> or less, remove all flammable material on the land except living standing trees from the whole of the land.
2. Where the area of land exceeds 2 000 m<sup>2</sup>, but not more than 5 000 m<sup>2</sup>, a 2 metre wide firebreak is required immediately inside all external boundaries of the land.

On the vertical plane on the side of the firebreak the trees are to be pruned to a minimum height of 3.5 metres.

3. Where the area of land exceeds 5 000 m<sup>2</sup> a firebreak not less than 2 metres wide inside all external boundaries of the land and a 20 metre wide low fuel zone around all buildings on the land.

On the vertical plane on the side of the firebreak the trees are to be pruned to a minimum height of 5 metres.

## E. GREENBELT AREA: A 2 metre wide firebreak is required on boundaries adjoining the east side of the area defined as the "Green Belt" area.

F. PEPPERMINT GROVE TOWNSITE: All land situated within Peppermint Grove town site are exempt from the order to install a firebreak, but Council does retain the right to remove any fire hazard at the owner and/or occupier's expense following the failure of an owner and/or occupier to comply with the requisition of an order in writing to clear a fire hazard or firebreak in accordance with Section 33 of the Bush Fire Act.

G. PLANTATIONS:

Boundary Firebreaks:

On the horizontal plane a firebreak shall be provided 15 metres wide and immediately adjoining all external boundaries of the planted area. The outer 10 metres will be cleared of all flammable material while the inner 5 metres, i.e. that portion closest to trees may be kept in a reduced fuel state, i.e. by slashing or grazing grass provided that the height of the grass does not exceed 8 cm.

On the vertical plane a clear space 4 metres high will be maintained above outer 10 metres of the firebreak.

Internal Firebreaks:

Plantations shall be subdivided into areas not exceeding 30 hectares by firebreaks 6 metres wide which shall be cleared of all flammable material.

In the vertical plane a clearance of a minimum height of 4 metres from the ground level will be maintained above the firebreak.

Special Risks:

(i) Public Roads and Railway Reserves:

Firebreaks 15 metres wide shall be maintained where planted area adjoins public roads and railway reserves. The specification will be as for "Boundary Firebreaks" on planted areas.

(ii) Powerlines:

Firebreaks shall be provided along power lines where they pass through or lie adjacent to planted areas. The specification of the width and the height of clearing shall be in accordance with State Energy Commission of Western Australia specifications.

FUEL AND/OR GAS DEPOTS:

In respect of land owned or occupied by you on which is situated any container normally used to contain liquids or gas fuel, including the land on which any ramp or supports are constructed, you shall have land clear of all flammable materials.

R. G. BONE, Shire Clerk.

**BUSH FIRES ACT 1954**

**FIREBREAK ORDER 1993/94**

*Shire of Bridgetown-Greenbushes*

Notice to Owners and Occupiers of Land

With reference to section 33 of the Bush Fires Act 1954, you are required to carry out fire prevention work on land owned or occupied by you in accordance with the provisions of this Order. This work **MUST** be carried out by 30th November and kept maintained throughout the summer months until the 14 March. An inspection of firebreaks and hazard removal will be carried out in all areas of the Shire by an Authorised Officer.

Persons who fail to comply with the requirements of this Order may be prosecuted and incur a penalty up to a maximum of \$1,000. Infringement notices may alternatively be issued and additionally, Council may carry out the required work at cost to the owner or occupier.

If it is considered for any reason to be impractical or environmentally unsound to carry out the provisions of this Order application must be made before the 1st day of November for permission to provide alternative firebreaks or other fire abatement measures. In the absence of written permission for alternative measures the requirements of this order must be adhered to.

Guidelines for alternative breaks are contained in paragraph 6 of this Order.

**MANAGED FARM LAND**

1. (a) **FARMLAND:** A 2.5 metre firebreak shall be constructed in such positions as agreed at a properly constituted meeting of a Bush Fire Brigade and incorporated in the Brigade Fire Protection plan, a copy of which is lodged at the Council Office and with the Brigade Fire Control Officer.

