PART 2 — REQUIREMENTS FOR ENTRY

Entry coupon

4. (1) The Commission must ensure that an entry coupon for midweek lotto —
- (a) displays such details to facilitate entry as the Commission thinks necessary; and
 - (b) displays any instructions which the Commission may from time to time approve.
- (2) An entry coupon may be rejected by the agent as an invalid entry, at the time of presentation by the subscriber, if —
- (a) it has not been marked by hand in blue ball point pen in accordance with the conditions on that entry coupon; or
 - (b) it has been generated or marked by mechanical or electrical means.

Methods of entry

5. (1) A person may enter midweek lotto using any or all of the following methods —
- (a) by filling out an entry coupon so as to select between 4 and 20 numbers from the numbers 1 to 45;
 - (b) by oral request for a selection of between 4 and 20 numbers from the numbers 1 to 45,

and by paying the appropriate amount set out in Schedule 1.

- (2) A midweek lotto entry must be specified to be —
- (a) for 1 week or for 2, 5 or 10 consecutive weeks; and
 - (b) with or without a supplementary entry or entries in a super 66 draw or draws.

Super 66 entry

6. (1) A person wishing to enter a super 66 draw in conjunction with a midweek lotto entry may only do so when the minimum number of midweek lotto games set out in rule 8 are also being entered.

(2) Subject to subrule (1), a subscriber may enter either one, 2, 4, 8, or 10 super 66 games in a super 66 draw, in conjunction with a midweek lotto entry —

- (a) by marking the entry coupon in the appropriate box; or
- (b) by making an oral request for the number of super 66 games to be entered in that draw,

and paying \$1.00 per super 66 game entered.

Super 66 receipted ticket

7. (1) Where a super 66 draw or draws are entered in conjunction with a midweek lotto entry, a separate receipted ticket must be generated for the super 66 games entered.

(2) Each super 66 receipted ticket will have a random selection of 6 digits, generated by computer, printed on it and those digits are the subscriber's selected digits for that draw.

Completion of entry coupon

8. (1) To enter midweek lotto using an entry coupon, a subscriber must —

- (a) select 6 numbers out of the numbers 1 to 45 for each of at least 2 games on the entry coupon commencing with the game marked "1"; or
- (b) select between 4 and 20 numbers (other than 6 numbers) out of the numbers 1 to 45 in one or more games on the entry coupon, commencing with the game marked "1".

(2) For entry into midweek lotto and, if required, a super 66 draw or draws, the subscriber must also mark in the appropriate boxes on the entry coupon —

- (a) that the entry is for midweek lotto;
- (b) where applicable, how many super 66 games are to be entered using that entry coupon;
- (c) how many, if any, consecutive weeks the entry coupon is to be entered; and
- (d) whether the method of entry is a "systems" entry, being either a systems 4-5 or a systems 7-20, depending on the number of numbers selected in each game,

and must pay the amount calculated in accordance with Schedule 1 and \$1.00 per super 66 game entered.

(3) Where between 4 and 20 numbers (other than 6 numbers) are selected out of the numbers 1 to 45 in the game marked "1" —

- (a) if 4, 5, 7, or 8 numbers are selected, then up to 11 further games may be marked by selecting the same number of numbers as were selected in the game marked "1"; or
- (b) if between 9 and 20 numbers are selected then up to 4 further games may be marked by selecting the same number of numbers as were selected in the game marked "1".

(4) After the subscriber has completed the requirements in this rule, the agent must use that entry coupon to generate a receipted ticket or tickets.

Oral request for entry

9. (1) To enter midweek lotto without an entry coupon, a subscriber must make an oral request at the selling point and a receipted ticket or tickets must be produced in accordance with the subscriber's instructions.

(2) A subscriber's oral request must state —

- (a) whether the subscriber wishes to select —
 - (i) 6 numbers out of the numbers 1 to 45 — in which case the single receipted ticket will be entered for 12 games; or
 - (ii) between 4 and 20 numbers (other than 6) out of the numbers 1 to 45 — in which case the single receipted ticket will be entered for one game;
- (b) that the entry is for midweek lotto;
- (c) the week, or number of consecutive weeks, the entry is to be entered;
- (d) whether the entry is to include a super 66 game and, if so, how many, with a limit of 10 per receipted ticket.

(3) A receipted ticket or tickets must be given to the subscriber upon payment of the amount calculated in accordance with Schedule 1 and payment of \$1.00 per super 66 game entered.

No limit to number of entries

10. A subscriber is not limited in the number of entries which may be made in midweek lotto or in any super 66 draw.

Accuracy of receipted ticket

11. (1) An agent who —

- (a) processes an entry coupon, resulting in a receipted ticket; or
- (b) produces a receipted ticket as a result of an oral request,

is under no duty to ensure that the entry coupon or request is accurately processed or reproduced on the receipted ticket.

