PUBLISHED BY AUTHORITY G. L. DUFFIELD, GOVERNMENT PRINTER AT 3.30 PM

### **P**ublishing Details

The Western Australian *Government Gazette* is published by State Print for the State of Western Australia on Tuesday and Friday of each week unless disrupted by Public Holidays or unforeseen circumstances (changes to this arrangement will be advertised beforehand on the inside cover).

Special *Government Gazettes* and Extraordinary *Government Gazettes* are published periodically, only the special gazettes are included in the subscription price.

The following guidelines should be followed to ensure publication in the *Government Gazette*.

- Material submitted to the Executive Council and which requires gazettal will require a copy of the signed Executive Council Minute Paper and in some cases the Parliamentary Counsel's Certificate.
- Copy should be received by the Manager, Law Publisher no later than 3.00 p.m. on Wednesday (Friday edition) or 3.00 p.m. on Friday (Tuesday edition).
- Lengthy or complicated notices should be forwarded several days before advertised closing date for copy. This is to ensure inclusion in current edition. Failure to observe this request could result in the notice being held over until the following edition.
- Proofs will be supplied only when requested.
- No additions or amendments to material for publication will be accepted by telephone.

Send copy to:

The Manager,  
Law Publisher  
State Print  
Station Street, Wembley, 6014  
Telephone: 383 8851 Fax: 383 8888

### **A**dvertisers should note:

- All Notices should be written in 'plain English'.
- Signatures (in particular) and proper names must be legible.
- All copy should be typed and double spaced.
- If it is necessary through isolation or urgency to communicate by facsimile, confirmation is not required by post. If original copy is forwarded later and published, the cost will be borne by the advertiser.
- Documents not clearly prepared and in the required format for gazettal, will be returned to the sender unpublished.
- Late copy received at Law Publisher will be placed in the following issue irrespective of any date/s mentioned in the copy.

State Law Publisher,  
22 Station Street,  
Wembley.

State Government Bookshop,  
Ground Floor, Supply House,  
815 Hay St. (cnr. King St.),  
Perth.

GARRY L. DUFFIELD,  
Government Printer.

## **IMPORTANT NOTICE**

Periodically notices are published indicating a variation in normal publishing arrangements:

- Easter or Christmas editions etc—these notices appear approximately 4 weeks prior to any change.
- Extraordinary gazettes not circulated to all subscribers—these notices appear in the following general edition of the gazette.

In all cases notices are published on page 2 and readers are urged to check accordingly prior to contacting State Print.

G. L. DUFFIELD, Director.

Pursuant to the powers contained in section 33 of the above Act, you are hereby required, on or before the 30th day of November 1994 or within 14 days of the date of your becoming owner or occupier should this be after the 30th day of November 1994, to remove from the land owned or occupied by you all inflammable materials or to clear firebreaks in accordance with the following and thereafter to maintain the land or the firebreaks clear of inflammable material up to and including the 14th day of February 1995—

- (i) Where the area of the land is 2 000 m<sup>2</sup> or less, all inflammable material on the land shall be removed from the whole of the land;
- (ii) Where the land exceeds 2 000 m<sup>2</sup> in area, firebreaks at least 3 m wide shall be cleared of all inflammable material immediately inside all external boundaries of the land and also immediately surrounding all buildings situated on the land.

If it is considered to be impracticable for any reason to clear firebreaks or to remove inflammable material from land as required by this notice, you may apply to Council or its duly authorised officer, no later than 13 November 1994, for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. If permission is not granted by Council or its duly authorised officer, you are to comply with the requirements of this notice.

Inflammable material is defined for the purpose of this notice to include bush, timber, boxes, cartons, paper and like inflammable materials, rubbish and also any combustible matter, but does not include green standing trees or growing bushes and plants in gardens or lawns.

The penalty for failing to comply with this notice is either a \$80 infringement fine or a court fine to a maximum of \$1 000. A person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act prior to the prohibited burning period commencing 1 December 1994.

By order of the Council.

G. K. SIMPSON, City Manager.

**BUSH FIRES ACT 1954**

*Shire of Brookton*

Firebreak Order 1994/95

Pursuant to powers contained in section 33 of the Bush Fires Act 1954 owners and occupiers of property within the Shire of Brookton are hereby required on or before the 14th November 1994 to plough, cultivate, scarify, chemically spray or otherwise clear and thereafter maintain free of all flammable material until the 15th April 1995, firebreaks as stipulated in the following positions.

Schedule

Rural Land

1.1 Within fifteen (15) metres of the perimeter boundary, whichever is nearer of all buildings and/or haystacks or groups of buildings and/or haystacks, or fuel drums and/or fuel depots, on the land, to completely surround the building or group of buildings. The cleared land is to extend for a distance of not less than five (5) metres.