If agreement between landowner or occupier and Brigade for the strategic firebreak plan is not achieved, Council may make a specific Order as to the firebreaks required in the circumstances.

- (b) **RURAL LAND IN TOWNSITES:** Managed rural land in town sites will not require firebreaks, except as required in Clause 1(c), provided that the property is comprehensively grazed or otherwise managed so as to reduce the accumulation of potential inflammable matter.
- (c) **CROPS:** A firebreak not less than 2.5 metres in width shall be provided around the perimeter of land on which a crop is planted.
- (d) **BUILDINGS AND HAY STACKS:** A break not less than 4 metres in width shall be provided immediately or as near as practicable surrounding all buildings and hay stacks.

#### UNMANAGED RURAL LAND

2. A firebreak not less than 4 metres in width inside and along the boundary of cleared or part cleared land on each lot or location.

A break not less than 4 metres in width shall be provided immediately or as near as practicable surrounding all buildings and hay stacks.

#### RESIDENTIAL, COMMERCIAL AND INDUSTRIAL LAND

3. A firebreak not less than one metre in width:

- (a) inside and along the boundary of each lot; and
- (b) around the perimeter of all buildings.

In addition such lots shall be cleared of all inflammable material and rubbish likely to create a fire hazard and shall be kept clear of such material and rubbish until the 14th day of March.

#### PLANTATIONS

4. (a) **ALL PLANTATIONS PLANTED AFTER 1 MAY, 1990**

- 1. The first row of trees must be a minimum of 15 metres from the outer edge of the firebreak adjoining all formed public roads.
- 2. A ten metre firebreak to be constructed on the boundaries of the plantation in separate ownership, and on all formed public roads.
- 3. A firebreak 6 metres wide shall be provided in such position that no compartment of a plantation should exceed 30 hectares.
- 4. No planting will be allowed within a distance of 20 metres on either side of all power lines, and a 6 metre firebreak shall be provided as near as practical underneath the power line.
- 5. All firebreaks must be maintained in a condition trafficable to tractors and four wheel drive vehicles, and adjoining trees progressively pruned to a minimum height of 4 metres to allow unrestricted access and to maintain an effective width of firebreak.

(b) **PINE PLANTATIONS PLANTED PRIOR TO 1 MAY, 1990**

- 1. All of the provisions of items 4A, 2-5 inclusive apply.

(c) **EUCALYPT PLANTATIONS PLANTED PRIOR TO 1 MAY, 1990**

- 1. A 5 metre firebreak to be constructed on the boundaries of the plantation, including the boundaries of each separate location and all formed public roads.
- 2. All of the provisions of items 4A, 4-5 inclusive apply.

**ALTERNATIVES:** In the interest of environmental protection, alternatives to the above conditions may be allowed by specific written agreement with Council in accordance with the Guidelines for Alternative Breaks in this Order. Application must be made when submitting the development plan of the plantation for Planning Approval before planting commences.

#### DEFINITIONS

5. For the purpose of this ORDER the following definitions apply:

**"FIRE BREAK"** means ground from which all inflammable material has been removed and on which no flammable material is permitted to accumulate during the period earlier referred to.

**"HAYSTACK"** means a collection of hay including fodder rolls placed or stacked together.

**"MANAGED FARM LAND"** means any lot, location or holding consisting of adjoining lots or locations wholly or mainly maintained or used for grazing, dairying, pig farming, poultry farming, viticulture, horticulture, fruit growing or the growing of crops of any kind, or other similar businesses, where the activity substantially reduces the accumulation of inflammable matter.

**"PLANTATION"** means an area of planted pine, eucalypt or other commercial value trees exceeding 5 hectares but not including windbreaks or groups of shelter belts or wood lots.

**"RESIDENTIAL, COMMERCIAL AND INDUSTRIAL LAND"** means all land used for those purposes and includes any ungrazed lot under 2,000 square metres.