(2) Where a receipted ticket is produced which —

- (a) is not an accurate reproduction of the details on the entry coupon used to generate the ticket; or
- (b) does not accurately reflect the oral request for an entry,

the subscriber may return the receipted ticket —

- (c) to the selling point at which it was purchased;
- (d) on the day on which it was purchased;
- (e) prior to the close of the day's lotto business for that selling point; and
- (f) within the selling period for that ticket.

(3) Upon returning the receipted ticket under subrule (2) the subscriber may surrender that receipted ticket in exchange for —

- (a) a full refund of the subscription; or
- (b) a further receipted ticket.

Validity of receipted ticket

12. A receipted ticket is an acknowledgement by the Commission that it has accepted that entry, as appearing on the ticket, in midweek lotto for the numbered midweek draw(s) shown on the ticket and, where applicable, in the numbered super 66 draw or draws unless —

- (a) that receipted ticket has been returned or surrendered in accordance with rule 11 (2) or rule 13;
- (b) that receipted ticket has been found to be invalid, as a result of non-compliance with rule 4 (2), during the selling period prior to the relevant midweek lotto draw; or
- (c) the receipted ticket is forged, altered or obtained as a direct result of fraud by the subscriber or person claiming a prize.

Surrender of receipted ticket

13. The holder of a receipted ticket may surrender that ticket, whether under the provisions of rule 11 (2) or for any other reason —

- (a) to the selling point at which it was purchased;
- (b) on the day on which it was purchased;

- (c) prior to the close of the day's lotto business for that selling point;
and
- (d) within the selling period for that ticket,

and if the subscriber does so, the subscriber is entitled to a full refund or a further receipted ticket in exchange for the surrendered ticket.

Entry by mail

14. (1) Subject to subrule (2), the Commission must produce a receipted ticket where an entry coupon is delivered by mail and completed in accordance with these rules, and accompanied by the correct payment.

(2) Where payment is tendered by cheque with an entry coupon delivered by mail, the Commission is under no duty to issue the receipted ticket until after that cheque has been cleared.

(3) Where payment is tendered with an entry coupon delivered by mail and the payment (although sufficient to enter the minimum number of games) is insufficient to enable the requested number of games to be entered, the Commission may enter the maximum number of games that could be entered using the money tendered, and refund any balance to the subscriber.

(4) If an entry coupon is received by the Commission by mail, together with the correct payment, and one or more of the games contains too many selected numbers, the Commission may ignore the highest additional number or numbers when producing a receipted ticket from that entry coupon.

(5) If an entry coupon is received by the Commission by mail, together with correct payment, and that coupon is bent or creased to the extent that a computer terminal will not accept or correctly read the coupon, the Commission may produce a receipted ticket that reflects the Commission's determination of the subscribers intentions as shown by the coupon and the subscriber is bound by any such determination.

(6) If a request for a receipted ticket is received by the Commission by mail, together with correct payment, and a coupon is not enclosed, the Commission may produce a receipted ticket that reflects the request and the subscriber is bound by the Commission's production of that receipted ticket.

(7) If an entry coupon is received by the Commission by mail, together with the correct payment, and that coupon is specified as being —

- (a) a single week entry for a numbered midweek lotto draw; or
- (b) a multiweek entry commencing with a numbered midweek lotto draw,

the Commission must enter the subscriber in that midweek lotto draw, or sequence of draws, unless —

- (c) the selling period for that single numbered midweek lotto draw has passed, in which case the receipted ticket will be issued for the next midweek lotto draw;

- (d) the selling period for that initial numbered midweek lotto draw has passed, in which case the receipted ticket will be issued for a sequence of draws commencing with the next midweek lotto draw.
- (8) A receipted ticket under this rule must be posted by the Commission to the return address accompanying the entry coupon using ordinary mail.
- (9) The Commission is not responsible for the security or loss of a receipted ticket after it has been posted.

PART 3 — GENERAL DUTIES OF COMMISSION

Midweek draws to be numbered

- 15. (1) Each midweek lotto draw that is conducted by the Commission is to be identified with a "draw number".
- (2) A super 66 draw has the same number as the Saturday lotto draw that takes place on the Saturday that the super 66 draw takes place.

Lotto to be supervised

- 16. Midweek lotto is to be supervised in a manner specified by the Commission.

Publication of results

- 17. Each time midweek lotto is conducted the Commission must publish —
 - (a) the identifying "draw number" for that midweek lotto draw;
 - (b) all winning and supplementary numbers;
 - (c) the prize pool for each division;
 - (d) the amount allocated per winning entry in each division; and
 - (e) the claim period and the date after which the division 1 prizes will be paid;
 - (f) the amount, if any, to carry over as a jackpot to the division 1 prize pool for the next midweek lotto draw; and
 - (g) the total prize pool for that midweek lotto draw (ie. the sum of the prize pools for each division),

in a daily newspaper in this State, after that midweek draw.