1.2 During any period when harvesting operations are being conducted there shall be provided in the same paddock or within 50 metres of that paddock an operational independent mobile fire fighting unit having a water capacity of not less than 450 litres. The tank of the unit shall be kept full of water at all times during the harvesting operations. The responsibility to supply the unit being that of the landholder.

1.3 During the prohibited burning times, all trucks, bulldozers and tractors shall not be operated on rural land unless fitted with a fire extinguisher.

Definition "Fire Extinguisher" means a device which comprises—

- (a) a container filled with at least 7.5 litres of water, and
- (b) be capable of discharging that water under pressure and which is in a sound working condition, or
- (c) an approved operative chemical extinguisher.

1.4 During the prohibited burning time, all internal combustion motors being stationary and unattended shall not be operated unless clear of all flammable material immediately surrounding the said motor for a distance of not less than five (5) metres.

Townsite Land

2.1 With an area of less than 1 000 square metres with no buildings, completely clear all flammable material from the whole of the land.

2.2 With an area of less than 1 000 square metres with buildings, that all buildings or group of buildings have an area cleared of flammable material no less than two (2) metres wide, not more than fifteen (15) metres from such building or group of buildings or to the external boundary of the land, whichever is nearer.

2.3 With an area of greater than 1 000 square metres with no buildings, to be completely surrounded by a firebreak of not less than two (2) metres wide as near as possible to the boundary.

2.4 With an area of greater than 1 000 square metres with buildings or groups of buildings, have an area cleared of flammable material no less than two (2) metres wide, not more than fifteen (15) metres from such building or groups of buildings or to the external boundary of the land, whichever is nearer.

The firebreaks may be inspected shortly after the 14th of November 1994, and the penalty for failing to comply with this notice is a fine of not more than \$1 000, or a penalty of \$40 may be incurred by the issue of an infringement notice, and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice, if it is not carried out by the owner or occupier by the date required by this notice.

If it is considered to be impracticable for any reason to comply with the provisions of this notice, application may be made not later than the 1st day of November 1994, to the Council or its authorised officer for permission to provide alternative fire protection measures. If permission is not granted the requirements of this notice must be complied with.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act 1954, which includes the necessity for permits to burn during the restricted and prohibited burning season.

Failure to comply with these requirements renders the offenders to the penalties prescribed in the Bush Fires Act 1954.

By Order of the Council.

IAN CURLEY, Shire Clerk.

#### BUSH FIRES ACT 1954

*Town of Kwinana*

Firebreak Notice

To: All owners and occupiers of land within the district of the Town of Kwinana

Take notice that pursuant to section 33 (1) of the Bush Fires Act 1954 the Town of Kwinana hereby gives you notice that you are required on or before 15 November 1994 to install fire prevention measures as per the following schedule and to maintain these measures until 15 April 1995.

(a) All land zoned residential or special residential or and other land zoned under Town of Kwinana Town Planning Scheme #2 which is under 3 000 m<sup>2</sup>—

Remove all inflammable material from the whole of the land except living trees, shrubs, plants and lawn.

(b) All other land over 3 000 m<sup>2</sup> within the Town of Kwinana—

(i) Firebreaks of a minimum width and height of 3 metres are to be cleared immediately inside all external boundaries of the land;

(ii) Firebreaks of a minimum width and height of 3 metres are to be cleared immediately surrounding all buildings situated on the land;

(iii) Firebreaks 10 metres in width and 3 metres in height are to be cleared immediately surrounding all hay stacks and any place where petroleum products are kept on the land;

(iv) In addition to the requirements in (i), (ii) and (iii) above, where the area of land exceeds 10 hectares, firebreaks no less than 5 metres on width are to be cleared so as to ensure that no area of land within firebreaks exceeds 10 hectares in area.

It is the responsibility of the owner of the land to ensure that firebreaks have been constructed and maintained. The penalty for failing to comply with this notice is a fine not exceeding \$1 000 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed if not carried out by the owner or occupier by the date required by this notice.

#### VARIATION TO FIREBREAK REQUIREMENTS

If you consider it to be impractical for any reason to clear firebreaks as required by this notice, you may apply in writing for a variation to Council not later than 31 October 1994. If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice. Any variation granted is for the period of this notice only (1994/95).

\*Note: If the requirements of this Notice are carried out by burning, such burning must be in accordance with the relevant provision of the Bush Fires Act 1954.

Council may issue a special order for further work to be done if necessary to make the property safe.

#### GENERAL INFORMATION

Firebreaks required around buildings, refers to the removal of bush fire hazards (e.g. dead grass, branches, leaf litter etc.), green maintained lawns are acceptable. In all other cases, firebreaks are to be cleared to mineral earth. Firebreaks should be varied to avoid significant stand of vegetation. For a list of approved firebreak contractors, please contact Council's Ranger Services on Ph: 419 2222.

Dated this 28th day of September 1994.

By Order of Town of Kwinana.