**"SHELTER BELT"** or **"WOOD LOT"** means an area of planted trees not exceeding 5 hectares, but which may be part of a group of similar plantings separated by grazed pasture of not less than 10 metres in width.

"UNMANAGED FARM LAND" means land over 2,000 square metres on which inflammable matter has been permitted to accumulate, other than managed farm land, residential, commercial and industrial land, and pine or eucalypt plantations "WINDBREAK" means an area of planted trees not exceeding 15 metres in depth with an unrestricted length.

#### GUIDELINES FOR ALTERNATIVE BREAKS

6. (a) An alternative break shall be cleared as near as practicable to the position required by this Notice, and such position shall be approved by either the Bush Fire Control Officer or Captain of the Bush Fire Brigade in the area concerned and forwarded in writing by the 1st November by the owner or occupier to the Shire Council for confirmation, enclosing a map of the alternative positions endorsed.
- (b) The Strategic Firebreak scheme submitted by a Bush Fire Brigade must be agreed to at a properly constituted Brigade meeting.  
Alterations to the Brigade plan will need to be submitted to Council by 1st November each year and application for alteration shall be endorsed by the Brigade Captain or Fire Control Officer.
- (c) Any alternative submitted has no effect until approved by the Council after which notification in writing will be given.
- (d) All alternative breaks approved may be reviewed by the Council at any time after the expiry of one year.
- (e) Cultivation of roadsides will be allowed on road reserves only with the written permission of the Council and for the purpose of protection of fencing only and not as an alternative to a firebreak.
- (f) Where on application supported in writing by the Land Conservation District Committee there is a recognisable potential or existing erosion problem on a property subject to firebreak provisions the Council may in writing approve in lieu of the absence of inflammable material an alternative strip of mown grass maintained not exceeding 30mm in height for the duration of the prohibited burning season.

#### SPECIAL NOTICE TO LAND OWNERS AND OCCUPIERS

The Council forwards a copy of this firebreak order with rate assessments each year. The notice is also published in the *Warren Blackwood Times* and additional copies are obtainable at the Shire Office counter.

The aim of the Council is to eliminate destructive bush fires and to this end some areas of the Shire are subject to hazard removal and roadside burning which is carried out by the Shire's Bush Fire Brigades and Council work force.

The requirements of this Order are considered to be the minimum standard of fire prevention work required to protect not only individual properties but the district generally. In addition to the requirements of this Order Council may issue separate special Orders on owners or occupiers if hazard removal is considered necessary in some specific areas.

By Order of the Council,

K. L. HILL, Shire Clerk.

**APPROVED TOWN PLANNING SCHEME AMENDMENT**

*City of Fremantle*

Town Planning Scheme No. 3—Amendment No. 4C

Ref: 853/2/5/6, Pt. 4C.

It is hereby notified for public information, in accordance with section 7 of the Town Planning and Development Act 1928 that the Hon Minister for Planning approved the City of Fremantle Town Planning Scheme Amendment on August 15, 1993, for the purpose of:

1. amending "Appendix A—Development Plans" of the Scheme Text by the deletion of "Appendix A.7—Development Plan No. 7" and the substitution in its place of a revised Development Plan No. 7 to read as follows:

Appendix A.7—Development Plan No. 7 Thompson Road, North Fremantle

**GENERAL**

- 1.0 (a) The use and development of land within the Development Zone bounded by Thompson Road and the Swan River, North Fremantle, shall be in accordance with the provisions of this Development Plan. Notwithstanding the above variations to the Development Plan may be permitted but substantial modifications shall be deemed to be contrary to the Scheme.
- (b) The objects of Development Plan No. 7 are:
  - (i) To provide for the orderly development of presently under utilised land to create a desirable residential environment, designed to satisfactorily integrate with development on adjoining property, particularly residential use abutting the western boundary.
  - (ii) To provide a mixed density residential development to achieve an overall site density consistent with the character of the Fremantle locality, while achieving advantages of housing diversity.
  - (iii) To ensure that the overall residential development is unobtrusive and complementary to the river setting; that site planning ensures each dwelling has adequate sunlight; daylight and privacy from overlooking.
  - (iv) To maintain the open space link along the foreshore enhanced by the development of additional recreational nodes, pathways and park land areas.
  - (v) To ensure pedestrian and cycle way linkages with the existing movement system.

