PUBLIC SECTOR MANAGEMENT

PS401

PUBLIC SECTOR MANAGEMENT ACT 1994
CHIEF EXECUTIVE OFFICER APPOINTMENTS

The Government of Western Australia is keen to ensure that chief executive officers of all public service departments and agencies are the most suitable for the position. I have therefore decided that it is generally preferable to advertise chief executive officer positions at the expiry of existing appointments to ensure that competitive and merit-based appointments are made. This approach should not, however, be seen as a reflection upon the capacity of current chief executive officers whose terms of appointment have expired. I expect that present occupants will, in most cases, wish to apply for appointment to advertise positions.

Having received and considered relevant advice in respect of the chief executive officer listed below, I Richard Fairfax Court, Minister for Public Sector Management, notify that I have not recommended the reappointment of—

Agency:	Title:	Name of Current Occupant:
Department of Local Government	Executive Director	Mr John Lynch

I shall soon be requesting the Commissioner for Public Sector Standards to act to enable the filling of this vacancy.

RICHARD COURT, Premier and
Minister for Public Sector Management.