**BUSH FIRES ACT 1954**  
**RURAL FIREBREAK ORDER—FIREBREAK DEADLINE**  
**2 November 1994**

Notice to owners and/or occupiers of land outside the Metropolitan Fire District in the Shire of Swan.

Pursuant to the powers contained in section 33 of the above Act you are hereby required on or before the 2nd November 1994 to remove from the land owned or occupied by you all inflammable material or to clear firebreaks in accordance with the following and thereafter to maintain the land or the firebreaks clear of inflammable material up to and including the 31st day of March, 1995.

In respect of land owned or occupied by you outside the Metropolitan Fire District you shall on or before the 2nd day of November, 1994 or within fourteen days of the date of your becoming owner or occupier should this be after the 2nd day of November, 1994.

**A. On Rural Land—**

1. Where the area of land is 121 hectares or less, clear all inflammable material from firebreaks to at least 3 metres wide immediately inside of all external boundaries of the land unless you hold written authorisation and an approved plan from the Council for an alternative firebreak and within sixty metres of the perimeter of any haystacks, building or group of buildings, so positioned as to completely surround such haystacks, building or group of buildings; and
2. Where the area of land is more than 121 hectares, clear of all inflammable material additional firebreaks in such positions as to divide the land into the areas not exceeding 121 hectares, each separate area to be completely surrounded by firebreaks inside all external boundaries of the land.

**B. On Townsite Land or Land Subdivided for Residential Purposes—clear of all inflammable material firebreaks at least 3 metres wide immediately inside all external boundaries of the land and also immediately surrounding all buildings situated on the land.**

**C. Fuel Dumps and Depots—**

Remove all inflammable material from all land where fuel drum ramps are located and where fuel dumps, whether containing fuel or not, are stored, to a distance of at least 4 metres outside the perimeter of any drum, ramp or stack of drums.

**D. Land Adjoining Great Northern Highway—**

You are hereby required on or before the 2nd day of November, 1994 to clear all inflammable material firebreaks at least 4.6 metres wide immediately along the internal boundary of your property where it adjoins the Great Northern Highway. The firebreak is to be maintained clear of all inflammable material up to and including the 31st day of March 1995. The firebreaks required in this section of this notice are in addition to firebreaks of 3 metres in width required on all other land owned or occupied within the Shire of Swan.

**E. Special Rural Zones—**

The Shire of Swan Town Planning Scheme No. 9 requires that all lots zoned Special Rural are required to have the standard 3 metres wide firebreaks as per clause 1A of this notice, except where the scheme requires a strategic firebreak, which shall be in the form of a trafficable track clear of inflammable material not less than 6 metres wide.

Strategic firebreaks where required are depicted on structure plans annexed to the scheme documents and are included on some lots in the Brigadoon, Weir Rd., Tilden Park (Gidgegannup) and Chittering Downs (Bullsbrook) development estates.

**F. Pine Plantations—**

A firebreak of not less than 10 metres in width—

- (a) inside and around the perimeter of land in separate ownership on which pines are planted, but this firebreak is not required around unplanted areas;
- (b) inside and along the boundary of those portions of pine plantation adjoining a formed public road; and
- (c) additionally and in such position that no area of pine plantation shall exceed 200 hectares without being enclosed by a ten metre break.

A fire break not less than 6 metres in width in such positions that no part of compartment of a pine plantation shall exceed 28 hectares in area.

All firebreaks referred to in this order shall be constructed and maintained in a condition trafficable by tractors and four wheel drive vehicles, and overhanging trees abutting all breaks shall be pruned to minimise accumulation of litter and allow vehicle access. In addition to the breaks specified pine plantation traversed by SEC power transmission lines have additional obligations under the State Energy Commission Act.

**G. Special Purpose Zone—Vines Resort—**

Alternative and strategic firebreaks as depicted on the Vines Resort Bush Fire Management Plan.

**H. Alternative Firebreaks (previously approved)—**

Holders of alternative firebreak permits must clear the approved alternative firebreaks of all inflammable materials for a distance of at least 3 metres wide and must comply with all other conditions endorsed on their letter of permit. Holders of existing alternative firebreak permits need not apply unless a variation is sought to the approved alternative position or alternative action to abate fire hazards.

**Application for Alternative Firebreaks—**

If it is considered to be impracticable for any reason to clear the firebreaks or remove inflammable material from the land as required by this notice you may apply to the Council in writing on or before the 15th October 1994, for permission to provide firebreaks in alternative positions or take alternative action to abate fire hazards on the land. If permission is not granted in writing by the Council prior to the firebreak deadline you shall comply with the requirements of this notice. Penalty—the penalty for failing to comply with this notice is a fine of not more than \$1 000 and a person is liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by owner or occupier by the date required by this notice.

**Burning—**

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provision of the Bush Fires Act.

By Order of the Council.