**2.0 SPECIAL PROVISIONS RELATING TO DEVELOPMENT PLAN NO. 7**

Development of the area shall be carried out in accordance with the plan shown in Development Plan No. 7 and any subdivision and development within the area contained within Development Plan No. 7 shall conform with the following requirements.

- 2.1 The area is to be developed for residential purposes and the amalgamation of lots shall not be permitted except to facilitate the development of grouped dwellings where in the opinion of the Council any proposal does not contravene the objectives and design guidelines of the Development Plan.
- 2.2 No lots to be developed for single residential purposes shall have vehicular access onto McCabe Street.
- 2.3 A dual-use path link shall be provided on the southern boundary of the site between the existing foreshore path and Thompson Road to the satisfaction of Council.
- 2.4 Upon subdivision the landowner shall be responsible for the landscaping of Public Open Space areas ceded within the area to a standard agreed upon by the City of Fremantle and the Department of Planning and Urban Development and subject to a maintenance period of two years from the date of final clearance of all conditions of subdivision, and issue of Plans or Diagrams of Survey.
- 2.5 The consent of the Council is required for any development on land within the Development Plan.
- 2.6. Development shall comply with the design guidelines outlined in Clause 3.0—Design Guidelines.

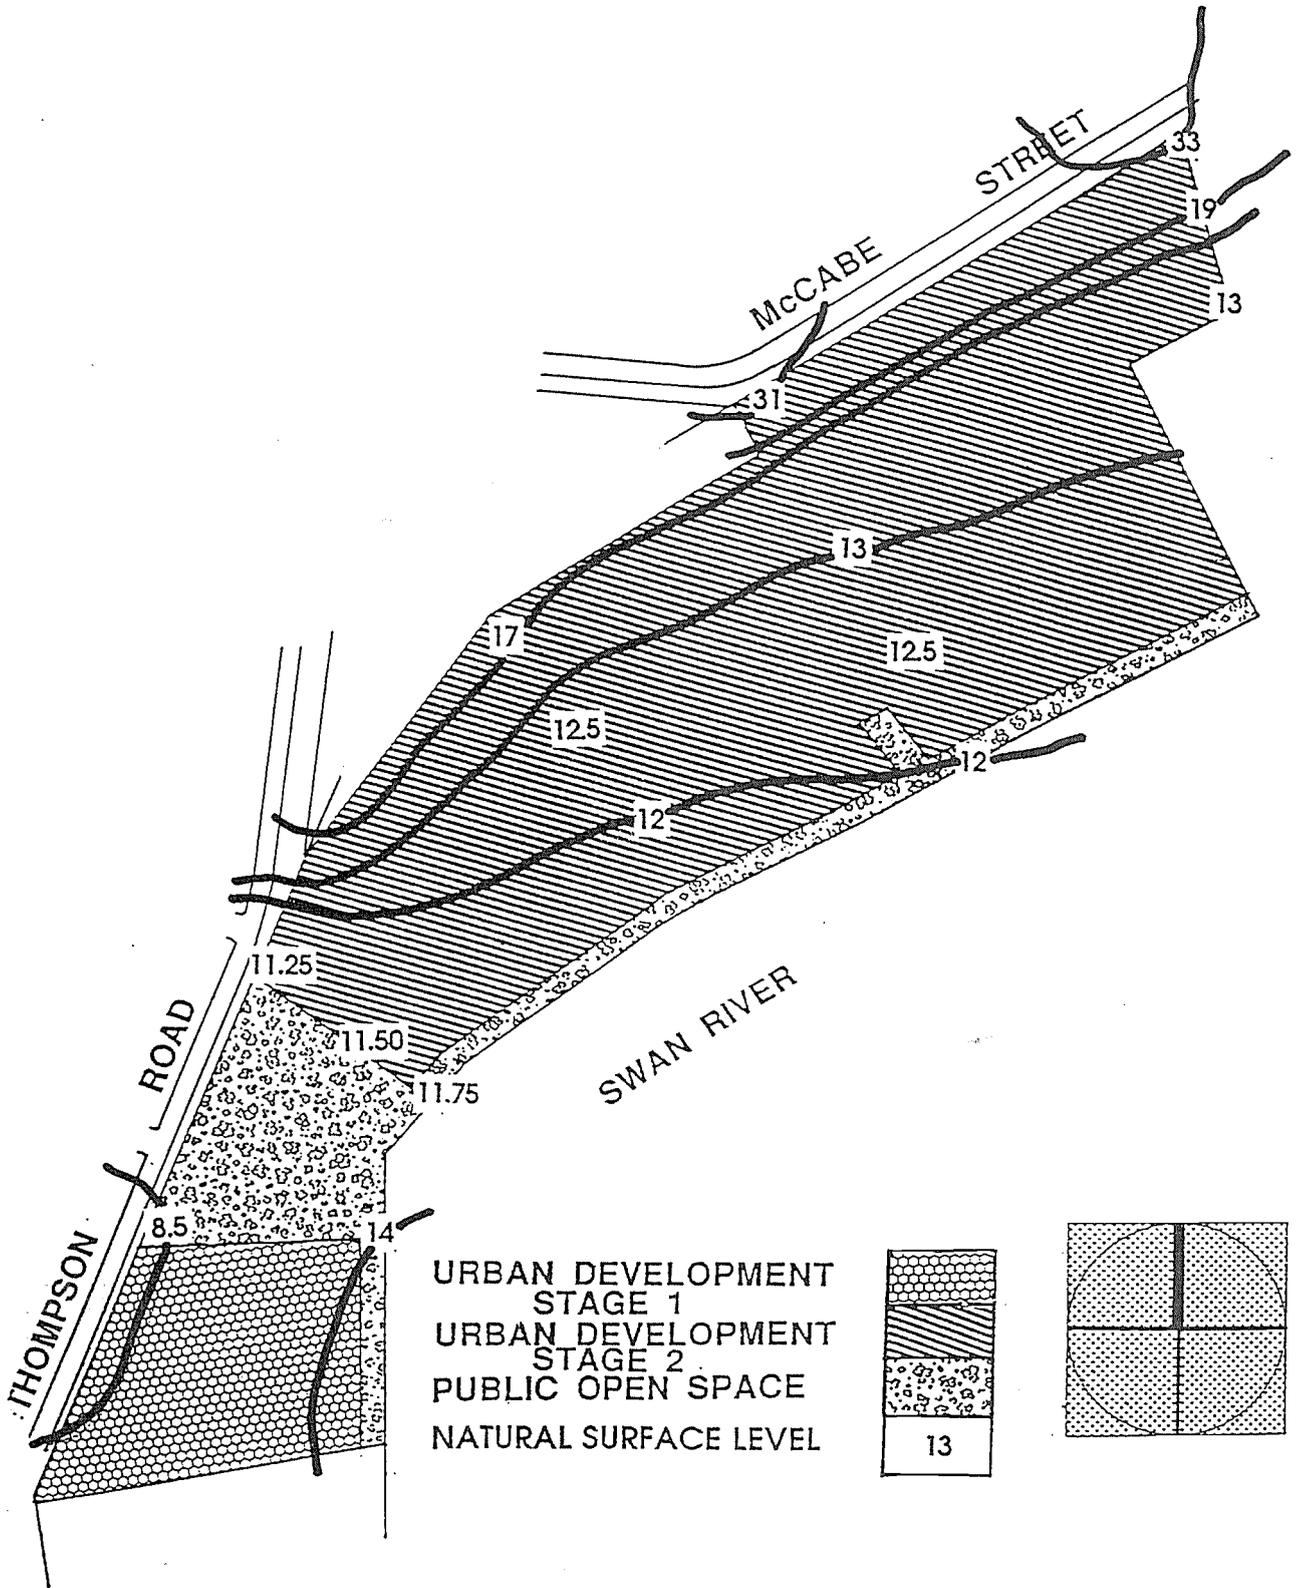

- 2.7 The Council shall require any building licence or development application to be accompanied by a brief statement as to how development complies with the design guidelines. Such statements shall address specific requirements relating to design, views, access, privacy, site retention, material and colours to be used.
