Publishing Details

The Western Australian *Government Gazette* is published by State Law Publisher for the State of Western Australia on Tuesday and Friday of each week unless disrupted by Public Holidays or unforeseen circumstances (changes to this arrangement will be advertised beforehand on the inside cover).

Special *Government Gazettes* and Extraordinary *Government Gazettes* are published periodically, all gazettes are included in the subscription price.

The following guidelines should be followed to ensure publication in the *Government Gazette*.

- Material submitted to the Executive Council and which requires gazettal will require a copy of the signed Executive Council Minute Paper and in some cases the Parliamentary Counsel's Certificate.
- Copy should be received by the Manager (Sales and Editorial), State Law Publisher no later than 12 noon on Wednesday (Friday edition) or 12 noon on Friday (Tuesday edition).
- Lengthy or complicated notices should be forwarded several days before advertised closing date for copy. This is to ensure inclusion in current edition. Failure to observe this request could result in the notice being held over until the following edition.
- Proofs will be supplied only when requested.
- No additions or amendments to material for publication will be accepted by telephone.

Send copy to:

The Manager (Sales and Editorial),
State Law Publisher
Ground Floor, 10 William Street, Perth, 6000
Telephone: 321 7688 Fax: 321 7536

Advertisers should note:

- All Notices should be written in 'plain English'.
- Signatures (in particular) and proper names must be legible.
- All copy should be typed and double spaced.
- If it is necessary through isolation or urgency to communicate by facsimile, confirmation is not required by post. If original copy is forwarded later and published, the cost will be borne by the advertiser.
- Documents not clearly prepared and in the required format for gazettal, will be returned to the sender unpublished.
- Late copy received at State Law Publisher will be placed in the following issue irrespective of any date/s mentioned in the copy.

BUSH FIRES ACT 1954*Shire of Manjimup***Firebreak Notice 1995/96**

All owners and/or occupiers of land within the Shire of Manjimup are required to carry out fire prevention work on land owned or occupied by them in accordance with the provisions of this Order. This work must be completed by—

- 11 December 1995 in Zone 8 (Manjimup-Pemberton)
- 18 December 1995 in Zone 6 (Northcliffe-Walpole)

The work must be maintained throughout the fire season until the close of the "Restricted Burning" Period in 1996.

Council will not undertake to do any work connected with the requirements of this Notice, however contractors are available to do such works but it is stressed that the responsibility rests with the owner/occupier.

Maximum penalty for non-compliance of this notice is \$1 000, in addition Council may enter upon the land and carry out the required work at the owner/occupier expense.

Inspections will be undertaken of all properties from the due date and will continue throughout the whole of the fire season.

ALTERNATIVE MEASURES

If it is considered impractical for any reason to comply with the specified requirements of this Fire-break Notice ie: environmental concerns you may apply to the Council or its duly authorised officer not later than 1 December 1995 for approval of alternative firebreak measures. The application must be in writing and include a thorough plan of the proposed alternative fire hazard abatement measures. Any such application must bear the signature of the Fire Control Officer for the area signifying his agreement to the variation. If approval is not granted the requirements of this Notice shall be complied with.

YOUR RESPONSIBILITIES

RURAL LAND

- (a) Trafficable firebreaks clear of all inflammable material and not less than 3 metres wide shall be constructed inside and within 15 metres of the external boundary of all land where an area of land of more than 1 hectare of predominantly trees, bush or scrub adjoin that boundary.
- (b) Trafficable firebreaks clear of all inflammable material and not less than 3 metres wide shall be constructed as close as is reasonably practicable around the surrounds of all buildings.
- (c) Where Rural Land whether cleared or uncleared abuts the gazetted townsites of Manjimup, Pemberton, Northcliffe and Walpole 3 metre wide trafficable firebreaks shall be constructed immediately along the common boundary of that townsite.
- (d) Trafficable firebreaks not less than 3 metres wide shall be constructed around the perimeters of all course grain crops and such firebreaks shall be kept clear of all inflammable material until the crop is harvested.
- (e) No person shall operate or suffer the operation of harvesting machine or harvesting operations of course grain crops unless he has first provided for an operational fire fighting appliance having a capacity of at least 900 litres situated in the paddock where the harvesting operations are being conducted.