PART 4 — MIDWEEK LOTTO DRAW

Criteria for midweek lotto prizes

- 18.** In a midweek lotto draw the holder of a receipted ticket wins —
- (a) division 1, if 6 winning numbers are selected in any one game;
 - (b) division 2, if any 5 of the 6 winning numbers and either one of the 2 supplementary numbers are selected in the one game;
 - (c) division 3, if any 5 of the 6 winning numbers are selected in the one game;
 - (d) division 4 if any 4 of the 6 winning numbers are selected in the one game; and
 - (e) division 5 if any 3 of the 6 winning numbers and either one of the 2 supplementary numbers are selected in the one game.

Only systems entry can win in more than one division per game

19. (1) An entry in which 6 numbers have been selected per game does not entitle the holder of the receipted ticket to claim to have won in more than 1 division per game in a midweek lotto draw.

(2) An entry in which 4 to 20 numbers (other than 6 numbers) have been selected may entitle the holder of the receipted ticket to claim to have won in more than 1 division per game in a midweek lotto draw, as set out in Schedule 2.

Distribution of lotto prize pool

20. (1) The Commission must distribute the lotto prize pool for a midweek lotto draw as follows —

- (a) division 1 — 26.5% of the prize pool;
- (b) division 2 — 7.5% of the prize pool;
- (c) division 3 — 13.5% of the prize pool;
- (d) division 4 — 23.5% of the prize pool; and
- (e) division 5 — 29.0% of the prize pool.

(2) The prize pool in a division will be distributed by allocating the prize money in equal shares to each winning game in that division.

(3) The Commission may round off the individual entitlement for a prize in any division (other than division 1) to the nearest sum containing a 5 cent multiple.

(4) Where a rounding off process takes place under subrule (3), the Commission may adjust the payout for division 1 to ensure that the prize pool is distributed.

Division 1 jackpot

21. (1) If no one is entitled to a division 1 prize in a particular midweek draw, then the division 1 prize pool for that midweek lotto draw must be added to, and form a part of, the next midweek lotto draw division 1 prize pool.

(2) Where there is no midweek lotto division 1 prize winner for 5 consecutive midweek draws, the Commission must allocate the accumulated division 1 prize pool in the 5th midweek lotto draw to the prize pool for the division 2 winners in that midweek lotto draw.

(3) If a midweek lotto division 1 prize pool is distributed to division 2 winners, the prize money is still treated as a division 1 prize for the purposes of making a claim.

Divisions 2 - 4 prize pools may go to next lower division

22. (1) If no one is entitled to a division 2 prize in a particular midweek lotto draw, then the prize pool for division 2 must be added to the prize pool for the next lower division in which there is at least one winner in that midweek lotto draw.

(2) If no one is entitled to a division 3 prize in a particular midweek lotto draw, then the prize pool for division 3 must be added to the prize pool for the next lower division in which there is at least one winner in that midweek lotto draw.

(3) If no one is entitled to a division 4 prize in a particular midweek lotto draw, then the prize pool for division 4 must be added to the division 5 prize pool for that midweek lotto draw.

Variation of division 1 midweek lotto prize pool

23. (1) The Commission may add part or all of the prize reserve fund to a midweek lotto division 1 prize pool in a midweek lotto draw.

(2) The Commission may from time to time fix a minimum guaranteed prize pool for division 1 in a midweek lotto "Bonus" draw.

(3) Where a "Bonus" draw is fixed under this rule, and a jackpot division 1 midweek lotto prize coincides with that draw, the Commission may elect to reduce the undistributed balance set out in subrule (1) by the amount of the midweek lotto division 1 jackpot amount for that draw, and retain that part of the undistributed balance for a future midweek lotto "Bonus" draw.

Prize reserve fund

24. (1) Subject to subrule (2), the Commission may enter into an agreement with other members of the Australian Lotto Bloc for each of the members of the Bloc to set aside the same percentage of midweek lotto subscriptions received by those members in order to create a prize reserve fund.

(2) The percentage of subscriptions set aside by the members under subrule (1) cannot exceed 5.0%.

(3) The prize reserve fund is constituted by the total of the amounts set aside under subrule (1).

(4) Distribution of the prize reserve fund must be as additional prize money, in such amounts and in such midweek draws, as are agreed by the Australian Lotto Bloc members.

Combination of jackpot and prize reserve amount to form single division 1 prize pool

25. (1) If a jackpot is available for a midweek lotto draw division 1 prize pool and an amount is to be distributed from the prize reserve fund for that midweek lotto draw division 1 prize pool, then both amounts form a single midweek lotto division 1 prize pool for the purposes of these rules.