- 2.8 All roads to be created within the area of Development Plan No. 7 shall upon subdivision be shown on the relevant Plans or Diagrams of survey as Public Roads and be vested in the Local Authority.
- 2.9 Where two or more battle-axe lots share common access legs, the subdivider shall enter into an agreement with the Local Authority to provide for reciprocal rights of access over the lots forming the access way in favour of every other lot forming the access way.
- 2.10 No road shall be permitted through the site linking Thompson Road and McCabe Street.
- 2.11 Vehicular access to Stage 2 shall be predominantly from McCabe Street, either directly or via the adjacent site in Mosman Park.
- 2.12 The design and construction of streets and access ways within the development site should incorporate appropriate traffic calming measures.

### 3.0 DESIGN GUIDELINES

Applications for planning approvals and building licences under Clause 2.5 shall comply with the general provisions of Town Planning Scheme No. 3, Council policy and with the following provisions.

- 3.1 The Council may refuse to approve a development or impose conditions on a development approval where it considers that the amenity of the area may be detrimentally affected by the proposal.
  - 3.2 The Council shall not permit the ground level of any portion of any lot:
    - (a) to be lowered below natural surface level as shown on Development Plan No. 7, or,
    - (b) to be raised by an amount greater than 1 m above finished ground level whether by means of a retaining wall or not,unless it is satisfied that such changes in level will not unduly affect the amenity of the area including the amenity of neighbouring properties; for the purpose of this clause finished ground level be as shown on a Plan of Subdivision granted final approval by the Department of Planning and Urban Development.
