**HEALTH SERVICES (QUALITY IMPROVEMENT) ACT 1994  
HEALTH SERVICES (QUALITY IMPROVEMENT)  
REGULATIONS 1995**

Made by the Lieutenant-Governor and deputy of the Governor in Executive Council.

**Citation**

1. These regulations may be cited as the *Health Services (Quality Improvement) Regulations 1995*.

**Commencement**

2. These regulations come into operation on the day on which the *Health Services (Quality Improvement) Act 1994* comes into operation.

**Interpretation**

3. In these regulations, unless the contrary intention appears —

“Committee” means a committee that is declared to be an approved quality improvement committee under section 7 (1) of the Act;

“Department” means the department principally assisting the Minister in the administration of the Act.

**Application for approval as a quality improvement committee**

4. (1) Where the governing body of a committee wishes that committee to be declared to be an approved quality improvement committee under section 7 (1) of the Act the governing body shall make application to the Minister.

(2) An application to the Minister under subregulation (1) shall be —

(a) made in writing in a form approved by the Minister; and

(b) accompanied by such further information as the Minister may require.

(3) For the purpose of ascertaining whether a declaration is to be made under section 7 (1) of the Act or for the purpose of determining the period for which approval is to be granted under that section the Minister may by notice in writing require a governing body making application under subregulation (1) to furnish the Minister, within such reasonable time as may be specified in that notice, with such information specified in the notice as that governing body may be able to give.

#### **Publication of standards**

5. Standards determined by the Minister for the purposes of section 9 (1) of the Act shall be —

- (a) published in the *Gazette*; and
- (b) made available free of charge at the offices of the Department during the usual hours of business of the Department.

#### **Minutes**

6. (1) A Committee is to cause accurate minutes to be kept of each meeting of the Committee.

(2) The minutes of a meeting shall be submitted to the members of a Committee for confirmation at the next subsequent meeting of the Committee and when confirmed shall be signed by the Chairperson or person presiding at that meeting.

#### **Safe custody**

7. A Committee is to cause any reports furnished to, information made available to, or documents used in the preparation of reports by, the Committee to be kept in safe custody.

#### **Reports to governing body**

8. Where a matter is referred to a Committee by the governing body by which it was established the Committee is to —

- (a) at the completion of the assessment or evaluation of the matter; or
- (b) at such earlier time as so directed by the governing body,

submit a report on that matter to that governing body.

#### **Information available to the public**

9. (1) A Committee is to make available to the public at least once in each period of 12 months, by such means as is determined by the governing body which established the Committee, a report containing the following information —

- (a) the services which have been assessed and evaluated by the Committee during that period;
- (b) any action taken (described in general terms) as a result of the assessment and evaluation referred to in paragraph (a); and
- (c) if known at the time of preparation of the report, any results of the action referred to in paragraph (b).

(2) If subregulation (1) (c) cannot be complied with the Committee is to make the results referred to in that subregulation available to the public in the report made under this regulation next following the time that those results are known to the Committee.

**Reports to the Minister**

10. Each Committee and each Mortality Committee (as defined in and for the purposes of section 14 of the Act) is to furnish to the Minister at least once annually or more often if so directed by the Minister, a report including the following information —

- (a) details of the reports made available to the public under regulation 10 during the relevant period and the manner in which the reports were made available;
- (b) a statement indicating whether or not the exercise of the functions of the Committee has been and will continue to be facilitated by the provision of the immunities and protections afforded by the Act; and
- (c) a statement indicating whether or not it has been and will continue to be in the public interest to restrict disclosure of information compiled by the Committee in the course of the performance of the Committee's functions.

By Command of the Lieutenant-Governor and deputy of the Governor,

J. PRITCHARD, Clerk of the Council.

Pursuant to the powers contained in section 33 of the Bush Fires Act 1954, you are hereby required on or before the 15th day of December, 1995, and thereafter up to and including the 15th day of April, 1996, on all land owned or occupied by you within the Shire of Dardanup, to remove all inflammable material, or to have firebreaks clear of all inflammable matter, in accordance with the following requirements.