(2) The Commission may from time to time guarantee that a minimum amount for a midweek lotto draw division 1 prize pool will be available for a particular midweek lotto draw.

Presentation of receipted ticket — division 1 prize

26. Subject to rule 32, the Commission may refuse to pay any midweek lotto division 1 prize entitlement to the holder of a receipted ticket that has won a division 1 prize in midweek lotto if the receipted ticket has not been presented at the Commission's head office within the relevant claim period under these rules.

Payment of division 1 or 2 prizes

27. (1) Subject to these rules, the Commission must pay any midweek lotto division 1 prizes —

- (a) after the claim period under these rules has passed; and
- (b) by cheque.

(2) Subject to these rules, the Commission must pay any midweek lotto division 2 prizes —

- (a) at any time during the payout period that the receipted ticket is presented; and
- (b) by cheque.

Payment of division 3, 4 and 5 prizes

28. (1) Subject to these rules, division 3, 4 or 5 prizes in midweek lotto may be collected in cash at any selling point upon presentation of the winning receipted ticket.

(2) Where any holder of a receipted ticket wins a division 1 prize in midweek lotto and another division prize on the one ticket, the Commission must not pay any of those prizes until the claim period under these rules has passed.

(3) Unless otherwise agreed with the Commission, an agent may only pay out midweek lotto prizes that are for \$500 or less.

(4) An agent must not pay any prize that is outside the payment period for that prize.

Identification of receipted ticket holder

29. (1) The Commission may refuse to pay any division 1 midweek lotto prize in relation to a receipted ticket which is presented at the Commission's head office until the name and address of at least one person is sufficiently set out to identify a prize winner, in the space provided on the receipted ticket.

(2) Where a receipted ticket under subrule (1) is received by the Commission, and a name and address is not sufficiently set out to —

- (a) establish the prize winner's identity;
- (b) establish either the address or the name to be paid; or
- (c) indicate who of the names and addresses is to be paid,

the Commission may —

- (d) reject a claim in respect of that ticket;
- (e) where multiple names and addresses appear on the ticket, forward the prize to the name and address first appearing; or
- (f) request a statutory declaration containing such information as to the identity of the prize recipient as the Commission may require.

Commission may require a statutory declaration

30. The Commission may require the holder of a receipted ticket to complete a statutory declaration, upon the payment of any midweek lotto prize to that person, stating that the person has not, or is not to that person's knowledge part of a syndicate which has, acted in a manner contrary to the Act or these rules in relation to a receipted ticket.

Publication of names and addresses of prize winners

31. The Commission may publish the name and address of any prize recipient except where the back of the winning receipted ticket is marked to indicate that the name and address on the ticket is not for publication.

Player Registration Service

32. (1) A subscriber may, at any selling point, request a "Player Registration Service" (PRS) number, which may be used to identify a receipted ticket as being held by the subscriber.

(2) The Commission must issue the PRS number upon receipt of the subscriber's name and address, and the requisite amount of \$2.50, and that PRS number is valid for the 2 years following the date of issue.

(3) Notwithstanding these rules, where a receipted ticket is endorsed with a PRS number, and the holder of that receipted ticket has won a midweek lotto prize, the Commission must —

- (a) pay that prize upon presentation of the ticket in the manner set out in these rules, for the allowed period after the relevant draw; or
- (b) forward the prize to the subscriber's address in the form of a cheque, if the prize is not claimed under paragraph (a), following the allowed period.

(4) For the purposes of subrule (3), the "allowed period" is 5 weeks.

(5) The payment by the Commission of any prize payable in respect of a receipted ticket bearing a PRS number to the subscriber whose name corresponds to that PRS number, discharges the Commission from any further obligation in relation to that prize, despite any conflicting information that the Commission may have received in relation to the prize on that receipted ticket.

Instructions

33. (1) The subscriber and any other person claiming a prize in respect of a receipted ticket should follow the instructions on any entry coupon used, and on the back of the receipted ticket.

(2) In the event of any inconsistency arising between the instructions on an entry coupon or receipted ticket and these rules, these rules prevail to the extent of the inconsistency.

Rules to be made available

34. (1) A copy of these rules must be kept at every selling point and must be made available for public inspection upon request.

(2) In addition to the requirement in subrule (1), the Commission may publicize the rules, or any amendment to the rules, in any other manner that it thinks fit.

Decisions of Commission final

35. A decision or determination of the Commission in relation to a midweek lotto draw, and the declaration and payment of prizes under these rules is final and binding upon the holders of receipted tickets and any other persons claiming prizes in respect of the midweek lotto draw.