  - 3.3 Retaining walls shall:
    - (a) not exceed 2.2 metres in height between lots.
    - (b) not exceed 1.5 metres in height adjoining Public Open Space Reserves and public roads with the exception of walls adjoining the foreshore reserve which shall be limited to a maximum height of 800 mm unless specific approval is granted by the Council.
  - 3.4 No site shall be developed or building constructed to exceed an average of 7 m in height measured to the highest portion of the walls, or exceed 10 m measured to the highest portion of the roof of the development from finished ground level (as shown on a Plan of Subdivision granted final approval by the Department of Planning and Urban Development) or other ground level as determined by the Council unless the Council is satisfied that such changes in height will not unduly affect the amenity of the area including the amenity of neighbouring properties.
  - 3.5 The location and design of access roads and driveways shall conform to the land form and cause minimum visual impact and shall not cause any erosion hazard.
  - 3.6 The location and design of dwellings and screen walls shall make a positive contribution to the streetscape of the locality.
  - 3.7 The Council may vary the requirements of the design guidelines. In exercising its discretion under this clause the Council shall have regard to and may attach conditions relating to the following matters:
    - (a) light, sunshine and natural ventilation enjoyed by surrounding properties.
    - (b) intrusion upon the visual privacy enjoyed by surrounding properties.
    - (c) whether the proposed development is sympathetic with the streetscape and the scale and character of the locality.
    - (d) the amenity of the locality.
2. The attached plan be adopted as part of Development Plan No. 7.