SPECIAL RURAL LAND

- (a) Trafficable firebreaks clear of all inflammable material not less than 3 metres wide shall be constructed immediately inside the external boundary of all land.
- (b) All inflammable material save for live standing trees shall be cleared within a 20 metre radius of all buildings.
- (c) Where in the opinion of the Shire Ranger or the area Fire Control Officer the land contains an amount of inflammable material which is considered hazardous the landowner shall clear such hazard upon service of a notice requiring such works to be carried out.
- (d) All conditions relating to Special Rural Land contained in the Shire of Manjimup Town Planning Scheme No. 2 and amendments must be complied with.

OTHER RURAL LAND

- (a) All conditions relating to any other Rural Land as contained in the Shire of Manjimup Town Planning Scheme No. 2 and amendments and any development approval issued under that Scheme must be complied with.
- (b) Where no such conditions are stipulated the provisions of this Notice in respect of Rural Land shall apply.

SPECIAL RESIDENTIAL

- (a) All inflammable material save for live standing trees shall be cleared within a 20 metre radius of all buildings.
- (b) Where in the opinion of the Shire Ranger or area Fire Control Officer the land contains an amount of inflammable material which is considered hazardous the landowner shall clear such hazard upon service of a notice requiring such works to be carried out.
- (c) All conditions relating to Special Residential Land contained in the Shire of Manjimup Town Planning Scheme No. 2 and amendments must be complied with.

TOWNSITE LAND

- (a) Where the property is 2 024 square metres (approximately 0.5 acres) or less, remove all inflammable material from the whole of the property. For the purpose of this Notice inflammable material does not include live standing trees, cultivated plants or shrubs in gardens.

- (b) Where the property exceeds 2 024 square metres (approximately 0.5 acres) you shall have either—
- (i) trafficable firebreaks not less than 3 metres wide and clear of all inflammable materials immediately inside and along all external boundaries of the land and as close as is reasonably practicable around the surrounds of all buildings including haystacks and improvements, fences, pumping equipment, etc; or
 - (ii) remove all inflammable material from the whole of the property.

FUELAND GAS STORAGE

In respect of any land upon which there is situated any containers/insulation used for storage of inflammable liquid or gas fuels you shall—

- (a) TOWNSITE LAND—Clear the whole of the land of inflammable material.
- (b) ALL OTHER LAND—Locate such containers/installations not less than 3 metres from every public thoroughfare or improvement upon the land. Containers of low pressure gas not exceeding 46 kilogram capacity and for domestic usage are exempt from this clause. Construct firebreaks not less than 6 metres wide around and immediately adjacent to all such containers/installations.

PLANTATIONS

- (a) Construct trafficable firebreaks not less than 10 metres wide around and inside all plantation boundaries of such land.
- (b) Construct trafficable firebreaks not less than 6 metres wide within the plantation so as to subdivide the plantation into compartments each not exceeding 28 hectares.
- (c) Trees within 2 metres of the edge of any firebreak to be pruned so that vehicular access along the firebreak is not impeded by branches.
- (d) A map of each plantation showing roads, firebreaks, access and water points shall be lodged with Council prior to 1 December 1995.

POWER LINES

Where power lines pass through any land SEC regulations must be strictly adhered to.

DEFINITIONS

- (a) Plantations—For the purpose of this Notice a plantation shall be defined as land upon which any pine or eucalypt species of tree being planted on an area exceeding 8 hectares.
- (b) Plantation Boundary—Shall mean parcels of land under separate ownership, lease or any form of contractual or financial arrangements whatsoever.
- (c) Rural Land—Unless otherwise referred to Rural Land means all land located outside of gazetted townsites.
- (d) Special Rural and Special Residential Land—Means all land contained in a Special Rural or Special Residential Zone within Town Planning Scheme No. 2.
- (e) Townsite Land—Means all land located within a gazetted townsite boundary.
- (f) External Boundary—Means the external perimeter boundary of any land contained within the same ownership irrespective of whether it contains 1 or more allotments.

MINIMUM STANDARD

The requirements of this Firebreak Notice are considered to be the minimum standard of fire prevention work necessary to protect not only individual properties but the District generally. In addition to the requirements of this Notice the Council may issue a separate order to the owner/occupier of land if additional fire hazard reduction work is considered necessary.

GARY FITZGERALD, Chief Executive Officer.

LG602

BUSH FIRES ACT 1954

Shire of Mount Magnet

Firebreak Order

Notice to all Owners and/or Occupiers of Land in the Shire of Mount Magnet

Pursuant to the powers contained in section 33 of the above Act, you are hereby required on or before 31 October 1995 to clear firebreaks and remove flammable materials from the land owned or occupied by you as specified hereunder and to have the specified land and firebreaks clear of all flammable materials from 31 October 1995 up to and including 30 April 1996.