**1. REQUIREMENTS IN RESPECT OF RURAL LAND**

On all land that is not within a Gazetted Irrigation District, have firebreaks at least two (2) metres wide clear of all inflammable matter and all bush as defined in the Bush Fires Act—

**(a) Land Zoned 'Small Holdings'**

(i) Immediately inside and along all external boundaries of the land where the property has an area of 6Ha or less; or

(ii) Where the property has an area of more than 6Ha—immediately inside and along all external boundaries of the land, where that land abuts formed public roads.

(Note: Henty Brook Estate exempt from these requirements)

**(b) Land Zoned 'General Farming'**

Immediately inside and along all external boundaries of the land where that land abuts railways and formed public roads.

**(c) Buildings and Haystacks**

Within 20 metres of the perimeter of all buildings or haystacks, or groups thereof, in such a manner so as to completely surround the buildings or haystacks.

**2. REQUIREMENTS IN RESPECT OF URBAN AND INDUSTRIAL LAND**

On all land—

(i) where the area of land is 2 023 m<sup>2</sup> or less and the land is not used for agriculture or grazing purposes, all inflammable materials and all bush as defined in the Bush Fires Act, except standing live trees, shall be removed from the whole of the land; or

(ii) where the area of the land is in excess of 2 023 m<sup>2</sup>, or is used for agriculture or grazing purposes, firebreaks at least two (2) metres wide shall be cleared immediately inside all the external boundaries of the land also immediately surrounding all buildings situated on the land.

**3. REQUIREMENTS IN RESPECT OF PLANTATIONS****(a) Definitions**

(i) A plantation is any area of planted pines or eucalyptus species exceeding 3Ha in area.

(ii) A windbreak is a planted area a maximum of 15 metres wide but with no defined length.

**(b) Boundary Firebreaks**

On the horizontal plane a firebreak shall be provided 15 metres wide and immediately adjoining all external boundaries of the planted area. The outer 10 metres will be cleared of all flammable material while the inner 5 metres i.e. that portion closest to the trees, may be kept in a reduced fuel state i.e. by slashing or grazing grass provided that the height of the grass does not exceed 8cm.

On the vertical plane a clear space 10 metres high will be maintained above the outer 10 metres of the firebreak.

**(c) Internal Firebreaks**

Plantations shall be subdivided into areas not exceeding 30Ha by firebreaks 6 metres wide which shall be cleared of all flammable material.

In the vertical plane a clearance of a minimum height of 4 metres from ground level will be maintained above the firebreak.

**(d) Special Risks****(i) Public Roads and Railway Reserves**

Firebreaks 15 metres wide shall be maintained where the planted area adjoins public roads and railway reserves. The specification will be as for "Boundary Firebreaks" on planted areas.

**(ii) Powerlines**

Firebreaks shall be provided along powerlines where they pass through or lie adjacent to planted areas. The specification of the width and the height of clearing shall be in accordance with State Energy Commission specifications.

**4. REQUIREMENTS IN RESPECT OF FUEL STORAGE**

On all land owned or occupied by you upon which there is situated any drum or drums which are normally used for the storage of automotive fuel, or any ramp or other structure used for the purpose of storage such drums, you must have clear of all inflammable matter and all bush as defined in the Bush Fires Act, firebreaks at least 6 metres wide immediately surrounding all such drums, ramps or structures.

**5. GENERAL**

If, for any reason, it is considered by the owner or occupier of land that it is impractical to comply with the requirements of this Notice a request may be made to the Council to approve alternative fire protection measures. Such applications shall be accompanied by a sketch or drawing of the proposed variations and must be lodged at the Council Offices no later than 10th November, 1995.

Where approval of a proposed variation is not granted by Council, the requirements of this Notice must be complied with.

The penalty for non-compliance with this Notice is a maximum of \$1 000 and notwithstanding prosecution, Council may enter onto the land and carry out the requisite works at the owner/occupiers expense.

**6. BURNING**

If the requirements of this Notice are to be complied with by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

By Order of the Council,

C. J. SPRAGG, Shire Clerk.