It is hereby notified for public information, in accordance with section 7 of the Town Planning and Development Act 1928 that the Hon Minister for Planning approved the Shire of Kalamunda Town Planning Scheme Amendment on August 14, 1993, for the purpose of adding after paragraph "(E)" of Clause "6.2 RESIDENTIAL PLANNING CODES: VARIATIONS AND EXCLUSIONS" the following paragraphs:

- (f) Notwithstanding any provision of the Residential Planning Codes the minimum side setback for a single house in areas of R2.5 and R5 Code shall be 6 metres unless otherwise approved by Council subject to the provisions set out in paragraphs (g) and (h) of this clause.
- (g) Before deciding to allow a lesser side setback the Council shall take into consideration:
  - (i) the effect on any adjoining lot, if such variation was to be implemented, having regard to the zoning, the existing buildings and structures and the use of such lot;
  - (ii) any unusual or irregular condition relating to the shape or size of the subject lot or any adjoining lot;
  - (iii) the relative ground levels of the subject lot and any adjoining lot;
  - (iv) any relevant policy statement adopted by Resolution of the Council.

- (h) Where a proposal to reduce a building setback requirement may in the opinion of the Council significantly affect the amenity of an adjoining property, unless the prior agreement of adjoining owners and occupiers to the proposed development has been advised, Council shall:
- (i) cause the owners and occupiers of affected property to be advised in writing of the proposed variation;
  - (ii) afford reasonable access to the plans of the proposed development for a period of not less than 14 days commencing on the date of notification, and
  - (iii) in its determination of the application, have regard for any submissions received during the 14 day period specified in paragraph (b) above, save that the period shall be deemed to be lapsed when submissions from all owners are received.

P. J. MARJORAM, President.  
E. H. KELLY, Shire Clerk.

**TOWN PLANNING AND DEVELOPMENT ACT 1928**  
**APPROVED TOWN PLANNING SCHEME AMENDMENT**  
*Shire of Manjimup*

Town Planning Scheme No. 2—Amendment No. 37

Ref: 853/6/14/20, Pt. 37.

It is hereby notified for public information, in accordance with Section 7 of the Town Planning and Development Act 1928 (as amended) that the Hon Minister for Planning has approved the Shire of Manjimup Town Planning Scheme Amendment on August 15, 1993, for the purpose of:

1. Rezoning Northcliffe Lot 103 from "Open Space Reserve—Park and Recreation Area" to "Short Stay Residential Zone"; and
2. Adding to Appendix 2 of the Scheme Text the following:  
Area No. 4—Lot 103 Wheatley Coast Road, Northcliffe.

Special Provisions

- i. Council will require the developer of the land to prepare a development plan in sufficient detail so that Council may determine the possible impact of the development on the environment of the area in which the development is proposed. The development plan shall include the following details:
  - The location of proposed buildings and other development on the site.
  - Information regarding the method by which the development will be provided with services.
  - The proposed staging (if any) of the development.
  - Existing and proposed means of access for vehicles and pedestrians to and from the site.
  - Contours and physical features including streams and stands of trees.
  - Location of vegetation to be cleared and retained, landscape protection area and stream protection area.
  - Any other information that Council considers is pertinent having regard to the development proposal.
- ii. Clearing of existing vegetation on the land shall be restricted to that which is required to accommodate the development, and which in any case shall not exceed 30% of the site area.
- iii. All the land contained within a 20 metre setback from the lot boundary fronting Wheatley Coast Road shall be designated as a Landscape Protection Area, and within this area no vegetation shall be felled except as hereunder:
  - a. Trees which are dead, diseased and dangerous.
  - b. For the purpose of any access driveway as approved by Council.
- iv. No vegetation shall be cleared within 20 metres of the stream which traverses the site.
- v. The texture, colour and architectural style of buildings shall be in harmony with the character and image of the locality. Council shall encourage the use of local building materials in the construction of buildings.
- vi. Development on the site is to be connected to a reticulated water supply in accordance with the requirements of the Water Authority of Western Australia.
- vii. The provision of an on site effluent disposal system is to be to the specifications and satisfaction of the Health Department and Local Authority.
- viii. The developer shall comply with the requirements of the Local Authority in respect of access to and from the site.
- ix. Arrangements shall be made to provide a formal access to Nelson Location 10284 to the satisfaction of the Local Authority

G. W. WALTER, President.  
M. A. PARKER, Acting Shire Clerk.