(1) Land outside Townsites—

- 1.1 All buildings on land which is outside townsites shall be surrounded by two firebreaks not less than two metres wide cleared of all flammable material, the inner firebreak to be not more than 20 metres from the perimeter of the building or group of buildings and the outer firebreak not less than 200 metres from the inner firebreak.
- 1.2 To remove flammable material from the whole of the land between the firebreaks required in paragraph 1.1 above.

(2) Land in Townsites—

- 2.1 Where the area of land is 2 000 square metres or less all flammable material shall be removed from the whole of the land.
- 2.2 Where the area of the land exceeds 2 000 square metres firebreaks at least three metres in width shall be cleared of all flammable material immediately inside and along the boundaries of the land. Where there are buildings on the land additional firebreaks three metres in width shall be cleared immediately surrounding each building.

If it is considered for any reason to be impractical to clear firebreaks or remove flammable material as required by this notice, you may apply to the Council or its duly authorised officer not later than 25 October 1995 for permission to provide firebreaks in alternative positions or take alternative action to remove or abate fire hazards. If permission is not granted by Council or its duly authorised officer, you shall comply with the requirements of this notice.

“Flammable Material” does not include green growing trees or green growing plants in gardens.

The penalty for failing to comply with this notice is a fine of \$400 and a person in default is also liable, whether prosecuted or not to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

The prohibited burning period for this Shire area is from 15 November 1995 to 30 March 1996.

Dated this 28th day of September 1995.

By order of the Council,

G. J. McDONALD, Shire Clerk.

Shire of Perenjori

Firebreaks Order

Notice to all Owners and/or Occupiers of Land in the Shire of Perenjori

Pursuant to the powers contained in section 33 of the above Act, you are hereby required on or before 15 October 1995 so far as rural land is concerned, to remove from the land owned or occupied by you, all inflammable material or to clear firebreaks in accordance with the following, and thereafter, maintain the land or the firebreaks clear of all inflammable material up to and including the 31st day of March 1996.

1. Rural Land (i.e. land other than that in a townsite)

You shall clear of all inflammable materials a firebreak not less than 3 metres (9.84 feet) wide in the following positions—

- 1.1 Immediately inside all external boundaries of land. With the permission of the Council or its duly authorised Officer, these breaks need not to follow the perimeter of a paddock, but will be acceptable following land contours in an endeavour to reduce water erosion.
- 1.2 In such positions as is necessary, to divide land in excess of 300 hectares (741 acres) into areas not exceeding that size, each completely surrounded by a firebreak; and
- 1.3 Immediately surrounding all buildings, haystacks and fuel ramps situated on the land; and
- 1.4 Immediately surrounding any part of the land used for pasture of crops; and
- 1.5 Immediately surrounding any drums or drums situated on the land which are normally used for the storage of fuel, whether they contain fuel or not.

2. Townsite Land (i.e. land in any townsite)

- 2.1 Where the area of land is 0.2 hectares (on half of one acre) or less, you shall clear all inflammable material on the land from the whole of the land.
- 2.2 Where the area of land exceeds 0.2 hectares (on half of one acre) or less, you shall clear all inflammable material, firebreaks not less than 3 metres (9.84 feet) wide immediately inside all external boundaries of the land, and also immediately surrounding all buildings, haystacks and fuel ramps situated on the land, and also immediately surrounding any drums or drums situated on the land which are normally used for the storage of fuel, whether they contain fuel or not.

If it is considered impracticable for any reason to clear firebreaks or clear flammable material as required by this notice, you may apply to the Council or its duly authorised Officer, no later than 1 October 1995 so far as rural land is concerned and not later than 15 October 1995 so far as townsite land is concerned, for permission to provide firebreaks in an alternative position on the land.

If permission is not granted by the Council or its authorised Officer, you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of not less than \$40.00, nor more than \$400.00, and a person in default is liable whether prosecuted or not to pay the cost of performing work directed on this notice if it is not carried out by the Owner or Occupier by the date required on this notice.

3. Prohibited and Restricted Burning Times

Prohibited Burning Period

15 November 1995 to 14 February 1996

Restricted Burning Periods (Permit required from Fire Control Officer)

1 October 1995 to 14 November 1995, 15 February 1996 to 14 March 1996

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.
